Chairman's Message to Investors

Dear Investor,

Something remarkable has happened since the inception of ITCONS.

The chart represents the number of employees with ITCONS each year. We have grown at a CAGR of 50% since we founded our institution and have been one of the prime drivers in creating employment in a new and emerging India. Today, we are one of the fastest growing private sector employers in India with a headcount of 1600 employees and looking forward to achieve a remarkable growth scale in next 3 years' time.

The previous year has been a year of significant strategic progress with its own set of challenges. We have delivered a strong performance in majority of our businesses. Our IT staffing and recruiting business continues to deliver excellent performance and this year we have added two new sources of revenues and business growth in staffing & recruiting business by means of general staffing and govt projects bidding with help of GEM. We expect these new sources will not just add number the numbers of staffed employees but also multiply the revenue numbers. In addition to this, we are also aiming to do couple of acquisitions of mid to large size staffing/recruiting firm to give boost to our revenue number/PAT and

increase our staffed employee base across different Industry domain PAN India basis.

India - A Growth Story

We live in exciting times where India is one of the fastest growing economies. India is projected to grow at about 7.5% in the future which we expect to result in more people joining the workforce. Last year, India moved 23 places to be ranked 77th in the World Bank's report "Ease of Doing Business" owing to the robust economic reforms. This provides us an opportunity, both in terms of skilling and placing the workforce to create value for ourselves and the nation at large.

Business Services

Business services as a percentage of GDP today stands at 2.0% in India which is significantly lower than BRIC nations where it stands at 6.0% or in developed economies where it stands at above 11.0%. As economies mature and grow, the share of business services grows at a faster pace than the rate of growth of the economy itself and should become between 5% & 7% over the next few years.

Formalization of the Economy

The introduction of GST has set in motion the process of formalization and consolidation in the sector. Apart from the incentive for organisations to choose the services of tax-compliant staffing firms, which allow them to claim input tax credit, customers are also driven by the need for superior services and a need to associate themselves with brands that are ethical and compliant with all regulatory requirements. There is therefore, potential to grow in the underpenetrated market for organized players who offer predictability and standardization to their customers.

Solving New Age Problems

Business disruptions in terms of innovative ways of working are emerging each day and

we are transitioning from a “traditional job” to a “gig economy” where workforce and services are availed just-in-time. This makes it imperative that we keep identifying and providing critical talent in an efficient manner enabling staffing companies to evolve and become strategic workforce solutions partners.

Digital Transformation

In a disruptive tech world, businesses are evolving to remain ahead of the curve by leveraging technology effectively to improve employee outcomes, enhance customer experience and improve profitability. This year, we are in process of full digitize to improve productivity and efficiency.

We are now transforming our core business by optimising, digitising and automating processes. We are in process of deploying newer technologies like digital attendance monitoring etc. to improve our efficiency while providing enhanced user experience to our major stakeholders - employees and customers.

Our Structure

We operate in a decentralized manner yet in centralized manner to support our staffing business by keeping a close watch on Capital allocation, Performance goal setting and Leadership planning.

During this year post IPO, we have strengthened our senior/ Middle management leadership by hiring several new leaders. We believe now we now have sufficient strong leadership team who will act as a key catalyst for ITCONS next phase of growth, though our hunt for strong leadership folks is continuously on and will add them in line to growth of business.

Highlights for the Year FY 2022-23

The financial highlights of the year are as follows:

- Revenue grew 55% YoY to Rs. 2820.31 Lakh and EBITDA grew 46.83 % YoY to Rs 264.56 Lakh
- EBITDA Margin stood at 9.31 %

PAT stood at Rs. 172.66 Lakh

- PAT Margin stood at 6 %
- Diluted EPS stood at Rs 5.23
- Cash flow from operations stood at Rs (79.76) Lakh in FY23 (up from Rs. 0.84 Lakh in the previous year)

Our general staffing business within the People Services segment continues to deliver impressive performance. We have added about 700 associates during the year thereby further strengthening our leadership position in the market with an overall staffing headcount of over 1600+ associates.

Creating Value for the Stakeholders

As the centre of our business are our customers, we look to explore opportunities to deliver more value to them each day and are in a constant pursuit of customer delight. Adding 100+ employees every month, we have been instrumental in putting individuals to work in our country. Apart from providing them with employment opportunities, we are bringing them into the fold of a formalized economy which promises predictable income, social security benefits, and health benefits among others.

