Message to Shareholders

I would like to present to you the Annual Report FY 2022-23 of the Company.

“The performance for FY23 has been relatively soft owing to many challenges faced on account of the war in Ukraine and the consequent volatility in oil and other commodities, government-imposed stock limits on retailers and wholesalers.

The continued reduction in oil prices has impacted the performance of our bulk oil business.

Going forward, demand has recovered as the stock limits imposed on retailers and wholesalers have been removed. Section trials of our ethanol distillery have started, and we expect to commission the unit in September 2023. On the foods business, we continue to extend our offerings and focus on distribution expansion and are very optimistic of high growth in this segment.

The upcoming financial year should be a watershed year for the company. This year our new ethanol distillery will commence production and contribute significantly to the top line and bottom line. We expect strong growth in the branded business due to the launch of new food products and further distribution expansion. Our bulk oil business should go back to profitability this year with oil prices stabilizing.

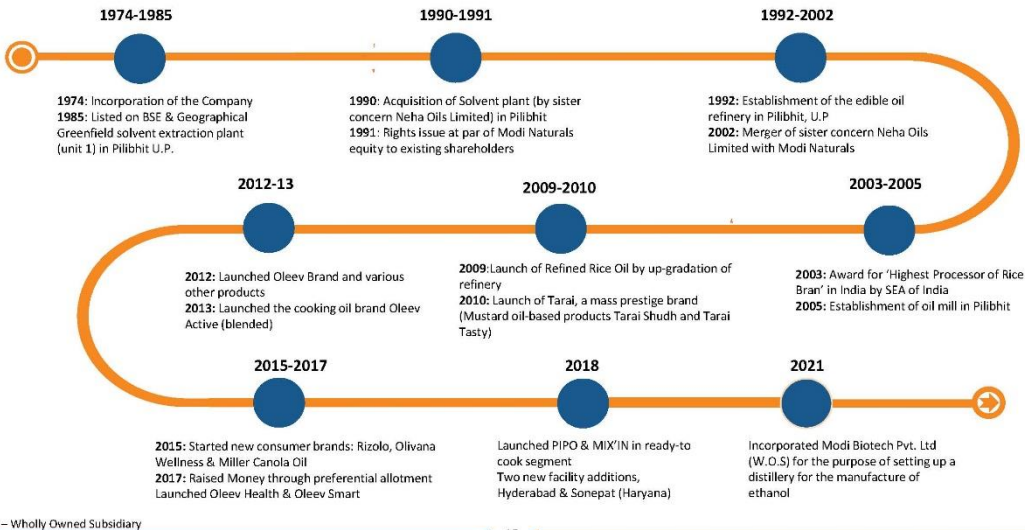

In a nutshell, we are extremely enthusiastic about the company’s prospects going forward.”

I would like to take this opportunity to thank the Board of Directors and our advisors for their continued guidance and trust. I would also like to thank our shareholders and customers for their unwavering support and faith in us and for making Modi Naturals, India’s leading FMCG company. I look forward to your continued support while we remain committed to delivering quality and sustainable growth.

Akshay Modi

Jt. Managing Director

Our Journey

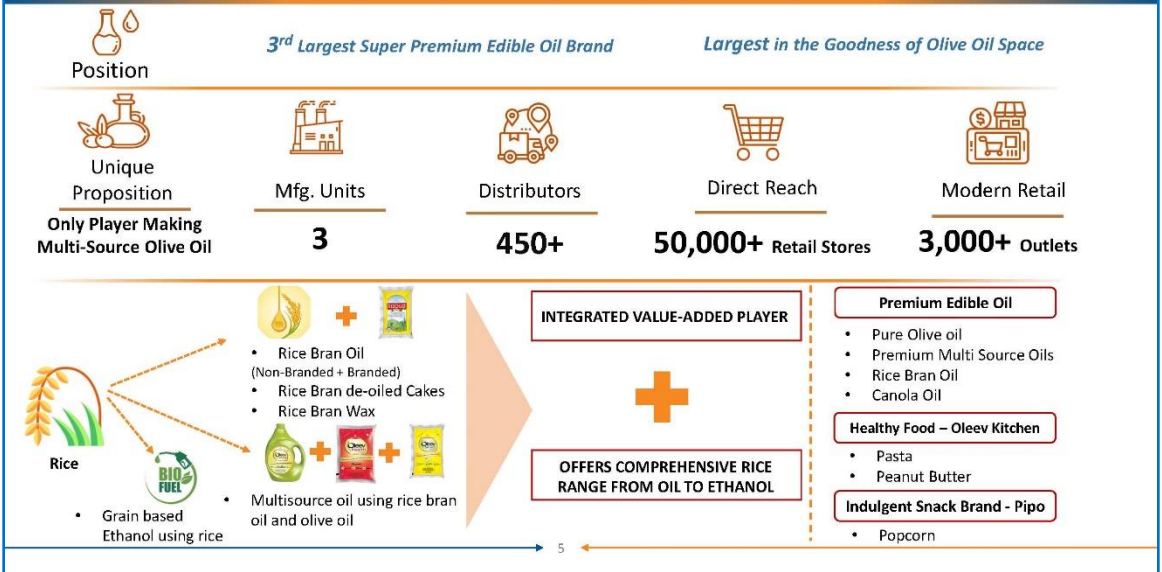

15

Transforming Into A Multi Brand FMCG Company

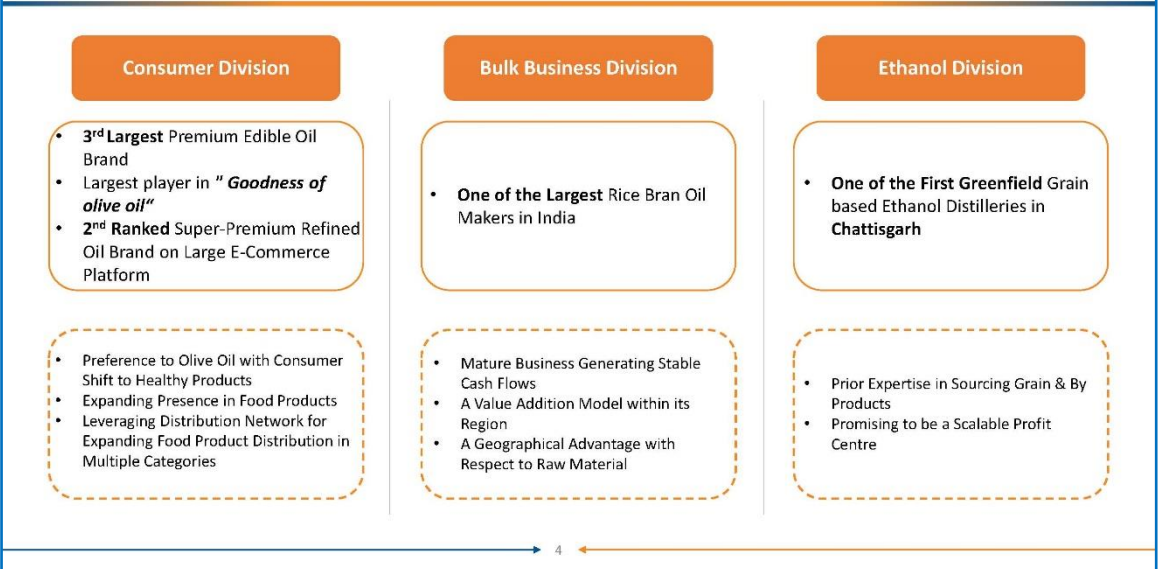

7

Modi Naturals - At A Glance

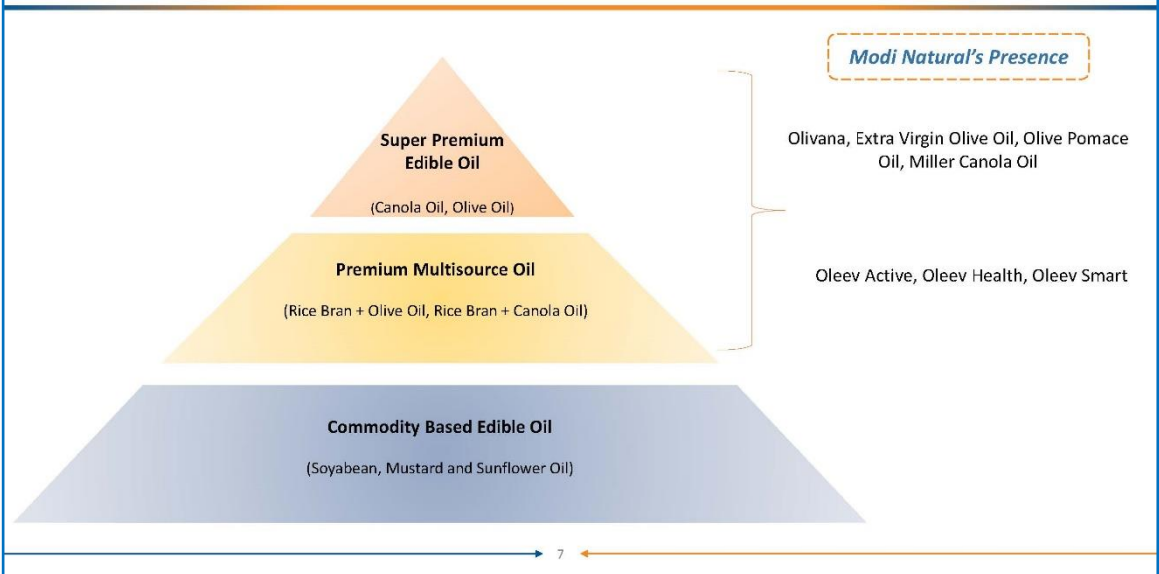

Business Verticals

Product Portfolio

Consumer Business

De-coding the Ethanol Business

Ethanol made from surplus and damaged food grain such as broken or surplus rice instead of molasses. Rice as a product is best understood due to the traditional rice bran oil business

Husk is used as a fuel for the plant, saving power and fuel cost

Plant is located in Chhattisgarh which is the only state that gets 3 crops in a year

Close proximity to procurement of raw materials saves transport costs and enhances margins

- Received an approval for 210 KLD distillery
- The investment over the next 2 years is expected to be ~Rs 250 cr, with the 1st phase of 110 KLD being completed within a year with an investment of Rs 160 cr
- Section-wise trials have begun. Aim to start production in Q2FY24

Key Advantages

High Margin Product

Large Demand Supply gap

Government Incentives

Proximity to Petroleum Depot

Low Cost of Production

Environment Friendly

20

Ethanol – a step Towards “Growth.....!”

