Explanatory Statement

(Pursuant To Section 102(1) of the Companies Act, 2013)

Item No. 3

This Explanatory Statement is in terms of Regulation 36(5) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'), though statutorily not required in terms of Section 102 of the Act.

The Members of the Company at their 20th Annual General Meeting held on 30th September, 2018 appointed M/s. Chaturvedi Sohan & Co., Chartered Accountants (Firm Registration No. 118424W), as Statutory Auditors of the Company to hold office from the conclusion of the Twentieth AGM till the conclusion of the Twenty Fifth AGM of the Company to be held in the year 2023.

After evaluating and considering various factors such as industry experience, competency of the audit team, efficiency in conduct of audit, independence, etc., the Board of Directors of the Company ('Board') has, based on the recommendation of the Audit Committee, proposed the reappointment of M/s. Chaturvedi Sohan & Co., Chartered Accountants, as the Statutory Auditors of the Company, for the second consecutive term of four years from the conclusion of Twenty Fifth AGM till the conclusion of Twenty Ninth AGM of the Company to be held in the year 2027, at a remuneration as may be mutually agreed between the Board and the Statutory Auditors.

M/s. Secretarial Audit Report

For The Financial Year Ended 31st March, 2023

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Niraj Cement Structurals Limited
Niraj House, Sunder Baug,
Near Deonar Bus Depot,
Chembur, Mumbai– 400088.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Niraj Cement Structurals Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Auditor's Responsibility :

My responsibility is to express an opinion on compliance with the applicable laws and maintenance of records based on the audit. I have conducted the audit in accordance with the applicable Auditing Standards issued by the Institute of Company Secretaries of India. The Auditing Standards require that the Auditor shall comply with statutory and regulatory requirements and plan and perform the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

Due to the inherent limitations of audit including internal, financial, and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the Standards.

Modified Opinion:

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management, I hereby report that in my opinion, the company has during the audit period covering the financial year ended on 31st March, 2023 generally complied with the statutory provisions listed here under and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by Company for the financial year ended on 31st March, 2023 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018. (Not applicable to the Company during the Audit period);
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021. (Not applicable to the Company during the Audit period);
 - (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021. (Not applicable to the Company during the Audit period);
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021. (Not applicable to the Company during the Audit period);
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018. (Not applicable to the Company during the Audit period);

- (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; and
 - (j) Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018.
- (vi) Management has identified and confirmed the following laws as being specifically applicable to the Company:-
- (a) Water (Prevention & Control of pollution) Act, 1974;
 - (b) Air (Prevention & Control of pollution) Act, 1981;
 - (c) Hazardous wastes (Management, Handling & Transboundary Movement) Rules, 2008;
 - (d) Payment of Gratuity Act, 1972;
 - (e) Contract Labour (Regulation & Abolition) Act, 1979.

I have also examined compliance with the applicable clauses of the Secretarial Standards issued by the Institute of Company Secretaries of India.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except there are few transactions with related party which exceed the limit approved by its members.

I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the Board and Committee meetings duly recorded and signed by the chairman, the decision of the board were unanimous and no dissenting views have been recorded.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

MANAGEMENT DISCUSSION AND ANALYSIS

BUSINESS OVERVIEW

Infrastructure sector is a key driver for the Indian economy. The sector is highly responsible for propelling India's overall development and enjoys intense focus from Government for initiating policies that would ensure time-bound creation of world class infrastructure in the country. Infrastructure sector includes power, bridges, dams, roads, and urban infrastructure development. In other words, the infrastructure sector acts as a catalyst for India's economic growth as it drives the growth of the allied sectors like townships, housing, built-up infrastructure and construction development projects.

Niraj Cement Structurals Limited (Niraj) is in the business of specialty engineering construction and infrastructure for the past 3 decades, Niraj is amongst the oldest and most well reputed infrastructure companies in India, with a wealth of diverse experience and exposure. Our corporate philosophy of trust, integrity and quality has placed us at the forefront of the construction industry.

At Niraj, we adhere to global standards in construction, with appropriate supervision and project control to maximize quality, a focus on sustainable development and solid solutions to construction challenges.

The company provides end-to-end solutions, highways, bridges, water supply and drainage, irrigation, land storm water drainage and other infrastructural work.

India's extensive infrastructure needs are well known. Decades of under investment have left the country with dire deficits in such critical areas as railways, roads. The project implementation is undertaken with the assistance of sub-contractors and other agencies. Niraj provides the necessary technical and financial assistance to the sub-contractors.

The dedicated architects, engineers and quantity surveyors that drive the firm's activities are ably complemented by a team of multi-skilled and competent support staff. The company also actively procures the latest construction technologies to assist its highly skilled workers.

I. INDUSTRY STRUCTURE AND DEVELOPMENTS

Indian economy is driven through multiple economic sectors and infrastructure is one of the major sector contributions to continuous growth. The infrastructure sector in India is poised to grow at a CAGR of 8.2% by 2027. The launch of a quadrilateral economic forum by India, the US, Israel & the UAE in November 2021 has further added to the influx of infrastructure growth perspectives. Alternatively, the introduction to the "Infrastructure for Resilient Island States" program in November 2021 has shown a significant opportunity to improve the lives of vulnerable nations across the globe by enabling Indian infrastructure growth to flourish in tri-folds.

In order to meet India's aim of reaching a US\$ 5 trillion economy by 2025, infrastructure development is the need of the hour. The government has launched the National Infrastructure Pipeline (NIP) combined with other initiatives such as 'Make in India' and the production-linked incentives (PLI) scheme to augment the growth of the infrastructure sector. Historically, more than 80% of the country's infrastructure spending has gone toward funding for transportation, electricity, and water & irrigation.

In India, about 42% of the projects in the NIP are under implementation, which means construction work is already going on. Another 19% is under the development stage, while a significant 31% is still in the conceptual stage. During the fiscals 2020 to 2025, sectors such as Energy (24%), Roads (19%), Urban (16%), and Railways (13%) amount to around 70% of the projected capital expenditure in infrastructure in India.

II. OPPORTUNITY AND THREATS

Global Economy:

At the outset of 2023, encouraging developments in the global economy encompass the easing of inflation and energy costs from their apex levels, along with China's decision to terminate its zero-COVID strategy, which is projected to provide a stimulus to economic growth. While the complete impact of these changes is yet to be fully realized, emerging markets and developing economies are already experiencing a substantial upswing in growth rates, reaching 3.6% this year compared to 2.8% in 2022. Inflation expectations are presently stable, with a predicted decrease from 7.0% this year to 4.9% in 2024, due to major central banks communicating the necessity for a more stringent monetary policy stance. Moderating demand and escalating interest rates globally will further erode inflationary pressures throughout 2023. The tightening of monetary policy by the majority of central banks is anticipated to drive inflation back toward its targets leading it toward the recovery path.

(Source: IMF - World Economic Outlook, April 2023, Euro monitor International - Global Economic Outlook: Q1 2023).

Indian Economy:

India witnessed a remarkable recovery in the post-COVID world, delivering one of the best performances in terms of economic output. The economy is experiencing sustainable growth, as evident from the country's estimated 6.9% growth rate in FY 2023 that surpasses that of other major economies. The service, manufacturing and export sectors sprung back to action in the post-COVID environment. The revival facilitated by the government's spending on infrastructure and other key economic drivers yielded positive results, with almost all sectors of the economy experiencing a robust recovery. To contain inflation, the government pursued supply side reforms, promoted exports and tightened monetary its policy.

