2. BRIEF DESCRIPTION OF THE COMPANY'S WORKING DURING THE YEAR

The Directors concluded the last year's Director's Report with the words: *In the coming year, we do not foresee any significant impediment in ramping up our sales to break-even level and beyond.*

We could not have been more off the mark. Anything that could go wrong did go so in the year under review - Market, Payments, Legal Shocks on the Real Estate Development front, Employee churn and what have you.

The market of indigenously made LED lights, which had been reeling under severe headwinds from cheap Chinese imports suffered a double whammy by the virtual collapse of the payment cycle from the Municipalities and Town Areas causing a massive cash crunch. Municipal funds for LED switchover are heavily dependent on Government Subsidies under Govt. of India's SLNP initiative. But SLNP funds of late are virtually down to trickles. The demand kept going south, and payments went from bad to worse.

The mounting expenditure on multiple litigations on the salvaging of Real Estate venture further hamstrung our liquidity. The fraudulent behaviour of the Developer, who has since vanished, the tagging of our Corporate Guarantee in the suit filed by the Syndicate Bank in NCLT,

our criminal case against the Developer's and the Bank, countersuit in the DRT and civil litigation have all taken their toll on the Company's ways and means. Being the main aggrieved party, we had banked heavily on the Legal route for resolution in a reasonable time. Looking back, all of it appears a distant dream. Here we are six months into the next year, and there is zero progress, who could have imagined the scourge of COVID 19.

With the COVID Lockdown from March 22, 2020, the way ahead is a virtual minefield, and what roadmap could you chart except to stay put in a state of suspended animation. Employee morale has taken a hit. Customers have gone in their shell and those who owe us money are in deep slumber and incommunicado.

The uncertainty is interminable. So much so that the misery of uncertainty is worse than the certainty of misery.

There is darkness all around, but in the midst of darkness, light persists. There is no slacking in our relentless pursuit to tide over the current gloom and doom, and team Linaks is gung-ho and even this would pass.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT**Industry structure & Development**

PCB industry consists of a handful of medium sized units and a number of small-scale units which are mostly independent i.e. they are not part of any large conglomerate excepting a couple of units.

The units were historically promoted by technocrat entrepreneurs who in the old days received bank finance easily to promote industrial growth. Most of these units were set up in mid 80's and some of them have ceased to operate.

The survivors are those, which from time to time have been investing in technology and capacity. Initially the units were manufacturing simple single sided and double sided PCBs, but now there are units like AT&S who are making PCBs with 24 layers, buried vias, 4 mil line and spaces, etc. In the area of single sided PCBs we have some units that are now manufacturing flexible circuits.

Still on the whole industry is small because the actual demand for PCBs for manufacturing various types of Electronic equipment is still not very large in India, largely due to screw-driver-kit-assembly nature of the Indian equipment industry.

Opportunities & Threats: The industry has a domestic market, which initially was driven by telecommunication, but thanks to the lopsided custom tariff structure telecom manufacturing has shallowed out resulting in steep decline in PCB demand. Although the telecom infrastructure has grown by leaps and bounds but the downstream electronic component demand has not seen any growth since all fresh demand for equipment has been met largely through imports. Thus, now the domestic requirement is dependent on diverse segments like automation, control, instrumentation, metering and automotive. Automotive electronics, though a massive growth engine, can be volatile as it is subject to global business swings in this connected world of automotive business with only a handful of players. The gradual easing of custom duties is happening on account of India being a signatory to ITA. But this threat is also an opportunity because it applies to the developed countries too who are still levying duty on Indian imports.

In fact India with a low cost technical manpower enjoys tremendous advantage as an export-manufacturing base and especially to the high cost developed countries of Europe and the US. The industry and moreover Linaks should leverage this advantage. The company is already working towards it as they have a clutch of regular and reliable customers in Europe and they are also in the process of developing new ones in Eastern Europe and Americas.

Risks and Concerns: Apart from ongoing impact of COVID-19 pandemic major risk the industry faces is of over dependence on one market segment and the industry in India, Linaks included has faced this prospect because many a times their fortunes have fluctuated with those of the telecommunication sector.

Then there is always the over riding concern of fast technological obsolescence, which entails constant drain on resources at times impeding ones capability to service one's customers.

Overview: On the whole the industry has a lot of promise provided one is able to keep up with the demands of the market place.

Financial performance: The financial performance is directly related to the company's ability to remain competitive.

Resource & Liquidity: Resource position would remain comfortable if the company is able to trade profitably and liquidity is the direct function of the above.

The company has not been able to meet its financial goals because due to extraneous circumstances it went into losses and the rehabilitation package drawn under BIFR has also been buffeted by the uncertainty of the market place.

Outlook: The outlook is positive as market-wise we do not see any major impediment in re-establishing ourselves. Our initial feelers in the PCB market and also to our old customers has met with encouraging results.

Internal Control System: Your Company's management continuously reviews the internal control system and procedures to ensure orderly and efficient conduct of business. Your Company adheres to its written corporate policies with respect to all transactions, financial reporting and budgeting to ensure that all assets are safeguarded and protected against loss from unauthorised use or disposition, and that transactions are authorised, recorded and reported correctly.

The Company regularly conducts internal audits either through external or internal resources to monitor the effectiveness of internal control in the organisation.

Audits are finalised and conducted based on internal risk assessment. Significant findings are brought to the notice of the Audit Committee of the Board and corrective measures recommended for implementation. Reports of the internal auditor are also regularly reviewed by the Management and corrective action initiated to strengthen the controls and enhance the effectiveness of the existing systems.

