Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial results and Year to Date results of Binani Industries Limited Pursuant to the Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of Binani Industries Limited

1. We were engaged to review the accompanying Statement of Standalone Unaudited Financial Results of Binani Industries Limited ('the Company') for the quarter and nine months ended December 31, 2023 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.
2. This Statement which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free from material misstatement. A review of interim financial information consists of making inquiries, primarily of Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standards on Auditing specified under section 143(10) of the Companies Act 2013, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. The Company had given corporate guarantees/ Letter of Comfort/ Undertaking in earlier years on behalf of erstwhile subsidiary i.e., Edayer Zinc Limited, the outstanding liability was Rs. 8,025 lakhs as at December 31, 2023 to banks and

V. P. Thacker & Co.

financial institutions. In view of the recent change in the management of Edayer Zinc Limited, the Company received confirmation from the new management that it is absolved from present and contingent liabilities. However, the change in the Corporate Guarantor is pending for approval from banks. In respect of erstwhile subsidiary i.e. BIL Infratech Limited, the Company has given the letter of comfort / undertaking amounting to Rs. 5,171 lakhs. In respect of the above, the Company has maintained the provision made in respect of loss allowances amounting to Rs. 2,149.10 Lakhs as at December 31, 2023 as required by Ind AS 109 – 'Financial Instruments'. (refer note 3 of the Statement)

5. The Company is in the process of determining the realisable value of the remaining land as at December 31, 2023. Until such determination, the said Land is carried at its book value as at December 31, 2023 instead of its estimated net realisable value as on that date. The Company does not see any significant loss on determination of the realisable value vis-a-vis book value of the Land. (refer note 10 & 3 of the Statement)
6. The Company had entered into an MOU with M/s Maharashtra Wood Based Industries Estate ('MWBIE') on January 21, 2019 for sale of land in Wada. As per the MOU, the obligations by the buyer were to be completed within 60 days. With lapse of time, the MOU was terminated and termination letters were sent to the Party. Subsequently the land was sold to M/s Afamado Advisory Services Private Limited and the conveyance deed was executed and duly registered. MWBIE has issued a notice and filed a case (SCS265/2021) in the District Civil Court, Thane. The matter is sub-judice, hence the liability, if any cannot be determined.

7. **Emphasis of matter**

We draw attention to Note 2 to the Statement, which indicates that the Company has accumulated losses of Rs. 22,393 lakh and its net worth has fully eroded as at December 31, 2023. The Company's liabilities exceeded its total assets by Rs. 19,255 lakh as at the balance sheet date. Triton Trading Company Private Limited, the promoter company has committed to provide continued operational support to the Company. However, in the absence of any business plan, the going concern assumption is not appropriate for the preparation of the Statement of the Company as and for the nine months ended 31 December, 2023. Accordingly, the Statement of the Company have been prepared on a liquidation basis i.e., assets are measured at lower of carrying amount and estimated net realisable value and liabilities are stated at their estimated settlement amounts.

Our opinion is not modified in respect of this matter.

8. Based on substantive nature and significance of the matter described in paragraphs above and except for the possible effects of the matters described therein, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and

V. P. Thacker & Co.

measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

9. Other Matters

The Chief Financial Officer (CFO) of the Company has resigned on 31 December 2023. The Management of the Company has not appointed new CFO till the date of the board meeting. However, the Management has assured that the Company will appoint new CFO within the time limit, to comply with section 203(4) of Companies act, 2013 and regulation 26A(2) of SEBI(LODR), 2015.

Our opinion is not modified in respect of these matters.

Notes to the above financial results for the quarter and nine months ended 31st December, 2023

<p>1 The Standalone Unaudited Financial Results of Binani Industries Limited ('the Company') for the Quarter and nine months ended December 31, 2023 and the Consolidated Unaudited Financial Results of the Company for the Quarter and nine months ended December 31, 2023, have been reviewed by the Audit Committee and approved by Board of Directors at their meeting held on February 09, 2024.</p>
<p>2 The financial results have been prepared in accordance with the accounting principles generally accepted in India relating to the liquidation basis of accounting including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder, except where disclosed.</p> <p>During the nine months ended December 31, 2023, the Company had Nil total income (March 31, 2023 - Rs. 236 lakh) and profit/(loss) after tax of Rs. (537 lakh) (March 31, 2023 – Rs. (9,739) lakh). As at December 31, 2023, the Company's accumulated losses were Rs. 22,393 lakh (March 31, 2023 – Rs. 21,843 lakh), which has eroded its paid-up equity capital of Rs. 3,138 lakh. Further, the Company's liabilities exceeded its total assets by Rs. 19,255 lakh (March 31, 2023 – Rs. 18,705 lakh).</p> <p>Triton Trading Company Private Limited, the promotor company has committed to provide continued operational support to the Company. However, in the absence of any business plan, the going concern assumption is not appropriate for the preparation of financial results of the Company as and for the nine months ended December 31, 2023. Accordingly, the financial results of the Company have been prepared on a liquidation basis i.e., assets are measured at lower of carrying amount and estimated net realisable value and liabilities are stated at their estimated settlement amounts in the financial results except for the items in paragraph 3 below.</p>
<p>3 The Company had given Corporate Guarantees to Edayar Zinc Ltd. (EZL) and Letter of Comfort / Undertaking to BIL Infratech Limited through banks in the earlier years for the purpose of working capital requirements. The aggregate outstanding balance of EZL as at nine months ended December 31, 2023 is Rs.8,025 Lakh (excluding Interest) (March 31 2023: Rs.8,025 Lakh). Edayar Zinc Limited (EZL, erstwhile subsidiary) has entered into One Time Settlement (OTS) with bank. Mina Ventures Private Limited has consented to replace the Corporate Guarantee of the Company given to the Bankers of EZL and have also consented to take care of the entire liabilities (present and contingent) of EZL without recourse to Binani Industries Limited. The change in the Corporate Guarantor is pending approval from the Bank. EZL ceased to be a subsidiary with effect from March 04, 2022. Further, for BIL Infratech Limited, the Company had issued letter of comfort / undertaking for Rs.5,171.20 lakh. In the absence of determination of liability to be incurred for such corporate guarantees/letter of comfort, the Company has made the provision for loss allowance of Rs.2,149,10 lakh in respect of such corporate guarantees/letter of comfort given.</p> <p>Since the financial results of the Company for the nine months ended December 31, 2023 are prepared on liquidation basis, the Company has estimated and provided for various liabilities/expenses that is expected to arise, except for the following:</p> <p>a. As mentioned above, the Company has not provided for estimated liabilities towards Corporate Guarantees / Letter of Comfort extended to its erstwhile subsidiary EZL & BIL Infratech Limited outstanding as at December 31, 2023, except for provision for loss allowance of Rs.2,149,10lakh.</p> <p>b. The Company is in the process of determining the realisable value of the remaining Land as at December 31, 2023. Until such determination, the said Land is carried at its book value as at December 31, 2023 instead of its estimated net realisable value as on that date. The Company does not see any significant loss on determination of the realisable value vis-a-vis book value.</p>