During FY 2023, the government increased capital spending by 37%. Its priorities remain on critical infrastructure projects such as expressways, high-speed rail, mass transit systems, airports, and affordable housing. The spending in these areas also contributed to normalising the allied sectors that were affected by the pandemic, and, in turn, led to investments and job creation. With a nominal GDP of US \$ 3.53 trillion, India is the fifth largest economy in the world. According to the forecasts by IMF, by 2030 it will surpass Japan and Germany as the third-largest economy and the fastest-growing major economy. As part of the Indian government's Atmanirbhar Bharat initiative, the production-linked incentives (PLI) scheme aims to make India a manufacturing powerhouse by reducing imports and incentivizing local production.

Union Budget

Increase in infrastructure investment provides a critical push to the potential growth of the economy. The Government, in recent years, provided an increased impetus for infrastructure development and investment through the enhancement of capital expenditure. In the Union Budget of 2023-24, the Government has further increased the capital expenditure outlay by approximately 33% to Rs. 10 lakh crore which is nearly 3 times the outlay in 2019-20.

The increase in outlay is expected to ramp up the virtuous cycle of investment and job creation. The continuation of 50 year interest free loans to states for one more year is expected to spur investments in infrastructure and enhance growth in the economy.

The buffet of reforms launched by the Government such as the National Infrastructure Pipeline (NIP), PM GatiShakti Scheme & such other schemes have increased infrastructure development and have brought efficiencies and cost competitiveness. As part of the NIP, the Union Government plans to invest over Rs. 111 lakh crore by 2025. Out of the total NIP, Rs. 108 lakh crore worth of projects are under different stages of implementation. The investments planned under the National Infrastructure Pipeline (NIP) will be the key growth drivers for the construction sector and will drive the demand for the cement and steel industries as well. Further, the strong focus of the Government on infrastructure led economic growth is expected to bring significant opportunities in the sector over the medium term. India's construction sector is expected to record a CAGR of 10.8% during the 2022-2026 period.

III. SEGMENT-WISE / PRODUCT-WISE PERFORMANCE

The Company operates in only one business segment i.e. Infrastructure. The company has passed through a very unusual phase, any worthwhile comparison of performance between past years would be inconclusive. There is yet considerable scope for improvement in upcoming years.

IV. FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE**Financial Performance – Standalone**

The Company achieved total revenue from operations of Rs. 60,530.54 Lakhs for the year ended 31st March 2023 as against Rs. 35,640.53 Lakhs for the year ended 31st March 2022. Profit before tax stood at Rs. 640.73 Lakhs for the year ended 31st March 2023 as against Rs. 328.17 Lakhs for the year ended 31st March 2022. During the financial year 2022-23, the Company earned a profit after tax including comprehensive income of 401.88 Lakhs as compared to Rs. 255.93 Lakhs in the previous year.

Financial Performance – Consolidated

On a consolidated basis, total revenue from operations of Rs. 60,611.97 Lakhs for the year ended 31st March 2023 as against Rs. 35,641.31 Lakhs for the year ended 31st March 2022. Profit before tax stood at Rs. 682.03 Lakhs for the year ended 31st March 2023 as against Rs. 320.23 Lakhs for the year ended 31st March 2022. V. RISK AND CONCERNS:

The environment in which the company operates is influenced by a variety of circumstances, some of which are within its control and others which are not. We have created a strong framework for risk management that lowers volatility brought on by unfavorable internal and external events, makes risk assessment, mitigation, and reporting procedures easier, and enables management to conduct timely reviews. The actions has taken to reduce some of these hazards are discussed in the section that follows.

Economic Risks : We plan to generate the majority of our revenue from infrastructure projects in India. As a result, our reliance on the industry's ongoing economic growth and on governmental infrastructure development programmes is great. It also heavily depends on budgetary commitments from the federal and state governments, involvement in projects supported by multilateral agencies, public institutions, and access to funds from the private sector. Our prospects and operational results would be significantly impacted by macroeconomic conditions in India's infrastructure industry. The policies established by the federal and state governments will continue to have an impact on our operational outcomes.

Bidding and execution capabilities : In India, the process of developing significant infrastructure projects entails pre qualifying prospective bidders based on their technical and financial prowess. Pre-qualification requirements are based on variables like appropriate prior project execution accomplishments, net worth, cash accruals, etc. After a project is chosen, its timely completion depends on a number of variables. We aim for effective project management and execution through effective resource deployment, swift decision-making by project managers on the ground, strong partnerships with suppliers and subcontractors, and coordination between project sites and the headquarters. We keep tabs on the execution of projects in terms of time, money, quality, effectiveness, human resources, and the use of plant and equipment. As our business expands, our ability to continue executing contracts successfully will be crucial to our strategy and operational performance.

Completion risk : This is the possibility that the project won't be finished either on time or at all for a variety of reasons, including cost overruns, technological setbacks, unavoidable circumstances, etc. We coordinate the prompt mobilisation of the site team, other requirements, and the timely supply of materials, people, and equipment. Additionally, we have a monitoring system in place to keep track of the client clearances and drawing requirements and make sure they are informed beforehand and are properly documented.

Resource risk : This risk includes the non-availability of raw materials for the project operation. It also includes the risk that the raw material prices might move adversely. We draw up the project cost estimates based on site conditions, expected duration of the project, seasonal cost/ availability factors while quoting. We also negotiate better rates from suppliers/ service providers, leveraging on the volumes across sites.

Operating risk : The possibility that project costs will rise. It also covers the possibility that the project would have operational issues. We make sure to do a thorough analysis of the project's scope and site circumstances, and we include cross-functional teams in the tendering process to account for all potential uncertainties. The project execution plan is then meticulously created with process linkages.

Casualty risk : This is the possibility that project equipment will sustain physical harm. It also covers obligations to third parties due to mishaps at the project site.

Site risk : This is the risk that the project site might have legal encumbrances. It also includes the risk that the site has technical problems.

Cost Management : We have experienced that our operating expenses constitute a major chunk of our total income. Our operating costs which relate to project costs mainly comprise cost of inputs, labour, fuel expenses, sub-contracting expenses and usage of various machinery. These costs are subject to volatility and may fluctuate owing to reasons beyond our control. Our ability to handle these costs in an effective manner will impact our results of operations.

Competition : Numerous infrastructure businesses who are active in the same geographical marketplaces as us compete with us fiercely for project awards. Additionally, some of our rivals are bigger than us, have more substantial financial resources, a more seasoned management team, or superior engineering capabilities for carrying out technically challenging tasks. Our ability to win projects at prices that would produce the returns we want will continue to be significantly impacted by competition from other infrastructure companies.

In order to deal with a general climate characterised by high interest rates, sluggish demand, liquidity concerns, and higher input costs, the company has implemented a variety of measures, such as the deployment of risk mitigation strategies, superior project execution, and intelligent cost management. In order to increase operational efficiencies, the Company has developed a practical strategy to navigate through the challenging times. To achieve this, it has reduced overhead costs and optimally utilised its resources to create a lean yet effective organisation.

VI. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has proper and adequate internal control systems commensurate with the size of the business operations geared towards achieving efficiency in its various business operations, safeguarding assets, optimum utilization of resources and compliance with statutory regulations. Efforts for continued improvement of internal control systems are being consistently made in this regard.

VII. HUMAN RESOURCE MANAGEMENT:

The Company continues to excel in the field of Human Capital management with unique practices in the Infrastructure Industry. The Company strives to achieve the highest levels of employee engagement with multiple focused initiatives towards effective training and development of employees at various levels. The healthy status of the Company's human capital is evident from the trend analysis of achievement, higher productivity with stable employee numbers and low attrition rate vis-a-vis industry competitors.