Increasing Blending Rate

has led to

Increased Production Capacity

The above requires grain capacity to treble over the next 3 years as molasses-based ethanol is relatively limited without large scale diversion of sugar which will hamper food security

ADVANTAGES

Environment Friendly

Supports sugarcane, maize & rice farmers

Cuts Oil Import Bills

Increases investment & job creation in rural areas

14

Lara Dutta- Brand Ambassador for Oleev Brand

- Oleev has appointed former Miss Universe and actor, Lara Dutta as the brand ambassador for their range of olive and multisource cooking oils
- In the latest brand campaign released in Dec 2021, campaign has featured Lara Dutta's proactive approach to a healthy lifestyle while portraying multiple roles
- She is shown juggling between her professional and personal responsibilities and playing the most pivotal role of maintaining her family's health by being mindful of her cooking choices
- This defines a new era for the brand and reflects the brand positioning statement *'Behtar Kal Ki Shuruat, Aaj Se'*

NOTES:

- (a) An Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013 with respect of the Special Business set out at Items no. 3 to 5 of the accompanying Notice is annexed hereto.
- (b) The Ministry of Corporate Affairs (“MCA”) has, vide its circular dated December 28, 2022, read together with circulars dated April 8, 2020, April 13, 2020, May 5, 2020, January 13, 2021, December 8, 2021, December 14, 2021 and May 5, 2022 (collectively referred to as “MCA Circulars”), permitted convening the Annual General Meeting (“AGM” / “Meeting”) through Video Conferencing (“VC”) or Other Audio-Visual Means (“OAVM”), without physical presence of the members at a common venue for the calendar year 2023. In accordance with the MCA Circulars and applicable provisions of the Companies Act, 2013 (“the Act”) read with Rules made thereunder and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), the AGM of the Company is being held through VC / OAVM. The deemed venue for the 49th AGM will be the registered office of the Company.
- (c) **In terms of SEBI’s Circular dated 16th March 2023, it is mandatorily required for all members holding shares in physical mode to furnish PAN, KYC details (Address proof, Bank details, E-mail address and Mobile Number) and Nomination for all eligible folios to the RTA. The folios, wherein any of the cited documents /details are not made available on or after 01st October 2023, shall be frozen by the RTA.**

Shareholders of physical securities are requested to take note of the same and furnish their KYC details at the earliest to the Company’s RTA. The relevant forms for update of KYC are available on the websites of the Company at ‘www.modinaturals.com’ and the Company’s RTA at ‘www.skylinertal.com’. The Company, through the RTA, has sent individual letters, along with the relevant forms to the shareholders of physical securities with incomplete KYC details, requesting them to furnish/update their KYC details at the earliest.

Members, holding shares in electronic form, are requested to submit the details to their respective DPs only and not to the Company. Further, Shareholders holding shares in physical form are requested to ensure that their PAN is linked to Aadhaar to avoid freezing of folios. If the securities continue to remain frozen as on December 31, 2025, the RTA / the Company shall refer such securities to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and/or Prevention of Money Laundering Act, 2002, after 31 December 2025.

- (d) The relevant details, pursuant to Regulations 26(4) and 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) read with Secretarial Standard -2 issued by ICSI, in respect of Director(s) seeking appointment/re-appointment at this AGM is annexed hereto.
- (e) Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for this AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, Body Corporates are entitled to appoint authorized representatives to attend the AGM through VC/OAVM and participate thereat and cast their votes through e-voting.
- (f) Members desirous of seeking information in respect of Accounts of the Company are requested to send their queries to investors@modinaturals.org on or before September 24, 2023.
- (g) The Register of Directors’ and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of contracts or arrangements in which the Directors are interested under Section 189 of the Act and all other documents referred to in this Notice will be available for inspection in electronic mode.

- (h) In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM through e-voting.
- (i) The Share Transfer Books and Register of Members of the Company shall remain closed from Tuesday, September 26, 2023, to Saturday, September 30, 2023 (both dates inclusive) for the purpose of AGM.
- (j) As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred, transmission or transposition of securities only in dematerialized form. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrar and Transfer Agent – Skyline Financial Services Private Limited (SFSPL) for assistance in this regard.
- (k) As per the provisions of Section 72 of the Companies Act, 2013 (the "Act") the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Members are requested to submit the said details to their DP in case the shares are held by them in electronic form and to Skyline Financial Services Private Limited, in case the shares are held by them in physical form.
- (l) The format of the Register of Members prescribed by MCA under the Act requires the Company/ Registrar and Share Transfer Agents to record additional details of Members, including their PAN details, e-mail address, bank details for payment of dividend etc. Members holding shares in physical form are requested to submit the filled in form to the Company at investors@modinaturals.org or to SFSPL in physical mode, after restoring normalcy or in electronic mode at admin@skylinerta.com, as per instructions mentioned in the form. Members holding shares in electronic form are requested to submit the details to their respective DP only and not to the Company or SFSPL.
- (m) Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form and to the Company's Registrars and Transfer Agents, Skyline Financial Services Private Limited for shares held in physical mode, with relevant documents that may be required.
- (n) In line with the MCA Circulars and SEBI Circulars, the Notice of the AGM along with the Annual Report 2022-23 is being sent only by electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members may note that the Notice and Annual Report 2022-23 will also be available on the Company's website www.modinaturals.com, websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com and on the website of CDSL www.evotingindia.com. For any communication, the shareholders may also send requests to the Company's dedicated investor email-id: investors@modinaturals.org.
- (o) Members who have not registered their e-mail addresses so far are requested to register their e-mail address for receiving all communications including Annual Report, Notices, Circulars etc. from the Company electronically.

Voting through Electronic Means (For Remote e-voting and e-voting during AGM)

- I. In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as substituted by the Companies (Management and Administration) Amendment Rules, 2015, (including any statutory modification(s) or re-enactment thereof, for the time being in force), and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 and Secretarial Standard on General Meetings (SS-2) issued by the ICSI and MCA Circulars, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
- II. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- III. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.

THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER::

- (i) The e-voting period begins on **Wednesday, September 27, 2023 (10:00 am) and ends on Friday, September 29, 2023 (5:00 pm)**. During this period shareholders of the Company holding shares either in physical form or in dematerialized form, as on the **cut-off date i.e. September 23, 2023** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution is cast by the Members, the Member shall not be allowed to change it subsequently.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.
 Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.
 Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.
 In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
- (iv) In terms of SEBI circular **no. SEBI/HO/CFD/CMD/CIR/P/2020/242** dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

DIVIDEND

No dividend is proposed for the financial year ended 31st March 2023.

TRANSFER TO RESERVES

No amount is proposed to be transferred to reserves.

REVIEW OF OPERATIONS

Your Company, during the fiscal 2023, recorded revenue from operations of ₹ 41796.21 lac, a decline of 11.87% over previous year. The Profit Before Tax (PBT) was ₹196.66 lac against ₹1298.99 lac in the previous year. The Profit After Tax (PAT) was ₹117.04 lac against ₹940.18 lac in the previous year. Revenue from bulk oil business impacted due to severe correction in oil prices. The branded oil business has, however, grown. Profitability has taken a hit due to the massive fall in international oil and other commodity prices which has led to inventory losses for FY23. Interest costs have increased as equity was infused into wholly owned subsidiary, Modi Biotech Pvt Ltd, and therefore working capital borrowing increased for FY23.

Segment, Product wise Performance

Modi Naturals is today one of India's leading consumer goods companies operating in the wellness and foods category.

The company is poised to grow exponentially in the next few years with its three verticals namely a). consumer goods vertical, b). bulk edible oil and feeds vertical and c). alcohol manufacturing vertical.

Modi Naturals' Branded /Consumer Goods vertical includes a range of products that includes healthy & premium edible oil, Popcorn, Pasta, Peanut Butter, Instant Drink Mix etc.

- **In healthy and premium edible oil category-** the company's branded product portfolio includes Oleev Olive oil, Oleev Active oil (healthy Olive oil and Rice Bran Oil blend), Oleev Health Oil (Multisource Oil) Oleev Smart Oil (Multisource oil), Rizolo Rice bran oil, Miller Canola Oil and Olivana Wellness Oil (100% natural versatile oil with goodness of pure olives – can be used for cooking, hair, skin care and baby care). We are the only player making Multi-Source Olive oil.

Your Company's flagship brand, "OLEEV" is a leading name in the edible oil market, and it caters to the premium segment of the market. In the multisource edible oil category, 'Oleev Active' has continued to increase its dominance. Volume has recovered after removal of stock limits, and we expect to see growth pick up in subsequent quarters.

Modi Naturals has engaged to a fitness Icon – former Miss Universe and Actor, Lara Dutta as the brand ambassador for their range of olive and multisource cooking oils. This defines a new era for the brand and reflects the brand positioning statement 'Behtar Kal Ki Shuruat, Aaj Se'.

➤ **In healthy Indulgent snacking category** – the company's branded product portfolio includes :

- **PIPO Popcorn** and unique Taste Bomb sachets inside with exciting flavours Peri Peri, Tomato Salsa, Cheese Burst, Tandoori Twist, to suit the Indian palate better compared to the regular butter/cheese flavours available in the market.

Under PIPO, extending our product portfolio and getting into the ready-to-eat space, we have launched on a pilot basis our range of flavoured roasted peanuts. These ready-to-eat peanuts are available in five flavours, including Periperi, BBQ, heeng-jeera, and others.

- **Taste Bomb**, PIPO's sub-brand, is being separately launched in the instant masala/seasoning category, with six variants i.e. Magic masala, pasta masala, peri peri, Oregano, Italian herbs, and Tandoori.
- **'Peanut Butter'** with two variants Creamy & Crunchy under the sub-brand OLEEV KITCHEN.

In Peanut Butter, we are creating a vertical segmentation wherein we have launched Oleev Junior Peanut Butter specifically targeted for children in the age bracket of 4-13 years. Additionally, Oleev Junior Peanut butter chocolate flavour was piloted in Q4FY23.

- **'Pasta'** (100% Wheat Semolina & 0% Maida) with three variants, under the sub-brand OLEEV KITCHEN.

Extending the range of ready-to-cook pasta and introducing new shapes, i.e. macaroni and spaghetti, with a commitment to food innovation, we have launched a one-of-its-kind multigrain pasta with the goodness of four grains in the premium category,

- New category of powdered **ready-to-mix beverages** was piloted in Q4FY23 under new brand "**Jynx**" with the following flavours- mango, orange, iced tea-lemon and Mojito. This will help us enter an exciting new category which is doing well with Gen-Z and will also offset some of the seasonality in oil demand in summer months.

Food business has grown by 40% YoY in FY23, 20% QoQ and it is still scaling up with distribution expansion and new product introductions every quarter. Profitable at the operating level for all food segments. On the food business, we continue extend our offerings and stick to our commitment towards food innovation, which will yield results and create a robust product portfolio strengthening our brand.

➤ **In the bulk edible oil segment**, the company manufactures and markets Rice Bran oil, Rice Bran wax and De-oiled cakes.

- Performance for FY23 has been relatively soft owing to many challenges faced on account of the war in Ukraine and the consequent volatility in oil prices and other commodities. Our bulk oil business should go back to profitability this year with oil prices stabilizing.

The Company has created niche, premium and differentiated brands in highly competitive categories of edible oils and healthy foods. Our strong focus on quality, innovation, product differentiation and brand building has helped us stand out in a cluttered retail market, with 'Oleev' becoming the **No.1 "Goodness of Olive Oil" brand in India**, with a fully backward-integrated portfolio of products. Over the last decade, we have developed a pan-India distribution network across all channels of FMCG, including the upcoming Q-Commerce, serving our consumers through all modes of online and offline retail across the country. We are a very proud Indian company, manufacturing, and marketing world-class food products in India.

The Company is present on all e-commerce platforms including Amazon, Blinkit (Big Basket), Flipkart, Grofers and Jio Mart. Further, the company is widely distributed in 3,000 organized modern retail outlets and also has around 450 distributors pan India with a direct reach of about 50,000 retail stores, which will be used to penetrate further in healthy snacking foods category. Recently, the Company has started food business with a few more large retail players like Spencer's which will reflect in numbers in the coming quarters.

- **Ethanol Business** : A step towards sustainable growth, Modi Naturals has diversified into ethanol manufacturing, with a state-of-the-art greenfield Ethanol Plant being established in the State of Chhattisgarh under its 100% subsidiary, Modi Biotech Private Limited. This project is in line with the company's core values & commitment towards sustainable growth and will also help the company have a diversified portfolio of businesses. This project is also in line with the Honourable Prime Minister of India Shri Narendra Modi's vision & roadmap for the Ethanol Blended Petrol (EBP) program with a target of 20% blending by 2025. The investment over the next two years is expected to be approximately ₹250 cr., with the first phase of 110 KLD with an investment of ₹160 cr.
- Delayed delivery of some critical bought-out items such as pumps and electronics which faced global supply chain disruptions led to a delay in start of ethanol production. Section trials of our ethanol distillery have started, and we expect to commission the plant in September 2023.

