Note:-

1. The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on February 10, 2021. The statutory auditors have conducted a limited review of the financial results.
2. The financial results have been prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013, read with relevant rules thereunder and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Regulation') as amended.
3. The company has not provided depreciation on the assets forming part of disposal group classified as held for sale in accordance with Ind AS 105. Had the company charged depreciation on those assets, the depreciation for the quarter and period ended 31.12.2020 would have been higher by Rs.300.77 lakhs and Rs.677.44 lakhs respectively.
4. The Company has elected to exercise the option permitted under section 115BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Company has written off accumulated MAT credit of Rs. 1249.30 lakhs and re-measured provision for taxation.

5. The Auditors have qualified their report for the quarter and period ended 31.12.2020 as under:-

No provision for the expected credit loss/ impairment on interest receivable from an erstwhile associate company of Rs.25219.69 lakhs has been recognized as per the requirement of Ind AS 109 "Financial Instruments". In view of non-recoveries, non-confirmations/reconciliation from the debtor company, initiation of legal action against the interest claim of the company and in absence of clear forward looking information regarding outcome of pending legal actions initiated and time frame and quantum of realisability of the interest receivable, we are unable to determine the amount of expected credit loss/ impairment as per the requirements of Ind-AS 109 "Financial Instruments" and its consequential impact on the loss for the year/accumulated loss.

This matter was also qualified by the auditor's in their report on the financial statements for the year ended 31.03.2020.

Board of Directors have considered the qualification made by the Auditors and have addressed the same as under:-

With reference to the Statutory Auditors remarks your Directors wish to state that the Company is confident of obtaining favourable award.

6. The financial statement of the Company has been prepared on going concern basis as in the opinion of the directors, there is a reasonable expectation that the Company will continue its operations for the foreseeable future. The Directors have examined the following points in order to ascertain the validity of going concern assumption.

(a) The Company has incurred a loss of Rs.18723.47 lakhs during the period ended December 31, 2020 and as of that date the Company's accumulated losses amount to Rs.76805.28 lakhs resulted in complete erosion of its networth. Further as of that date, Company's current liabilities exceeded its current assets by Rs.124748.80 lakhs. Significant financial ratios are also negative.

(b) The Company has defaulted in repayment of dues to SDF, banks and Asset Reconstruction Companies for principal amount of Rs.42941.40 lakhs and interest amounting of Rs.63909.72 lakhs since February 2012. The Company has received recall notice from one of the Asset Reconstruction Company for non-payment of principal and interest thereon after the due date by the Company.

The company has taken steps for restructuring its liabilities with banks and other lenders/creditors which will result in significant reduction of the liabilities and revive its ability to continue as a going concern. Further, the company is in the process of selling certain investments, non-core assets and group of core assets subject to approval of Banks, Asset Reconstruction Companies and Members of the company as may be required. The management is hopeful of finalizing a restructuring package and sale of assets soon.

Conditions explained above indicate existence of material uncertainty that may cast significant doubt of the Company's ability to continue as going concern due to which the Company may not be able to realize its assets and discharge its liabilities in the normal course of business. However, considering management's plans relating to restructuring of debt, expected improvement in operating activities and proposed sale of investments, non-core assets and group of core assets, the financial statement has been prepared on going concern basis.

7. Consequent to the outbreak of Covid-19 pandemic, the Company had suspended manufacturing activities for almost one month. Thereafter manufacturing activities have been resumed to normal level with the adoption of required safety measures. According to the assessment of the management there is no significant impact of Covid-19 for the Company.
8. The figures of previous periods / year have been regrouped/reclassified wherever necessary to make them comparable with those of the current period / year.

FOR SAKTHI SUGARS LIMITED

(M. MANICKAM)

CHAIRMAN AND MANAGING DIRECTOR

DIN : 00102233

Independent Auditor's Limited Review Report on unaudited financial results for the quarter and nine months ended on December 31, 2020

To
The Board of Directors of
Sakthi Sugars Limited

Report on the Statement of Unaudited Financial Results

1. We have reviewed the accompanying statement of unaudited financial results of Sakthi Sugars Limited (the "Company") for the quarter and nine months ended on December 31, 2020 (the "Statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

Management Responsibility for the Unaudited Financial Results

2. The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India is the responsibility of the Company's Management and has been approved by the Board of Directors of the Company. Our responsibility is to express a conclusion on the Statement based on our review.

Auditor's Responsibility

3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

4. No provision for the expected credit loss/ impairment on interest receivable from an erstwhile associate company of Rs. 25219.69 lakhs has been recognized as per the requirement of Ind AS 109 "Financial Instruments". In view of non-recoveries, non-confirmations/reconciliation from the debtor company, initiation of legal action against the interest claim of the company and in absence of clear forward looking information regarding outcome of pending legal actions initiated and time frame and quantum of realisability of the interest receivable, we are unable to determine the amount of expected credit loss/ impairment as per the requirements of Ind-AS 109 "Financial Instruments" and its consequential impact on the financial results.

Qualified Conclusion

5. Based on our review, with the exception of the matter described in Basis for Qualified Conclusion paragraph, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Related to Going Concern

6. We draw attention to Note 6 of the Statement. The company has incurred net loss of Rs. 18723.47 lakhs during the period ended December 31, 2020 and as of that date, the Company's accumulated losses aggregate to Rs. 76805.28 lakhs resulted in complete erosion of net worth. Further, as of that date, company's current liabilities exceeded its current assets by Rs. 124748.80 lakhs. These factors along with other matters as set forth in said note raise substantial doubt about the company's ability to continue as a going concern in the foreseeable future. However, the company's financial statement has been prepared on going concern basis as disclosed by management in said note. Our conclusion is not modified in respect of this matter.

Emphasis of Matter

7. Certain banks have classified its advance to company as Non-Performing Assets and are not charging/applying interest accrued. In order to account for all probable liabilities, the management in its best judgement has provided interest including penal interest, as per the terms of original sanction, on such borrowings. The management is of the opinion that the difference in interest, if any, shall be accounted for as and when the interest is charged or adjusted by the banks. Our conclusion on the Statement is not modified in respect of this matter.