VIII. CAUTIONARY STATEMENT :

Statements in the Management Discussion and Analysis describing the Company's objectives and expectations may be "forward looking statement" within the meaning of applicable securities laws and regulations. These statements are based on certain assumptions and reasonable expectation of future events. Actual results could however differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include, among others, economic conditions affecting demand/ supply, price conditions in the domestic and overseas market in which the Company operates, changes in the Government regulations and tax structure, economic developments within India and the countries with which the Company has business contacts and other factors such as litigation and industrial relations

CORPORATE GOVERNANCE REPORT

1. Company Philosophy on Corporate Governance:

The Niraj Cement Structurals Limited believes that Corporate Governance is about best practices of business to be imbibed into the culture of the organization and complying with value systems, ethical business practices, laws and regulations to achieve the main objectives of the Company.

Effective corporate governance practices constitute the strong foundation on which successful commercial enterprises are built to last. The Company's philosophy on corporate governance oversees business strategies and ensures fiscal accountability, ethical corporate behaviour and fairness to all stakeholders comprising regulators, employees, customers, vendors, investors and the society at large.

Corporate Governance is very important for an organization as it shows the effectiveness of governance, the strength and standard of the Company. Your Company always follows principles and standards, ethical practices and remains transparent when it deals with stake holders.

The Company is committed to optimizing long term value for its stakeholders with a strong emphasis on the transparency of its operations and instilling pride of association. The Company follows the best practices of Corporate Governance and reporting systems in accordance with SEBI (Listing Obligations and disclosure Requirements) Regulations, 2015 (Listing Regulations).

The Company has strong legacy of fair, transparent and ethical governance practices. Compliance of all the provisions, rules and regulations is regularly audited to fulfil the demand of regulators and stakeholders and to give worth to their money, time, effort and investment.

2. Board of Directors:

The Board of Directors ('Board') is at the core of our corporate governance practice and oversees and ensures that the Management serves and protects the long-term interest of all our stakeholders. We believe that an active, well-informed and independent Board is necessary to ensure the highest standards of corporate governance.

A. Composition, Category of Directors and their Other Directorship:

The Company believes in a well-balanced and diverse Board which enriches discussions and enables effective decision making. The Board of the Company is diverse in terms of qualification, competence, skills and expertise which enables it to ensure long term value creation for all the stakeholders. INDEPENDENT AUDITOR'S REPORT

To the members of

NIRAJ CEMENT STRUCTURALS LIMITED

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying Standalone Financial Statements of **NIRAJ CEMENT STRUCTURALS LIMITED** (the "Company"), which comprise the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us except for the effect of the matters described in the "Basis for Qualified Opinion" section of our report, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023 and its Profits, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualification

Reference is invited to the following matter

(I) Non provision to Recovered Tax Demand amounting to Rs. 873.80 Lakhs of Income Tax

We want to draw your kind attention to Note No. 5 of Audited Balance Sheet wherein Income Tax Assets (Net) amount of Rs. 1833.72 lakh has been shown under other non-current assets out of which amount of Rs. 873.80/- lakhs has been recovered/adjusted by the Income Tax Demand for the Assessment Year 2007-08 and 2008-09 against the due refund of AY 2014-15 to 2022-23 but no provision has been made in despite of fact that no appeal is pending at any stage in respect of these payment. The company does not have an appropriate internal control system to reconcile the financial accounts pertain to Income Tax Assets (Net) with relevant tax records i.e. Assessment orders which can possibly result into under/over statement of such amounts in the financial statements

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Emphasis of Matter

- (1) We draw your attention to note No. 41 of the financial statements Niraj Cement Structurals Limited has booked turnover and costs related to joint venture entities and partners in the books of account. However the whole projects have been handled by joint venture partners/entities and related TDS and GST complied by Joint venture partners/entities.
- (2) We draw your attention to note No. 34 of the financial statements of Niraj Cement Structurals Limited has reversed contractual revenue and corresponding subcontracting costs and other direct expenses in the year ended 31st March, 2023, mainly due to adoption of prudent accounting practices and various contractual reasons. The corresponding disputed receipts and payments transactions relating to the said contracts are still unsettled and reflected in the financial statements under the head "Other Current Liabilities" and "Other Current assets". The Company is in process of resolving the disputes
- (3) We draw your attention to note No. 32 of the financial statements of Niraj Cement Structurals Limited, the office of the Director General of GST Intelligence (DGGI) had carried out a Search and seizure operations at the office of the Company at Mumbai on 6th January, 2021 under the provisions of Section 67 (1) and (2) of CGST Act. The company has challenged the entire search and seizure proceedings and filed a writ petition with the Honourable

Gujarat High Court and the matter is sub-judice in law. In View of this we are unable to comment on financial liabilities, arising out of the said proceedings. The Company has deposited Rs. 108.40 Lakhs under protest, which is adjusted by department against disputed dues, no provision is made in the books as the company has challenged the action of the department in the Honourable Gujarat High Court

- (4) We draw your attention to note No. 38 of the financial statements of Niraj Cement Structurals Limited, the balances of trade payables, trade receivables, advances received, advances given, GST liabilities / Input credits, and Income Tax assets (Net of liabilities) are subject to reconciliation and confirmation. The management is the process of reconciling the same.
- (5) We draw your attention to note No. 33 of the financial statement As per Ind AS 109 "Financial Instrument" the company is required to consider "Provision for Expected Credit Loss" on all financial assets on the basis of expected probability of recoverability of such financial instrument. We draw your attention to Note no 34 of the financial statement, during the year the company has provided Rs. 1177.52 Lakhs towards credit impaired financial assets (bad debts of trade receivables) and considering the same credit impaired pertaining to the previous year's, the company has withdrawn Rs. 716.52 Lakhs from general reserve and credited the same in the credit - impaired ledger. In the statement of profit and loss, net amount of Rs. 461.00 Lakhs (i.e. Rs. 1177.52 Lakhs - 716.52 Lakhs) disclosed under exceptional item. As per management explanation, the receivable and advance of Rs. 2116.73 Lakhs are in dispute and for balance receivable and advances, the management is following up with the parties and is hopeful for recovery. But in the absence of adequate basis/ supporting documents, we are unable to comment on the measurement of carrying amount of all the financial assets appearing in the financial statements for the year ended 31st March, 2023.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matters	How the matter was addressed in our audit
Adoption of Ind AS 115 – Revenue from Contracts with Customers	
<p>The company has adopted Ind AS 115, Revenue from Contracts with Customers ('Ind AS 115') which is the new revenue accounting standard. The application and transition to this accounting standard is complex and is an area of focus in the audit. The revenue standard establishes a comprehensive framework for determining whether, how much and when revenue is recognized. This involves certain key judgments relating to identification of distinct performance obligations, determination of transaction price of identified performance obligation, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, the standard mandates robust disclosures in respect of revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p>	<p>Our audit procedures on adoption of Ind AS 115, Revenue from contracts with Customers ('Ind AS 115'), which is the new revenue accounting standard, include –</p> <ul style="list-style-type: none"> • Evaluated the design and implementation of the processes and internal controls relating to implementation of the new revenue accounting standard; • Evaluated the detailed analysis performed by management on revenue streams by selecting samples for the existing contracts with customers and considered revenue recognition policy in the current period in respect of those revenue streams; • Evaluated the appropriateness of the disclosures provided under the new revenue standard and assessed the completeness and mathematical accuracy of the relevant disclosures

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the consolidated Standalone Financial Statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Accounting Standards and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - 1) The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements.
 - 2) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - 3) The Company was not required to transfer any amounts to the Investor Education and Protection Fund.
 - 4) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT - 31st MARCH 2023

(Referred to in paragraph A(f) under 'Report on Other Legal and Regulatory Requirements section of our report of even date)

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (The 'Guidance Note').

