Salzer Electronics Limited

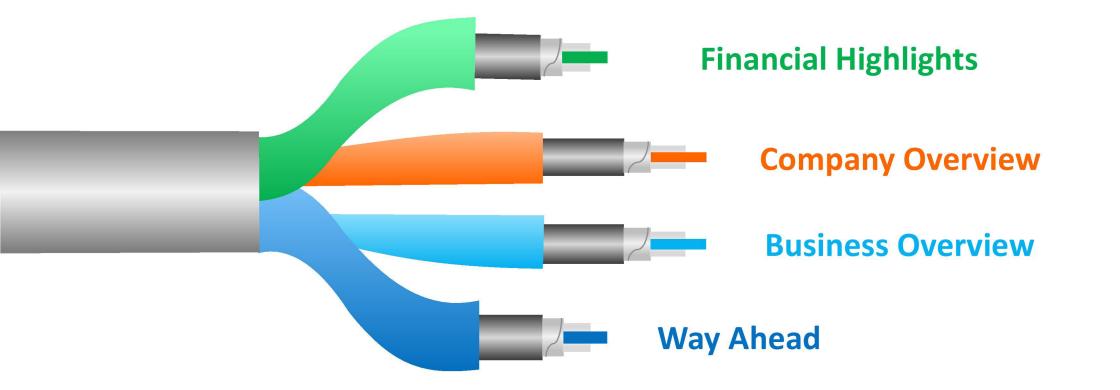

This presentation has been prepared by Salzer Electronics Limited (the "Company") solely for information purposes and does not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment what so ever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

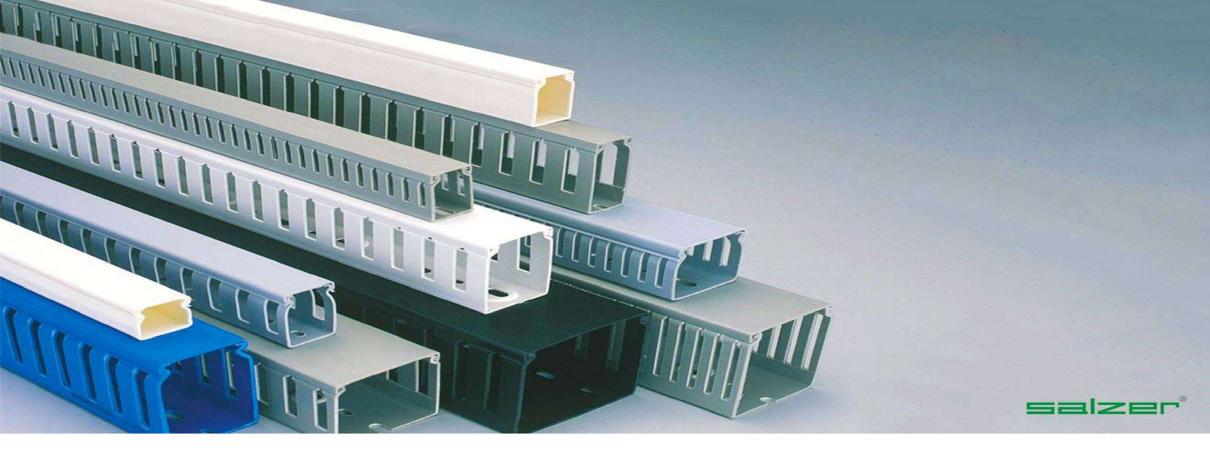

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

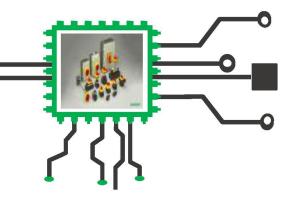

Certain matters discussed in this Presentation may contain statements regarding the Company's market opportunity and business prospects that are individually and collectively forward-looking statements. Such forward-looking statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties and assumptions that are difficult to predict. These risks and uncertainties include, but are not limited to, the performance of the Indian economy and of the economies of various international markets, the performance of the industry in India and world-wide, competition, the company's ability to successfully implement its strategy, the Company's future levels of growth and expansion, technological implementation, changes and advancements, changes in revenue, income or cash flows, the Company's market preferences and its exposure to market risks, as well as other risks. The Company's actual results, levels of activity, performance or achievements could differ materially and adversely from results expressed in or implied by this Presentation. The Company assumes no obligation to update any forward-looking information contained in this Presentation. Any forward-looking statements and projections made by third parties included in this Presentation are not adopted by the Company and the Company is not responsible for such third party statements and projections.

