Sub: Intimation pursuant to Regulation 30 of the SEBI (LODR) Regulations, 2015 regarding revolutionary achievement in new product development

Pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform you that we have tested our laminate on Severe Acute Respiratory Syndrome Coronavirus 2 (SARS-CoV-2) virus. The test was conducted by Rajiv Gandhi Center of Biotechnology (Govt. of India recognized laboratory), Trivandrum, Kerala; and the results were successful. The test result indicates that Greenlam Laminates are effective against SARS-CoV-2 with 99%* efficacy within 30 minutes of exposure to the laminate surface and completely eliminates in 45 minutes and beyond.

Greenlam has been producing laminates and compacts with antiviral, antibacterial and antifungal attributes and with this new test result, Greenlam will be able to offer laminates resistant to SARS-CoV-2.

This makes Greenlam the World's first proven SARS-CoV-2 virus resistant laminate brand. We continue to provide best-in-class and safe products to our customers.

The above is for your information and record.

Thanking You,
Yours Faithfully,

For **GREENLAM INDUSTRIES LIMITED**

PRAKASH KUMAR BISWAL