Management's Responsibility for Internal Financial Controls

The Company's management and Board of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to standalone Ind AS Standalone Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls with Reference to standalone Ind AS financial statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

a Company Overview

Niraj Cement Structurals Ltd. (“the Company”) is a Public Limited Company incorporated in India having its registered office at Mumbai, Maharashtra, India. The Company is engaged in infrastructural services.

b Statement of Compliance

The Company’s financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (“Ind AS”) notified under the Companies (Indian Accounting Standards) Rules, 2015 and amendments thereof issued by Ministry of Corporate Affairs in exercise of the powers conferred by section 133 of the Companies Act, 2013. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations require a different treatment. These financials statements have been approved for issue by the Board of Directors at their meeting held on 30th May 2023.

c Basis of Accounting

The Company maintains its accounts on accrual basis following historical cost convention, except for certain financial instruments that are measured at fair value in accordance with Ind AS. Fair value measurements are categorised as below based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the company can access at measurement date;

Level 2 inputs are inputs, other than quoted prices included in level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the valuation of assets or liabilities.

Above level of fair value hierarchy are applied consistently and generally, there are no transfer between the level of the fair value hierarchy unless the circumstances changes warranting such transfers

d Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 (“the Act”). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 “Statement of Cash Flows”. The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.

e Operating cycle for current and non-current classification

Operating cycle for the business activities of the company covers the duration of the specific project/contract/product line/service including the defect liability period wherever applicable and extends up to the realisation of receivables (including retention monies) within the agreed credit period normally applicable to the respective lines of business.

f Use of judgement and estimates

The preparation of the financial statements in conformity with Ind AS requires management to make certain estimates, judgements and assumptions. These affect the application of accounting policies, the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the reporting date of the financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period and the actual results could differ from those estimates. These are reviewed by the management on an on-going basis and appropriate changes in estimates are made prospectively as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

The management believes that the estimates used in preparation of these financial statements are just, prudent and reasonable.

g Exceptional Items

An item of income or expense which by its size, type or incidence requires disclosure in order to improve an understanding of the performance of the Company is treated as an exceptional item and disclosed as such in the financial statements.

h Property, Plant and Equipment (PPE)

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any. PPE acquired on hire purchase basis are recognised at their cash values. Cost includes professional fees related to the acquisition of PPE and for qualifying assets, borrowing costs capitalised in accordance with the Company’s accounting policy.

Own manufactured PPE is capitalised at cost including an appropriate share of overheads. Administrative and other general overhead expenses that are specifically attributable to construction or acquisition of PPE or bringing the PPE to working condition are allocated and capitalised as a part of the cost of the PPE.

PPE not ready for the intended use on the date of the Balance Sheet are disclosed as “capital work-in-progress”. (Also refer to policy on leases, borrowing costs, impairment of assets and foreign currency transactions infra).

Depreciation is recognised using straight line method so as to write off the cost of the assets (other than freehold land and properties under construction) less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined. Depreciation method is reviewed at each financial year end to reflect the expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end and the effect of any change in the estimates of useful life/ residual value is accounted on prospective basis.

Where cost of a part of the asset (“asset component”) is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life.

Depreciation on additions to/deductions from, owned assets is calculated pro rata to the period of use. Extra shift depreciation is provided on a location basis.

Depreciation charge for impaired assets is adjusted in future periods in such a manner that the revised carrying amount of the asset is allocated over its remaining useful life. Assets acquired under finance leases are depreciated on a straight line basis over the lease term. Where there is reasonable certainty that the Company shall obtain ownership of the assets at the end of the lease term, such assets are depreciated based on the useful life adopted by the Company for similar assets.

Freehold land is not depreciated

Such classes of assets and their estimated useful lives are as under:

Particulars of Assets	Useful Lives (In Years)
Plant and Machinery	15
Factory Premises and Weighbridge	30
Motor cars, Trucks and Dumpers etc.	8
Furniture and Other equipments	10
Office equipments	5
Computers	3

The Company has a program of verification to cover all the items of fixed assets in a phased manner. Fixed assets were physically verified by the management during the year.

i Revenue Recognition

Ind AS 115: The objective of this Standard is to establish the principles that an entity shall apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from a contract with a customer.

Identifying the Contract

An entity shall account for a contract with a customer that is within the scope of this standard only when all of the following criteria are met:

- (a) the parties to the contract have approved the contract (in writing, orally or in accordance with other customary business practices) and are committed to perform their respective obligations;
- (b) the entity can identify each party's rights regarding the goods or services to be transferred;
- (c) the entity can identify the payment terms for the goods or services to be transferred;
- (d) the contract has commercial substance (ie the risk, timing or amount of the entity's future cash flows is expected to change as a result of the contract); and
- (e) it is probable that the entity will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer. In evaluating whether collectability of an amount of consideration is probable, an entity shall consider only the customer's ability and intention to pay that amount of consideration when it is due. The amount of consideration to which the entity will be entitled may be less than the price stated in the contract if the consideration is variable because the entity may offer the customer a price concession.

Identifying Performance Obligation:

At contract inception, an entity shall assess the goods or services promised in a contract with a customer and shall identify as a performance obligation each promise to transfer to the customer either: (a) a good or service (or a bundle of goods or services) that is distinct; or 596 (b) a series of distinct goods or services that are substantially the same and that have the same pattern of transfer to the customer.

Satisfaction of performance obligations:

An entity shall recognise revenue when (or as) the entity satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset.

Performance obligations satisfied over time

When either party to a contract has performed, an entity shall present the contract in the balance sheet as a contract asset or a contract liability, depending on the relationship between the entity's performance and the customer's payment. An entity shall present any unconditional rights to consideration separately as a receivable.

Measurement

When (or as) a performance obligation is satisfied, an entity shall recognise as revenue the amount of the transaction price (which excludes estimates of variable consideration) that is allocated to that performance obligation.

Determining the transaction price

An entity shall consider the terms of the contract and its customary business practices to determine the transaction price. The transaction price is the amount of consideration to which an entity expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties (for example, some sales taxes). The consideration promised in a contract with a customer may include fixed amounts, variable amounts, or both.

j Investments:

Under Ind AS, these financial assets have been classified as Fair Value through Profit or Loss (FVTPL) on the date of transition and fair value changes after the date of transition has been recognised in profit or loss.

k Fair value measurement :

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties.

The following methods and assumptions were used to estimate the fair values:

- (a) Fair value of current assets which includes loans given, cash and cash equivalents, other bank balances and other financial assets - approximate their carrying amounts.

- (b) Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

I Borrowings

Borrowing costs include interest expense calculated using the effective interest method, finance charges in respect of assets acquired on finance lease and exchange differences arising on foreign currency borrowings to the extent they are regarded as an adjustment to interest costs.

Borrowing costs net of any investment income from the temporary investment of related borrowings that are attributable to the acquisition, construction or production of a qualifying asset are capitalised / inventoried as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in Profit or Loss in the period in which they are incurred.

m Financial Instruments

Financial assets and/or financial liabilities are recognised when the company becomes party to a contract embodying the related financial instruments. All financial assets, financial liabilities and financial guarantee contracts are initially measured at transaction values and where such values are different from the fair value, at fair value. Transaction costs that are attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from as the case may be, the fair value of such financial assets or liabilities, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in Profit or Loss.

In case of funding to subsidiary companies in the form of interest free or concession loans and preference shares, the excess of the actual amount of the funding over initially measured fair value is accounted as an equity investment.

