Dear Sir/Madam,

In accordance with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are thrilled to announce a significant milestone in the growth trajectory of Thinkink Picturez Limited. We have successfully expanded our international footprint through the acquisition of a dynamic entity in Dubai, named "Think Star Entertainment Technology LLC," which will operate as a wholly-owned subsidiary.

This strategic move is aligned with our vision to diversify and enhance our offerings in the global entertainment landscape. Think Star Entertainment Technology LLC will specialize in a broad spectrum of services, including VFX creation, content production on contract, studio and equipment renting services. This expansion not only strengthens our capabilities in the burgeoning field of visual effects but also positions us as a versatile content creator catering to a global audience.

Furthermore, we are excited to share that Think Star Entertainment Technology LLC has secured a lucrative contract worth AED 20 Million (approximately INR 45 Crores) for producing multiple shows in the popular Korean Drama genre for OTT platforms. This contract underscores our subsidiary's competitive edge and creative excellence in meeting the growing demand for high-quality content worldwide.

We believe this expansion and the newly secured contract will significantly contribute to our revenue streams and enhance shareholder value, marking a new chapter in our journey towards becoming a global leader in the entertainment industry.