Your Company is placed competitively in the industry and is determined to grow its market share and profitability sustainably through focus on developing top-notch products coupled with extensive advertising and promotional campaigns.

OUTLOOK, OPPORTUNITIES, RISKS & CONCERNS

Indian Economy

Even as the global conflict remained geographically distant from India, ripples comprised increased oil import bills, inflation, cautious government and a sluggish equity market. India's economic growth was 7.2% in FY 2022-23. India emerged as the second fastest-growing G20 economy in FY 2022-23. India overtook UK to become the fifth largest global economy. India surpassed China to become the world's most populous nation. (Source: IMF, World Bank)

India is widely acknowledged as one of the most dynamic major economies in the world with immense headroom for growth over the medium and long term. A favourable demographic profile, increasing affluence, rapid urbanisation and accelerated digital adoption represent some of the key structural drivers of growth of the Indian Economy.

FMCG Industry

The FMCG sector continues to remain an exciting sector with continued growth potential driven by India's economic growth. The FMCG industry in India has been reporting good growth even during the COVID years, when most other industries were reeling under a demand crunch, riding on strong consumer shift in favour of natural healthcare products. The frequent price increases and an overall slump in economic activity put pressure on the purchasing power of consumers particularly in Rural India. Despite near term consumption pressure, there are some green shoots which are emerging such as moderating inflation, improving consumer confidence and increase in government spending. This should help revive demand and drive consumption of consumer goods in the future.

Indian edible oils Industry

India's per capita consumption of edible oil is relatively low at 19-19.80 kg per year, compared to the global average of 24 kg per year. However, with a growing population and increasing per capita consumption, demand for edible oils is expected to increase. (Source: Technopak)

Ready to cook & ready to eat segments in India

The market for both the segments put together is estimated to be approximately 4,200 Crore in FY 2019-20 and is expected to grow at a high CAGR of 16% doubling itself by FY 2024-25.

Outlook

The fast-moving consumer goods (FMCG) industry is expected to grow at a CAGR of 27.9% from 2021 to 2027, reaching nearly US\$ 615.87 bn. This gain will be ascribed to the projected rise in rural demand as inflation slowly starts to decline. Urban demand is also anticipated to remain steady, supporting the sector's expansion. By 2025, the number of internet users in India is also projected to reach 1 bn. As an estimated 40% of all FMCG consumption in India is done online, the e-commerce share of total FMCG sales is expected to increase by 11% by 2030. (Source: CRISIL, IBEF)

The Company strives to leverage these opportunities and create innovative products that meet diverse consumer requirements. Further, the Company's expenditure on marketing and advertising would help to reinforce its brands.

SUBSIDIARIES, JOINT VENTURES, OR ASSOCIATE COMPANIES

1. Modi Biotech Private Limited – wholly owned subsidiary

Modi Biotech Private Limited (MBPL) was formed on 27th April 2021 to set up a greenfield Ethanol Distillery at Raipur, Chhattisgarh.

MBPL has started section-wise trials. We aim to start the production in September 2023.

The Company does not have any Joint Ventures or Associate Companies.

Pursuant to the provisions of Section 129, 134 and 136 of the Act read with rules made thereunder and Regulation 33 of the SEBI Listing Regulations, the Company has prepared consolidated financial statements of the Company and a separate statement containing the salient features of financial statement of subsidiaries in Form AOC-1, which forms part of this Annual Report.

In accordance with Section 136 of the Act, the audited financial statements, including consolidated financial statements and related information of the Company and audited accounts of each of its subsidiaries, are available on website of the Company (www.modinaturals.com).

Internal Control Systems and its adequacy

The Company has adequate Internal Control System consistent with the nature of business and size of the operations, to effectively provide for safety of its assets, reliability of financial transactions with adequate checks and balances, adherence to applicable statutes, accounting policies, approval procedures and to ensure optimum use of available resources. These systems are reviewed and improved on a regular basis. It has a comprehensive budgetary control system to monitor revenue and expenditure against approved budget on an ongoing basis.

The Internal Auditor, the Audit Committee as well as the Board of Directors conduct from time to time an evaluation of the adequacy and effectiveness of the system of internal controls for financial reporting with respect to financial statements.

Risk Management

The Company has adopted Risk Management Policy to proactively take care of the internal and external risks of the company and ensure smooth business operations. The company's risk management policy ensures that all its material and compliance risk exposures are properly covered, and the company's business growth and financial stability is assured. At present the Company has not identified any element of risk which may threaten the existence of the Company.

Human Resource and Industrial Relations

The Company lays great emphasis on proper management of human resources and believes that this is the most important ingredient for achieving excellence in performance and sustainable growth. The Management of your Company put utmost efforts to strengthen the existing work force and retaining them to enhance the human resource capability in the Company.

As on 31st March 2023, the Company had 538 employees on its payroll. The Company's industrial relations are cordial at all locations.

The Directors of your Company deeply appreciate the spirit and commitment of its dedicated team of employees.

SHARE CAPITAL

As on March 31, 2023, Mr. Anil Modi, Mr. Akshay Modi and Mrs. Aditi Modi holds 1,30,000, 4,40,000 and 42,000 convertible warrants of the Company respectively. None of the non-executive directors of the Company holds any convertible instruments of the company as on March 31, 2023.

ALLOTMENT OF CONVERTIBLE WARRANTS

During the year on 18 May, 2022, the company, pursuant to the shareholders resolution passed at the Extraordinary General Meeting held on 4 May, 2022, issued and allotted 6,50,000 warrants on preferential basis to Promoters and Promoter Group. The said warrants carry an option / entitlement to subscribe to equivalent number of Equity Shares of ₹10/- each at a future date, not

exceeding 18 (eighteen) months from the date of issue of such warrants at a price of ₹ 207/- which includes a premium of ₹197/- per share determined in accordance with Regulation 76 of the SEBI (Issue of Capital & Disclosure Requirements) Regulations, 2009.

An amount equivalent to 25% of the price has been received on allotment of the Warrants and the balance amount (75%) shall be payable by the Warrant Holders while exercising their options to subscribe for equity shares.

On full conversion, the number of Equity Shares will increase from 1,26,56,397 to 1,33,06,397. The Company has sufficient authorized capital to cover the allotment of these shares.

PUBLIC DEPOSITS

During the year the Company has not accepted / renewed any deposit from public. The total deposits remained unpaid or unclaimed as at 31st March, 2023 is Nil. There is no default in repayment of deposits or payment of interest thereon during the year.

RELATED PARTY TRANSACTIONS

All related party transactions that were entered into during the financial year were on arm's length basis and were in the ordinary course of the business. During the year, there were no materially significant related party transactions made by the Company with Promoters, Key Managerial Personnel or other designated persons which may have potential conflict with the interest of the Company.

There were no materially significant related party transactions made by the Company during the year that required shareholders' approval under Regulation 23 of the Listing Regulations. The details of related party transactions are provided in Note 36 to Standalone Financial Statements in accordance with the Accounting Standards.

The Policy on RPTs as approved by the Board is uploaded on the Company's website <https://modinaturals.com/investor-relations/>

STATUTORY AUDITORS

The Board of Directors recommends appointment of M/s. Doogar & Associates, Chartered Accountants, (ICAI FRNo. – 000561N) as Statutory Auditors of the Company in place of M/s. K. K. Jain & Co., Chartered Accountants, (ICAI FRNo: 002465N), who have tendered their resignation as Statutory Auditors of the Company. The Board of Directors of the Company at its meeting held on 05.09.2023 have appointed M/s. Doogar & Associates, Chartered Accountants, subject to approval of shareholders at ensuing Annual General Meeting, to hold office from the conclusion of 49th Annual General Meeting till the conclusion of 54th Annual General Meeting.

The Board recommends to the members of the Company approval of the appointment of M/s. Doogar & Associates, Chartered Accountants, (ICAI FRN – 000561N) as the Statutory Auditors of the Company. Your Company has received a letter from M/s. Doogar & Associates, Chartered Accountants, to the effect that their appointment, if made, would be under the second and third proviso to Section 139 (1) of the Companies Act, 2013 and that they are not disqualified within the meaning of Section 141 of the Companies Act, 2013 read with Rule 4(1) of the Companies (Audit and Auditors) Rules, 2014

COST AUDITORS

The Board of Directors at their meeting held on 05.09.2023 appointed M/s. Manisha & Associates, Cost Accountants (FRNo.-000321), as the Cost Auditor for conducting the Cost Audit for the financial year 2023-24. A resolution seeking members' ratification of the remuneration payable to Cost Auditor is included in the AGM notice. The Cost Audit Report for financial year 2022-23 will be filed within the stipulated period. The Company is maintaining the Cost Records as per Section 148(1) of the Companies Act, 2013.

SECRETARIAL AUDITORS

The Board had appointed M/s Deepak Bansal & Associates, Company Secretaries, to conduct Secretarial Audit of the Company. ANNEXURE 'A' TO DIRECTORS' REPORT
Form No. MR-3
SECRETARIAL AUDIT REPORT
for the financial year ended 31st March 2023

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
 The Members,
 Modi Naturals Limited (CIN: L15142DL1974PLC007349)
 405, Deepali Building, 92, Nehru Place,
 New Delhi-110 019

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Modi Naturals Limited** (hereinafter called "the company") (CIN: L15142DL1974PLC007349). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on March 31, 2023 (Audit Period) complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter along with Annexure-A attached to this report :

We have examined the books, papers, minute books, forms and returns filed, and other records maintained by the Company for the financial year ended on March 31, 2023 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
(Not Applicable to the Company during the audit period)
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021: **(Not Applicable to the Company during the audit period)**
 - (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; **(Not Applicable to the Company during the audit period)**
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(Not applicable to the Company during the Audit period)**
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and **(Not Applicable to the Company during the audit period)**
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
(Not Applicable to the Company during the audit period)
 - (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

We have also examined compliance with the applicable clauses of the following:

- (j) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreement entered into by the Company with BSE Limited.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except that there was Violation of the Code of Conduct for Prohibition of Insider Trading by Promoters regarding inter-se transfer of shares amongst them between 06/12/2022 and 06/01/2023 inter-alia during the closure of trading window. Considering the explanation of related Promoter that the trades executed by him in violation of the Code read with SEBI ("PIT Regulations") were inadvertent and not intentional. Also considering that the said transaction was of gift of the shares and no monetary value was involved and the aforesaid violation being his first transgression of the Code of Conduct for Prevention of Insider Trading of the Company, a warning letter was issued to him. Further, the Designated Person and his immediate relatives have

undertaken to be extra cautious while executing transactions in future to ensure compliance of Code of Conduct and SEBI (Prohibition of Insider Trading) Regulations, 2015. The Compliance Officer has submitted his report on violations to the Stock Exchange on 31.01.2023 in accordance with Schedule B (13) read with Regulation 9 (1) of SEBI (Prohibition on Insider Trading) Regulations, 2015.

We further report that having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with the following laws applicable specifically to the Company as identified by the management:

- a) Food Safety and Standards Act, 2006 and rules made there under,
- b) Legal Metrology Act, 2009 and rules made there under
- c) VOPPA (Regulation) Order, 2011 and rules made there under,
- d) The Boilers Act, 1923 and rules made there under,

The company is registered with Food Safety and Standards Authority of India vide FSS License Nos. 10012051000395, 10012051000407, 10018047001068 and 10018064001288.

We further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There was no change in the composition of the Board of Directors during the period under review. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, except in few instances, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings were carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations, and guidelines.

