Sub: Intimation regarding ISO 27001 Certification of Dish TV India Limited

Dear Sirs,

This is to inform you that Dish TV India Limited has achieved the ISO 27001 Certification, the international standard that sets out and describes requirements and best practices for an Information Security Management System (ISMS). The Company has received the ISO 27001 certification for its Noida and Greater Noida facilities.

ISO 27001, considered the gold standard for information security, ensures systematic examination of the organization's security risks leading to design and implementation of a coherent and comprehensive suite of information security controls. The standard also includes establishing, implementing and operating an ISMS along with constant monitoring, review and improvement so that security controls meet the organization's information security needs on an ongoing basis.

This is for your information.

Thanking you

Yours faithfully,

For Dish TV India Limited
