Key Highlights

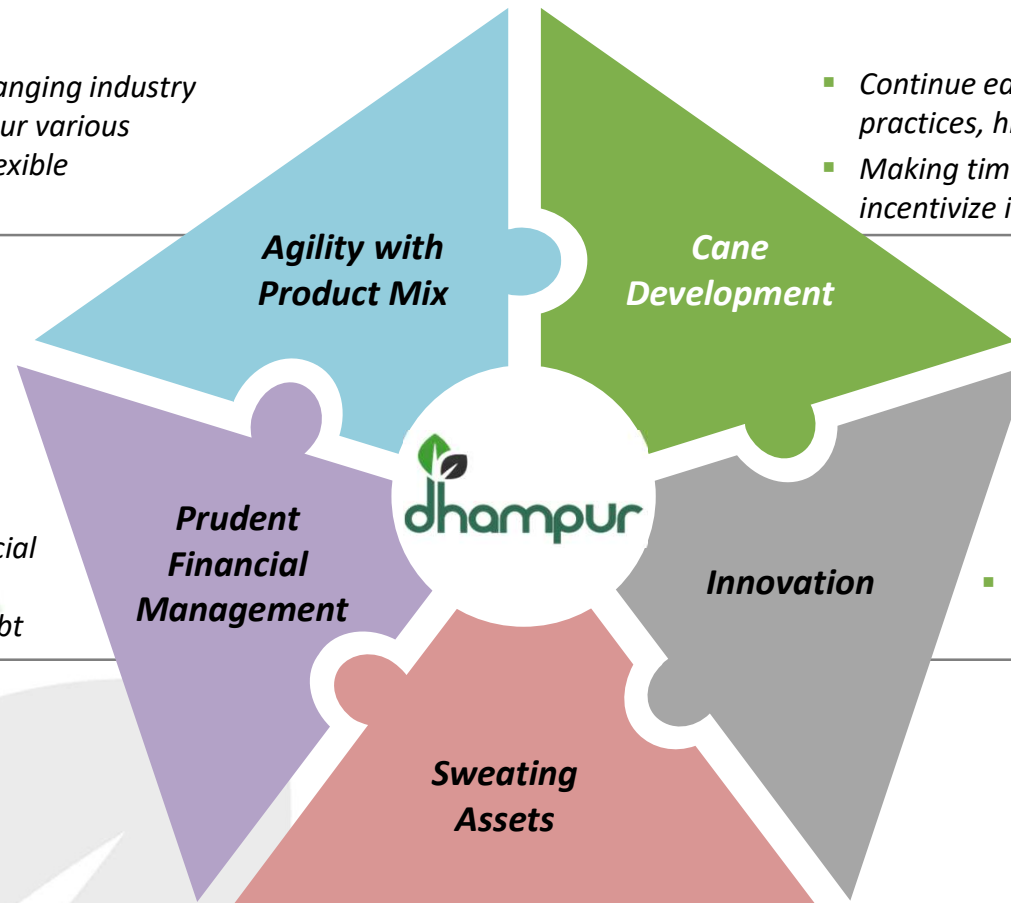

Future Business Strategy

We are currently one of the leading integrated sugar companies in India. We plan to increase our asset utilization while we keep improving on our best practices

- *Be agile in our response to changing industry trends of demands/prices of our various products on the back of our flexible manufacturing processes*

- *Continue educating farmers on best farming practices, high-yield seeds, pesticides etc.*
- *Making timely payment to farmers to incentivize increase in area under sugarcane*

- *Reduce leverage through a combination of prudent financial management and prepayment/repayment of debt*

- *With focus on zero waste, continue product and process innovation*

- *Mid-term focus not on adding new capacities but on increasing existing capacity's utilization*
- *Capitalize on any future demand pickup by increasing production*