We further report that pursuant to the approval of the shareholders of the Company by way of a special resolution under Section 42 and Section 62(1)(c) of the Companies Act, 2013 at the Extraordinary General Meeting held on 4 May, 2022, the Company, on 18.05.2022, has allotted 6,50,000 convertible Warrants, carrying an entitlement for the holder(s) thereof to subscribe within 18 months to an equal number of fully paid up equity shares of INR 10/- each at the exercise price of INR 207/- (including a premium of INR 197/-) each ("Issue Price") aggregating to INR 13,45,50,000/-, on a preferential basis to promoter and promoter group ("the Warrants"), in accordance with the Chapter V of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 and other applicable provisions of Companies Act, 2013.

CORPORATE GOVERNANCE COMPLIANCE CERTIFICATE

To,
The Members,
Modi Naturals Limited
(CIN: L15142DL1974PLC007349)

I, Deepak Bansal, Company Secretary in Practice, have examined the compliance of conditions of Corporate Governance by the Company, as stipulated in Chapter IV of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI Listing Regulations) for the year ended on 31st March 2023.

The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in SEBI Listing Regulations.

My responsibility is limited to examining the procedures and implementation thereof, adopted by the Company, for ensuring compliance with the conditions of Corporate Governance.

In my opinion and to the best of my information and according to the explanations given to us and based on the representations made by Directors and the Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations during the year ended March 31, 2023.

I state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of Modi Naturals Limited
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Modi Naturals Limited ("the Company")** which comprise the standalone Balance Sheet as at March 31, 2023, the standalone Statement of Profit and Loss (including other comprehensive income), standalone statement of Cash Flows and standalone statement of changes in equity for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company As at March 31, 2023, its profit (including other comprehensive income), its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no matter which is required to be described as key audit matter to be communicated in our report.

Information other than the Standalone Financial Statements and Auditors' Report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes

maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Standalone Financial Statement

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of subsection (11) of section 143 of the Companies Act, 2013, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. (A) As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f) With respect of the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The company has disclosed the impact of pending litigation on its financial position in its standalone financial statements. Refer Note 31 to the standalone financial statements.
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company.
- (iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- (v) The Company has not declared or paid any dividend during the year .
- (vi) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

(C) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the company to its directors during the current year is in accordance with the provisions of Section 197 of the Act.

Annexure A to the Independent Auditor's Report

(Referred to in paragraph 1 under 'Report on other legal and regulatory requirements' section of our report of even date to the members of Modi Naturals Limited)

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we report that:

- (i)(a) A. The Company is maintaining proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.
- B. The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all Property, Plant and Equipment are verified in a phased manner. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (d) According to information and explanations given to us and on the basis of our examination of the records of the Company, the company has not revalued any of its Property, Plant and Equipment during the year. Therefore, the provisions of Clause(i)(d) of paragraph 3 of the order are not applicable to the company.
- (e) According to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) Inventories have been physically verified by the management at reasonable intervals during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with Yes Bank and HDFC Bank are in agreement with the books of account of the Company except for the quarter ended 31 Dec, 2022 and 31st March, 2024 where differences were noted between the amount as per books of account for respective quarters and amount as reported in the quarterly statements. The details of the variations are set out in note 43(h) to the financial statements.

- (iii) According to the information and explanations given to us on the basis of our examination of the records of the company, the company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the years. The company has made investment in its wholly owned subsidiary companies during the year. According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion the investments made are, prima facie, not prejudicial to the interest of the company
- (iv) According to the information and explanations given to us on the basis of our examination of the records of the company, the Company has not given any loans nor provided any guarantee or security as specified under section 185 and 186 of the Act. In respect of investments made by the Company, in our opinion, the company has complied with the Provision of Section 186 of the Act ,
- (v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- (vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under subsection (1) of Section 148 of the Act in respect of Company's products and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii)(a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Services Tax ('GST'), Provident fund, Employees' State Insurance, Income Tax, Duty of Customs, Cess and other statutory dues have generally been regularly deposited by the Company with the appropriate authorities.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Services Tax ('GST'), Provident fund, Employees' State Insurance, IncomeTax, Duty of Customs, Cess and other statutory dues were in arrears as at 31 March 2023 for a period of more than six months from the date they became payable.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, statutory dues relating to Goods and Service Tax, Provident Fund, Employees State Insurance, IncomeTax, Duty of Customs or Cess or other statutory dues which have not been deposited on account of any dispute are as follows:

Name of the statute	Nature of dues	Amount * (Lakhs)	Period to which the amount relates	Forum where dispute is pending
VAT	VAT	95.93	2013-14	Supreme Court of India
VAT	VAT	4.70	2015-16	Commercial Tax Tribunal Uttar Pradesh
Income Tax	Income Tax	145.20	2011-12	Commissioner of Income Tax (Appeals), Circle 17(2), New Delhi
Provident Fund	Provident Fund	35.58	2009-10 and 2010-11	Employees Provident Fund Appellate Tribunal, Lucknow

*Amount is net of payments made under dispute.

- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to any lender.
- (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.
- (d) According to the information and explanations given to us and on an overall examination of the balance sheet of the company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiary companies as defined under the Act.
- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
 - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- (xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year
 - (b) According to the information and explanations given to us, no report under subsection (12) of section 143 of the Companies Act has been filed in Form ADT4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
 - (c) According to the information and explanations given to us, there were no whistle blower complaints received by the company during the year and upto the date of the audit.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv)(a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
 - (b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- (xv) The Company has not entered into any noncash transactions with directors or persons connected with him for the year under review. Therefore, the provisions of Clause (xv) of paragraph 3 of the order are not applicable to the Company.
- (xvi)(a) The company is not required to be registered under section 451A of the Reserve Bank of India Act, 1934. Accordingly, reporting under clause 3(xvi)(a), (b) and (c) of the Order are not applicable
 - (b) According to the information and explanations provided to us during the course of audit, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been resignation of the statutory auditors during the year and we have taken into consideration the issues, objections or concerns raised by the outgoing auditors.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) In our opinion and according to the information and explanations given to us, there is no unspent amount under subsection (5) of section 135 of the Act pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

Annexure 'B' to Independent Auditors' Report

Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial control with reference to financial statement of Modi Naturals Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statement, criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions

and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

New Delhi, 30th May 2023

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

1. Corporate Information

Modi Naturals Limited is a Public Limited Company domiciled in India and Incorporated under the provisions of Companies Act, 1956. The shares of company are listed at Bombay Stock Exchange. The Company is in the business of manufacturing and marketing of oils and deoiled cakes.

2. Significant Accounting Policies

2.1 Basic of Preparation of Financial Statement

i. Statement of Compliance

These Financial Statements have been prepared in accordance with Indian Accounting Standards (the 'Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015. (as amended from time to time) and the relevant provisions of the Companies Act, 2013 ('Act').

ii. Functional and Presentation Currency

The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates. All values are in Rupees except when otherwise indicated

iii. Historical Cost Convention

The financial statements are prepared under historical cost convention on accrual basis except for certain assets and liabilities as stated in their respective policies, which have been measured at fair values.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date regardless of whether the price is directly observable or estimated using another valuation technique.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a nonfinancial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

iv. Use of estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in Note 2.23.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are rejected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

v. Current versus non-current classification

All assets and liabilities have been classified as current or noncurrent as per the Company's normal operating cycle and other criteria set out in Schedule III to the Act.. Based on the nature of product & activities of the Company and their realization in cash and cash equivalent, the Company has determined its operating cycle as 12 months.

Deferred tax assets and deferred tax liabilities are classified as noncurrent assets and liabilities.

vi. New or amended standards and interpretations

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:

Ind AS 1 – Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 12 – Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements.

2.2 Inventory Valuation

- (a) Finished Goods at lower of cost or net realizable value.
- (b) Goods in Process at cost (computed on FIFO basis)
- (c) Raw material at cost (computed on FIFO basis)
- (d) Stores and spares at cost (computed on FIFO basis)
- (e) Provision for obsolescence and other anticipated losses are made on the stocks, whenever identified / considered necessary.

2.3 Property, Plant and Equipment

Items of Property, Plant and Equipment are measured at cost less accumulated depreciation and any accumulated impairment loss.. Cost includes its purchase price (net of CENVAT/ duty credits wherever applicable), after deducting trade discounts and rebates. It includes other costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management and the borrowing costs for qualifying assets and the initial estimate of restoration cost if the recognition criteria are met.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the costs of the item can be measured reliably. Repairs and maintenance costs are charged to the statement of profit and loss when incurred. An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively

2.4 Intangible assets

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

2.5 Depreciation

- (i) Tangible assets Depreciation on All Assets is charged at Straight Line Method basis in the manner as prescribed in Companies Act 2013 and rate as per prescribed useful life
- (ii) Intangible assets – Computer Softwares are amortized over a period of 5 year and Website Development over a period of 10 Years on a straight line basis.

2.6 Impairment of Assets

Assets are grouped at the lowest levels for which there are separately identifiable cash flows (i.e. cash generating units). For the purpose of assessing impairment at each Balance Sheet date, Assets within a Cash Generating Unit are reviewed for impairment wherever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount at which the assets under individual Cash Generating Unit are carried in the books exceeds its recoverable amount being the higher of the assets net selling price and its value in use. Value in use is based on the present value of the estimated future cash flows relating to the assets.

Previously recognized impairment losses, relating to assets other than goodwill, are reversed where the recoverable amount increases because of favorable changes in the estimates used to determine the recoverable amount since the last impairment was recognized. A reversal of an asset impairment loss is limited to its carrying amount that would have been determined (net of depreciation or amortization) had no impairment loss been recognized in prior years.

2.7 Recognition of Revenues

Revenue is recognised upon transfer of control of promised goods to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those goods.

Sale of goods

Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer which is usually on dispatch / delivery.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, rebates, scheme allowances, price concessions, incentives, and returns, if any, as specified in the contracts with the customers. Revenue excludes taxes collected from customers on behalf of the government. Accruals for discounts/incentives and returns are estimated (using the most likely method) based on accumulated experience and underlying schemes and agreements with customers. Due to the short nature of credit period given to customers, there is no financing component in the contract.

Interest Income

Interest income from financial assets is recognised when it is probable that economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income from a financial asset is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Insurance claims and other Miscellaneous Revenues

Insurance claims are accounted for on the basis of claims admitted and to the extent that there is no uncertainty in receiving the claims.

Other Miscellaneous Revenues are recognized when the amounts are actually received or the realisability is certain.

2.8 Foreign Currency Transactions

(a) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(b) Conversion

Foreign currency monetary items are reported using the closing rate. Nonmonetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and nonmonetary items which are carried at fair value or other similar valuation denominated in foreign currency, are reported using the exchange rates that existed when the values were determined.

(b) Exchange Differences

Exchange differences arising on the settlement of monetary items or on restatement of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise except exchange differences on transactions relating to acquisition of fixed assets, which are taken up to the date of capitalization of the related fixed assets.

2.9 Employee Benefits Expenses and liabilities in respect of employee benefits are recorded in accordance with Indian Accounting Standard 19 – Employee Benefits:

(i) Provident Fund and ESI

The Company makes contribution to statutory Provident Fund and Employee State Insurance in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 and Employee State Insurance Act, 1948 which is a defined contribution plan and contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.

(ii) Gratuity

Gratuity is a post employment benefit and is in the nature of a defined benefit plan. The liability recognized in the balance sheet in respect of gratuity is the present value of the defined benefit/obligation at the balance sheet date less the fair value of plan assets, together with adjustment for unrecognized actuarial gains or losses and past service costs. The defined benefit/obligation is calculated at or near the balance sheet date by an independent actuary using the projected unit credit method.

Gains and losses through remeasurements of the net defined benefit liability / (asset) are recognized in other comprehensive income. The actual return of the portfolio of plan assets, in excess of the yields computed by applying the discount rate used to measure the defined benefit obligations recognized in Other Comprehensive Income. The effect of any plan amendments is recognized in net profits in the Statement of Profit and Loss.

(iii) Leave Encashment

Liability in respect of leave encashment is not applicable since the company pays leave encashment to employees every year.

