In this Annual Report, we have disclosed forward looking information to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements – written and oral – that we periodically make, contain forward looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward looking statements will be realised, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should bear this in mind. We undertake no obligation to publicly update any forward looking statements, whether as a result of new information, future events or otherwise

Overview of our Business Areas

ISF Ltd is a RBI Registered NBFC taking care of the capital needs for individuals as well as businesses. Having a vast experience of over 32 years as one of Oldest North India's listed Non-Banking Finance Company (NBFC)

For over 32 years, we have garnered deep experience in the asset finance business. We offer loans for the purchase of used and new Commercial Vehicles, Four-Wheelers, Two Wheelers and Disburse Loan Against Property (LAP) and Secured & Unsecured MSME Loans to the SME/MSME segment.

Taking advantage of Technology Company has also decided to foray into digital lending space and make its mark in industry

We are currently steered by the next-generation meritocratic leaders.

Vision

To be leader in retail and corporate credit business - using Technology, Creativity and Innovative partnerships.

Mission

To be most trusted NBFC that embraces the values of Integrity, Honesty, Trust, Respect and Professionalism equally trusted by our Customers, Partners and Employees.

Business Prospects of NBFC

The banking sector in India is witnessing vital fundamental reforms in which Non-Banking Financial Companies ("**NBFC**"/ "**NBFCs**") have been playing a very important role from the macroeconomic perspective. NBFCs have shown considerable growth in the last couple of years and as an impact they have created their own position in the banking sector promising a rising future in the years to come.

In order an economy to grow it is required that all the sections of society grow simultaneously. Inclusiveness brings overall participation from each and every sector of the economy. In simple words we can say inclusive growth signifies that all the segments of population are benefitting from the growth of the economy. Growth of any economy is always reflected in the quality life of individual living. NBFCs have shown an increasing growth in the last ten years. NBFCs is playing its part by meeting the diverse financial needs of the economy. It has channelized the savings and investments of the customers and had helped in the capital formation. By focusing on the Small and Medium Enterprises (SME) sector and stimulating microfinance, NBFCs are playing a significant role.

A large part of this paradigm shift can also be accredited to digital lending. The future of digital lending looks extremely bright in India thanks to the push being given by the Government towards digitalization of transactions involving money coupled with the escalating boom in technology and the promising marriage of the two. A result of the same is the peer to peer lending sector which has recently come within the regulatory framework of the Reserve Bank of India ("**RBI**") under the wing of NBFCs.

Focus on MSME

MSME constitute a very significant sector of the India Economy. They accounts for around 45% of the manufacturing output. Although SMEs have been growing in numbers they are unable to meet their financial requirements. Often these enterprises lack access to timely and adequate credit to meet their working capital needs, new technologies, proper infrastructure and manpower. Equity markets, private equity and venture capital close their doors to NBFC. ISF Limited extended finance to SMEs by providing a range of products according to their needs. ISF Limited not only provided loan against property but also various other innovative products were introduced for SME. Services like secondhand vehicles financing, three-wheeler financing, construction equipment financing have enhanced the position of NBFC in SME world.

Student Loan

The present economy requires highly skilled and educated professionals who can help maintain a successful collaboration between its economical, social, and financial backgrounds. This need for the technology-driven society aspires and motivated thousands and millions of students to acquire

profound education and mark a successful career in this competitive world. Many potential students who want to be an asset to the industry look forward to acquiring higher education but lack due to insufficient financial strength. This is where the **ISF Limited education loan** comes into play.

Digital Lending

Instant loans are ultra-short term unsecured loans i.e. to be paid within 90 days, or whatever your decided pay-date is. The borrower is in complete control to pay either by the decided pay-date or add more interest to the principal amount until the loan is settled. In short, Instant loans are short-term loans that are availed by people during liquidity crises either at the time of emergencies or during cash-crunch for personal needs.

ISF Limited wants to focus on Instant loans using the digital platforms. we are developing web platform for quick and hassle free personal loan.

Vehicle Loans

Focus of ISF Limited has been on financing vehicles both commercial and for personal use. We cater for all your needs: New Cars, Used Cars, New Two Wheelers, Used Two Wheelers & both New and Used Commercial Vehicles.

Along with the flexible tenure for loan payment, our company also assures quick processing by instant online application procedure and minimal paperwork. Funding to the customers is decided on certain eligibility criteria.

Loan Against Property (LAP)

A Loan against Property is a secured loan availed against a commercial or residential property kept as collateral with the lender. As the funds come with no end usage restriction, borrowers can utilize the funds for various purposes.