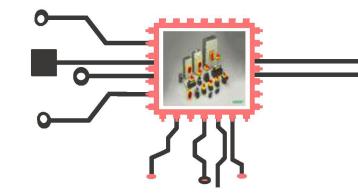

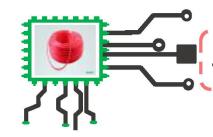

Financial Highlights

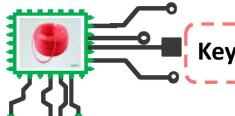

Commenting on the results, Mr. Rajesh Doraiswamy, Joint Managing Director, said :

"I am happy to share that during the 9M FY20 we have registered a 7.4% Y-o-Y growth in our revenues. This growth was mainly driven by demand in our switchgear business segment mainly in Export markets. The increase in contribution from exports of Industrial Switchgears helped us to improve our margins and also helped create visibility for the Salzer brand in different geographies.

The market sentiments in India continue to be sluggish and demand outlook remains challenging across categories as we have seen during the quarter as the wires & Cables business has declined by 19% Y-o-Y. We continue to take necessary action in order to tackle this and are confident of achieving our yearly targets of revenue on back of our quality products and long-term relations with our clients.

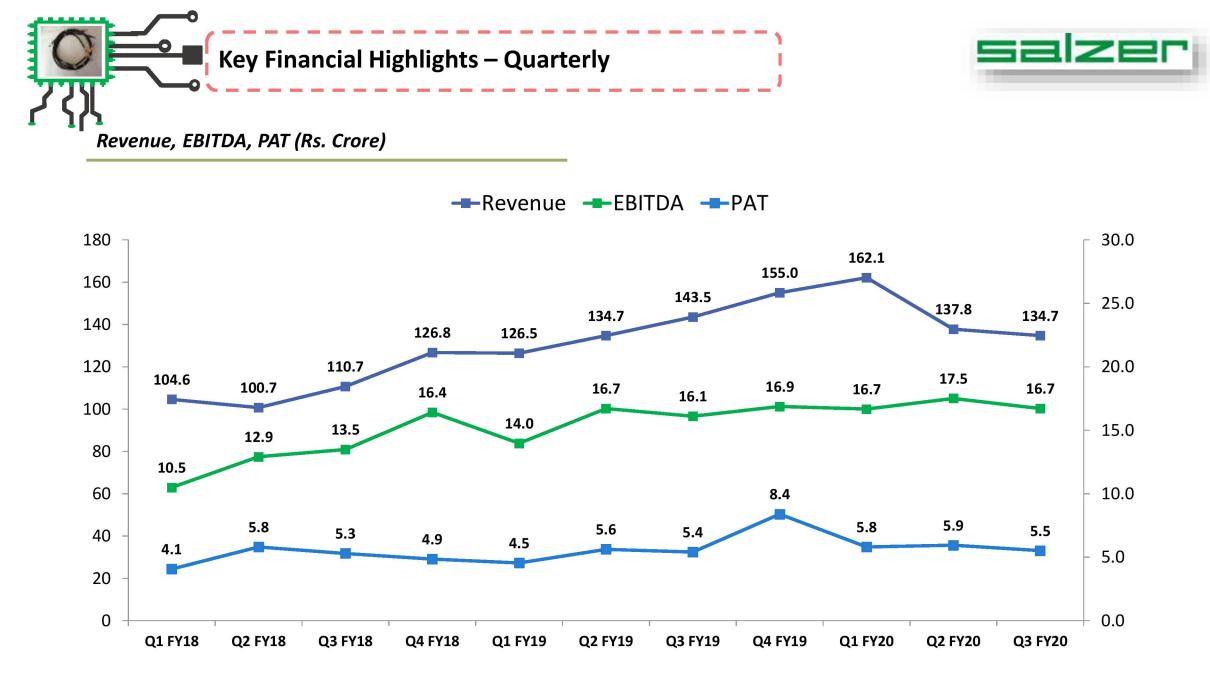

We continue to focus on adding new, niche and high margin products, enter new geographies and offer total and customised electrical solutions to our existing and new customers. To aid to this we are constantly on the lookout for any new opportunities for technical associations to strengthen the base for our product offerings.