(iv) Other Short Term Benefits

Expense in respect of other short term benefits is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

2.10 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

2.11 Accounting for Taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

MAT credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the Minimum Alternative tax (MAT) credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

Deferred Tax

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized.

The carrying amount of deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilized. Unrecognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow deferred tax assets to be recovered.

The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

2.12 Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends related to a fully paid equity share during the reporting period. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.13 Cash flow statement

Cash flows are reported using the indirect method, whereby profit before tax for the period is adjusted for the effects of transactions of a noncash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.14 Cash and cash equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, cheques on hand and shortterm deposits with an original maturity of three months or less and highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts that are repayable on demand, as they are considered an integral part of the Company's cash management.

2.15 Exceptional Items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such items is disclosed separately as Exceptional items.

2.16 Investments in associates/Subsidiaries

An associate/subsidiary is an entity over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

Investments in Associates/Subsidiaries are accounted at cost.

2.17 Non-Current Assets held for sale

The Company classifies noncurrent assets and disposal groups as held for sale if their carrying amounts will be recovered principally through a sale/ distribution rather than through continuing use and the sale is considered highly probable. Management must be committed to the sale within one year from the date of classification.

Noncurrent assets held for sale and disposal groups are measured at the lower of their carrying amount and the fair value less costs to sell.

2.18 Leases

Company as a lessee

The Company's lease asset classes primarily consist of leases for buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At the date of commencement of the lease, the Company recognizes a right of use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for short term leases and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised. The right to use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right of use assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the

recoverable amount (i.e. the higher of the fair value less cost to sell and the value in use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

Lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option. Lease Liability and ROU asset are separately presented in the Balance Sheet and lease payments are classified as financing cash flows.

Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right of use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

2.19 Financial instruments

Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in statement of profit and loss.

a) Financial assets

All regular way purchases or sales of financial assets are recognised and derecognized on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognised financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

i) Financial assets at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition, the Company makes an irrevocable election on an instrument by instrument basis to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments, other than equity investment which are held for trading. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value, excluding dividends, recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

iii) Financial assets at fair value through profit or loss (FVTPL)

Investment in equity instruments are classified As at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investment in equity investments which are not held for trading.

Other financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss

De-recognition

The Company derecognizes a financial asset when the contractual rights to receive the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109.

Impairment of financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month ECL, unless there has been a significant increase in credit risk front initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognised as an impairment gain or loss in profit or loss.

b) Financial liabilities and equity instruments Classification as debt or equity

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company entity are recognised at the proceeds received, net of direct issue costs. Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in statement of profit and loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

All financial liabilities are subsequently measured at amortized cost using the effective interest method. The measurement of financial liabilities depends on their classification, as described below:

i) Loans und borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

ii) Trade and other payables

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any noncash assets transferred or liabilities assumed, is recognised in the statement of profit or loss.

c) Derivative financial instruments

The Company holds derivative financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank. Although the Company believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind AS 109, Financial Instruments. Any derivative that is either not designated a hedge, or is so designated but is ineffective as per Ind AS 109, is categorized as a financial asset or financial liability, at fair value through profit or loss.

Derivatives not designated as hedges are recognized initially at fair value and attributable transaction costs are recognized in net profit in the statement of profit and loss when incurred. Subsequent to initial recognition, these derivatives are remeasured at fair value through profit or loss at the end of each reporting period and the resulting exchange gains or losses recognized in profit or loss immediately. Assets/liabilities in this category are presented as current assets/current liabilities if they are either held for trading or are expected to be realized within 12 months after the balance sheet date.

d) Reclassification of financial assets and financial liabilities

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

e) Offsetting of financial instruments

Financial assets and financial Liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on the net basis, to realise the assets and settle the liabilities simultaneously.

2.20 Interim Financial Reporting

Quarterly financial results are published in accordance with the requirement of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

2.21 Deferred Revenue Expenditure

Expenditure is accounted on accrual basis except in specific cases of expenditure incurred against which a definite benefit is expected to flow in to future periods. Such sums are treated as Deferred Revenue Expenditure and charged to Revenue Account over the expected duration of benefits.

2.22 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent Liabilities are not recognized but are disclosed, while Contingent Assets are neither recognized nor disclosed, in the financial statements.

2.23 Critical accounting estimates and judgments

In the course of applying the policies outlined above, the Company is required to make judgments, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

(i) **Critical Judgments**

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognised in the standalone financial statements:

Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgment in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the noncancellable period of a lease, together with periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the noncancellable period of a lease

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgment in making assumption and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward estimate at the end of each reporting period.

Income taxes

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The amount of tax payable in respect of any period is dependent upon the interpretation of the relevant tax rules. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the financial statements.

Defined benefit Plan

The cost of the defined benefit plan and other postemployment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual development in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Insurance claims and other Miscellaneous Revenues

Insurance claims and other miscellaneous revenues are recognized when the Company has reasonable certainty of recovery. Subsequently any change in recoverability is provided for.

Contingences and commitments

In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, we treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the standalone financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, we do not expect them to have a materially adverse impact on our financial position or profitability.

(ii) **Key sources of estimation uncertainty**

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

Allowances for doubtful debts

The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgments and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

Allowances for inventories

Management reviews the inventory age listing on a periodic basis. This review involves comparison of the carrying value of the aged inventory items with the respective net realizable value. The purpose is to ascertain whether an allowance is required to be made in the standalone financial statements for any obsolete and slow moving items. Management is satisfied that adequate allowance for obsolete and slow moving inventories has been made in the standalone financial statements.

Liability for sales return

In making judgment for liability for sales return, the management considered the detailed criteria for the recognition of revenue from the sale of goods set out in Ind AS 115 and in particular, whether the Company had transferred to the buyer the significant risk and rewards of ownership of the goods. Following the detailed quantification of the Company's liability towards sales return, the management is satisfied that significant risk and rewards have been transferred and that recognition of the revenue in the current year is appropriate, in conjunction with the recognition of an appropriate liability for sales return.

Accruals for estimated product returns, which are based on historical experience of actual sales returns and adjustment on account of current market scenario is considered by Company to be reliable estimate of future sales returns.

Employee benefit obligations

Employee benefit obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments. These include the estimation of the appropriate discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its longterm nature, the employee benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Provisions and contingencies

From time to time, the Company is subject to legal proceedings, the ultimate outcome of each being subject to uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount can be reasonably estimated. Significant judgment is required when evaluating the provision including, the probability of an unfavorable outcome and the ability to make a reasonable estimate of the amount of potential loss. Litigation provisions are reviewed at each accounting period and revisions made for the changes in facts and circumstances. Contingent liabilities are disclosed in the notes forming part of the standalone financial statements. Contingent assets are not disclosed in the standalone financial statements unless an inflow of economic benefits is probable.

Deferred income tax assets and liabilities

Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits.

The amount of total deferred tax assets could change if management estimates of projected future taxable income or if tax regulations undergo a change.

Impairment of Financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. In respect of trade receivables, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised upon initial recognition of the receivables. For all other financial assets, expected credit losses are measured at an amount equal to the 12 months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition. The Company reviews its carrying value of investment in subsidiaries and goodwill carried at cost (net of impairment, if any) annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in the standalone statement of profit and loss.

Impairment of PPE, CWIP and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its property, plant and equipment to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount is the higher of fair value less costs to sell and value in use. Value in use is usually determined on the basis of discounted estimated future cash flows. This involves management estimates on anticipated commodity prices, market

demand and supply, economic and regulatory environment, discount rates and other factors. Any subsequent changes to cash flow due to changes in the abovementioned factors could impact the carrying value of assets.

Impairment of Inventories

Inventories are valued at lower of cost (on weighted average basis) and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to their present location and condition, including other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, taxes and duties. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

Impairment of investments in associate/subsidiaries

Determining whether the investment in associate/subsidiary is impaired requires an estimate in the value in use of investment. In considering the value in use, the management has anticipated future business orders, operating margins and other factors of the underlying businesses / operations of the investee company. Any subsequent changes to the cash flows due to changes in the abovementioned factors could impact the carrying value of investment.

Estimation of uncertainties relating to the global health pandemic from COVID19:

The COVID19 pandemic is an evolving human tragedy declared a global pandemic by the World Health Organisation with adverse impact on economy and business. Supply Chain disruptions in India as a result of the outbreak started with restrictions on movement of goods, closure of borders etc.

In light of these circumstances, the Company has considered the possible effects that may result from COVID19 on the carrying amounts of financial assets, inventory, receivables, property plant and equipment, Intangibles etc., as well as liabilities accrued. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company has used internal and external information such as our current contract terms, financial strength of partners, investment profile, future volume estimates from the business etc.

11.2 The company has only one class of equity shares, having a par value of Rs.10 per share. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. Each shareholder is eligible to one vote per share held. The dividend proposed, if any, by the Board of Directors is subject to approval of shareholders in the ensuing Annual General Meeting, except in case of interim dividend. The repayment of equity share capital in the event of liquidation and buy back of shares are possible subject to prevalent regulations. In the event of liquidation, normally the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

Based on legal advice, discussions with the solicitors, etc., the management believes that there is fair chance of decisions in the company's favour in respect of all the items listed at (i) to (vi) above and hence no provision is considered necessary against the same. The management believes that the ultimate outcome of these proceedings will not have a material adverse effect on the company's financial position and results of operations.

32. On May 18, 2022, the Board of Directors of the Company has, pursuant to special resolution passed by the Members at its extraordinary general meeting held on May 04, 2022 in terms of SEBI (ICDR) Regulations, 2018, allotted 6,50,000 convertible warrants carrying a right exercisable by the warrant holder to subscribe to one fully paid up equity share per warrant at a price of ₹207/ ("Issue Price") [including premium of Rs. 197/] per equity share on preferential basis to promoter category as under:

Sr. No.	Name of the Warrant holders	Category	No of Warrants Allotted
1	Mr. Anil Modi	Individual, Promoter	1,30,000
2	Mr. Akshay Modi	Individual, Promoter	4,40,000
3	Ms. Neha Agarwal	Individual, Promoter Group	38,000
4	Ms. Aditi Modi	Individual, Promoter Group	42,000
Total			6,50,000

The amount equivalent to 25% of the warrant issue price was received upfront and balance 75% is payable by the Warrant Holder at the time of allotment of the Equity Share which may be exercised at any time on or before expiry of 18 months from the date of allotment of Warrants, failing which the warrants shall lapse and the amount paid shall stand forfeited by the Company.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

33. During the previous year, the Company incorporated a wholly owned subsidiary Modi Biotech Private Limited in the State of National Capital Territory of Delhi, on April 27, 2021. In line with the Ethanol Blended Petrol (EBP) program, the Company has diversified into ethanol manufacturing, with a state of the art greenfield Ethanol Plant being established in the state of Chhattisgarh under its wholly owned subsidiary Modi Biotech Private Limited (MBPL). MBPL has received in principle approval for a 210 KLD distillery for the manufacture of ethanol from the Central Government, along with signing an MOU with the Chhattisgarh Government for the same. The company has also received environment clearance (EC) for the project from the Ministry of Environment, Forest and Climate change (MoEF & CC). The Company has invested in its wholly owned subsidiary Rs. 27,00,00,000/ (Previous Year : Rs. 15,00,00,000/) by way of 90,00,000 (Previous Year 20,00,000) fully paid up equity shares having a face value of Rs.10/ each aggregating Rs. 9,00,00,000/ (Previous Year : Rs. 2,00,00,000/) and 18,00,000 (Previous Year : 13,00,000) fully paid up optionally convertible debentures having face value of Rs. 100/ each aggregating Rs 18,00,00,000/ (Previous Year: Rs. 13,00,00,000/).
34. There was a fire in the Vegetable Oil Refinery in December 2021, resulting in complete closure of the plant for 13 days and thereafter running on reduced capacity for about one month. The company had filed an insurance claim for the losses sustained and the claim is still under process. The Company has adjusted the loss incurred on stock against the insurance claim filed. The loss incurred on fixed asset has been adjusted to the extent of written down value of the asset. The actual profit /loss due to fire would be adjusted at the time of settlement of the claim.