A financial asset and a financial liability is offset and presented on net basis in the balance sheet when there is a current legally enforceable right to set-off the recognised amounts and it is intended to either settle on net basis or to realise the asset and settle the liability simultaneously.

(i) Financial Assets

(A) All recognised financial assets are subsequently measured in their entirety either at amortised cost or at fair value depending on the classification of the financial assets as follows:

(i) Investments in debt instruments that are designated as fair value through profit or loss (FVTPL) - at fair value.

(ii) Investments in debt instruments that meet the following conditions are subsequently measured at amortised cost (unless the same designated as fair value through profit or loss):

The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and

The contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Investment in debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income [FVTOCI] (unless the same are designated as fair value through profit or loss)

The asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and

The contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iv) Debt instruments at FVTPL is a residual category for debt instruments, if any, and all changes are recognised in profit or loss.

(v) Investment in equity instruments issued by subsidiary, associate and joint venture companies are measured at cost less impairment.

- (vi) Investment in preference shares of the subsidiary companies are treated as equity instruments if the same are convertible into equity shares or are redeemable out of the proceeds of equity instruments issued for the purpose of redemption of such investments. Investment in preference shares not meeting the aforesaid conditions are classified as debt instruments at FVTPL.
- (vii) Investments in equity instruments are classified as at FVTPL, unless the related instruments are not held for trading and the Company irrevocably elects on initial recognition to present subsequent changes in Fair Value in Other Comprehensive Income.
- (B) For financial assets that are measured at FVTOCI, income by way of interest and dividend, provision for impairment and exchange difference, if any, (on debt instrument) are recognised in profit or loss and changes in fair value (other than on account of above income or expense) are recognised in other comprehensive income and accumulated in other equity. On disposal of debt instruments at FVTOCI, the cumulative gain or loss previously accumulated in other equity is reclassified to profit or loss. In case of equity instruments at FVTOCI, such cumulative gain or loss is not reclassified to profit or loss on disposal of investments.
- (C) A financial asset is primarily derecognised when:
 - (i) the right to receive cash flows from the asset has expired, or
 - (ii) the company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement; and (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety, the difference between the carrying amounts measured at the date of derecognition and the consideration received is recognised in Profit or Loss.
- (D) Impairment of financial assets: The Company recognises impairment loss on trade receivables using expected credit loss model, which involves use of a provision matrix constructed on the basis of historical credit loss experience as permitted under Ind AS 109. Impairment loss on investments is recognised when the carrying amount exceeds its recoverable amount.

(ii) Financial Liabilities

- (i) Financial liabilities, including derivatives and embedded derivatives, which are designated for measurement at FVTPL are subsequently measured at fair value. Financial guarantee contracts are subsequently measured at the amount of impairment loss allowance or the amount recognised at inception net of cumulative amortisation, whichever is higher. All other financial liabilities including loans and borrowings are measured at amortised cost using Effective Interest Rate (EIR) method.
- (ii) A financial liability is derecognised when the related obligation expires or is discharged or cancelled.

n Inventories

Inventories are valued after providing for obsolescence, as under:

- (i) Raw materials, components, construction materials, stores, spares and loose tools at lower of weighted average cost or net realisable value. However, these items are considered to be realisable at cost if the finished products in which they will be used, are expected to be sold at or above cost.
- (ii) Manufacturing work-in-progress at lower of weighted average cost including related overheads or net realisable value. In some cases, manufacturing work-in-progress are valued at lower of specifically identifiable cost or net realisable value. In the case of qualifying assets, cost also includes applicable borrowing costs vide policy relating to borrowing costs.
- (iii) Finished goods and stock-in-trade (in respect of goods acquired for trading) at lower of weighted average cost or net realisable value. Cost includes related overheads and GST paid/payable on such goods.
- (iv) Completed property/work-in-progress (including land) in respect of property development activity at lower of specifically identifiable cost or net realisable value.

Assessment of net realisable value is made at each reporting period end and when the circumstances that previously caused inventories to be written-down below cost no longer exist or when there is clear evidence of an increase in net realisable value because of changed economic circumstances, the write-down, if any, in the past period is reversed to the extent of the original amount written-down so that the resultant carrying

amount is the lower of the cost and the revised net realisable value.

o Cash and Bank Balances

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

p Securities Premium Account

Securities premium includes:

- (i) The difference between the face value of the equity shares and the consideration received in respect of shares issued.
- (ii) The issue expenses of securities which qualify as equity instruments are written off against securities premium account.

q Employee Benefits

(i) Short Term Employee Benefits

Employee benefits such as salaries, wages, short term compensated absences, expected cost of bonus, ex-gratia and performance-linked rewards falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service.

(ii) Post Employment Benefits

- (a) Defined contribution plans: The Company's superannuation scheme, state governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/payable under the schemes is recognised during the period in which the employee renders the related service.
- (b) Defined Benefit Plans: The employees' gratuity fund schemes and employee provident fund schemes managed by board of trustees established by the Company, the post-retirement medical care plan and the Company pension plan represent defined benefit plans. The present value of the obligation under defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the defined benefit obligations at the Balance Sheet date.

Re-measurement, comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (if applicable) is recognised in other comprehensive income and is reflected in retained earnings and the same is not eligible to be reclassified to profit or loss. Defined benefit costs comprising current service cost, past service cost and gains or losses on settlements are recognised in the Statement of Profit and Loss as employee benefits expense. Interest cost implicit in defined benefit employee cost is recognised in the Statement of Profit and Loss under finance cost. Gains or losses on settlement of any defined benefit plan are recognised when the settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the company recognises related restructuring costs or termination benefits.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognise the obligation on a net basis.

(iii) Long Term Employee benefits

The obligation recognised in respect of long term benefits such as compensated absences, long service award etc. is measured at present value of estimated future cash flows expected to be made by the Company and is recognised in a similar manner as in the case of defined benefit plans vide (ii)(B) supra. Long term employee benefit costs comprising current service cost and gains or losses on curtailments and settlements, re-measurements including actuarial gains and losses are recognised in the Statement of Profit and Loss as employee benefit expenses. Interest cost implicit in long term employee benefit cost is recognised in the Statement of Profit and Loss under finance cost.

(iv) Terminal Benefits

Termination benefits such as compensation under employee separation schemes are recognised as expense when the Company's offer of the termination benefit is accepted or when the Company recognises the related restructuring costs whichever is earlier.

r Taxes on Income

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961 and based on the expected outcome of assessments/appeals.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax liabilities are generally recognised for all taxable temporary differences including the temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets are generally recognised for all taxable temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head "capital gains" are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of reporting period, to recover or settle the carrying amount of its assets and liabilities.

Transaction or event which is recognised outside Profit or Loss, either in Other Comprehensive Income or in equity, is recorded along with the tax as applicable.

s Accounting for Joint Ventures :

The company has booked turnover and related cost of Joint Venture entities and partners in its books of account. However, the whole projects have been handled by Joint Venture Partners / Entities and related GST and TDS complied by Joint Venture Partners/ Entities.

t Leases

Ind AS 116 – Leases which sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract and replaces the previous standard on leasing, Ind AS 17 – Leases. Ind AS 116 eliminates the classification of leases for the lessee as either operating leases or finance leases as required by Ind AS 17 and instead, introduces a single lessee accounting model whereby a lessee is required to recognise assets and liabilities for all leases with a term that is greater than 12 months, unless the underlying asset is of low value, and to recognise depreciation of leased assets separately from interest on lease liabilities in the income statement.