Our Shareholders have been pivotal to our business and we are on a constant endeavour to create long term shareholder value through prudent capital allocation that would deliver superior financial outcomes.

Journey Ahead

Since inception, we have built a diverse portfolio of service offerings that have gone a long way to shape ITCONS in its current form. The economic, business and technological disruptions are compelling organizations to evolve continuously. Going forward, we envision ITCONS as multiple platforms enabling us to provide end-to-end integrated services to our customers and to be present across the value chain. In the forthcoming year we will align ourselves into three main platforms: Workforce Management and Tech Services. Workforce Management would comprise of a diverse suite of offerings in the employee lifecycle management space

ranging from - training and recruitment to on-boarding and off-boarding employees both in the general staffing and professional staffing businesses. Operating Asset Management would provide a one stop shop for all assets - real estate, industrials and telecom. Tech Services would comprise of business process management, aftersales services and online-recruitment portal.

Capital allocation continues to be a key focus area for us. We have an established inorganic playbook of successfully identifying and integrating value accretive acquisitions. We are entering into a phase where we will allocate capital strategically to derive superior financial outcomes for our company.

Our focus on Balance Sheet Management has yielded tangible results during the year. We believe in the short to medium term, we should be able to generate higher amounts of operating cash from our business.

Creating a Better Tomorrow

We at ITCONS believe in creating a better world where everyone has access to opportunities and

has a right to have a better life. Through our Trust, Mahakal Maharaj Bikaner Sewa Mandir, we are supporting free education of 300+ students in our DiViNiTi Schools.

This note will be incomplete without thanking our 100+ clients for the belief entrusted in us, which has enabled the company to grow thus far. I am also thankful to the dedication of our employees who drive the outcomes for our clients and have created a solid foundation for our institution.

As we navigate into a new year, we at ITCONS feel a unified sense of purpose and pride in seeing the institution that we have built over the last 16 years. I am thankful to all our shareholders who have steadfastly stood by us and helped us scale this company. I look forward to interacting and meeting you at our annual meet for shareholders.

***Best Regards,
Gauravv Mittal***

A person who is not a member as on the cut-off date is requested to treat this Notice for information purposes only.

10. The facility for voting during the AGM will also be made available. Members present in the AGM through VC and who have not cast their vote on the resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through the e-voting system during the AGM.
11. Any person holding shares in physical form, and non-individual shareholders who acquire shares of the Company and become members of the Company after the Notice is sent and holding shares as of the **cut-off date, i.e. September 21, 2023**, may obtain the login ID and password by sending a request to **evoting@nsdl.co.in**. However, if he / she is already registered with NSDL for remote e-voting, then he / she can use his / her existing user ID and password for casting the vote. In case of individual shareholders holding securities in demat mode, who acquire shares of the Company and become members of the Company after the Notice is sent and holding shares as of the cut-off date i.e. September 21, 2023, may follow steps mentioned in the Notice under 'Instructions for e-voting'.
12. In compliance with the Circulars, the Integrated Annual Report 2022-23, the Notice of the 16th AGM, and instructions for e-voting are being sent through electronic mode to those members whose email addresses are registered with the Company / depository participant(s) (DP).
13. We urge members to support our commitment to environmental protection by choosing to receive the Company's communication through email. Members holding shares in demat mode, who have not registered their email addresses are requested to register their email addresses with their respective DP, and members holding shares in physical mode are requested to update their email addresses with the Company's RTA, Cameo Corporate Services Limited at investor@cameoindia.com, or write to Company at cs.pooja@itconsinc.com to receive copies of the Integrated Annual Report 2022-23 in electronic mode.
14. Members may also note that the Notice of the 16th AGM and the Integrated Annual Report 2022-23 will also be available on the Company's website, www.itconsinc.com, websites of the stock exchange, i.e. BSE at www.bseindia.com and on the website of NSDL, <https://www.evoting.nsdl.com>.
15. The Share Transfer Books of the Company shall remain closed from 22nd September, 2023 to 27th September, 2023.
16. SEBI has mandated the submission of PAN, KYC details and nomination by holders of physical securities by October 1, 2023, and linking PAN with Aadhaar by June 30, 2023 vide its circular dated March 16, 2023. Shareholders are requested to submit their PAN, KYC and nomination details to the Company's RTA, Cameo Corporate Services Limited, at investor@cameoindia.com. Members holding shares in electronic form are, therefore, requested to submit their PAN to their DP. In case a holder of physical securities fails to furnish PAN and KYC details before October 1, 2023 or link their PAN with Aadhaar before June 30, 2023, in accordance with the SEBI circular dated March 16, 2023, RTA is obligated to freeze such folios. The securities in the frozen folios shall be eligible to receive payments (including dividend) and lodge grievances only after furnishing the complete documents. If the securities continue to remain frozen as on December 31, 2025, the RTA / the Company shall refer such securities to the administering authority under the Benami Transactions (Prohibitions) Act, 1988, and / or the Prevention of Money Laundering Act, 2002.
17. As per Section 72 of the Act, the facility for submitting nomination is available for members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form SH-13. Members are requested to submit these details to their DP in case the shares are held by them in electronic form, and to the RTA, in case the shares are held in physical form.
18. The Scrutinizer will submit his report to the Chairman of the Company ("the Chairman") or to any other person authorized by the Chairman after the completion of the scrutiny of the e-voting (votes cast during the AGM and votes cast through remote e-voting), not later than 2 working days from the conclusion of the AGM. The result declared along with the Scrutinizer's report shall be communicated to the stock exchange, NSDL and RTA, and will also be displayed on the Company's website, www.itconsinc.com.
19. Since the AGM will be held through VC in accordance with the Circulars, the route map, proxy form and attendance slip are not attached to this Notice.
20. Members are requested to address all correspondence to RTA, Cameo Corporate Services Limited, Subramanian Building", No. 1, Club House Road, Chennai – 600 002.