Bank on ISF Limited for your cash needs against collateral of Property.

Annexure-II**MANAGEMENT DISCUSSION AND ANALYSIS**

FY 2021-22 saw the two waves of the COVID pandemic creating disruptions. However, the year ended on a positive note with complete unlocking and recovery in economic activities. Notwithstanding this, the onset of geopolitical tensions and subsequent escalation on the European peninsula has increased global uncertainties leading to a rise in commodity and fuel prices. The global impact of which has increased pressure on the supply side economics, leading to rising inflationary pressures and unprecedented challenges over both global and domestic economies. Such global uncertainties have also influenced the capital markets in Q4 of the financial year under review with all major indices going into correction mode; impacting industries linked to capital markets.

According to the second advance estimates of India's Gross Domestic Product (GDP) published by the National Statistical Office for the financial year 2021-22, GDP growth in the first and second quarter was 20.1% and 8.4% respectively. In the third quarter, the GDP growth slowed down to 5.4%. In the fourth quarter, India witnessed third wave of infection but remained largely unaffected owing to vaccination of large proportion of population. India's GDP growth in Financial Year 2021-22 is estimated at 8.9%, compared to a contraction of 7.3% in Financial Year 2020-21. The Index of Industrial Production grew 11.3% against an 8.4% contraction in Financial Year 2020-21. The consumer and business confidence was resilient with improvement in general economic situation, household incomes, and spending. The economic recovery continued its positive momentum throughout the festive season. The mobility indicators viz. collections from GST, toll and e-way bill generators had demonstrated recovery to pre-pandemic levels since February, 2022. Food-grain production touched a new record in Financial Year 2021-22, with both kharif and rabi output crossing the final estimates for Financial Year 2020-21 as well as the targets set for Financial Year 2021-22. The farm sector remained upbeat due to higher minimum support prices announced by the government. The Economic Survey 2021-22 stated that the total consumption is estimated to have increased by 7.0% in Financial Year 2021-22 with Government consumption contributing the larger pie. Private consumption, on the other hand, is also expected to have improved significantly to its pre-pandemic output levels. The macro-economic indicators suggest that the Indian economy is well on its way to achieve its pre-pandemic growth levels in the current Financial Year 2023.

As a part of rehabilitation measure to reduce the stress caused by COVID-19 pandemic, the government has extended the Emergency Credit Line Guarantee Scheme till March 31, 2023 to provide credit support to small and micro organizations with expansion of guarantee cover by Rs. 50,000 crores to total cover of Rs. 5 lakh crores. It also provisioned additional credit of Rs. 2 lakh crores for Micro and Small Enterprises to be facilitated under the Credit Guarantee Trust for Micro and Small Enterprises. It further accelerated the MSME performance with an outlay of Rs.6,000 crores over five years

Overall, the year was a mixed bag. India still contends to be amongst the fastest-growing economies on the back of favourable dynamics; however, the global conditions continue to create significant headwinds.

1. Industry structure and developments

After going through the ordeal of macro-economic and pandemic-driven stress, the NBFC industry is gradually returning to normalcy. FY 2021-22 has been a year of revival and transformation for NBFCs

after years of stressed profitability, liquidity, and asset quality. The industry has undergone a significant transformation in the past couple of years with increased regulatory oversight and rapid technological innovation.

According to a report by Aventus, themed Retail Lending in a post COVID World: Winners and Laggards (May 2022) between FY 2020-21 and FY 2023-24, retail credit is expected to make a strong comeback and grow at 13-15%. The report noted that over the past two years, liquidity for the sector has remained adequate and entities have typically maintained coverage of their next three-month repayments. It suggested that the disbursement growth will have to remain healthier for a sustained AUM growth.

The scenario established during the second half of the fiscal year with resumption of credit activities on the back of the reopening of the economy. This has led to increased disbursements and improvement in credit quality. However, profitability continued to be subdued.

2. Opportunities

Being a NBFC Company, our Company is exposed to specific risks that are particular to its business and the environment within which it operates including interest rate volatility, economic cycle, Inflation could trigger increase in consumer price inflation, which would dampen growth, Striking a balance between demand and supply, Unfavorable economic development and market risk.

3. Threats

While the economy has seen a significant recovery from the pandemic lows, there are potentially challenging trends which could derail the recovery and extend the pain for the country, including the financial services sector –

- An extreme pandemic wave may derail the benefits accrued in the last year, both globally and domestically.
- Geopolitical tensions, especially in Ukraine, have the potential to significantly impact the economic growth across the world and lead to wider global participation.
- Inflation has become a huge challenge both in India and globally. Oil prices have been a double whammy for our country. It is expected that the central banks find the right balance between liquidity tightening and controlling inflation

3. Segment-wise or product-wise performance

During the year under review, since Company is being working in a single segment therefore the specific performance does not stand eligible.

