Govt SOP for Judges: Do not name officials for court panels

APURVA VISHWANATH New Delhi, August 15

IN CASE OF a courtappointed committee, judges should only describe the "broad composition" but not name individual officials; courts should refrain from making "personal comments" on "dress, physical appearance, educational and social background".

These are part of a "Standard Operating Procedure (SOP) regarding appearance of government officials in court proceedings", submitted by Solicitor General Tushar Mehta to the Supreme Court on Monday.

A Bench led by Chief Justice of India DY Chandrachud said the SOP would be circulated to high courts to invite the views of stakeholders.

The SOP also states that the "court should hesitate to punish a contemnor if the act or omission complained of was not willful," adding that a "Judge should not, ideally, sit on contempt proceedings relating to their own orders".

"Comments on the dress/ physical appearance/ educaof the government official ment benefits for judges.

appearing before the court should be refrained. Government officials are not officers of the court and there should

be no objection to their appearing in a decent work dress unless such appearance is unprofessional or unbecoming of her/his position,"it

says. "In case of matters before court that involve setting up of a committee for further examination of the matter under consideration, the

court may prescribe only the broad composition/ domains of members/ chairperson of such committee instead of naming individual members

and leave the identification/ selection/ appointment of individual members/ chairperson with the executive/ administration," says the SOP.

It also asks courts to allow appearance of government officials through video conferencing as a rule.

Sources told The Indian Express that the need for such an SOP was felt after the Allahabad High Court in April ordered two officials to be taken into custody for failing to comply with its order to

Himachal rains: 2 killed as 8 houses collapse

PRESS TRUST OF INDIA Shimla, August 15

TWO PERSONS WERE killed on Tuesday when eight including six houses, makeshift ones, collapsed and a slaughterhouse was buried under the debris following a landslide in Krishnanagar locality here. Uprooting of a large tree

caused a landslip leading to the collapse of a cluster of houses with deafening noise, officials said.

Two bodies trapped under the rubble of the houses have been recovered, Shimla SP Sanjeev Kumar Gandhi told PTI.

Cracks had developed in some houses in the area in

following a landslide due to rains at Gaurikund in Rudraprayag on Tuesday.

the morning following which most of the residents vacated them, the officials said.

At least two persons are feared trapped and possibility of more people under the

debris cannot be ruled out, Shimla Deputy Commissioner Aditya Negi had earlier told PTI. Videos of people in nearby houses screaming and telling the inmates to leave immediately were circulated on social media.

Heart-wrenching scenes of people calling for help and running for safety were witnessed at the site.

As the police, State Disaster Response Force and locals started rescue operations, several residents in the nearby houses ran out with their belongings.

Earlier, a woman who rushed to the spot said that her husband was trapped in the debris.

Atma Ram, an employee

cloudbursts that blocked sevof the slaughterhouse, had said that his manager was feared trapped under the debris.

"When the slaughterhouse was being constructed, there were slides and some houses were vacated. Even after construction of retaining walls, there was seepage and the problem persisted," Amit, an eyewitness, told PTI.

He said that at least 15 families have been rendered homeless after the incident.

On Monday, two landslides took place in Shimla, one at a Shiva temple in Summer Hill and the other at Fagli, which claimed 17 lives.

Heavy rains have battered Himachal Pradesh since Sunday, triggering landslides and eral roads and led to house collapse incidents. A nearly 157 per cent

surge in rainfall over the past few days has resulted in extensive damage across Himachal Pradesh, Chief Minister Sukhvinder Singh Sukhu said on Tuesday.

The death toll due to the rain rose to 56 after one more body was pulled out of the rubble of a collapsed Shiva temple in Shimla while two people died in a fresh land slide in the city, officials said.

Meanwhile, Yamuna crosses danger mark of 205.33 metres in Delhi following heavy rain in Himachal, Uttarakhand, a CWC official said.

Delhi govt admits 150 Manipur kids to city schools

EXPRESS NEWS SERVICE New Delhi, August 15

EXPRESSING SADNESS over the situation in Manipur, Chief Minister Arvind Kejriwal Tuesday said the Delhi government has admitted 150 students from the violence-torn state to city schools without required certificates.
