Revenues from Operations (excluding scrap and other operating income) for nine months ended December 31, 2023

- We witnessed headwinds in Indian bearing rings market which has impacted business during the quarter and is expected to remain a factor in performance for Q4 as well;
- While there has been no material challenge to our exports business from the disruption in Red Sea, we remain watchful of how shipping rates move
- We have commissioned our 11.5MW ground solar unit and expect it to start contributing towards margins from Q4 onwards;
