Strategy for organic growth over FY23-25

Exports : Increasing global presence

- Penetrate deeper in existing geographies and enter new geographies
- Strong focus on expanding presence in ASEAN
- Strengthening our sales force in Turkey, Brazil & Argentina and exploring similar opportunities in other countries

Products : Focus on development of new technologies & advanced products

- Intend to develop and introduce Illuminated logos, In Moulded Electronic (IME) parts and other new gen technologies
- Continue to build capabilities to innovate & develop new products & increase application of products across industries

Key Customers : Growing mega accounts

- Building mega accounts with existing customers by expanding the array of products
- Increase customer base by marketing existing products to new customers and explore cross selling opportunities between SJS and Exotech

Capacity Expansion : Expand chrome plating capacity to meet higher demand pipeline

- Double the chrome plating capacity to support revenues of Rs 3,000 Mn from the current Rs 1,300 Mn capacity
- Higher capacity will also enable entry into global markets

Merger & Acquisitions Strategy

SJS successfully integrated Exotech business and demonstrated credible business improvement in Exotech's FY22 performance:

- ~50% YoY growth in Revenue, increasing from Rs 685 Mn to Rs 1,020 Mn in FY22. **Exotech already achieved Rs 1,008 Mn for 9MFY23**
- **Cost synergies & efficiency resulted in Exotech EBITDA margin expansion by 70 bps YoY from 12.2% in FY21¹ to 12.8% in FY22. Continuous improvement initiatives led to another 115 bps expansion in margins to 14% in 9MFY23.**

SJS will continue ahead with more business accretive acquisitions & the rationale for it will be:

Build capability in adjacent / new aesthetic product categories

Identified key product categories to enter / expand presence which include:

- IMD / IML
- IME (In-Mould Electronics)
- Plastic injection moulding

Expand presence in consumer related industries

Enter new segments and expand presence in other consumer related industries targeting

- Appliance manufacturers
- Consumer electricals

Enter new geographies / OEMs for chrome plating

- Expand presence in chrome plating (largest segment) and increase cross selling opportunities
- Overcome logistics cost as bulky parts
- Provides direct entry into OEMs to support cross selling opportunities

Actively evaluating opportunities and building an M&A pipeline to give an impetus to revenue growth over and above the organic growth of ~25%

- **SJS will continue to outperform the industry** despite the macro economic headwinds in export markets and slow down in domestic market post festive season
- **SJS expects ~20% YoY revenue growth** on account of expected outlook for 2W, PV and Consumer Durables
- Robust margin profile and expected operating leverage to **drive PAT growth of ~20 - 25% YoY**

9M FY 23 Performance (INR Mn)		YoY Growth %
Revenue	3,264.8	24.6%
EBITDA	896.0	31.6%
EBITDA margin	26.9%	
PAT	518.7	40.6%
PAT Margin	15.9%	

- Target revenue growth of ~20% & PAT growth of ~20-25% in FY 23
- Continue to maintain best-in-class margins
- Strong cash flow generation of Rs 478 Mn in 9MFY23
- Debt free company

Q3FY23 Earnings Call Invite