Human Resources: The Company gives full and fair consideration to all employees with regard to their particular aptitudes and abilities. Training, career development and promotion are, as far as practicable, considered for all employees according to their skills and abilities. The Company consistently seeks to recruit, develop and employ throughout the organisation suitably qualified, capable and experienced people, irrespective of race, religion or sex. All decisions relating to employment practices are objective, free from bias and based solely upon work criteria and individual merit.

Our development, performance and rewards system is linked to organisation performance. The Company strives to provide excellent staff welfare measures to promote employee satisfaction and thereby attract and retain efficient manpower. Training needs are regularly identified and imparted with the help of both internal trainers and external professional faculties of repute. We

have built team driven organisation where all employees work together to create our future.

Cautionary Statement: The statement made in this Report describing the Company's projections, expectations and estimations may be a forward looking statement within the meaning of applicable securities laws and regulations. These statements are based on certain assumptions and expectations of future events. Actual results may differ from those expressed or implied in this Report due to the influence of external and internal factors, which are beyond the control of the Company.

INDEPENDENT AUDITOR'S REPORT

To the Members of LINA KS MICROELECTRONICS LIMITED

Report on the Audit of the Standalone Financial Statements**Opinion**

We have audited the standalone financial statements of LINA KS MICROELECTRONICS LIMITED ("the Company"), which comprise the balance sheet as at 31st March 2020, and the statement of Profit and Loss, *statement of changes in equity* and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information .

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and profit/loss, *changes in equity* and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reference be made to Para O (ii) of Notes on account which is as under:

0. The developers of old site, M/ S. CLARION TOWNSHIP (P) LIMITED, the company that was given the leave and licence permission to develop the site, could not progress beyond 10-15% completion stage of Group Housing Project. They have run afoul with their lending bank who have invoked SARFESAI against them and possessed the site. Since the arrangement of their financing was so structured that they had mortgaged their share of built up project area but had also been extended a Corporate Guarantee by the company (LINA KS MICROELECTRONICS LTD..) to the lending bank to facilitate and speed- up the arrangement in the interest of expeditious execution. LINA KS MICROELECTRONICS LTD., had taken care to obtain a counter corporate Guarantee from the parent company of Clarion, namely Rohtas Projects Ltd. For the same amount to cover the overhang. As the leading bank of Clarion has invoked LINA KS MICROELECTRONICS LTD.'s corporate Guarantee, the Linaks has since also invoked corporate Guarantee of Rohtas to cover negative fallout. Simultaneously, LINA KS MICROELECTRONICS LTD., is also in discussions with the other construction companies to step into the shoes of clarion and complete the project. To accomplish this LINA KS MICROELECTRONICS LTD.,has initiated dialogues with all the stake holders.

'Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity)5 and cash flows of the Company in accordance with6 the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are

reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Paragraph 40(b) of this SA explains that the shaded material below can be located in an Appendix to the auditor's report. Paragraph 40(c) explains that when law, regulation or applicable auditing standards expressly permit, reference can be made to a website of an appropriate authority that contains the description of the auditor's responsibilities, rather than including this material in the auditor's report, provided that the description on the website addresses, and is not inconsistent with, the description of the auditor's responsibilities below.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal Control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such
- Controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books

(c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account].

(d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules,

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

"ANNEXURE B" TO THE INDEPENDENT AUDITOR'S REPORT OF THE EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF LINA KS MICROELECTRONICS LIMITED ON THE FINANCIAL CONTROLS UNDER CLAUSE (i) OF SUB SECTION 3 OF SECTION 143 OF COMPANIES ACT 2013.

Section 143 of the Companies Act, 2013:

We have audited the internal financial controls over financial reporting of **LINA KS MICROELECTRONICS LIMITED** as on March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls:

The Company's management is responsible for establishing and maintaining internal financial controls based on, "The internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the **Institute of Chartered Accountants of India**". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility:

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section **143(10) of the Companies Act, 2013**, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that **(1)** pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; **(2)** provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and **(3)** provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Annual Report 2019-2020

LINAKS MICROELECTRONICS LIMITED

Inherent Limitations of Internal Financial Controls Over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as on

March 31, 2019, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

- The developers of old site, M/ S. CLARION TOWNSHIP (P) LIMITED, the company that was given the leave and licence permission to develop the site, could not progress beyond 10-15% completion stage of Group Housing Project. They have run afoul with their lending bank who have invoked SARFESA against them and possessed the site. Since the arrangement of their financing was so structured that they had mortgaged their share of built up project area but had also been extended a Corporate Guarantee by the company (LINAKS MICROELECTRONICS LTD.,) to the lending bank to facilitate and speed-up the arrangement in the interest of expeditious execution. LINAKS MICROELECTRONICS LTD., had taken care to obtain a counter corporate Guarantee from the parent company of Clarion, namely Rohtas Projects Ltd. For the same amount to cover the overhang. As the lending bank of Clarion has invoked LINAKS MICROELECTRONICS LTD. s corporate Guarantee, the Linaks has since also invoked corporate Guarantee of Rohtas to cover negative fallout. Simultaneously, LINAKS MICROELECTRONICS LTD., is also in discussions with the other construction companies to step into the shoes of Clarion and complete the project. To accomplish this LINAKS MICROELECTRONICS LTD., has initiated dialogues with all the stake holders. We are unable to determine litigated liability. No provision for the same is made in books.
