(c) The Auditors in their Auditor's Review Report on Consolidated Unaudited Quarterly Financial Results have brought out as below:
Sinnar Thermal Power Limited (STPL), is yet to commence operations and has incurred net loss amounting to Rs. 634.66 crores and Rs. 1,839.93 crores during the quarter and nine months period ended 31 December 2023 respectively. STPL's accumulated losses as at 31 December 2023 amount to Rs. 13,643.81 crores and its current liabilities exceed its current assets by Rs. 18,129.52 crores.
Also, STPL has defaulted in repayment of borrowings from banks and financial institutions, including interest, aggregating to Rs. 13,919.27 crores upto 31 December 2023. As described in the said note, the Company's other current financial liabilities as at 31 December 2023 include balances amounting to Rs. 6,652.38 crores, in respect of which confirmations from the respective lenders have not been received while in case of certain lenders, the balance of borrowings and accrued interest confirmed as compared to balance as per books is higher by Rs. 379.93 crores and Rs. 396.22 crores respectively. In management's view, the subsidiary company has accrued for all the dues payable to the lenders in accordance with the terms of the respective loan agreements/sanction letters and carrying value of assets is recoverable as on 31 December 2023.
The Hon'ble National Company Law Tribunal, New Delhi ("NCLT") vide order dated 19 September 2022, had admitted an application for insolvency filed by an operational creditor against STPL and initiated Corporate Insolvency Resolution Process ("CIRP") under the Insolvency and Bankruptcy Code, 2016 ("IBC"). In response to the appeal filed against the NCLT order, the Hon'ble National Company Law Appellate Tribunal ("NCLAT") vide its order dated 26 September 2022 had directed the Interim Resolution Professional ("IRP") to abstain from taking any steps and had allowed STPL to participate further with the Ministry of Power in continuation of the earlier meetings/discussions for making the plant operational, as detailed in the aforesaid note. Subsequently, the Hon'ble NCLAT vide order dated 19 January 2024 has dismissed STPL's appeal.
In view of significant uncertainties associated with the outcome of CIRP proceedings, the outcome of discussions with the lenders for settlement of dues, STPL's ability to secure necessary funds/bank guarantees for making the plants operational and the non-receipt of balance confirmations from the lenders, we are unable to obtain sufficient appropriate evidence to comment on the appropriateness of going concern assessment of STPL by the management and/or adjustments, if any, that may further be required to be made to the carrying value of assets including property, plant and equipment of STPL aggregating to Rs. 7,540.88 crores and the liabilities aggregating to Rs. 7,428.59 crores as at 31 December 2023, included in the Group's consolidated financial results and the consequential impact thereof on the accompanying consolidated financial results for the quarter and period ended 31 December 2023.
(d) The Auditors in their Auditor's Review Report on Standalone Unaudited Quarterly Financial Results have brought out as below:
The Company has non-current investment of Rs. 1,211.82 crores (net of impairment provision of Rs. 1,814.39 crores) and inter-corporate deposit (classified under current assets) of Rs. 34.00 crores recoverable from Sinnar Thermal Power Limited (formerly RattanIndia Nasik Power Limited) ("STPL"). STPL has incurred losses since its inception and is yet to commence operations. Further, the Hon'ble National Company Law Tribunal, New Delhi ("NCLT") vide order dated 19 September 2022, had admitted an application for insolvency filed by an operational creditor against STPL and initiated Corporate Insolvency Resolution Process ("CIRP") under the Insolvency and Bankruptcy Code, 2016 ("IBC"). In response to the appeal filed by the STPL against the NCLT order, the Hon'ble National Company Law Appellate Tribunal ("NCLAT") vide its order dated 26 September 2022 had directed the Interim Resolution Professional ("IRP") to abstain from taking any steps and had allowed STPL to participate further with the Ministry of Power in continuation of the earlier meetings/discussions for making the plant operational, as detailed further in the aforesaid note. Subsequently, the Hon'ble NCLAT vide order dated 19 January 2024 has dismissed STPL's appeal.
In view of significant uncertainties associated with the outcome of CIRP proceedings and in the absence of adequate evidence to support the appropriateness of going concern assessment of STPL, we are unable to obtain sufficient appropriate audit evidence to comment on adjustments, if any, that may further be required to be made to the carrying value of the above mentioned non-current investment of Rs. 1,211.82 crores and inter-corporate deposit of Rs. 34.00 crores as at 31 December 2023 and the consequential impact thereof on the accompanying Statement for the quarter and period ended 31 December 2023.
