STRATEGY & OUTLOOK

KEY FOCUS AREAS

EXPAND RETAIL PRODUCTS BUSINESS

- Leverage our 'Prabhat' brand and continue to innovate and expand our product offerings.
- Focus on increasing the availability of our products in both existing markets and new markets across India.
- Focus on increasing the share of value added products like cheese, paneer, shrikhand, curd, ice-cream, flavoured & UHT milk.

LEVERAGE INSTITUTIONAL RELATIONSHIPS TO OFFER MORE PRODUCTS

- Expand our product offerings to existing institutional customers.
- Leverage our relationships and demonstrated quality standards to add new customers in India and globally.

KEY FOCUS AREAS

HIGHER CAPACITY UTILISATION & OPERATING EFFICIENCY LEADING TO HIGHER RETURN RATIOS

- Introduce new product lines , effectively utilize dairy by-products and optimize product planning.
- We are in process of setting up captive co-generation power facility thus reducing power & fuel costs.
- Higher capacity utilisation leading to improving return ratios and profitability.

EXPAND DIRECT MILK PROCUREMENT NETWORK

- Grow direct milk procurement network by increasing the number of Prabhat Mitras (milk procurement partners).
- Increase engagement with farmers by providing additional veterinary services and quality cattle feed.
- This will help us consistently procure high quality milk while lowering our milk procurement costs.

STRATEGY & OUTLOOK

SCALING UP OUR CHEESE BUSINESS

Commissioned new cheese manufacturing facility with a capacity of 30 MT/day in 2015. This is the 3rd largest cheese plant in India.

Strategy to grow cheese business over next 2-3 years –

- Initially focus on selling cheese to HORECA and B2B segments and exports to Gulf countries.
- We have already procured orders from major pizza and burger chains like Dominos, Pizza Hut, Mc Donald's and other QSRs.
- Currently manufactures following types of Cheese –
 - Processed Cheese (Hard, Soft & Pizza)
 - Mozzarella Cheese (Diced & Shredded)
 - Cheddar Cheese
 - Ricotta Cheese
- Cheese sales in HORECA segment have already started in Maharashtra and Gujarat and are planned in South India and North India.

Cheese segment offers higher gross margin compared to other dairy products. As the capacity utilization of cheese plant gradually increases, it will have a positive impact on our overall gross margin.