As at 31 March, 2022

Particulars	Measured at amortized cost	Measured at fair value through Other Comprehensive Income	₹ Lakhs	
			Total carrying value	Total fair value
Cash and cash equivalents	15.86		15.86	15.86
Bank balances	36.40		36.40	36.40
Trade Receivables non current	35.06		35.06	35.06
Trade Receivables – current	1899.63		1899.63	1899.63
Loans and Advances non current				
Loans and Advances current				
Investments In Subsidiary	1500.00		1500.00	1500.00
Total	3486.95		3486.95	3486.95
Financial liabilities				
Borrowings current	5057.19		5057.19	5057.19
Borrowings non current	38.57		38.57	38.57
Trade Payable – current	1220.06		1220.06	1220.06
Trade Payable – non current	34.40		34.40	34.40
Other financial Liabilities	58.00		58.00	58.00
Total	6408.22		6408.22	6408.22

Valuation techniques used to determine fair value

Fair value of cash and cash equivalents, loans and advances, receivables, payables, and other current financial assets and liabilities measured at amortized cost is approximate to their carrying amounts largely due to the shortterm maturities of these instruments. The fair value of other noncurrent financial assets (Loans and advances) carried at amortized cost is approximately equal to fair value. Hence carrying value and fair value is taken same.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

B. Financial risk management

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of directors is responsible for developing and monitoring the Company's risk management policies.

The Company's risk management policies are established to identify and analyze the risk faced by the Company, to set appropriate risks limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in the market condition and Company's Activities.

The Company's Board of Directors oversee how management monitors compliances with the company's risk management policies and procedures and reviews the adequacy of the risk management framework in relation to risks faced by the Company.

Financial risk factors

The Company's activities expose it to a variety of financial risks which includes market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

The Company's focus is to ensure liquidity which is sufficient to meet the Company's operational requirements. The Company monitors and manages key financial risks so as to minimize potential adverse effects on its financial performance. The Company has a risk management policy which covers the risks associated with the financial assets and liabilities. The details for managing each of these risks are summarized ahead.

(i) Market Risk:

Market risk is the risk that the expected cash flows or fair value of a financial instrument could change owing to changes in market prices. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates, interest rates and commodity prices. The objective of the market risk management is to manage and control market risk exposure within acceptable parameters, while optimizing the returns.

(ii) Credit risk management

Credit risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the Company. The Company's exposure to credit risk primary arises from trade receivables, which are typically unsecured. A part from this, the Company is exposed to credit risk from its financing activities including deposit with banks and security deposits.

The credit risk on bank balances is limited because the counter parties are banks with good credit ratings.

Financial assets are written off when there is no reasonable expectation of recovery. Where the loans and receivables were written off and subsequently recoveries are made, these are recognised as an income in the financial statements.

Trade Receivables

Credit risk is managed through credit approvals, establishing credit limits, continuous monitoring of creditworthiness of customers to which the company grants credit terms in the normal course of business. The Company also assesses the financial reliability of customers taking into account the financial condition, current economic trends and historical bad debts and ageing of accounts receivables.

Cash & Cash Equivalents

With respect to credit risk arising from financial assets which comprise of cash and cash equivalents, the Company's risk exposure arises from the default of the counter party, with a maximum exposure equal to the carrying amount of these financial assets at the reporting date. Since the counter party involved is a bank, Company considers the risks of nonperformance by the counter party as nonmaterial.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Exposure to Credit Risk

Financial assets to which loss allowances measured using life time months expected credit loss

Ageing analysis of Trade Receivables is as under:

₹ Lakhs

Particulars	As at 31.03.2023	As at 31.03.2022
More than six months	430.35	366.38
Up to Six Months	1546.54	1568.31
TOTAL	1976.89	1934.69
Expected credit loss allowance	Nil	Nil

Financial assets to which loss allowances measured using 12 months expected credit loss.

For financial assets (other than trade receivables), expected credit losses are measured at an amount equal to the 12month ECI, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECI. The Company does not have any expected credit loss on financial assets which are measured on 12 month ECI and also has not observed any significant increase in credit risk since initial recognition of the financial assets.

iii) Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

Maturity profile of financial liabilities

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

As at 31.03.2023			₹ Lakhs
Particulars	Less than 1 year	1 to 5 years	Total
Non-Current borrowings		29.34	29.34
Current borrowings	4910.60		4910.60
Trade payables	1497.56		1497.56
Other financial liabilities		58.00	58.00

As at 31.03.2022			₹ Lakhs
Particulars	Less than 1 year	1 to 5 years	Total
Non-Current borrowings		38.57	38.57
Current borrowings	5057.19		5057.19
Trade payables	1254.46		1254.46
Other financial liabilities		58.00	58.00

38. Capital Management

The company manages its capital to ensure that it will be able to continue as going concern while maximizing the return to stakeholders through the optimization of the debt and equity balance. The capital structure of the company consists of net debt and total equity.

The company determines the amount of capital required on the basis of annual as well as long term operating plans and other strategic investment plans. The funding requirements are met through longterm /shortterm borrowings. The company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Particulars	Note	₹ Lakhs	
		As at 31 March, 2023	As at 31 March, 2022
Borrowings Non-Current	13	29.34	38.57
Borrowings-Current	13	4910.60	5057.19
Less Cash and bank balances	9 and 10	(250.50)	(52.26)
Net debt		4689.44	5043.50
Total equity	11 and 12	8188.31	7723.95
Capital and Net debt		12877.75	12767.45
Gearing Ratio (%)		36.42%	39.50%

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to call loans and borrowings or charge some penal interest. There have been no breaches in the financial covenants of any interest bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the current years and previous year.

39. Operating Segment

The company's sole business segment is manufacturing and marketing of Oils & Deoiled Cakes and the geographical segment is India. Consequently, no separate disclosure, as required under Indian Accounting Standard 108 – Operating Segment, is considered relevant.

(*) Earnings available for debt service	Profit after Tax before depreciation and interest on long term borrowings					
(**) Debts Service	Repayment of longterm borrowings and Gross Interest on long term borrowings					
(#) Capital Employed	Total book value of all assets less current liabilities					

Explanation for variance exceeding 25%:

- Debt Service ratio has decreased as the liability to pay long term borrowings is increased in current year.
- Return on Equity Ratio has decreased due to decrease in profits.
- Trade payables turnover ratio has decreased due to increase in average trade payables.
- Net Profit ratio has decreased due to decrease in profits.
- Return on Capital employed ratio has decreased due to decrease in earnings and increase in shareholders' equity.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

43. Additional Regulatory Information as required by Schedule III of Companies Act, 2013

INDEPENDENT AUDITOR'S REPORT

To the Members of Modi Naturals Limited Report on the Audit of Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Modi Naturals Limited (hereinafter referred to as the 'Holding Company') and its subsidiary (Holding Company and its subsidiary together referred to as "the Group") which comprise the consolidated balance sheet as at 31 March 2023, and the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2023, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its joint venture in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in sub paragraph (a) of the "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no matter which is required to be described as key audit matter to be communicated in our report.

Other Information

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the holding Company's annual report, but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and based on the work done/ audit report of other auditors, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibilities for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in

India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company, and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on the internal financial controls with reference to the consolidated financial statements and the operating effectiveness of such controls based on our audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group and its joint venture to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities

included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para (a) of the section titled 'Other Matters' in this audit report.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of the subsidiary, whose financial statements reflect total assets (before consolidation adjustments) of Rs.12,376.71 Lakhs as at 31st March, 2023, total revenue of Rs Nil Lakhs, total net loss after tax of Rs.10.19 Lakhs other comprehensive income of Rs Nil Lakhs and net cash flows (before consolidation adjustments) amounting to Rs.269.88 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiary, and our report in terms of sub section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and joint venture is based solely on the audit reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. (A) As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate/consolidated financial statements of such subsidiaries and joint venture as were audited by other auditors, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under section 133 of the Act.
 - e) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2023 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditors of its subsidiary company incorporated in India, none of the directors of the Group companies is disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, its subsidiary company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiaries and joint venture, as noted in the 'Other Matters' paragraph:
- a) The consolidated financial statements disclose the impact of pending litigations as at 31 March 2023 on the consolidated financial position of the Group. Refer Note 31 to the consolidated financial statements.
- b) The Group did not have any material foreseeable losses on longterm contracts including derivative contracts during the year ended 31 March 2023.
- c) There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Holding Company or its subsidiary company and during the year ended 31 March 2023.
- d) (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or its subsidiary company, to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Holding Company or its subsidiary companies incorporated in India or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- (ii) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Holding Company or its subsidiary company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (i) and (ii) of Rule 11(e) as provided in (d) (i) and (d) (ii) above contain any material misstatement.
- e) Neither the Holding Company nor its subsidiary company have declared or paid any dividend during the year .
- f) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.
- (C) With respect to the matter to be included in the Auditor's report under section 197(16) of the Act:

In our opinion and according to the information and explanations given to us and based on the reports of the statutory auditors of subsidiary company which was not audited by us, the remuneration paid during the current year by the Holding Company, its subsidiary company to its directors is in accordance with the provisions of Section 197 of the Act.

Report on the internal financial controls with reference to the aforesaid consolidated financial statements under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013

(Referred to in paragraph (2(A)(f)) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2023, we have audited the internal financial controls with reference to consolidated financial statements of Modi Naturals Limited (hereinafter referred to as "the Holding Company") and its subsidiary company (together referred to as "the Group") as of that date.

Management's Responsibility for Internal Financial Controls

The respective Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary company in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial controls with Reference to Consolidated Financial Statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with Reference to consolidated Financial Statements

Because of the inherent limitations of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the company and its subsidiary, which is a company incorporated in India, have, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial control over financial reporting in so far as it relates to one subsidiary company, is based on the corresponding reports of the auditors of such company incorporated in India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

2. Significant Accounting Policies

2.1 Basic of Preparation of Financial Statement

i. Principles Of Consolidation

The Consolidated financial statements comprise the financial statements of Modi Natural Limited ("the Holding Company") and its subsidiary (The Holding Company and its subsidiary together referred to as "the Group").

The Financial Statements of the Company and its subsidiary are combined on a line – byline basis by adding together the book values of like items of assets, liabilities, income and expenditure, after fully eliminating intra group balances, intra group transactions and any unrealized profit/loss incurred therein.

The consolidated financial statements have been prepared using uniform accounting policies, except stated otherwise, for like transactions and are presented, to the extent possible, in the same manner as the company's separate financial statements.

ii. Statement of Compliance

These consolidated financial statements (hereinafter referred to as "financial statements" in the consolidated financial statements) of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, and amendments made thereafter and the relevant provisions of the Companies Act, 2013 ("the Act") and guidelines issued by the Securities and Exchange Board of India ("SEBI"), as applicable.

iii. Functional and Presentation Currency

The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates. All values are in Rupees except when otherwise indicated

iv. Historical Cost Convention

The financial statements are prepared under historical cost convention on accrual basis except for certain assets and liabilities as stated in their respective policies, which have been measured at fair values.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date regardless of whether the price is directly observable or estimated using another valuation technique.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a nonfinancial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

iv. Use of estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in Note 2.23.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are rejected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

v. Current versus noncurrent classification

All assets and liabilities have been classified as current or noncurrent as per the Company's normal operating cycle and other criteria set out in Schedule III to the Act.. Based on the nature of product & activities of the Company and their realization in cash and cash equivalent, the Company has determined its operating cycle as 12 months.

