Growth Strategy

Strategy	Action Steps
Market share gains from other hair oil segments	<ul style="list-style-type: none"> ■ Convert coconut hair oil users to light hair oil users through sampling, targeted advertising campaigns, product innovation and creating awareness about product differentiation including communicating the advantages of switching to lighter hair oils. Aim for a market share of 65% by the year 2018-19
Focus on rural penetration	<ul style="list-style-type: none"> ■ Tap the increase in disposable income of rural India and convert rural consumer from unbranded to branded products by providing them with an appropriate value proposition ■ Among its key competitors, our Almond Drops is the only brand which is available in sachets - a marketing initiative to penetrate the rural market
Leverage existing strengths to introduce new products	<ul style="list-style-type: none"> ■ BCL has over the years created a strong distribution network across 3.7 mn. retail outlets which can be optimally utilized by introducing new products ■ BCL intends to extend 'Almond Drops' platform developed by its Almond Drops Hair Oil brand to other personal care products to leverage on the strong connotation of Almonds with nutrition
Pursue inorganic Opportunities	<ul style="list-style-type: none"> ■ Will seek inorganic growth opportunities in the FMCG and hair oil market as part of growth strategy ■ The inorganic growth opportunities will focus on targeting niche brands which can benefit from BCL's strong distribution network so that they can be made pan India brands