4. Future Strategy

The Board has determined the following medium-term and long term strategies to achieve its corporate goals over a period of next 3-5 years:

- Periodical review of pandemic risks, Business Continuity plan, liquidity management
- To focus on digital initiatives to effectively service customers and to educate customers on the digital payment of EMIs
- Effective use and implementation of data analytics in the process of loan disbursement and loan recovery
- Further strengthening the leadership position in financing vehicles Further enhancing quality of loan portfolio Maintaining customer loyalty through winning relationship and customer satisfaction

5. Outlook

At ISF, we continue to be optimistic about India's long-term growth prospects and the opportunities it will provide to financial services organisations. At the same time, we continue to move carefully and be prepared for any short-term disruptions in the market. Our aim is to build resilience and strength in the organisation and gradually scale growth.

5. Risks and areas of concern

Our strength is our determination and team work, weakness is the low equity base, opportunities are multiples and threats are the vibrations in the economy and government policies.

In any business, risks and prospects are inseparable. As a responsible management, the Company's endeavor is to maximize returns. The Company continues to take all steps necessary to minimize its expenses through detailed studies and interaction with experts.

6. Internal control systems and their adequacy

The Company has carried out the internal audit in-house and has ensure that recording and reporting are adequate and proper, the internal controls exist in the system and that sufficient measures are taken to update the internal control system. The system also ensures that all transaction are appropriately authorised, recorded and reported. Exercises for safeguarding assets and protection against unauthorised use are undertaken from time to time. The Company's audit Committee reviewed the internal control system. All efforts are being made to make the internal control systems more effective. All these measures are continuously reviewed by the management and as and when necessary improvements are affected.

7. Discussion on financial performance with respect to operational performance

The total revenue from operations of your Company for the year ended March 31, 2022 stood at Rs. 163.50Lakh as against Rs. 135.71 Lakh for the year ended March 31, 2021. The Company has earned a profit (after tax) of Rs. 58.93Lakh for the Year ended March 31, 2022 as compared to Rs. 34.41 Lakh for the year ended March 31, 2022.

The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013 and Generally Accepted Accounting Principles in India.

8. Material developments in human resources/industrial relations front, including number of people employed.

The Company had sufficient numbers of employees at its administrative office. The Company recognizes the importance of human value and ensures that proper encouragement both moral and financial is extended to employees to motivate them. The Company enjoyed excellent relationship with workers and staff during the year.

9. Cautionary Statement

The statements in the "Management Discussion and Analysis Report" section describes the Company's objectives, projections, estimates, expectations and predictions, which may be "forward looking statements" within the meaning of the applicable laws and regulations. The annual results can differ materially from those expressed or implied, depending upon the economic and climatic conditions, Government policies and other incidental factors.

Independent Auditor's Certificate Regarding compliance of conditions of Corporate Governance

To the Members of
ISF LIMITED,

We have examined the compliance of conditions of Corporate Governance by ISF LIMITED for the year ended on 31st March, 2022 as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and para C and D of Schedule V to the Securities and Exchange Board of India (SEBI) (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations").

Management's Responsibility

The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in the Listing Regulations.

Auditor's Responsibility

Our responsibility is limited to examining the procedures and implementation thereof adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the Financial Statements of the Company.

We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of Chartered Accountants of India (the ICAI), the Standards on Auditing specified under Section 143 (10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, quality control for firms that perform audits and reviews of Historical Financial Information and Other Assurance and Related Services Engagements.

Opinion

Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the Listing Regulations, as applicable for the year ended March 31st, 2022, as referred to in paragraph 1 above.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditor's Report

To the Members of
ISF LIMITED

Report on the audit of the Ind AS Financial Statements

Opinion

We have audited the Ind AS Financial Statements of ISF LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022 and its profit, changes in Equity and its Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Ind AS Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by The Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS Financial Statements under the provisions of the Companies Act, 2013 and the Rules there-under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, changes in Equity and Cash Flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate

accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the Ind AS Financial Statements, including the disclosures and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outway the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure-A", a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g) In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company does not have any pending litigations having impact on its financial position in its Ind AS Financial Statements .
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- (iv)(i) The management has represented that to the best of its knowledge and belief, other than as disclosed in the Notes to the Accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies) including foreign entities ("intermediaries") with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (ii) The management has represented that to the best of its knowledge and belief, other than as disclosed in the Notes to the Accounts, no funds have been received by the Company from any person(s) or entity(ies) including foreign entities ("funding parties") with the understanding whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party ("Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries and
- (iii) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances. Nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement
- v) No dividend has been declared or paid during the year by the Company.