Overall, we remain committed to our set agenda of delivering sustainable growth. I thank all our stakeholders for their continued support and faith in our Company"

- Salzer Electronics an approved vendor for Schneider was awarded the Best Collaborative Supplier for 2019
- In line with the focus on increasing product offerings and expanding footprint into newer segments along with access to all India dealer network, the Company acquired 72.32% stake in Kaycee Industries Ltd for a total consideration of Rs 18.10 crore
 - Kaycee Industries Limited a "pre-independence" Company with a legacy of "three quarter of a century", being pioneer in Industrial Switchgear business and among the leading provider of electrical and electric component in India with manufacturing facility located at Ambernath – Thane
 - Appointed Mr. Raman Krishnamoorthy as Vice President Finance & Operations of Kaycee Industries. Mr. Raman is a Finance Professional with over 21 years of experience in various aspects of financial and operational Management – Cost optimization, operating Controls, Accounting, Tax, Reporting, Budgeting, Cash & Treasury Management, Legal & Compliance, Insurance and Risk Management

Q3 FY20 Financial Highlights

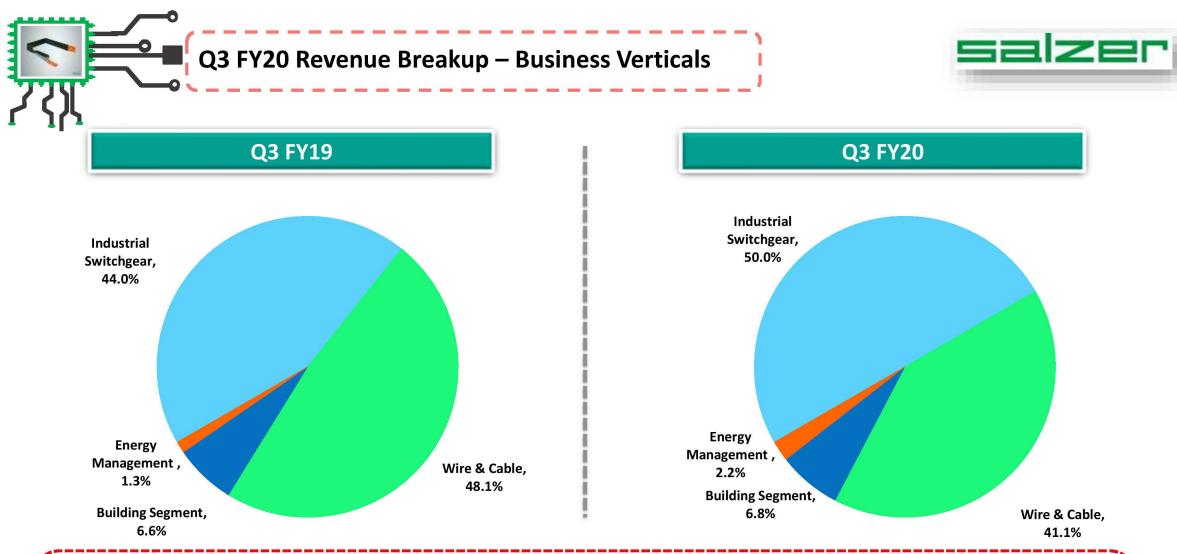

Rs. in Crore	Standalone				Consolidated
	Q3 FY20	Q3 FY19	Y-o-Y %	Q2 FY20	Q3 FY20
Net Revenue	134.7	143.5	(6.1%)	137.8	140.4

Company Overview

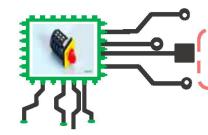

Company Overview

Leading player offering total and customized electrical solutions

- Presence in Industrial Switchgears, Wires & Cables and Energy management business
- Largest manufacturer of Cam Operated Rotary Switches Market leader with 25% share

Extensive Product portfolio across verticals with Strong focus on product development and innovation In-house manufacturing facilities Five manufacturing units located in Tamil Registered Patent for Rotary Switches, five Nadu product patents in process More than 15 products catering to Industrial / Building / Automobile verticals Wide Distribution network – local and global **Consistent Dividend Payout Track Record** Own distribution network – local and global – for past 25 years export to 50 countries Access to L&T's local network through more than 350 distributors

From a Single Product Company...