The accounting by lessors under the new standard is substantially unchanged from today's accounting in Ind AS 17. Lessors classify all leases using the same classification principle as in IAS 17 and distinguish between two types of leases: operating and finance leases. For operating leases, lessors continue to recognize the underlying asset. For finance leases, lessors derecognize the underlying asset and recognize a net investment in the lease similar to today's requirements. Any selling profit or loss is recognized at lease commencement.

u Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised only when

- (i) the Company has a present obligation (legal or constructive) as a result of a past event;
- (ii) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and

- (iii) a reliable estimate can be made of the amount of the obligation.

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of:

- (i) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- (ii) a present obligation arising from past events, when no reliable estimate is possible. Contingent assets are disclosed where an inflow of economic benefits is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

v **Statement of Cash Flows**

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method, adjusting the profit before tax excluding exceptional items for the effects of:

- (i) changes during the period in inventories and operating receivables and payables transactions of a non-cash nature;
- (ii) non-cash items such as depreciation, provisions, unrealised foreign currency gains and losses; and
- (iii) all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as at the date of Balance Sheet.

INDEPENDENT AUDITOR'S REPORT

To the members of

NIRAJ CEMENT STRUCTURALS LIMITED

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying Consolidated Financial Statements of **NIRAJ CEMENT STRUCTURALS LIMITED** (the "Company"), which comprise the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us except for the effect of the matters described in the "Basis for Qualified Opinion" section of our report, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023 and its Profits, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualification

Reference is invited to the following matter

(I) Non provision to Recovered Tax Demand amounting to Rs. 873.80 Lakhs of Income Tax

We want to draw your kind attention to Note No. 5 of Audited Balance Sheet wherein Income Tax Assets (Net) amount of Rs. 1833.72 Lakhs has been shown under other non-current assets out of which amount of Rs. 873.80/- Lakhs has been recovered/adjusted by the Income Tax Demand for the Assessment Year 2007-08 and 2008-09 against the due refund of AY 2014-15 to 2022-23 but no provision has been made in despite of fact that no appeal is pending at any stage in respect of these payment. The company does not have an appropriate internal control system to reconcile the financial accounts pertain to Income Tax Assets (Net) with relevant tax records i.e. Assessment orders which can possibly result into under/over statement of such amounts in the financial statements

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Emphasis of Matter

- (1) We draw your attention to note No. 41 of the financial statements Niraj Cement Structurals Limited has booked turnover and costs related to joint venture entities and partners in the books of account. However the whole projects have been handled by joint venture partners/entities and related TDS and GST complied by Joint venture partners/entities.
- (2) We draw your attention to note No. 34 of the financial statements of Niraj Cement Structurals Limited has reversed contractual revenue and corresponding subcontracting costs and other direct expenses in the year ended 31st March, 2023, mainly due to adoption of prudent accounting practices and various contractual reasons. The corresponding disputed receipts and payments transactions relating to the said contracts are still unsettled and reflected in the financial statements under the head "Other Current Liabilities" and "Other Current assets". The Company is in process of resolving the disputes.
- (3) We draw your attention to note No. 32 of the financial statements of Niraj Cement Structurals Limited, the office of the Director General of GST Intelligence (DGGI) had carried out a Search and seizure operations at the office of the Company at Mumbai on 6th January, 2021 under the provisions of Section 67 (1) and (2) of CGST Act.

The company has challenged the entire search and seizure proceedings and filed a writ petition with the Honourable Gujarat High Court and the matter is sub-judice in law. In View of this we are unable to comment on financial liabilities, arising out of the said proceedings. The Company has deposited Rs. 108.40 Lakhs under protest, which is adjusted by department against disputed dues, no provision is made in the books as the company has challenged the action of the department in the Honourable Gujarat High Court.

- (4) We draw your attention to note No. 38 of the financial statements of Niraj Cement Structurals Limited, the balances of trade payables, trade receivables, advances received, advances given, GST liabilities / Input credits, and Income Tax assets (Net of liabilities) are subject to reconciliation and confirmation. The management is the process of reconciling the same.
- (5) We draw your attention to note No. 33 of the financial statement As per Ind AS 109 "Financial Instrument" the company is required to consider "Provision for Expected Credit Loss" on all financial assets on the basis of expected probability of recoverability of such financial instrument. We draw your attention to Note no 34 of the financial statement, during the year the company has provided Rs. 1177.52 Lakhs towards credit impaired financial assets (bad debts of trade receivables) and considering the same credit impaired pertaining to the previous year's, the company has withdrawn Rs. 716.52 Lakhs from general reserve and credited the same in the credit — impaired ledger. In the statement of profit and loss, net amount of Rs 461.00 Lakhs (i.e 1177.52 Lakhs — 716.52 Lakhs) disclosed under exceptional item. As per management explanation, the receivable and advance of Rs. 2116.73 Lakhs are in dispute and for balance receivable and advances, the management is following up with the parties and is hopeful for recovery. But in the absence of adequate basis/ supporting documents, we are unable to comment on the measurement of carrying amount of all the financial assets appearing in the financial statements for the year ended 31st March, 2023.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matters	How the matter was addressed in our audit
Adoption of Ind AS 115 – Revenue from Contracts with Customers	
The company has adopted Ind AS 115, Revenue from Contracts with Customers ('Ind AS 115') which is the new revenue accounting standard. The application and transition to this accounting standard is complex and is an area of focus in the audit. The revenue standard establishes a comprehensive framework for determining whether, how much and when revenue is recognized. This involves certain key judgments relating to identification of distinct performance obligations, determination of transaction price of identified performance obligation, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, the standard mandates robust disclosures in respect of revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.	Our audit procedures on adoption of Ind AS 115, Revenue from contracts with Customers ('Ind AS 115'), which is the new revenue accounting standard, include – <ul style="list-style-type: none"> • Evaluated the design and implementation of the processes and internal controls relating to implementation of the new revenue accounting standard; • Evaluated the detailed analysis performed by management on revenue streams by selecting samples for the existing contracts with customers and considered revenue recognition policy in the current period in respect of those revenue streams; • Evaluated the appropriateness of the disclosures provided under the new revenue standard and assessed the completeness and mathematical accuracy of the relevant disclosures

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Financial Statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial

Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Accounting Standards and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management in the consolidated financial statements.
- Conclude on the appropriateness of the Management on use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of the statement in the consolidated Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

(A) As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account;
- d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act;
- e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 1. The Company has disclosed the impact of pending litigations on its financial position in its Consolidated Financial Statements.
 2. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 3. The Company was not required to transfer any amounts to the Investor Education and Protection Fund.
 4. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
2. As required by the Companies (Auditor's Report) Order, 2020 (the “Order”) issued by the Central Government in terms of Section 143(11) of the Act, we give in “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR'S REPORT - 31st MARCH 2023

(Referred to in paragraph A(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (The 'Guidance Note').

Management's Responsibility for Internal Financial Controls

The Company's management and Board of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to consolidated Ind AS financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls with Reference to consolidated Ind AS financial statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES FORMING PART OF THE BALANCE SHEET AS AT 31ST MARCH 2023 NOTES TO ACCOUNTS

1 Significant Accounting Policies

a Company Overview

Niraj Cement Structurals Ltd. (“the Company”) is a Public Limited Company incorporated in India having its registered office at Mumbai, Maharashtra, India. The Company is engaged in infrastructural services.

b Statement of Compliance

The Company’s financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (“Ind AS”) notified under the Companies (Indian Accounting Standards) Rules, 2015 and amendments thereof issued by Ministry of Corporate Affairs in exercise of the powers conferred by section 133 of the Companies Act, 2013. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations require a different treatment. These financials statements have been approved for issue by the Board of Directors at their meeting held on 30th May 2023.

c Basis of Accounting

The Company maintains its accounts on accrual basis following historical cost convention, except for certain financial instruments that are measured at fair value in accordance with Ind AS. Fair value measurements are categorised as below based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the company can access at measurement date;

Level 2 inputs are inputs, other than quoted prices included in level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the valuation of assets or liabilities.

