- 2 As per the IBC, the RP has received, collated, verified many of the claims submitted by the creditors of the company. However, Liabilities has been admitted by RP is yet to be reconciled and Incorporated in the financials.
- 3 It may be further noted that in consonance with the stipulations contained in Section 14 of the code, a moratorium has been declared vide the order dated 5th May, 2022 passed by the Hon'ble NCLT Inter alia, prohibiting the following:
  - a. The institution of suits or continuation of pending suits or proceedings against the corporate debtor including execution of any judgement, decree or other in any court of law, Tribunal, Arbitration panel or other Authority

The financial results for the year ended 31st March, 2023 have been prepared on going concern basis in line with the objective of the IBC and requirements thereunder. In the view of the RP, the going concern assumption considered for the preparation of financial results has not been vitiated.
- 9 Due to ongoing "No Work No Pay" notice issued by the Company, no provision for wages has been considered, supported by the advice of legal counsel. Further, during the quarter, no Provision for salary has been made except for 24 employees who are working for maintaining minimum infrastructure.

- 12 The Resolution Professional (RP) is running with limited manpower and has appointed an independent accounting firm to undertake the day to day accounting and preparation of Financial Statement. In light of the same the RP has taken into the record the Statement of Financial Statements for the year ended 31st March 2023.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