- Unit I (Coimbatore) manufacture contactors, relays, panels, energy savers
- Starting of long term association with L&T
- Technical collaboration with Plitron for manufacture of Toroidal Transformers

1991-95

 1st Indian company to bring technology to India

- Leading player offering total and customized electrical solutions
- More than 15 different products
- 2,000 employees
- 4 manufacturing units
- Foray into tailor made products and branding for large customers

2010-14

Specialized panels for OEMs

 Established to manufacturer of CAM operated Rotary Switches

1985

 Unit III - manufacture modular switches

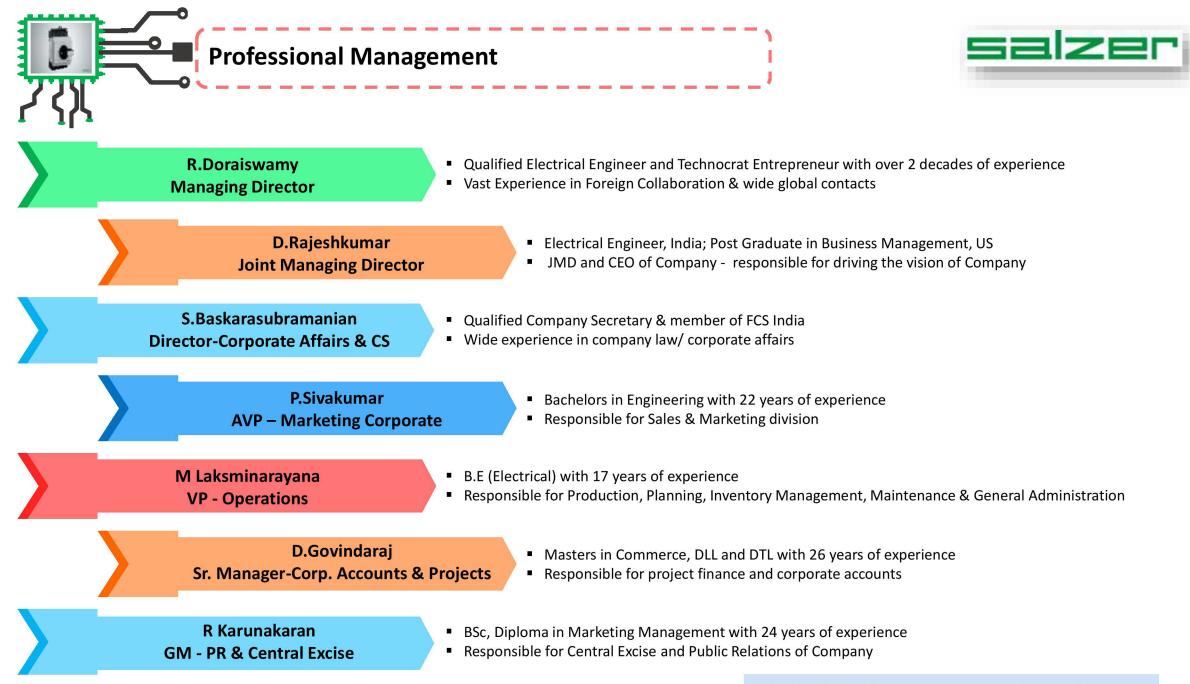

2001-06

 Started manufacturing of Wire & Cable for L&T Started commercial production of Three Phase Dry Type Transformers

2017-19

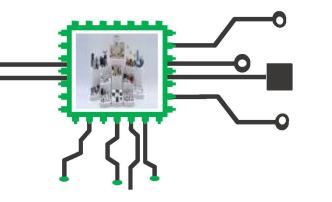

- Acquired Salzer Magnet Wires
- Upgrade in Credit Rating for long term borrowing to 'CRISIL A/Stable'
- Acquired Kaycee Industries Ltd.