Above level of fair value hierarchy are applied consistently and generally, there are no transfer between the level of the fair value hierarchy unless the circumstances changes warranting such transfers

d Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 (“the Act”). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 “Statement of Cash Flows”. The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended

e Operating cycle for current and non-current classification

Operating cycle for the business activities of the company covers the duration of the specific project/contract/product line/service including the defect liability period wherever applicable and extends up to the realisation of receivables (including retention monies) within the agreed credit period normally applicable to the respective lines of business.

f Use of judgement and estimates

The preparation of the financial statements in conformity with Ind AS requires management to make certain estimates, judgements and assumptions. These affect the application of accounting policies, the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the reporting date of the financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period and the actual results could differ from those estimates. These are reviewed by the management on an on-going basis and appropriate changes in estimates are made prospectively as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

The management believes that the estimates used in preparation of these financial statements are just, prudent and reasonable.

g Exceptional Items

An item of income or expense which by its size, type or incidence requires disclosure in order to improve an understanding of the performance of the Company is treated as an exceptional item and disclosed as such in the financial statements.

h Property, Plant and Equipment (PPE)

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any. PPE acquired on hire purchase basis are recognised at their cash values. Cost includes professional fees related to the acquisition of PPE and for qualifying assets, borrowing costs capitalised in accordance with the Company’s accounting policy.

Own manufactured PPE is capitalised at cost including an appropriate share of overheads. Administrative and other general overhead expenses that are specifically attributable to construction or acquisition of PPE or bringing the PPE to working condition are allocated and capitalised as a part of the cost of the PPE.

PPE not ready for the intended use on the date of the Balance Sheet are disclosed as “capital work-in-progress”. (Also refer to policy on leases, borrowing costs, impairment of assets and foreign currency transactions infra).

Depreciation is recognised using straight line method so as to write off the cost of the assets (other than freehold land and properties under construction) less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined. Depreciation method is reviewed at each financial year end to reflect the expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end and the effect of any change in the estimates of useful life/ residual value is accounted on prospective basis.

Where cost of a part of the asset (“asset component”) is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life.

Depreciation on additions to/deductions from, owned assets is calculated pro rata to the period of use. Extra shift depreciation is provided on a location basis.

Depreciation charge for impaired assets is adjusted in future periods in such a manner that the revised carrying amount of the asset is allocated over its remaining useful life. Assets acquired under finance leases are depreciated on a straight line basis over the lease term. Where there is reasonable certainty that the Company shall obtain ownership of the assets at the end of the lease term, such assets are depreciated based on the useful life adopted by the Company for similar assets.

Freehold land is not depreciated

Such classes of assets and their estimated useful lives are as under:

Particulars of Assets	Useful Lives (In Years)
Plant and Machinery	15
Factory Premises and Weighbridge	30
Motor cars, Trucks and Dumpers etc.	8
Furniture and Other equipments	10
Office equipments	5
Computers	3

The Company has a program of verification to cover all the items of fixed assets in a phased manner. Fixed assets were physically verified by the management during the year.

i Revenue Recognition

Ind AS 115: The objective of this Standard is to establish the principles that an entity shall apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from a contract with a customer.

Identifying the Contract

An entity shall account for a contract with a customer that is within the scope of this standard only when all of the following criteria are met:

- (a) the parties to the contract have approved the contract (in writing, orally or in accordance with other customary business practices) and are committed to perform their respective obligations;
- (b) the entity can identify each party's rights regarding the goods or services to be transferred;
- (c) the entity can identify the payment terms for the goods or services to be transferred;
- (d) the contract has commercial substance (i.e. the risk, timing or amount of the entity's future cash flows is expected to change as a result of the contract); and
- (e) it is probable that the entity will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer. In evaluating whether collectability of an amount of consideration is probable, an entity shall consider only the customer's ability and intention to pay that amount of consideration when it is due. The amount of consideration to which the entity will be entitled may be less than the price stated in the contract if the consideration is variable because the entity may offer the customer a price concession.

Identifying Performance Obligation:

At contract inception, an entity shall assess the goods or services promised in a contract with a customer and shall identify as a performance obligation each promise to transfer to the customer either: (a) a good or service (or a bundle of goods or services) that is distinct; or 596 (b) a series of distinct goods or services that are substantially the same and that have the same pattern of transfer to the customer.

Satisfaction of performance obligations:

An entity shall recognise revenue when (or as) the entity satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset.

Performance obligations satisfied over time

When either party to a contract has performed, an entity shall present the contract in the balance sheet as a contract asset or a contract liability, depending on the relationship between the entity's performance and the customer's payment. An entity shall present any unconditional rights to consideration separately as a receivable.

Measurement

When (or as) a performance obligation is satisfied, an entity shall recognise as revenue the amount of the transaction price (which excludes estimates of variable consideration) that is allocated to that performance obligation.

Determining the transaction price

An entity shall consider the terms of the contract and its customary business practices to determine the transaction price. The transaction price is the amount of consideration to which an entity expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties (for example, some sales taxes). The consideration promised in a contract with a customer may include fixed amounts, variable amounts, or both.

j Investments:

Under Ind AS, these financial assets have been classified as Fair Value through Profit or Loss (FVTPL) on the date of transition and fair value changes after the date of transition has been recognised in profit or loss.

k Fair value measurement :

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties.

The following methods and assumptions were used to estimate the fair values:

- (a) Fair value of current assets which includes loans given, cash and cash equivalents, other bank balances and other financial assets - approximate their carrying amounts.
- (b) Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

I Borrowings

Borrowing costs include interest expense calculated using the effective interest method, finance charges in respect of assets acquired on finance lease and exchange differences arising on foreign currency borrowings to the extent they are regarded as an adjustment to interest costs.

Borrowing costs net of any investment income from the temporary investment of related borrowings that are attributable to the acquisition, construction or production of a qualifying asset are capitalised / inventoried as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in Profit or Loss in the period in which they are incurred.

m Financial Instruments

Financial assets and/or financial liabilities are recognised when the company becomes party to a contract embodying the related financial instruments. All financial assets, financial liabilities and financial guarantee contracts are initially measured at transaction values and where such values are different from the fair value, at fair value. Transaction costs that are attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from as the case may be, the fair value of such financial assets or liabilities, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in Profit or Loss.

In case of funding to subsidiary companies in the form of interest free or concession loans and preference shares, the excess of the actual amount of the funding over initially measured fair value is accounted as an equity investment.

A financial asset and a financial liability is offset and presented on net basis in the balance sheet when there is a current legally enforceable right to set-off the recognised amounts and it is intended to either settle on net basis or to realise the asset and settle the liability simultaneously.

(i) Financial Assets

(A) All recognised financial assets are subsequently measured in their entirety either at amortised cost or at fair value depending on the classification of the financial assets as follows:

(i) Investments in debt instruments that are designated as fair value through profit or loss (FVTPL) - at fair value.

(ii) Investments in debt instruments that meet the following conditions are subsequently measured at - at amortised cost (unless the same designated as fair value through profit or loss):

The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and

The contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Investment in debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income [FVTOCI] (unless the same are designated as fair value through profit or loss)

The asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and

The contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iv) Debt instruments at FVTPL is a residual category for debt instruments, if any, and all changes are recognised in profit or loss.

(v) Investment in equity instruments issued by subsidiary, associate and joint venture companies are measured at cost less impairment.