Deferred tax assets and deferred tax liabilities are classified as noncurrent assets and liabilities.

vi. New or amended standards and interpretations

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:

Ind AS 1 – Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 12 – Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements.

2.2 Inventory Valuation

- (a) Finished Goods at lower of cost or net realizable value.
- (b) Goods in Process at cost (computed on FIFO basis)
- (c) Raw material at cost (computed on FIFO basis)

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

(d) Stores and spares at cost (computed on FIFO basis)

(e) Provision for obsolescence and other anticipated losses are made on the stocks, whenever identified / considered necessary.

2.3 Property, Plant and Equipment

Items of Property, Plant and Equipment are measured at cost less accumulated depreciation and any accumulated impairment loss.. Cost includes its purchase price (net of CENVAT/ duty credits wherever applicable), after deducting trade discounts and rebates. It includes other costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management and the borrowing costs for qualifying assets and the initial estimate of restoration cost if the recognition criteria are met.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the costs of the item can be measured reliably. Repairs and maintenance costs are charged to the statement of profit and loss when incurred. An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively

2.4 Intangible assets

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

2.5 Depreciation

- (i) Tangible assets Depreciation on All Assets is charged at Straight Line Method basis in the manner as prescribed in Companies Act 2013 and rate as per prescribed useful life
- (ii) Intangible assets – Computer Softwares are amortized over a period of 5/6 year and Website Development over a period of 10 Years on a straightline basis.

2.6 Impairment of Assets

Assets are grouped at the lowest levels for which there are separately identifiable cash flows (i.e. cash generating units). For the purpose of assessing impairment at each Balance Sheet date, Assets within a Cash Generating Unit are reviewed for impairment wherever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount at which the assets under individual Cash Generating Unit are carried in the books exceeds its recoverable amount being the higher of the assets net selling price and its value in use. Value in use is based on the present value of the estimated future cash flows relating to the assets.

Previously recognized impairment losses, relating to assets other than goodwill, are reversed where the recoverable amount increases because of favorable changes in the estimates used to determine the recoverable amount since the last impairment was recognized. A reversal of an asset impairment loss is limited to its carrying amount that would have been determined (net of depreciation or amortization) had no impairment loss been recognized in prior years.

2.7 Recognition of Revenues

Revenue is recognised upon transfer of control of promised goods to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those goods.

Sale of goods

Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer which is usually on dispatch / delivery.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, rebates, scheme allowances, price concessions, incentives, and returns, if any, as specified in the contracts with the customers. Revenue excludes taxes collected from customers on behalf of the government. Accruals for discounts/incentives and returns are estimated (using the most likely method) based on accumulated experience and underlying schemes and agreements with customers. Due to the short nature of credit period given to customers, there is no financing component in the contract.

Interest Income

Interest income from financial assets is recognised when it is probable that economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income from a financial asset is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Insurance claims and other Miscellaneous Revenues

Insurance claims are accounted for on the basis of claims admitted and to the extent that there is no uncertainty in receiving the claims.

Other Miscellaneous Revenues are recognized when the amounts are actually received or the realisability is certain.

2.8 Foreign Currency Transactions

(a) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(b) Conversion

Foreign currency monetary items are reported using the closing rate. Nonmonetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and nonmonetary items which are carried at fair value or other similar valuation denominated in foreign currency, are reported using the exchange rates that existed when the values were determined.

(c) Exchange Differences

Exchange differences arising on the settlement of monetary items or on restatement of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise except exchange differences on transactions relating to acquisition of fixed assets, which are taken up to the date of capitalization of the related fixed assets.

2.9 Employee Benefits Expenses and liabilities in respect of employee benefits are recorded in accordance with Indian Accounting Standard 19 – Employee Benefits:

(i) Provident Fund and ESI

The Company makes contribution to statutory Provident Fund and Employee State Insurance in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 and Employee State Insurance Act, 1948 which is a defined contribution plan and contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.

(ii) Gratuity

Gratuity is a post employment benefit and is in the nature of a defined benefit plan. The liability recognized in the balance sheet in respect of gratuity is the present value of the defined benefit/obligation at the balance sheet date less the fair value of plan assets, together with adjustment for unrecognized actuarial gains or losses and past service costs. The defined benefit/obligation is calculated at or near the balance sheet date by an independent actuary using the projected unit credit method.

Gains and losses through remeasurements of the net defined benefit liability / (asset) are recognized in other comprehensive income. The actual return of the portfolio of plan assets, in excess of the yields computed by applying the discount rate used to measure the defined benefit obligations recognized in Other Comprehensive Income. The effect of any plan amendments is recognized in net profits in the Statement of Profit and Loss.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

(iii) Leave Encashment

Liability in respect of leave encashment is not applicable since the company pays leave encashment to employees every year.

(iv) Other ShortTerm Benefits

Expense in respect of other short term benefits is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

2.10 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

2.11 Accounting for Taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

MAT credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the Minimum Alternative tax (MAT) credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

Deferred Tax

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized.

The carrying amount of deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilized. Unrecognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow deferred tax assets to be recovered.

The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

2.12 Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends related to a fully paid equity share during the reporting period. The weighted average numbers of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.13 Cash flow statement

Cash flows are reported using the indirect method, whereby profit before tax for the period is adjusted for the effects of transactions of a noncash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.14 Cash and cash equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, cheques on hand and shortterm deposits with an original maturity of three months or less and highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and shortterm deposits, as defined above, net of outstanding bank overdrafts that are repayable on demand, as they are considered an integral part of the Company's cash management.

2.15 Exceptional Items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such items is disclosed separately as Exceptional items.

2.16 Non-Current Assets held for sale

The Company classifies noncurrent assets and disposal groups as held for sale if their carrying amounts will be recovered principally through a sale/ distribution rather than through continuing use and the sale is considered highly probable. Management must be committed to the sale within one year from the date of classification.

noncurrent assets held for sale and disposal groups are measured at the lower of their carrying amount and the fair value less costs to sell.

2.17 Leases

Company as a lessee

The Company's lease asset classes primarily consist of leases for buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At the date of commencement of the lease, the Company recognizes a rightofuse asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for short term leases and low value leases. For these shortterm and low value leases, the Company recognizes the lease payments as an operating expense on a straightline basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised. The rightofuse assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Right of use assets are depreciated from the commencement date on a straightline basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value in use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

Lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option. Lease liability and ROU asset are separately presented in the Balance Sheet and lease payments are classified as financing cash flows.

Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right of use asset arising from the head lease.

For operating leases, rental income is recognized on a straightline basis over the term of the relevant lease.

2.19 Financial instruments

Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in statement of profit and loss.

a) Financial assets

All regular way purchases or sales of financial assets are recognised and derecognized on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognised financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

i) Financial assets at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition, the Company makes an irrevocable election on an instrument-by-instrument basis to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments, other than equity investment which are held for trading. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value, excluding dividends, recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

iii) Financial assets at fair value through profit or loss (FVTPL)

Investment in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investment in equity investments which are not held for trading.

Other financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss

Derecognition

The Company derecognizes a financial asset when the contractual rights to receive the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109.

Impairment of financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

b) Financial liabilities and equity instruments Classification as debt or equity

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company entity are recognised at the proceeds received, net of direct issue costs. Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in statement of profit and loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

All financial liabilities are subsequently measured at amortized cost using the effective interest method. The measurement of financial liabilities depends on their classification, as described below:

i) Loans und borrowings

After initial recognition, interestbearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

ii) Trade and other payables

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any noncash assets transferred or liabilities assumed, is recognised in the statement of profit or loss

c) Derivative financial instruments

The Company holds derivative financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

Although the Company believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind AS 109, Financial Instruments. Any derivative that is either not designated a hedge, or is so designated but is ineffective as per Ind AS 109, is categorized as a financial asset or financial liability, at fair value through profit or loss.

Derivatives not designated as hedges are recognized initially at fair value and attributable transaction costs are recognized in net profit in the statement of profit and loss when incurred. Subsequent to initial recognition, these derivatives are remeasured at fair value through profit or loss at the end of each reporting period and the resulting exchange gains or losses recognized in profit or loss immediately. Assets/liabilities in this category are presented as current assets/current liabilities if they are either held for trading or are expected to be realized within 12 months after the balance sheet date.

d) Reclassification of financial assets and financial liabilities

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

e) Offsetting of financial instruments

Financial assets and financial Liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on the net basis, to realise the assets and settle the liabilities simultaneously.

2.20 Interim Financial Reporting

Quarterly financial results are published in accordance with the requirement of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

2.21 Deferred Revenue Expenditure

Expenditure is accounted on accrual basis except in specific cases of expenditure incurred against which a definite benefit is expected to flow in to future periods. Such sums are treated as Deferred Revenue Expenditure and charged to Revenue Account over the expected duration of benefits.

2.22 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent Liabilities are not recognized but are disclosed, while Contingent Assets are neither recognized nor disclosed, in the financial statements.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

2.23 Critical accounting estimates and judgments

In the course of applying the policies outlined above, the Company is required to make judgments, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

(i) Critical Judgments

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognised in the standalone financial statements:

Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgment in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the noncancellable period of a lease, together with periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the noncancellable period of a lease

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgment in making assumption and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward estimate at the end of each reporting period.

Income taxes

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The amount of tax payable in respect of any period is dependent upon the interpretation of the relevant tax rules. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the financial statements.

Defined benefit Plan

The cost of the defined benefit plan and other postemployment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual development in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its longterm nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Insurance claims and other Miscellaneous Revenues

Insurance claims and other miscellaneous revenues are recognized when the Company has reasonable certainty of recovery. Subsequently any change in recoverability is provided for.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Contingences and commitments

In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, we treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the standalone financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, we do not expect them to have a materially adverse impact on our financial position or profitability.

(ii) Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

Allowances for doubtful debts

The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgments and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

Allowances for inventories

Management reviews the inventory age listing on a periodic basis. This review involves comparison of the carrying value of the aged inventory items with the respective net realizable value. The purpose is to ascertain whether an allowance is required to be made in the standalone financial statements for any obsolete and slowmoving items. Management is satisfied that adequate allowance for obsolete and slowmoving inventories has been made in the standalone financial statements.

Liability for sales return

In making judgment for liability for sales return, the management considered the detailed criteria for the recognition of revenue from the sale of goods set out in Ind AS 115 and in particular, whether the Company had transferred to the buyer the significant risk and rewards of ownership of the goods. Following the detailed quantification of the Company's liability towards sales return, the management is satisfied that significant risk and rewards have been transferred and that recognition of the revenue in the current year is appropriate, in conjunction with the recognition of an appropriate liability for sales return.

Accruals for estimated product returns, which are based on historical experience of actual sales returns and adjustment on account of current market scenario is considered by Company to be reliable estimate of future sales returns.

Employee benefit obligations

Employee benefit obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments. These include the estimation of the appropriate discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its longterm nature, the employee benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Provisions and contingencies

From time to time, the Company is subject to legal proceedings, the ultimate outcome of each being subject to uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount can be reasonably estimated. Significant judgment is required when evaluating the provision including, the probability of an unfavorable outcome and the ability to make a reasonable estimate of the amount of potential loss. Litigation provisions are reviewed at each accounting period and revisions made for the changes in facts and circumstances. Contingent liabilities are disclosed in the notes forming part of the standalone financial statements. Contingent assets are not disclosed in the standalone financial statements unless an inflow of economic benefits is probable.

Deferred income tax assets and liabilities

Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits.

The amount of total deferred tax assets could change if management estimates of projected future taxable income or if tax regulations undergo a change.

Impairment of Financial assets

The Company assesses on a forwardlooking basis the expected credit losses associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. In respect of trade receivables, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised upon initial recognition of the receivables. For all other financial assets, expected credit losses are measured at an amount equal to the 12months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

The Company reviews its carrying value of investment in subsidiaries and goodwill carried at cost (net of impairment, if any) annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in the standalone statement of profit and loss.