... to manufacturing multiple products across sectors

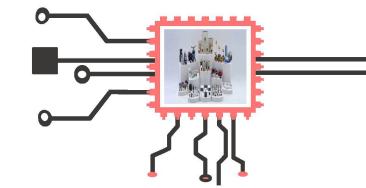

Guided by 13 members experienced Board 19

Business Overview

Industrial Switch Gear Products

- Transformers
- Terminal Blocks
- Rotary Switches
- Isolators
- General Purpose relays
- Wiring Ducts
- MPCB's
- Contactors & OLR's
- Control Panels
- Wire Harness

Building products

- Modular Switches
- Wires & Cables
- MCB's
- Changeovers

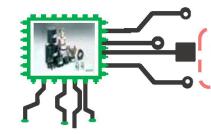

Copper Products

- Wires & Cables
- Flexible Bus Bars
- Enamelled Wires
- Bunched Conductors
- Tinned Copper Wires

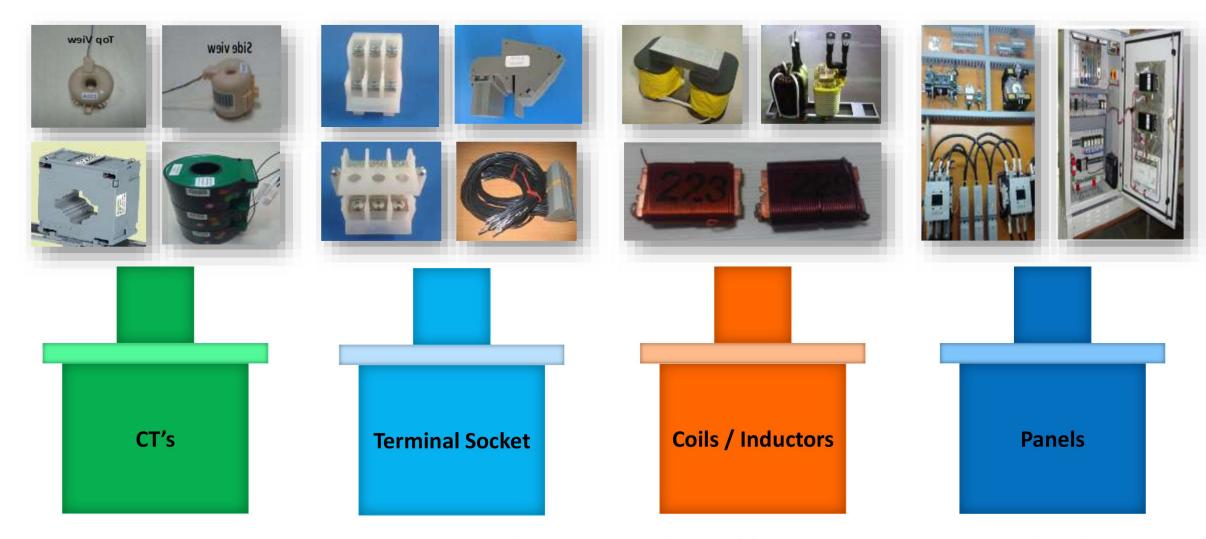

Energy Management products

- Energy Savers
- Street Light Controllers

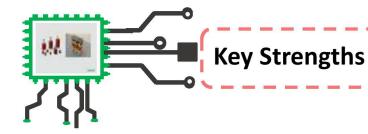

Wide Product Suite- Customized for OEM's

In-house manufacturing and R&D enables superior customization of products

Complete Backward Integration

- In-house manufacturing facilities with process capabilities ensures better product development and customization
- Well developed R&D enables continual product innovation

Strong Customer Relationships

- Strong customer relationships across globe
- Preferred supplier to GE, Schneider and only approved supplier of Nuclear Power Corporation
- Largest supplier of rotary and load break switches to Indian Railways

