Management's Message

Commenting on the performance for Q3 & 9M FY2018, Mr. Vivek Saraogi, Managing Director, Balrampur Chini Mills Limited (BCML), said:

BCML has delivered subdued financial results in the quarter under review in view of the current environment in the sugar sector. The performance of sugar segment was subdued owing to pressure on sugar realizations on account of greater than expected sugar production in the current sugar season. The performance of the Distillery and Cogeneration segment was encouraging and we anticipate healthy contribution from the allied businesses going forward.

Over the past few years, both the Central and State Governments have taken several timely initiatives to protect interest of cane farmers, improve the liquidity of sugar mills and facilitate payment of cane dues to farmers. We are hopeful that the government would continue to act proactively to address industry concerns even in the current environment.”