(vi) Investment in preference shares of the subsidiary companies are treated as equity instruments if the same are convertible into equity shares or are redeemable out of the proceeds of equity instruments issued for the purpose of redemption of such investments. Investment in preference shares not meeting the aforesaid conditions are classified as debt instruments at FVTPL.

(vii) Investments in equity instruments are classified as at FVTPL, unless the related instruments are not held for trading and the Company irrevocably elects on initial recognition to present subsequent changes in fair value in Other Comprehensive Income.

(B) For financial assets that are measured at FVTOCI, income by way of interest and dividend, provision for impairment and exchange difference, if any, (on debt instrument) are recognised in profit or loss and changes in fair value (other than on account of above income or expense) are recognised in other comprehensive income and accumulated in other equity. On disposal of debt instruments at FVTOCI, the cumulative gain or loss previously accumulated in other equity is reclassified to profit or loss. In case of equity instruments at FVTOCI, such cumulative gain or loss is not reclassified to profit or loss on disposal of investments.

(C) A financial asset is primarily derecognised when:

- (i) the right to receive cash flows from the asset has expired, or
- (ii) the company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement; and (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety, the difference between the carrying amounts measured at the date of derecognition and the consideration received is recognised in Profit or Loss.

(D) Impairment of financial assets: The Company recognises impairment loss on trade receivables using expected credit loss model, which involves use of a provision matrix constructed on the basis of historical credit loss experience as permitted under Ind AS 109. Impairment loss on investments is recognised when the carrying amount exceeds its recoverable amount.

(ii) Financial Liabilities

(i) Financial liabilities, including derivatives and embedded derivatives, which are designated for measurement at FVTPL are subsequently measured at fair value. Financial guarantee contracts are subsequently measured at the amount of impairment loss allowance or the amount recognised at inception net of cumulative amortisation, whichever is higher. All other financial liabilities including loans and borrowings are measured at amortised cost using Effective Interest Rate (EIR) method.

(ii) A financial liability is derecognised when the related obligation expires or is discharged or cancelled.

n Inventories

Inventories are valued after providing for obsolescence, as under:

- (i) Raw materials, components, construction materials, stores, spares and loose tools at lower of weighted average cost or net realisable value. However, these items are considered to be realisable at cost if the finished products in which they will be used, are expected to be sold at or above cost.
- (ii) Manufacturing work-in-progress at lower of weighted average cost including related overheads or net realisable value. In some cases, manufacturing work-in-progress are valued at lower of specifically identifiable cost or net realisable value. In the case of qualifying assets, cost also includes applicable borrowing costs vide policy relating to borrowing costs.
- (iii) Finished goods and stock-in-trade (in respect of goods acquired for trading) at lower of weighted average cost or net realisable value. Cost includes related overheads and GST paid/payable on such goods.
- (iv) Completed property/work-in-progress (including land) in respect of property development activity at lower of specifically identifiable cost or net realisable value.

Assessment of net realisable value is made at each reporting period end and when the circumstances that previously caused inventories to be written-down below cost no longer exist or when there is clear evidence of an increase in net realisable value because of changed economic circumstances, the write-down, if any, in the past period is reversed to the extent of the original amount written-down so that the resultant carrying amount is the lower of the cost and the revised net realisable value.

o Cash and Bank Balances

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

p Securities Premium Account

Securities premium includes:

- (i) The difference between the face value of the equity shares and the consideration received in respect of shares issued.
- (ii) The issue expenses of securities which qualify as equity instruments are written off against securities premium account.

q Employee Benefits

(i) Short Term Employee Benefits

Employee benefits such as salaries, wages, short term compensated absences, expected cost of bonus, ex-gratia and performance-linked rewards falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service.

(ii) Post Employment Benefits

- (a) Defined contribution plans: The Company's superannuation scheme, state governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/payable under the schemes is recognised during the period in which the employee renders the related service.
- (b) Defined Benefit Plans: The employees' gratuity fund schemes and employee provident fund schemes managed by board of trustees established by the Company, the post-retirement medical care plan and the Company pension plan represent defined benefit plans. The present value of the obligation under defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the defined benefit obligations at the Balance Sheet date.

Re-measurement, comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (if applicable) is recognised in other comprehensive income and is reflected in retained earnings and the same is not eligible to be reclassified to profit or loss. Defined benefit costs comprising current service cost, past service cost and gains or losses on settlements are recognised in the Statement of Profit and Loss as employee benefits expense. Interest cost implicit in defined benefit employee cost is recognised in the Statement of Profit and Loss under finance cost. Gains or losses on settlement of any defined benefit plan are recognised when the settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the company recognises related restructuring costs or termination benefits.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognise the obligation on a net basis.

(iii) Long Term Employee benefits

The obligation recognised in respect of long term benefits such as compensated absences, long service award etc. is measured at present value of estimated future cash flows expected to be made by the Company and is recognised in a similar manner as in the case of defined benefit plans vide (ii)(B) supra. Long term employee benefit costs comprising current service cost and gains or losses on curtailments and settlements, re-measurements including actuarial gains and losses are recognised in the Statement of Profit and Loss as employee benefit expenses. Interest cost implicit in long term employee benefit cost is recognised in the Statement of Profit and Loss under finance cost.

(iv) Terminal Benefits

Termination benefits such as compensation under employee separation schemes are recognised as expense when the Company's offer of the termination benefit is accepted or when the Company recognises the related restructuring costs whichever is earlier.

r Taxes on Income

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961 and based on the expected outcome of assessments/appeals.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax liabilities are generally recognised for all taxable temporary differences including the temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets are generally recognised for all taxable temporary differences to the extent that is probable that taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head "capital gains" are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of reporting period, to recover or settle the carrying amount of its assets and liabilities.

Transaction or event which is recognised outside Profit or Loss, either in Other Comprehensive Income or in equity, is recorded along with the tax as applicable.

s Accounting for Joint Ventures :

The company has booked turnover and related cost of Joint Venture entities and partners in its books of account. However, the whole projects have been handled by Joint Venture Partners / Entities and related GST and TDS complied by Joint Venture Partners/ Entities.

t Leases

Ind AS 116 – Leases which sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract and replaces the previous standard on leasing, Ind AS 17 – Leases. Ind AS 116 eliminates the classification of leases for the lessee as either operating leases or finance leases as required by Ind AS 17 and instead, introduces a single lessee accounting model whereby a lessee is required to recognise assets and liabilities for all leases with a term that is greater than 12 months, unless the underlying asset is of low value, and to recognise depreciation of leased assets separately from interest on lease liabilities in the income statement.

The accounting by lessors under the new standard is substantially unchanged from today's accounting in Ind AS 17. Lessors classify all leases using the same classification principle as in IAS 17 and distinguish between two types of leases: operating and finance leases. For operating leases, lessors continue to recognize the underlying asset. For finance leases, lessors derecognize the underlying asset and recognize a net investment in the lease similar to today's requirements. Any selling profit or loss is recognized at lease commencement.

u Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised only when

- (i) the Company has a present obligation (legal or constructive) as a result of a past event; (ii) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- (ii) a reliable estimate can be made of the amount of the obligation.

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is

virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of:

- (i) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- (ii) a present obligation arising from past events, when no reliable estimate is possible. Contingent assets are disclosed where an inflow of economic benefits is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

v Statement of Cash Flows

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method, adjusting the profit before tax excluding exceptional items for the effects of:

- (i) changes during the period in inventories and operating receivables and payables transactions of a non-cash nature;
- (ii) non-cash items such as depreciation, provisions, unrealised foreign currency gains and losses; and
- (iii) all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as at the date of Balance Sheet.