Annexure B to the Independent Auditor's Report of even date on the Financial Statements of ISF LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ISF LIMITED ("the Company") as of 31st March, 2022 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with Generally Accepted Accounting Principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with

generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022; based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Financial Liabilities	4.60	10.91
Total financial liabilities	104.53	54.58

b) Fair Value Hierarchy

The Company determines the fair value of its financial instruments on the basis of the following hierarchy:

Level 1: The fair value of financial instruments that are quoted in active markets are determined on the basis of quoted price for identical assets or liabilities.

Level 2: The fair value of financial instruments that are not traded in an active market are determined using valuation techniques based on observable market data.

Level 3: The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs). Fair value of investment in unquoted equity shares is determined using discounted cash flow technique.

The carrying amounts of all financial instruments are considered to be the same as their fair values.

c) Financial Risk Management

In the course of its business, the Company is exposed to a number of financial risks: credit risk, liquidity risk etc. This note presents the Company's objectives, policies and processes for managing its financial risk and capital.

1) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers.

Trade and other receivables

The Company's Trade Receivables are largely from Hire purchase Financing. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer.

The Company manages credit risk through credit approvals and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Liquidity Risk

Liquidity risk refers to risk that the Company may encounter difficulties in meeting its obligations associated with financial liabilities that are settled in cash or other financial assets. The Company regularly monitors the rolling forecasts to ensure that sufficient liquidity is maintained on an ongoing basis to meet operational needs. The Company manages the liquidity risk by planning the investments in a manner such that the desired quantum of funds could be made available to meet any of the business requirements within a reasonable period of time.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

1. (A) CORPORATE INFORMATION

ISF LIMITED (the Company) is a public limited company incorporated in India with its Registered Office at Delhi and is listed on the Bombay Stock Exchange (BSE). The company is engaged in the business of Non-Banking Financial Company.

1. (B) SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements.

(a) (i) Statement of compliance

The Financial Statements have been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("the Act") including the rules notified under the relevant provisions of the Companies Act, 2013 in the format prescribed by Schedule III (as amended) vide MCA Notification GSR 207(E) dated 24.03.2021.

(b) (ii) Basis for preparation

The Financial Statements have been prepared under the historical cost convention with the exception of certain assets and liabilities carried at fair values by Ind AS. The Assets and Liabilities have been classified as Current/Non Current as per the Companies normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of Current/Non Current classification of assets and liabilities.

(c) Property, plant and equipment-Tangible Assets

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discounts and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net changes on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation

- i. Depreciation is provided on the straight line method over the estimated useful lives of the assets as per the rates in the manner prescribed under the Schedule II to the Companies Act 2013.

For ISF LIMITED

Director

For ISF LIMITED

Director

CFO

- ii. Gains and losses on disposals are determined by comparing proceeds with carrying amount and such gains or losses are recognized as income or expense in the statement of profit and loss.
- iii. Cost of items of Property, plant and equipment not ready for intended use as on the balance sheet date is disclosed as capital work in progress. Advances given towards acquisition of Property, Plant and Equipment outstanding at each balance sheet date are disclosed as Capital Advance under Other non-current assets.

(d) Impairment

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. Non financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(e) Leases

In accordance with Ind AS 116 , as lessee for lease with a term of more than 12 months, the Company recognises a 'right-of-use' asset at cost for the lease term at the commencement date and a lease liability representing its obligation to make future lease payments. The 'Right-of-use' asset is depreciated using the straight line method from the commencement date over the shorter of lease term or useful life of 'right-of-use' asset. The lease payment is discounted using the lessee's incremental borrowing rate as there is no interest rate implicit in the lease. Short term lease and lease of low value is treated as expense on straight line basis or other systematic basis over the lease term.

(f) Financial Instruments

Financial Assets and Financial Liabilities are recognized when the Company becomes a party to the contractual provisions of the relevant instrument. Since the transaction price does not differ significantly from the fair value of the financial asset or financial liability, the transaction price is assumed to be the fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities. Purchase and sale of financial assets are recognized using trade date accounting.

i. Financial Assets

Financial assets include Loans, Advances, Security Deposits, Cash and Cash Equivalents etc which are classified for measurement at amortised cost.

Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Impairment:

The Company assesses at each reporting date whether a financial asset (or a group of financial assets) are tested for impairment based on available evidence or information. Expected credit losses are assessed and loss allowances recognized if the credit quality of the financial asset has deteriorated significantly since initial recognition.

De-recognition:

For ISF LIMITED

Director

For ISF LIMITED

Director

CFO

Financial assets are derecognized when the right to receive cash flow from the assets has expired, or has been transferred and the company has transferred substantially all of the risks and rewards of ownership.

Income recognition:

Interest income on loans is recognized in the Statement of profit and loss using the effective interest method on time proportion basis.

ii. **Financial Liabilities:**

Borrowings, Trade Payables and other Financial Liabilities are initially recognized at the value of the respective contractual obligations. They are subsequently measured at amortised cost using the effective interest method, wherever applicable.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to short maturity of these instruments.

De-recognition:

Financial liabilities are derecognized when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

(g) Revenue

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable taking into account contractually defined terms.

i. **Interest Income**

Interest income is accrued on time proportion basis, by reference to the principal outstanding and the effective interest rate applicable.

(h) Cash and cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash in hand, demand deposits with banks, short term balances (with an original maturity of three months or less from date of acquisition).

(i) Taxes on income

Income tax expense represents the sum of the current tax and deferred tax.

Current tax charge is based on taxable profit for the year. Taxable profit differs from profit as reported in the Statement of profit and loss because Some items of income or expense are taxable or deductible in different years or may never be taxable or deductible. The company's liability for current tax is calculated using Indian tax rates and laws that have been enacted by the reporting date.

Current tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority.

The company periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax is the tax expected to be payable or recoverable in the future arising from temporary differences between the carrying amounts of assets and liabilities in the balance sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilized. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realized, based on tax rates that have been enacted or substantively enacted by the reporting date.

Deferred income tax assets and liabilities are off set against each other and the resultant net amount is presented in the balance sheet if and only when the company currently has a legally enforceable right to set off the current income tax assets and liabilities.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case the tax is also recognized in other comprehensive income or directly in equity respectively.

(j) Employee Benefits

(i) Short term employee Benefits

Short term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Post Employment Benefits

Defined Contribution Plans

The company's defined contribution plans are employees provident fund and employees pension scheme (under the provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952) since the company has no further obligation beyond making the contributions. The company's contributions to these plans are charged to the Statement of Profit and loss as incurred.

Defined Benefits Plans

Liability for Defined Benefit plans is provided on the basis of actual valuation as at the balance sheet date.

Gratuity

The provision for Gratuity is made as at the balance sheet date on actual calculation.

(k) Earnings Per Share

Basic earnings per share is calculated by dividing the profit for the period attributable to the owners of company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding without a corresponding change in resources. For the purposes of calculating diluted earnings per share the profit for the period attributable to the owners of the company and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

(l) Exceptional items

When items of income or expense are of such nature, size and incidence that their disclosure is necessary to explain the performance of the company for the year, the company makes a disclosure of the nature and amount of such items separately under the head "exceptional items."

(m) Provisions and contingent liabilities

A provision is recognized if as a result of a past event, the company has a present obligation (legal or constructive) that can be estimated reliably and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognized at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. If the effect of time value of money is material, provisions are discounted using a current pre tax rate that reflects, when appropriate the risks specific to the liability.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions but are disclosed unless the possibility of outflow of resources is remote.

(n) Dividends

Dividend proposed (including income tax thereon) is recognized in the period in which interim dividends are approved by the Board of Directors or in respect of final dividend when approved by shareholders.

(o) Borrowing cost

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

(p) Use of Estimates and Critical accounting Judgements

The preparation of Financial Statements is in conformity with generally accepted accounting principles which requires management to make estimates and assumptions.

The estimates and the associated assumptions are based on historical experience, opinions of experts and other factors that are considered to be relevant. Actual results may differ from these estimates.

Significant judgements and estimates are made relating to impairment of Property, Plant and Equipments, recognition of provisions and exposure of contingent liabilities relating to pending litigations or other outstanding claims etc.

(p) Recent Indian Accounting Standards(Ind AS)

Ministry of Corporate Affairs notifies new Standards or amendments to the existing Standards. On March 23,2022,MCA issued the Companies(Indian Accounting Standards)Rules,2022, applicable from April 1,2022 and has made amendments to Ind AS 16, Ind AS 37,Ind AS 103,Ind AS 106 and Ind AS 109..The Company does not expect the amendments to have any significant impact in its financial statements.