MANAGEMENT DISCUSSION AND ANALYSIS

GLOBAL ECONOMY

Global economic activity is experiencing a broad-based and sharper-than-expected slowdown, with inflation higher than seen in several decades. The cost-of-living crisis, tightening financial conditions in most regions, Russia's invasion of Ukraine, and the lingering COVID-19 pandemic all weigh heavily on the outlook. Global growth is forecast to slow from 6.0% in 2021 to 3.2 percent in 2022 and 2.7% in 2023. This is the weakest growth profile since 2001 except for the global financial crisis and the acute phase of the COVID19 pandemic.

Global inflation is forecast to rise from 4.7% in 2021 to 8.8% in 2022 but to decline to 6.5% in 2023 and to 4.1% by 2024. Monetary policy should stay the course to restore price stability, and fiscal policy should aim to alleviate the cost-of-living pressures while maintaining a sufficiently tight stance aligned with monetary policy. Structural reforms can further support the fight against inflation by improving productivity and easing supply constraints, while multilateral cooperation is necessary for fast-tracking the green energy transition and preventing fragmentation.

INDIAN ECONOMY

Amid the global uncertainties, India's economy has been an outperformer, reflecting robust domestic consumption and lesser dependence on global demand. The Indian economy is cautiously shining and the growth moderation for India in the financial year 2022-23 is premised on an ongoing global economic slowdown, tight monetary conditions, and elevated oil prices.

The GDP growth for the year exceeded the estimate due to strong growth in the last quarter of the year. GDP grew 6.1% in the January-March quarter, up from 4.5% in the October-December quarter. The GDP growth was 9.1% in 2021-22, supported by a favourable base effect due to low growth in the pandemic year. India's nominal GDP at current prices was estimated at Rs. 232.15 trillion (US\$ 3.12 trillion) in FY22. With more than 100 unicorns valued at US\$ 332.7 billion, India has the third-largest unicorn base in the world. The government is also focusing on renewable sources to generate energy, and is planning to achieve 40% of its energy from non-fossil sources by 2030.

According to the McKinsey Global Institute, India needs to boost its rate of employment growth and create 90 million non-farm jobs between 2023 and 2030 in order to increase productivity and economic growth. The net employment rate needs to grow by 1.5% per annum from 2023 to 2030 to achieve 8-8.5% GDP growth between this period.

OVERVIEW OF INDIAN STAFFING INDUSTRY

It is observed that despite COVID-19's horrible impact on business around the world. The organized staffing business in India has continued to expand at a rapid pace. According to a survey, the Indian staffing business grew by 3.6% in fiscal year 2020-21, owing to a comeback in the fourth quarter of the previous fiscal year.

