Management Comment

Commenting on the performance, Mr. Rajinder Gupta, Chairman at Trident Group said:

“We have yet again delivered strong financial and operational performance during the quarter owing to robust contribution from our Home Textiles segment led by Terry Towels and Bed Linen. Our focus of strengthening the marketing team as well as other strategic initiatives undertaken in the past have started delivering desired results and we anticipate this traction to further improve in the upcoming quarters.

Overall, we remain buoyant and firmly believe that FY18 would be a milestone year for Trident as we are well on track to sweat our global scale capacities. This will enable us to deliver strong performance and notably improve our return ratios going forward.”