Wide Distribution Network

- Wide distribution network international and domestic
- Tie up with L&T access to over 350 dealers in India; own network for modular switches with 50 stockist in 4 southern & western states
- Direct network across 50 countries with 40 international distributors

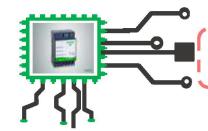

Wide Product Suite

- Amongst few players in India, to offer total & customized electrical solutions
- Wide product basket 15 products developed in-house
- Largest manufacturer and market leader in CAM operated rotary switches

Advanced Engineering Capabilities

- Strong engineering capabilities backed by in-house manufacturing and R&D team
- Technical collaboration with Plitron for Toroidal transformers – 1st company to bring technology to India, Joint Venture with C3Controls for contactors and relays
- Resulting in all products been international certified and universal acceptance

UNIT I

<u>UNIT 2</u>

<u>UNIT 3</u>

UNIT 4

<u>UNIT 5</u>

- Rotary Switch
- Contactors & Relays
- Panel Assembly
- Lighting Energy Savers
- Automatic Meter Reading
- Three Phase Dry Type Transformers

- Toroidal Transformers
- Isolators (Dis-connectors)
- Terminals
- Wiring Ducts
- MPCB
- Wire Harness
- 3 PH Transformers

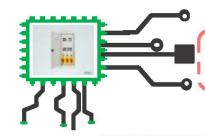

- Wiring Accessories

- Wires & Cables
- Flexible Bus Bars
- Bunched Conductors
- Tinned Wires

- Enamelled Copper Wires
- Fine Enamelled Copper Wires
- Polyester Coated
 Winding wires

...With In-house process capabilities...

- Full fledged Type testing laboratory
 - Loads up to 500Amps
 - Environmental test chamber for humidity test
 - Salt spray test & all other basic tests as per UL Standards

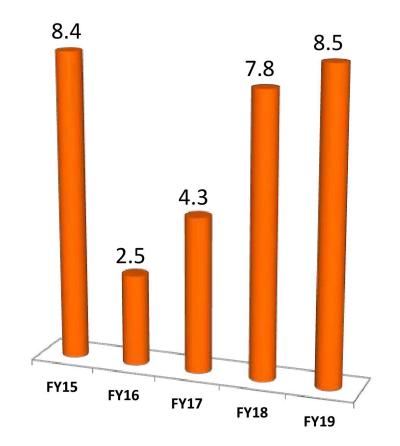

- In-house tool room facility for manufacturing and servicing of Moulds and press tools
 - CNC Wire Cut Machines and Spark erosion machines
 - CNC Machining center, EDM Drilling
 - Conventional machines
 - Latest digital measuring equipment
 - Inspected and certified by GE Tool Divisionca

