Q1FY21 – Key Business Developments

- ➤ Despite of the difficult operating environment caused by COVID-19 pandemic, which has laid us to face multiple challenges, we have managed to deliver strong performance in Q1 FY 21.
- ➤ The consolidated total revenues of the Company registered a growth of 84% YoY and grew significantly to Rs. 95 crores in Q1FY21 from Rs. 51 crores. The consolidated profit after tax reflected a growth of 145% YoY and stood at Rs. 13.3 crores.
- >In terms of in-organic growth, the two major developments made in this quarter were :
 - a. Incorporation of wholly owned subsidiary "Share India Global Pte. Ltd." in Singapore, so as to trade in various international stock and commodity products; and
 - b. Acquisition of Total Commodities (India) Private Limited in order to expand commodities business.
- > We saw a strong business traction in insurance business
- This quarter also witnessed an addition of large number of new HNI's customers for which we are developing or has developed customized trading solution platform.
- > Interim Dividend declared of Rs. 0.50/- per share.

COVID PROOF GROWTH

In this COVID-19 crisis, we have extended Work from home to most of our employees.

Our IT systems have enabled us to have regular communication & engagement between our employees and clients to ensure consistent connect.

We believe to have a very minimal or no impact on our overall business revenues (except for NBFC Business) on account of COVID-19, and we are dedicated to continue the growth legacy for all our stakeholders in future.

We foresee a significant growth in our Insurance broking business amidst COVID-19 crisis.

We would like to assure our stockholders that our underlying fundamentals remain firmly intact, due to strong handhold across our business segments.
