Wipro Appoints Vinay Firake as Chief Executive Officer for APMEA Strategic Market Unit

DUBAI, UAE | BENGALURU, India – May 10, 2024: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading technology services and consulting company, today announced the appointment of Vinay Firake as the Chief Executive Officer, APMEA (Asia Pacific, India, Middle East & Africa) Strategic Market Unit (SMU), effective immediately. Vinay will report to Srini Pallia and will also join the Wipro Executive Board.

Vinay has been with Wipro for 26 years and has grown with the organization, serving in various leadership roles. He was most recently the Senior Vice President and Managing Director of Wipro-Nordics Business Unit based in Stockholm, where he led Operations across all industries and services. Prior to that, he led the Manufacturing & Automotive Business Unit in Europe and held various roles spanning Europe and North America, including Global Head for the Enterprise Digital Operations & Platforms business and Sales Head for Wipro's Enterprise Applications businesses in Europe.

“Vinay has successfully led Wipro in diverse regions globally and is the perfect candidate for this role,” said **Srini Pallia, Chief Executive Officer and Managing Director, Wipro Limited**. “He has the expertise and vast experience to spearhead our business in APMEA, one of our most promising SMUs. Vinay has a great track record in the Nordics Business Unit, where he was instrumental in signing several prestigious clients, and I am confident that he will bring the same rigor and success to APMEA.”

“I would like to thank Anis for his leadership over the last two years, during which we made significant inroads into this SMU. We wish him all the best in his future endeavors. He will continue until May 31, 2024, working closely with Vinay and me to ensure a smooth transition,” added Srini Pallia.

Commenting on his appointment, **Vinay Firake** said, “I am honored to take on the leadership of our APMEA SMU, a pivotal region in the growing technology landscape. I look forward to collaborating with our skilled team to expand our capabilities in this market and drive innovation.”

Vinay holds a Master's Degree in Business Administration specializing in Finance and Bachelor's degree in Computer Engineering from prestigious institutes in India. He has also successfully completed the Global Strategic Leadership Program from Wharton School and the Executive Leadership Program from Harvard Business School.

Vinay succeeds Anis Chenchah, who is stepping down to pursue opportunities outside the organization. He will be based in Dubai.

Wipro Forward-looking Statements

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations, and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry.

Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