More than 80% components made in-house

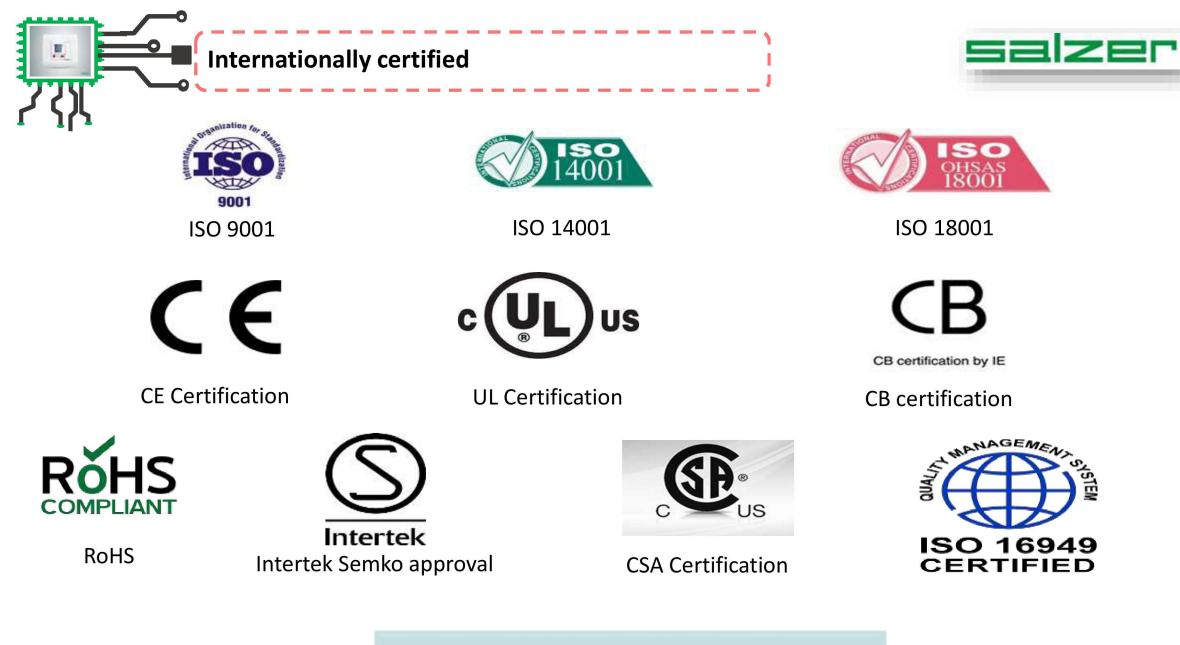

R&D expenses (Rs crore)

- In-house R&D Center
 - More than 35 engineers
 - Recognized by Department of Science, Govt of India
- Patented Rotary switches
- Five patents in process
 - Manual Single-Phase Starter with no voltage tripping, Energy Saver System for Street Lighting, Integrated ammeter / voltmeter selectro CAM operated rotary switch, Track Feed Battery Change Over System and Fuse Automatic Changeover System
- 1st of its kind product in India
 - Designed and manufactured Load Break Switches, Single Hole Mounting Switches, Halogen Free Cable Ducts, Flat Wire Ducts, Flexible Bus Bars etc

Continuous product innovation

... Across entire product portfolio

SOBHA

Marketing Tie-up with L&T for Indian Market

YOKOGAWA

c=controls

- Largest supplier of rotary switches to Indian Railways
- Branding partner to various large OEM's in India

Technical Tie-up with American Company
 C3Controls, to manufacture & market contactors & overload relays

NPCH

यक्लियर पावर कॉर्पोरेशन ऑफ इंडिया लिमिटेड

- Technical Tie-up with Trafomodern for Three Phase Transformers
- Preferred supplier to:
 - Nuclear Power Corporation

GH

- Schneider Electric
- GE Energy

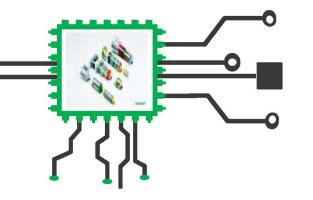

- Direct network across 50 countries
 - 23% of sales from global distribution
 - 40 international distributors
- Plans to expand in US, Africa and Middle east

Direct network across 50 countries

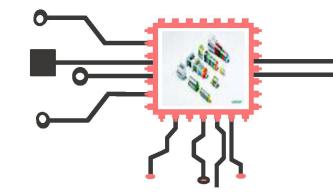

Domestic

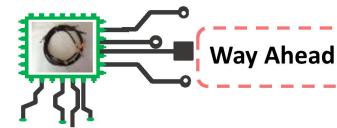

- Tie up with L&T access to more than 350 dealers in India
- Direct network for Modular Switches 50 stockists in 4 southern & western states

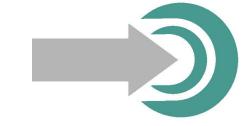

Way Ahead

Operational Excellence

 Consistently executing business strategy and continued focus on improving operating costs by sourcing quality raw materials and efficient manpower

Venture into new project/ product development

- Look for Technical alliances to develop newer and technically advanced products
- Acquired Kaycee Industries enabling newer product development, entering new ventures and leveraging its brand and distribution network

Focus on margin improvement

- Increase sales of high margin products existing and new
- Increase exports fast growing markets of US, Africa and Middle East

Growth and expansion of existing product verticals

- Constantly develop new products through inhouse R&D
- Expand existing product portfolio to newer geographies
