**Independent Auditor's Report on Standalone Financial Results of JYOTI STRUCTURES LIMITED for the Quarter and Year ended on March 31, 2019 pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

**TO  
THE BOARD OF DIRECTORS OF  
JYOTI STRUCTURES LIMITED**

1. We were engaged to audit the accompanying Statement of Standalone Financial Results of Jyoti Structures limited (the "Company"), for the year ended March 31, 2019 (the "Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Statement, is the responsibility of the Company's Management and has been approved by the Board of Directors, has been compiled from the related standalone financial statements, which are prepared in accordance with Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the statement based on our audit of such standalone financial results.

The Hon'ble National Company Law Tribunal, Mumbai ("NCLT") on July 4, 2017 admitted the Corporate Insolvency Resolution Process ("CIRP") application filed against the Company and appointed Ms. Vandana Garg as the Interim Resolution Professional in terms of the Insolvency and Bankruptcy Code, 2016 ("Code"). Further, the Committee of Creditors constituted during the CIRP has confirmed appointment of Ms. Vandana Garg as the Resolution Professional ("RP") to manage the affairs of the Company. In view of the pendency of the CIRP, the power and responsibilities of the Board of Directors shall vest with the RP under the provisions of the Code.

2. We conducted our audit in accordance with Standards on Auditing issued by the Institute of Chartered Accountants of India. Those standards require that comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the Statement.

Because of the matters described below in paragraph 3 below, we were not able to obtain sufficient appropriate audit evidence to provide basis for an audit opinion on the statement.

### 3. Basis for Disclaimer of Opinion

- i) *The management has prepared these Standalone Financial Results on a going concern basis in spite of following facts and circumstances:*
- The company has reported loss after tax of INR 173,869.02 lacs during the year;*
  - The net-worth of the company has been fully eroded and is INR (-) 729,296.92 Lacs as at 31 Mar 2019;*
  - There are minimal operations at plants at Nashik and Raipur during the current financial year and revenue activities have also stopped on the same, except for a few sites;*
  - Legal proceedings are pending before various Judicial Authorities seeking claims / compensations;*
  - Claims for default of requirements of various statutes, listing agreement / SEBI LODR have been made by the regulators / exchanges.*

*The above mentioned conditions cast significant doubt about the Company's ability to continue as a going concern. The Company may be unable to discharge its liabilities in the normal course of business and adjustments may have to be made to reflect the situation that assets may need to be realized other than in the normal course of business and at amounts which could differ significantly from the amounts at which they are currently recorded in the balance sheet. The Hon'ble NCLT pursuant to application filed under CIRP had passed order dated March 27, 2019 approving a plan for resolution of the company, which shall, amongst others, require giving effect to changes in the reported amount of assets and liabilities, the effect of which shall be taken in the books upon fulfilment of conditions precedent as per the plan. Accordingly, the statement does not include any adjustment which may arise from giving effect to the approved plan. Further, the effect of the process of claims reconciliation has not been fully taken in the statement, which have been further disclosed in Note no. 3 in the standalone financial results. Due to these conditions at the date of this report, we are unable to ascertain the impacts of the same on the standalone financial results.*

- ii) *Upto December 2017 the company was using SAP and thereafter due to non-availability of access and other factors, the company has migrated the entire data from April 2017 on standalone Tally software. The same is not integrated with other modules such as Inventory, HR, Production, Sales etc. which is a serious control lapse in our view considering the size and nature of business of the company. Further, the data have been migrated from SAP dump to Tally of which no independent migration / system audit have been carried out. In view of these control issues, we are unable to comment on the impact, if any, these may have on these standalone financial results.*
- iii) *There was "disclaimer of opinion" in the audit report for the financial year ended 31.03.2018 and no details/ documents provided to us with respect to opening balances, for which disclaimer were issued and hence we are unable to verify the same during current year as well.*
- iv) *There are debits and credits aggregating to Rs.16.98 lacs and Rs.1.60 lacs respectively in bank statements, no details w.r.t the said entries in bank statement was made available to us and the Company has not taken the effect the same in books of accounts. In the absence of details, we are unable to comment on the effect of such entries in the financial results of the Company.*
- v) *The financial statements and other details in respect of various subsidiaries, associates and joint ventures of the company are not available due to which we are unable to comment on the impact it may have on the carrying amount and the impairment, if any, in respect of investments, loans, advances, receivables and*

payable, the requirement of provisioning for guarantees provided, disclosures for liabilities crystalized or contingent.

