Sub: Clarification on Price Movement

Dear Sir/ Madam,

We refer to the significant movement in the price of the Company's scrip at exchange in the recent past. In this connection, we wish to inform you that we have made disclosures of all the information / announcement within the timeline and currently there is no event or information / announcement including impending announcement, need to be reported by the Company under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations") which, in our opinion, may have a bearing on the price of the Company's scrip. Thus, the volatility in the price in the recent past is completely market driven as we know that there is lot of uncertainty associated with the events and resulting into more than normal buying and selling volumes.

The Company has always complied with the disclosure requirements as stated in the Listing Regulations and shall continue to abide with the same. We further request you to note that since the equity shares of the Company are freely traded on the stock exchange, the Company will not be in a position to comment on the movement in the price of the equity shares of the Company. We request you to take our clarification / submission made hereinabove in the subject matter on your records.

Thanking you,

Yours sincerely,

For YURANUS INFRASTRUCTURE LIMITED