Impairment of PPE, CWIP and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its property, plant and equipment to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount is the higher of fair value less costs to sell and value in use. Value in use is usually determined on the basis of discounted estimated future cash flows. This involves management estimates on anticipated commodity prices, market demand and supply, economic and regulatory environment, discount rates and other factors. Any subsequent changes to cash flow due to changes in the abovementioned factors could impact the carrying value of assets.

Impairment of Inventories

Inventories are valued at lower of cost (on weighted average basis) and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to their present location and condition, including other levies, transit insurance and receiving charges. Workinprogress and finished goods include appropriate proportion of overheads and, where applicable, taxes and duties. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

Estimation of uncertainties relating to the global health pandemic from COVID19 (COVID19):

The COVID19 pandemic is an evolving human tragedy declared a global pandemic by the World Health Organisation with adverse impact on economy and business. Supply Chain disruptions in India as a result of the outbreak started with restrictions on movement of goods, closure of borders etc.

In light of these circumstances, the Company has considered the possible effects that may result from COVID19 on the carrying amounts of financials assets, inventory, receivables, property plant and equipment, Intangibles etc., as well as liabilities accrued. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company has used internal and external information such as our current contract terms, financial strength of partners, investment profile, future volume estimates from the business etc.

11.2 (A) The company has only one class of equity shares, having a par value of Rs.10 per share. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. Each shareholder is eligible to one vote per share held. The dividend proposed, if any, by the Board of Directors is subject to approval of shareholders in the ensuing Annual General Meeting, except in case of interim dividend. The repayment of equity share capital in the event of liquidation and buy back of shares are possible subject to prevalent regulations. In the event of liquidation, normally the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

11.2 (B) The company subsidiary - Modi Biotech Private Limited has 90,00,000 (previous year : 20,00,000) one class of equity shares (held by Holding Company - Modi Naturals Limited) having a par value of Rs. 10/- each. Each holder of equity shares is entitled to one vote per share. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing annual general meeting. During the year ended March 31, 2023 the amount of dividend recognised as distributions to equity shareholders is Nil. In the event of winding up, the equity shareholders will be entitled to receive the remaining balance of assets, if any, in proportionate to their individual shareholding in the paid up equity capital of the company.

Based on legal advice, discussions with the solicitors, etc., the management believes that there is fair chance of decisions in the company's favour in respect of all the items listed at (i) to (vi) above and hence no provision is considered necessary against the same. The management believes that the ultimate outcome of these proceedings will not have a material adverse effect on the company's financial position and results of operations.

32A. On May 18, 2022, the Board of Directors of the Company has, pursuant to special resolution passed by the Members at its extraordinary general meeting held on May 04, 2022 in terms of SEBI (ICDR) Regulations, 2018, allotted 6,50,000 convertible warrants carrying a right exercisable by the warrant holder to subscribe to one fully paid-up equity share per warrant at a price of ₹207/ ("Issue Price") [including premium of Rs. 197/] per equity share on preferential basis to promoter category as under:

Sr. No.	Name of the Warrant holders	Category	No of Warrants Allotted
1	Mr. Anil Modi	Individual, Promoter	1,30,000
2	Mr. Akshay Modi	Individual, Promoter	4,40,000
3	Ms. Neha Agarwal	Individual, Promoter Group	38,000
4	Ms. Aditi Modi	Individual, Promoter Group	42,000
Total			6,50,000

The amount equivalent to 25% of the warrant issue price was received upfront and balance 75% is payable by the Warrant Holder at the time of allotment of the Equity Share which may be exercised at any time on or before expiry of 18 months from the date of allotment of Warrants, failing which the warrants shall lapse and the amount paid shall stand forfeited by the Company.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

- 32B.** During the previous year, the Company incorporated a wholly owned subsidiary Modi Biotech Private Limited in the State of National Capital Territory of Delhi, on April 27, 2021. In line with the Ethanol Blended Petrol (EBP) program, the Company has diversified into ethanol manufacturing, with a stateofthe art greenfield Ethanol Plant being established in the state of Chhattisgarh under its wholly owned subsidiary Modi Biotech Private Limited (MBPL). MBPL has received inprinciple approval for a 210 KLD distillery for the manufacture of ethanol from the Central Government, along with signing an MOU with the Chhattisgarh Government for the same. The company has also received environment clearance (EC) for the project from the Ministry of Environment, Forest and Climate change (MoEF & CC). The Company has invested in its wholly owned subsidiary Rs. 27,00,00,000/ (Previous Year : Rs. 15,00,00,000/) by way of 90,00,000 (Previous Year 20,00,000) fully paidup equity shares having a face value of Rs.10/ each aggregating Rs. 9,00,00,000/ (Previous Year : Rs. 2,00,00,000/) and 18,00,000 (Previous Year : 13,00,000) fully paid up optionally convertible debentures having face value of Rs. 100/ each aggregating Rs 18,00,00,000/ (Previous Year: Rs. 13,00,00,000/).
- 33.** There was a fire in the Vegetable Oil Refinery in December 2021, resulting in complete closure of the plant for 13 days and thereafter running on reduced capacity for about one month. The company had filed an insurance claim for the losses sustained and the claim is still under process. The Company has adjusted the loss incurred on stock against the insurance claim filed. The loss incurred on fixed asset has been adjusted to the extent of written down value of the asset. The actual profit /loss due to fire would be adjusted at the time of settlement of the claim.
- 34.** The subsidiary company has estimated amount of contracts remaining to be executed on capital account and not provided for Rs. 1107.07 Lacs (P.Y. Rs. 5176.88 Lacs [net of advances of Rs.107.10 lacs (P.Y. 536.12 Lacs)].

Valuation techniques used to determine fair value

Fair value of cash and cash equivalents, loans and advances, receivables, payables, and other current financial assets and liabilities measured at amortized cost is approximate to their carrying amounts largely due to the shortterm maturities of these instruments. The fair value of other noncurrent financial assets (Loans and advances) carried at amortized cost is approximately equal to fair value. Hence carrying value and fair value is taken same.

B. Financial risk management

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of directors is responsible for developing and monitoring the Company's risk management policies.

The Company's risk management policies are established to identify and analyze the risk faced by the Company, to set appropriate risks limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in the market condition and Company's Activities.

The Company's Board of Directors oversee how management monitors compliances with the company's risk management policies and procedures and reviews the adequacy of the risk management framework in relation to risks faced by the Company.

Financial risk factors

The Company's activities expose it to a variety of financial risks which includes market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

The Company's focus is to ensure liquidity which is sufficient to meet the Company's operational requirements. The Company monitors and manages key financial risks so as to minimize potential adverse effects on its financial performance. The Company has a risk management policy which covers the risks associated with the financial assets and liabilities. The details for managing each of these risks are summarized ahead.

(i) **Market Risk:**

Market risk is the risk that the expected cash flows or fair value of a financial instrument could change owing to changes in market prices. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates, interest rates and commodity prices. The objective of the market risk management is to manage and control market risk exposure within acceptable parameters, while optimizing the returns.

(ii) **Credit risk management**

Credit risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the Company. The Company's exposure to credit risk primary arises from trade receivables, which are typically unsecured. A part from this, the Company is exposed to credit risk from its financing activities including deposit with banks and security deposits. The credit risk on bank balances is limited because the counter parties are banks with good credit ratings.

Financial assets are written off when there is no reasonable expectation of recovery. Where the loans and receivables were written off and subsequently recoveries are made, these are recognised as an income in the financial statements.

Trade Receivables

Credit risk is managed through credit approvals, establishing credit limits, continuous monitoring of creditworthiness of customers to which the company grants credit terms in the normal course of business. The Company also assesses the financial reliability of customers taking into account the financial condition, current economic trends and historical bad debts and ageing of accounts receivables.

Cash & Cash Equivalents

With respect to credit risk arising from financial assets which comprise of cash and cash equivalents, the Company's risk exposure arises from the default of the counter party, with a maximum exposure equal to the carrying amount of these financial assets at the reporting date. Since the counter party involved is a bank, Company considers the risks of nonperformance by the counter party as nonmaterial.

Exposure to Credit Risk

Financial assets to which loss allowances measured using life time months expected credit loss

Ageing analysis of Trade Receivables is as under

Particulars	₹ Lakhs	
	As at 31.03.2023	As at 31.03.2022
More than six months	430.35	366.38
Upto Six Months	1546.54	1568.31
TOTAL	1976.89	1934.69
Expected credit loss allowance	Nil	Nil

Financial assets to which loss allowances measured using 12 months expected credit loss

For financial assets (other than trade receivables), expected credit losses are measured at an amount equal to the 12month ECI, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECI. The Company does not have any expected credit loss on financial assets which are measured on 12 month ECI and also has not observed any significant increase in credit risk since initial recognition of the financial assets.

iii) **Liquidity risk**

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Maturity profile of financial liabilities

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

As at 31.03.2023			₹ Lakhs
Particulars	Less than 1 year	1 to 5 years	Total
Non-Current borrowings		8777.81	8777.81
Current borrowings	5472.60		5472.60
Trade payables	1842.99		1842.99
Other financial liabilities – non current		58.00	58.00
Other financial liabilities – current	24.55		24.55

As at 31.03.2022			₹ Lakhs
Particulars	Less than 1 year	1 to 5 years	Total
Non-Current borrowings		38.57	38.57
Current borrowings	5057.19		5057.19
Trade payables	1257.82		1257.82
Other financial liabilities – non current		58.00	58.00
Other financial liabilities – current	2.76		2.76

38. Capital Management

The company manages its capital to ensure that it will be able to continue as going concern while maximising the return to stakeholders through the optimization of the debt and equity balance. The capital structure of the company consists of net debt and total equity.

The company determines the amount of capital required on the basis of annual as well as long term operating plans and other strategic investment plans. The funding requirements are met through longterm /shortterm borrowings. The company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio.

Particulars	Note	₹ Lakhs	
		As at 31 March, 2023	As at 31 March, 2022
Borrowings Non-Current	13	8777.81	38.57
Borrowings–Current	13	5472.60	5057.19
Less Cash and bank balances	9 and 10	(408.87)	(480.51)
Net debt		13481.54	4615.25
Total equity	11 and 12	8174.47	7720.30
Capital and Net debt		21656.01	12335.55
Gearing Ratio (%)		62.25%	37.41%

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interestbearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to call loans and borrowings or charge some penal interest. There have been no breaches in the financial covenants of any interestbearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the current year.

39. Operating Segment

The company's sole business segment is manufacturing, and marketing of Oils & Deoiled Cakes and the geographical segment is India. Consequently, no separate disclosure, as required under Indian Accounting Standard 108 – Operating Segment, is considered relevant.

(k) Return on investment	Income generated from long term investments	Average longterm investments	NA	NA	NA	

(*) Earnings available for debt service = Profit after Tax before depreciation and interest on long term borrowings
(**) Debts Service = Repayment of longterm borrowings and Gross Interest on long term borrowings
(#) Capital Employed = Total book value of all assets less current liabilities

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Explanation for variance exceeding 25%:

- (i) Debt equity ratio has increased due to increase in borrowings.
- (ii) Debt Service ratio has increased as the liability to pay long term borrowings is increased in current year.
- (iii) Return on Equity Ratio has decreased due to decrease in profits.
- (iv) Trade payables turnover ratio has decreased due to increase in average trade payables.
- (v) Net Profit ratio has decreased due to decrease in profits.
- (vi) Return on Capital employed ratio has decreased due to decrease in earnings and increase in shareholders' equity.

43. Additional Regulatory Information as required by Schedule III of Companies Act, 2013

- (a) There are no proceedings which have been initiated or pending against the Group for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988.