According to the report, post-pandemic flexi-employment market trends and it has influenced women, young, and high-skilled employees in a good way. It is also noted that regardless the pandemic situation, temporary staffing grew in IT, E-commerce, Logistics and Manufacturing sectors. Flexi Staffing is growing trend in an Indian job economy. Around 72% of Flexi workers want to keep working as same, and 85% of Flexi workers are happy with their current situation. Staffing Industry witnessed a sharp jump with 30.7% growth, adding further new employment than the year before at 14.1%. The demands were driven primarily with the digital adoption across sectors. A few promising impact sectors to continue will be Fintech, IT, Infra etc. IT staffing industry post Q2 also started witnessing a stabilization in the demand, with Q4 bringing a sharp response from geo political scenario developing across the world from the Ukraine war impact of global financial markets among others.

Overall the Staffing Industry continued a stable Quarter on Quarter (Net employment) growth at 4.2% in Q422. Staffing industry is poised to continue its contribution in the formal employment growth, as demand is seen to be moving at a stable rate.

INDEPENDENT AUDITOR'S REPORT

To the Members of
ITCONS E-SOLUTIONS LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **ITCONS E-SOLUTIONS LIMITED** ("the Company"), which comprise the balance sheet as at 31 March 2023, and the statement of profit and loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at 31 March 2023, its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Directors' Report, but does not include the financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors Responsibility for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in

accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other matters

The comparative financial information of the company as at and for the year ended 31 March 2022, included in these financial statements, has been audited by predecessor auditor whose report dated 23 July 2022 expressed an unmodified opinion.

Report on Other Legal and Regulatory Requirements

Annexure B

to the Independent Auditor's Report of even date on the Financial Statements of ITCONS E-Solutions Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(referred to in paragraph 2(f) under 'Report on other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls with reference to the financial statements of ITCONS E-Solutions Limited as of 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's and Board of Directors Responsibilities for Internal Financial Controls

The Company Management and the Board of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to this financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to this financial statements and their operating effectiveness. Our audit of internal financial controls included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to this financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial controls is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control includes those policies and procedures that

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statements to future periods are subject to the risk that the internal financial controls with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has established, in all material respects, an adequate internal financial controls with reference to the financial statements and such internal financial controls were operating effectively as at 31 March 2023, *though the same need to be strengthened*, considering the essential components of Internal Control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

We have considered the above statement in determining the nature, timing and extent of audit tests applied in our audit of the financial statements of the Company, and it does not affect our opinion on the financial statements of the Company.

2 Basis of preparation

These financial statements of the Company have been prepared in accordance with Generally Accepted Accounting Principles in India ("Indian GAAP") to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 ("the Act") read with the Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 and the Companies (Accounting Standards) Amendment Rules 2016, as applicable. The financial statements have been prepared on accrual basis under the historical cost convention.

The significant accounting policies adopted in presentation of the financial statements are consistent with those followed in the previous year.

Functional and Presentation Currency

The functional and presentation currency of the company is Indian rupees. This financial statement is presented in Indian rupees.

All amounts disclosed in the financial statements and notes are rounded off to hundred the nearest INR rupee in compliance with Schedule III of the Act, unless otherwise stated.

Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

3 Summary of significant accounting policies**3.01 Use of Estimates**

The preparation of financial statement in conformity with Indian GAAP requires the Management to make estimates, judgments, and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the difference between the actual results and the estimates are recognized in the years in which the results are known / materialize.

3.02 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is classified as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after thereporting period.

All other assets are classified as non-current. A liability is classified as current when it is:

- Expected to be settked in normal operating cycle;
- Held primarily for the purpose of trading;
- Due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the recognition of assets and their realization in cash and cash equivalents. The Companyhas considered twelve months as its operating cycle.

3.03 Property, Plant and Equipment

Property, plant and equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. The cost of property, plant and equipment comprises its purchase price net of any trade discounts, rebates and government grants/subsidies, any directly attributable expenditure on making the asset ready for its intended use. All repair and maintenance costs are recognized in profit or loss as incurred.

Property, plant and equipment retired from active use and held for sale are stated at the lower of their net book value and net realizable value and area disclosed separately in the balance sheet.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

An item of property, plant and equipment and any significant part thereof initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in the statement of profit and loss when the asset is derecognized.

Capital work-in-progress

Projects under which property, plant and equipment are not yet ready for their intended use are carried at cost, comprising direct cost and related incidental expenses.

3.04 Intangible assets

Intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

3.05 Investments

Investments are valued at cost inclusive of expenses incidental to their acquisition. Long term investments are carried at cost and any diminution in value is not recognized if such diminution is temporary in the opinion of the management. Short term investments are carried at the lower of cost and fair market value.

