*"We are committed to follow **good and transparent business practices**. These values shall be the base and the backbone for all our endeavors to achieve our '**Corporate Vision**'.*

The board of directors of the company and every single senior personnel of management is committed to ensure that interest of every shareholder, whether big or small, remains close to their heart.

I may like to add very candidly, the **entire Chemical Sector** is poised for sustainable long-term growth.

India is being seen by the world as an option to China in many product categories. With right business strategies, we envisage favourable business conditions and market dynamics for the Company in the years ahead.

As we all know, the company has '**on going**' **ambitious business expansion plans**, largely funded with combination of internal accruals and low cost debts. We are committed to create a valuable business organization.

We have aspiring '**Corporate Vision**' to become one of the leading diversified chemical company in 'Organic Chemistry'. This reflects that the journey ahead is going to be more exciting for we all. Needless to say, that the company's businesses have immense value.

Together, we are committed to create a valuable business organization !"

To become one of the leading diversified chemical companies in 'Organic Chemistry' aiming global presence with worldwide product acceptability.

To setup world class development centre to facilitate upgrading technical capabilities and cost effective measures

- Integrity
- Credibility
- Being Human
- Law abiding
- Environment and Safety

The board of directors including the senior management is committed to:

- ✓ stick to the core businesses in organic chemistry offering innumerable growth opportunities;
- ✓ build high standard manufacturing base,
- ✓ adhere to prescribed 'Environmental & Safety Standards' and strive continuously to upgrade them and
- ✓ create sustainable 'Value' for all the stakeholders

Most importantly, respect minority shareholders and their trust in management.
