Disclaimer

This presentation has been prepared by Blue Dart Express Ltd. (Blue Dart or the "Company") solely for your information and for your use and may not be taken away, distributed, reproduced, or redistributed or passed on, directly or indirectly, to any other person (whether within or outside your organization or firm) or published in whole or in part, for any purpose by recipients directly or indirectly to any other person. By accessing this presentation, you are agreeing to be bound by the trailing restrictions and to maintain absolute confidentiality regarding the information disclosed in these materials. The Company may alter, modify or otherwise change in any manner the contents of this presentation, without obligation to notify any persons of such change or changes. This presentation and its contents are confidential and may not be copied, published, reproduced or disseminated in any manner.

This presentation may contain certain forward looking statements within the meaning of applicable securities law and regulations. These statements include descriptions regarding the intent, belief or current expectations of the Company or its directors and officers with respect to the results of operations and financial condition of the Company. Such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and actual results may differ from those in such forward-looking statements as a result of various factors and assumptions which the Company believes to be reasonable in light of its operating experience in recent years. Many factors could cause the actual results, performances, or achievements of the Company to be materially different from any future results, performances, or achievements. Significant factors that could make a difference to the Company's operations include domestic and international economic conditions, changes in government regulations, tax regime and other statutes. The Company does not undertake to revise any forward-looking statement that may be made from time to time by or on behalf of the Company.

This presentation contains certain supplemental measures of performance and liquidity that are not required by or presented in accordance with Indian GAAP, and should not be considered an alternative to profit, operating revenue or any other performance measures derived in accordance with Indian GAAP or an alternative to cash flow from operations as a measure of our liquidity.

In no event shall Blue Dart Express Ltd., or its directors or management, be responsible to any person or entity for any loss or damage, whether direct, indirect, incidental, consequential or otherwise, arising out of access or use or dissemination of information contained in this presentation, including, but not limited to, loss of profits.

No representation, warranty, guarantee or undertaking (express or implied) is made as to, and no reliance should be placed on, the accuracy, completeness or correctness of any information, including any projections, estimates, targets and opinions, contained herein, and no liability whatsoever is accepted as to any errors, omissions or misstatements contained herein and, accordingly, none of the Company, its advisors and representative and any of its or their affiliates, officers, directors, employees or agents, and anyone acting on behalf of such persons accepts any responsibility or liability (in negligence or otherwise) whatsoever arising directly or indirectly from this presentation or its contents or otherwise arising in connection therewith.

Readers must make their own assessment of the relevance, accuracy and adequacy of the information contained in this presentation and must make such independent investigation as they may consider necessary or appropriate for such purpose. Any opinions expressed in this presentation are subject to change without notice and past performance is not indicative of future results. By attending this presentation you acknowledge that you will be solely responsible for your own assessment of the market and the market position of the Company and that you will conduct your own analysis and be solely responsible for forming your own view of the potential future performance of the Company's business.

This presentation is not for publication or distribution or release in any country where such distribution may lead to a breach of any law or regulatory requirement. The information contained herein does not constitute or form part of an offer or solicitation of an offer to purchase or subscribe for securities for sale. The distribution of this presentation in certain jurisdictions may be restricted by law and persons into whose possession this presentation comes should inform themselves about and observe any such restrictions. None of the Company's securities may be offered or sold in the United States without registration under the U.S. Securities Act of 1933, as amended, except pursuant to an exemption from registration therefrom.

This disclaimer clause and any claims arising out of the use of the information from this presentation shall be governed by the laws of India and only the courts in Mumbai, and no other courts, shall have jurisdiction over the same. By accessing this presentation, the reader accepts this.

Key Technological Advances

Industry-leading adoption of new technology to enhance productivity, drive efficiencies, and ensure speedy and accurate information access to customers

Weight Dimension Labeling (WDL)

✓ Accurate billing

- Captures shipment dimensions & weight
- Improves billing accuracy
- Automates the process
- Enables speedy operations
- Integrates with operations ERP

Hand Held Device (OTM)

✓ Speedy delivery information

- Captures real-time field delivery information
- Supports adherence to customer SOP
- Enhances security via in-built imaging and data solutions
- Enables dynamic routing

GPS: Ground Technical Support

✓ Real-time shipment visibility

- Supports vehicle tracking through Network Control Centre (NCC)
- Provides 24X7 visibility
- Enables dynamic routing
- Enhances security

Smart Truck

✓ "Intelligent" Pick-up and Delivery

- Increases visibility of operations
- Simplifies inbound process and makes it less error-prone
- Reduces emissions and transport costs due to dynamic tour planning
- Customizable planning engine helps set conditions for number of stops for designated route

Blue Dart and DHL: Collaborating for Single-Window Customer Solutions

Partnering seamlessly to leverage each other's infrastructure and operational best practices to enhance customer experience

Associated Branding

Strong Blue Dart and DHL brands leveraged across critical customer touch points to enhance relationship and customer benefits

One Retail

Individual Blue Dart and DHL retail stores unified through common branding, products and services and experience to create the largest retail presence in India

Unduplicated Sales Channel

Robust sales mechanism jointly developed by Blue Dart and DHL to ensure that both organizations grow business without cannibalization

Joint Airside Facilities

Blue Dart and DHL share a state-of-the-art airside facility at the Bengaluru International Airport, bringing greater efficiencies and synergies

Dedicated Air Infrastructure

DHL leverages Blue Dart's dedicated air infrastructure in the country for international co-load

Upcountry Pick-up and Delivery

DHL leverages Blue Dart's robust reach across the country and superior service standards to reach at locations where it is not present directly

Sharing Global Best Practices

Blue Dart and DHL share global best practices like First Choice, Net Promoter Score, use of Smart Trucks, etc. which is aligned with the Group's objective of being Provider of Choice, Employer of Choice, and Investor of Choice

Sustainability

Both Blue Dart and DHL have a strong sustainability programme under the three pillars of GOGREEN, GOHELP and GOTEACH (under Living Responsibility)

Blue Dart: A Superbrand

- ✓ Continue to be the industry leader in delivering the triple bottom line and increase CO₂ efficiency by 30% in 2020

BLUE DART 

Key Challenges and Mitigants

Dependence on Macroeconomic and Business Environment

- Develop alternate and innovative customer-centric solutions to counter any dampening in the economic sentiment

Exposure to fluctuations in Crude Oil, Diesel and Currency

- Fuel Surcharge based pricing mechanism to counter rise in crude prices
- Fuel Surcharge based pricing mechanism to counter rise in diesel prices
- Have introduced CAF (Currency Adjustment Factor) to counter fluctuations in currency

Entry of New Organized Players as Industry Matures

- Significant barriers to entry due to infrastructure bottlenecks like limitations of airside space, time slots, licensing and others

Availability of Skilled Front-Line Manpower

- Tie-up with multiple manpower recruitment agencies

Changes in Regulatory Environment: Postal Bill, Carriage by Road Act, 2007, Karnataka Stamp Duty Act and Kerala VAT Regulations

- Closely monitor the developments and adapt as necessary