3.06 Depreciation

Depreciation has been provided using the written down value method over the estimated useful life of the plant and equipment at the rates prescribed under schedule II of the Companies Act, 2013 as follows:

Assets	Useful life (In years)
Office equipment	5
Computers	3
Furniture and Fixtures	10
Vehicles	8

Leasehold improvement are depreciated over the period of lease or estimated useful life, whichever is lower.

Intangible assets being software are amortized over a period of its useful life on a straightline basis, commencing from date the assets is available to the company for its use.

The useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

3.07 Impairment of Assets

At each Balance Sheet date, the Company reviews the carrying amounts of its property, plant and equipment to determine whether there is an indication that those assets suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss. Recoverable amount is the higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows expected from the continuing use of the asset and from its disposal are discounted to their present value using a discount rate that reflects the current market assessments of time value of money and the risks specific to the asset.

Reversal of impairment loss is recognized as income in the Statement of profit and loss.

3.08 Employee benefits

Employee benefits include provident fund, employee state insurance scheme, gratuity and compensated absences.

i) Defined contribution Plans:

The Company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made and when services are rendered by the employee.

ii) Defined benefit plans:

For defined benefit plans in the form of gratuity, the cost is determined by estimating the ultimate cost to the entity of the benefits that employee have earned in return for their service in the current and prior periods.

iii) Short-term employee benefits

Compensated absence, which is expected to be utilised within the next 12 months is treated as short term employee benefits. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats compensated absence expected to be carried forward beyond twelve months, as long term employee benefits for measurement purpose.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

3.09 Revenue Recognition

Revenue is recognized when it is probable that economic benefit associated with the transaction flows to the Company in ordinary course of its activities and the amount of revenue can be measured reliably, regardless of when the payment is being made. Revenue is measured at the fair value of consideration received or receivable, taking into the account contractually defined terms of payments and excluding taxes or duties collected on behalf of the government.

Revenue in excess of invoicing are classified as Unbilled Revenue.

The specific recognition criteria described below must also be met before revenue is recognized.

Manpower services

Revenue from manpower services is accounted on accrual basis on performance of the services agreed in the contracts with customers.

Recruitment and other services

Revenue from recruitment services, skills and development, regulatory services is recognized on accrual basis on performance of the services as agreed in the customer contracts.

Interest Income

Interest Income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable i.e. on the basis of matching concept.

3.10 Foreign currency transaction and translations

Transactions in foreign currency are recorded at the exchange rate prevailing at the date of the transactions.

Monetary items are restated at the year-end foreign exchange rates. Resultant exchange differences arising on payment or translation are recognized as income or expense in the year in which they arise.

Other foreign currency assets and liabilities are similarly translated and the gain/loss arising out of such translation is adjusted to the Statement of Profit and Loss.

3.11 Borrowing Cost

Borrowing Cost includes interest, commitments charges on bank borrowings, amortization of ancillary costs incurred and exchanged differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalised as a part of the cost of that asset up to the date when such assets are ready for their intended use. Other Borrowing Costs are recognised as an expense in the year in which they are incurred.

3.12 Operating lease

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets are classified as operating leases. Operating lease charges are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

3.13 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of change in value.

3.14 Statement of Cash flows

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

3.15 Earnings per share

The earnings considered in ascertaining the Company's EPS comprises of the net profit / loss after tax. Basic earnings per share is computed by dividing net profit / loss after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the year except where the result would be anti-dilutive. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

3.16 Taxation

Income tax comprises current tax and deferred tax. Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and provisions of the Income Tax Act, 1961 and other applicable tax laws. Advance taxes and provisions for current taxes are presented in the Balance Sheet after off-setting advance taxes paid and income tax provisions.

Deferred tax assets are recognized for all timing differences and carried forward to the extent there is reasonable certainty that sufficient future taxable profit will be available against which such deferred tax assets can be realized. Deferred tax assets to the extent they pertain to brought forward losses and unabsorbed depreciation are recognized only to the extent that there is virtual certainty supported by convincing evidence that there will be sufficient future

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

taxable income available to realise the assets.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets and liabilities are reviewed for appropriateness of their respective carrying value at each Balance Sheet date.

3.17 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognized in the financial statements.

3.18 Segment information

Based on similarity of activities, risks and reward structure, organization structure and internal reporting systems, the Company's primary business segment is recruitment and staffing services.
