

Talbros Automotive Components Ltd

Q2FY22 INVESTOR PRESENTATION
November 2021

This presentation and the accompanying slides (the “Presentation”), which have been prepared by **Talbro's Automotive Components Limited** (the “Company”), have been prepared solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment whatsoever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

This presentation contains certain forward looking statements concerning the Company’s future business prospects and business profitability, which are subject to a number of risks and uncertainties and the actual results could materially differ from those in such forward looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, competition (both domestic and international), economic growth in India and abroad, ability to attract and retain highly skilled professionals, time and cost over runs on contracts, our ability to manage our international operations, government policies and actions regulations, interest and other fiscal costs generally prevailing in the economy. The company does not undertake to make any announcement in case any of these forward looking statements become materially incorrect in future or update any forward looking statements made from time to time by or on behalf of the company.

Commenting on the performance Mr. Anuj Talwar, Jt. Managing Director, Talbros Automotive Components Limited said:

“Talbros has reported Rs.285crs. of revenue during H1FY22 marking 77% of growth on YoY basis. The financials for the half-year reflects strong business performance. On quarterly basis, we reported total Income from Operations of Rs.146crs. with EBITDA and PAT margin of 14% and 8% respectively.

Our export portfolio is consistently performing well from 25% of exports in FY21 to 27% in H1FY22 as a percent of total revenue. Our standalone Forgings business achieved 53% revenue from Exports out of total forgings revenue. We remain focused on our target to achieve 30% of export in the coming years.

Talbros is diversifying at the pace with market needs. We are up to diversify our product line further with addition of critical suspension components supply to EV's. Execution of multi-year orders received in past years with additional count of EV product lines goes well in expanding our order book and margin profile.

Each of our product innovation aims to deliver best in class quality product solutions to OEMs. We always keep customer's requirement at the centre of all our operations. We are committed to showcase the performance and keep up exploring new business opportunities.”

[^] Includes other income

FORGINGS

- Supplying parts for Plug-in hybrid Electric Vehicles to OEMs globally

- Marelli Talbros is working on new RFQ's for several indian and global OEM's for supporting development of future EV's
- Marelli Talbros Supplies Critical Suspension Components to EV's.

Multi-Year order win for BIW parts

- Marelli Talbros Chassis Systems Pvt. Ltd., JV company has received multi-year order from a Large European Car Manufacturer. The Order is for supplying BIW (Body in White design) parts
- The order supplies will begin in Q1FY22 from the JV Company's plant in Pune, Maharashtra. The annual order value is estimated at Rs. 14.4 crores. The order value is estimated at approximately Rs. 92 crores over the life of the contract. No major investments will be required to fulfil this order as the JV Company has sufficient capacity.

Careful Strategic Planning And Implementation Efforts

Technical Assistance Agreement with SANWA

- Entered in a Technical Assistance Agreement (TAA) with its Japanese partner 'Sanwa Packing Industry Co. Ltd.' for Light Weight Aluminium Heat Shields
- Light Weight Aluminium Heat Shield – Nimbus (Product name) by Sanwa is the world's first aluminium light weight heatshield for exhaust systems
- This product will be used for automotive applications and is a futuristic product technology which offers value added features like Noise Reduction, Emission Control, Heat Insulation at challenging temperatures and is a widely used on new generation engines including Hybrid and EVs
- This product will be of a strong support to OEMs in building BS-VI products

Commenting on the order Mr. Anuj Talwar, Jt. Managing Director, Talbros Automotive Components Limited said:

"We had a great start of the year 2021 by addition of this order to our portfolio. This order our second large win in the current financial year and is a testimony to our capabilities of a trusted and quality focused supplier in the Auto Components Industry. This order further enhances the revenue growth visibility and will lead to operating leverage benefits due to low level of capex required to fulfil this order.

We remain buoyant on the export opportunities for Indian Auto Components Industry and believe the positive momentum to continue for specialized manufacturers like us."

Dear Supplier,

Congratulations for being awarded our GM Supplier Quality Excellence Award for the 2019 calendar year! As previously communicated in the award notification letter sent out in March, this year we are distributing certificates instead of award plaques due to the unprecedented events with COVID-19. In order to speed up the process (due to on-site office access limiting the ability to send hard copies), certificates will be distributed electronically to the awarded manufacturing location by your assigned GM SQE.

Congratulations again for your outstanding performance in 2019 and for being a valued partner. We thank you for your continued understanding and support during these unprecedented times.

Warm regards,

Richard Demuynck
Richard Demuynck,

Executive Director, Global Supplier Quality & Development