vi) Revenue from operations of Rs. 9,822.49 lacs includes Revenue from operations pertaining to foreign branches of Rs.9,097.86 lacs, which is as provided by the management and no details are made available w.r.t the same.

vii) a) There are no inventory records / stock ledger (being part of books of accounts) available due to which we are unable to trace / reconcile the movement in the same through purchase, sales, consumption etc. and comment on the provision, if any, required based on the condition and usability of the stocks. Further, the physical verification of inventories was not carried out during the year under audit. In view of these, we are unable to comment on the impact, if any, on the standalone financial results.

b) In one case of free supplies against shortage quantity to one of its customer, the company has accounted for materials supplied amounting to Rs. 1466.43 Lacs, against which material amounting to Rs. 1131.43 Lacs has been acknowledged by customer. However, corresponding approvals from management is for Rs. 658 Lacs only. In the absence of reconciliation / requisite approval, we are unable to comment in respect of the transaction.

vii) **In respect of its expenses:**

a) The details for cross checking the employee costs, such as employee wise HR data, grade, scale, attendance records, payroll details etc. are not available due to which we are unable to check the amount of Employee Costs debited to statement of profit and loss for the year ended March 31, 2019 amounting to Rs. 8,616.65 lacs.

b) Similarly, the liability for statutory payments pertaining to employees such as Provident fund, Bonus, ESI, etc. could not be checked.

c) The details, break up, working papers in respect of most of the amount of assets, liability income and expenses for the amount stated therein pertaining to the period prior to the initiation of CIRP are not available and hence we are unable to comment in respect of such balances / amounts appearing in the statement.

d) In the absence of party wise details/ contracts of foreign receivables/ payables (including of foreign branches), we are unable to verify the foreign exchange gain (nett of loss) of Rs.4401.33 lacs.

e) During the year Bank Guarantees encashed amounting to Rs. 21,302.12 Lacs have been charged off and Rs. 4,474.23 Lacs have been debited to receivables for which the supporting documents / details were not made available and hence could not be verified.

In view of these details not being available, we are unable to comment, of the impact on the statement.

viii) **Statutory Dues / Compliances**

a) The working / reconciliation of returns filed for various statutory dues such as Excise, VAT, GST, TDS, Service tax, EPF, ESI, etc. are not available due to which we are unable to comment on the statutory compliances and whether the amounts are in agreement with the books or not and the consequential impact it may have on the statement.

b) The company has been regularly in default w.r.t. payment of interest to its lenders, payment of statutory dues to govt. authorities (GST, VAT, TDS, PF,

ESI, Service Tax, Employee liabilities etc.), delay in workers' dues etc., which may entail interest / penalty etc. which is not ascertainable and hence not provided for.

Further, in respect of periodic returns of GST to be filed, the company is filing Nil returns in few cases instead of taking the actual figures of sales, purchase etc. and determining the amount of tax due and payable, which may invite penal consequences, impact whereof we are unable to comment.

- c) In respect of balances available with statutory authorities and input credits are subject to reconciliation, filing of return and admission by the respective statutory authorities and no provision has been made thus, we are unable to comment whether any provision for impairment in the value of such receivables is required.

ix) **Revenue & Contracts and Trade Receivables**

- a) In the absence of any documentary evidence from the parties / customers for the continuation of live contracts, we are unable to comment on the status of the contracts and adjustment, if any, required for the same in the statement. Further, the details of work in progress with the age, stage of completion, acceptability to customers, progress billing etc. are not available due to which we are unable to comment on the requirements of provision, if any, for WIP and income accrued but not due.
- b) No detailed workings are available for the calculation of liquidated damages contractually leviable for delay in completion of contracts and the costs for Defect Liability Period (DLP) which are contractually required to be incurred for specified periods. In the absence of the working, we are unable to comment on provision, if any, required for the same.
- c) During the year, the company has not provided for loss on future cost to complete ongoing work-in-progress. No supporting working for such estimate of cost to completion was provided to us for our verification. In absence of sufficient appropriate audit evidence of provision of loss on future cost to complete work-in-progress, we are unable to comment, if any provision for loss on future cost is required for the completion of the contract.