Notes to the above financial results for the quarter and nine months ended 31st December, 2023

<p>4 Pursuant to a separate Scheme of Amalgamation approved by the Hon'ble High Court at Kolkata between Wada Industrial Estate Limited (WIEL) and an erstwhile step down wholly owned subsidiary of the Company on March 18, 2014, being the Company as a successor to WIEL (the scheme), the Company had applied AS 30, Accounting Standard on Financial Instruments: Recognition and Measurement (AS 30), issued by the Institute of Chartered Accountants of India (ICAI), and pursuant thereto has on March 31, 2014, being the date of conclusion of the first Accounting Year post the provisions of AS 30 becoming applicable to the Company, classified the investments as "available for sale financial assets" and has accordingly, measured such investments at fair value as on that date. All amounts required to be taken as per AS 30 to revenue reserve or to an appropriate equity account shall be aggregated and such aggregate shall be taken to the Business Reorganisation Reserves (BRR). As mentioned in the Scheme, in the event of any conflict between the provision of AS 30 and any other Accounting Standards, the provisions of AS 30 will be applied in preference to any other Accounting Standard. BRR shall constitute a reserve arising as per this Scheme and shall not for any purpose be considered to be a Reserve created by the Company.</p> <p>During the year 2016, the Institute of Chartered Accountants of India (ICAI) has withdrawn AS 30. Consequent to this, the Company has applied principles of notified Ind AS 109 related to Financial Instruments being new accounting standards applicable instead of AS 30. All equity investments including Investment in Subsidiaries are fair valued. Accordingly, all amounts required to be taken as per the Financial Instruments Standards under Ind AS to revenue reserve or to an appropriate equity account / Other Comprehensive Income are aggregated and such aggregated amount is taken to Business Reorganisation Reserves (BRR).</p> <p>Owing to Company's decision of preparing its financial results on liquidation basis, this reserve was adjusted against accumulated losses as at March 31, 2023.</p>	
<p>5</p>	<p>The Company is hopeful of recovering the loans extended to Global Composite Holding Inc., a wholly owned foreign subsidiary of the Company. The amount outstanding as on December 31, 2023 is Rs. 20.37 lakh (net of provisions) (March 31, 2023- Rs 390.43 lakh) and on basis of the Company's discussion with the management of Global Composite Holding INC, the Company believes these receivables are good and no provision is considered necessary in respect of this outstanding balance.</p>
<p>6</p>	<p>For the Assessment Year 2022-2023, received Intimation dt.17.01.23, Income as per return accepted. The Income Tax Scrutiny Assessment of AY 2021-22 completed and vide Order, u/s 143(3) dt.31.12.22, income determined at Rs. NIL as per return of Income filed. If the impact of additions made in the assessment orders u/s 14A and other additions is considered the Income Tax assessed liability for the Assessment Years, 2019-20, 2017-18, 2015-16, 2013-14, 2012-13 is aggregating to Rs.11,109 lakh. The Company has filed appeals/rectification applications against these assessment orders. Company has substantial assessed tax losses. On considering the assessed brought forward losses of earlier years by the department, there will be significant reduction in tax liability.</p> <p>For A.Y. 2023-24, BIL has carry forward losses of Rs. 2,340.79 Lakh, resulting in deferred tax asset at Rs. 589.13 Lakh (tax rate 25.168%). Similarly, there is carried forward long term capital loss at Rs. 1,26,350 Lakh on which deferred tax asset works out at Rs. 28,908.88 Lakh (tax rate @ 22.88%). However, on prudent basis company has decided not to recognize deferred tax asset in its books of account.</p>
<p>Company have made fresh Rectification letters. For AY 2015-16 there is major demand towards tax liability.
