Q2FY20 Highlights

Max Towers Updates

- Lease Rental Income for Q2FY20 stood at **Rs.28 Mn** and **Rs. 45 Mn** for H1FY20
- Sold **1.45 lakhs Sq. Ft.** for **Rs. 2,000 Mn.** The proceeds will be utilized for building Grade A Quality Commercial Assets
- Leased **34,152 Sq. Ft.** in Q2FY20
- Realty+, a leading Real Estate Publications in India awarded 'Max Towers' as a 'Most Environment-Friendly Commercial Space'

Max House Okhla Project Updates

- Due to the financial uncertainties surrounding the Potential Lessee, we are no longer committed to lease the first phase of Max House to WeWork India
- Max Estates is now free to lease this project to the other potential tenants
- Max House will be a **Grade A Commercial Asset** centrally located in the affluent South Delhi Market which gives us confidence to lease it to the marquee names in coming quarters

Leasehold Rights in Land

- Wholly owned subsidiary of Max Estates entered into an agreement to acquire leasehold rights in a commercial use land parcel
- Land parcel is located at a prime location on Noida Expressway with a development potential of **~7 lakh Sq. Ft.**
- The Project is slated to be a Grade A+ Commercial Project and post receipt of required approvals and registration of transfer deed, we expect to commence the construction in **Q1FY21**

Community

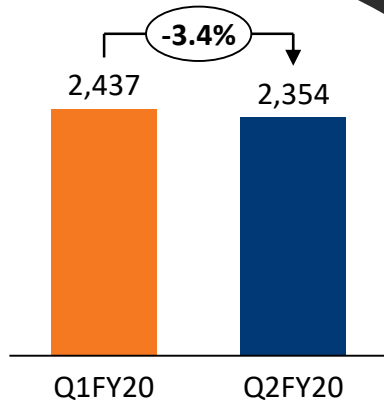

Integration

Conveniences

Max Asset Services (MAS) Updates

- MAS complements the Real Estate arm of MaxVIL to complete its objective of offering a **differentiated solution** in the Leased Commercial Office market in Delhi-NCR
- The current Max Tower tenants have given a very encouraging Net Promoter Score of **9 out of 10** in its second tenant engagement survey
- The company has gained significant expertise while managing Max Towers and is now pursuing multiple opportunities to deepen its presence in the Managed Office services market in the Delhi-NCR
- The first Managed Office offering will be completed for a technology company in **Dec'19** and an active sales pipeline is being developed for scaling up this business

Revenue from Films Business (Rs. Mn)

Volumes (MT)

Multi Layer Packaging

- Governments focus to discourage usage of single use plastic will benefit Max Speciality Films as it is primarily a BOPP Manufacturer
- BOPP Films is a **multi-layered product** which is easier to recycle. MSF supports the idea of sustainability and recyclability in packaging materials

Improving Industry Fundamentals

- The Industry fundamentals have improved a lot over the last 3 quarters for the business aided by higher demand and stable supply
- EBIT margins from films business continues to improve. It stood at **6.4%** in Q2FY20 as compared to **5.7%** in Q1FY20 and **3.5%** in Q4FY19

Focus on Speciality Films

- Value Added- Speciality films are more profitable and creates a differentiation factor in our offerings
- We continuously focus to improve this contribution which in longer term will help us to counter the industry cyclicity

Focus to own a large Portfolio of Annuity based Real Estate Projects

- Max Estates aims to become the partner of choice for Indian and International corporates for office needs
- By providing a unique blend of thoughtful design, amenities and superior hospitality, Max Estates developments provide a highly differentiated experience
- Our products will be further differentiated through an emphasis on technology and community with our **WorkWell** philosophy, enabled by **PULSE**
- Our goal is to pursue office space development opportunities in a capital light approach, and build an annuity income generating portfolio

Having built the whole range of capabilities in commercial real estate – land sourcing, design, construction execution, leasing – Max Estates will continue to focus on becoming a specialised office space player

Max Tower Elevation

Our intention is to see office space as much more than square feet to be leased or sold, to take a broader view which includes:

- The services used by occupants of the building
- The services used by businesses in the building
- Becoming a destination venue for the local community in which we operate
- The data that the building : its occupants & businesses generate

Key objectives of this vertical are:

- Generate additional income stream from consumption requirements of building occupants, i.e. individuals and businesses
- Generate higher lease rentals per square foot by creating community-driven occupant experiences
- Use the data generated from the building to improve the building's value proposition, optimize costs & higher yield through better rentals
- To eventually develop it as a unique proposition to take to other developers for their commercial projects

What's *good* for people
is *great* for business.

The future of work is increasingly moving away from the traditional workspace.

The war for talent is making organisations rethink their workplace strategy and create experiences that attract, retain, and develop their most gifted and valuable workers.

Work Well

Our Work Well Promise = Work + Live + Play

The workspace we offer our tenants should act as an area of advantage for retention, recruitment, development and well-being. Hence, we wanted to re-think the workspace to not only be a real estate asset, but a strategic asset for our tenants

WORK

In order to deliver on the “Work Well” promise, there are key elements which will be included:

 Agile workspaces that respond to work expansion and contraction with ease

 Casual & fine dining outlets with an emphasis on nutrition, seasonality and local produce

 A state of the art wellness & fitness center

 A culture manager that will program events, work-shops, performances, talks, classes etc
