The Independent Directors have also confirmed that they have complied with the Company's Code of Conduct.

In terms of Regulations 25(8) of the Listing Regulations, the Independent Directors have confirmed that they are not aware of any circumstance or situation, which exists or may be reasonably anticipated, that could impair or impact their ability to discharge their duties with an objective independent judgment and without any external influence.

12. FAMILIARIZATION PROGRAM FOR INDEPENDENT DIRECTORS:

Independent Directors are familiarized about the Company's operations and businesses. Detailed presentations on important policies of the Company is also made to the directors. Direct meetings with the Chairman are further facilitated to familiarize the incumbent Director about the Company/its businesses and the group practices.

13. POLICY FOR SELECTION OF DIRECTORS AND DETERMINING DIRECTORS' INDEPENDENCE:

1. Scope:

This policy sets out the guiding principles for the Nomination & Remuneration Committee for identifying persons who are qualified to become Directors and to determine the independence of Directors, in case of their appointment as independent Directors of the Company.

2. Terms and References:

2.1 "Director" means a director appointed to the Board of a Company.

2.2 "Nomination and Remuneration Committee" means the committee constituted in accordance with the provisions of Section 178 of the Companies Act, 2013 and reg. 19 of SEBI (Listing Obligation and Disclosure Requirement), Regulations, 2015.

2.3 "Independent Director" means a director referred to in sub-section (6) of Section 149 of the Companies Act, 2013 and Regulation 16(1) (b) of the SEBI (Listing obligations and Disclosure Requirements) Regulations, 2015.

3. Policy:

3.1. Qualifications and criteria

3.1.1 The Nomination and Remuneration Committee, and the Board, shall review on annual basis, appropriate skills, knowledge and experience required of the Board as a whole and its individual members. The objective is to have a board with diverse background and experience that are relevant for the Company's operations.

3.1.2 In evaluating the suitability of individual Board member the NR Committee may take into account factors, such as:

- General understanding of the Company's business dynamics, global business and social perspective;
- Educational and professional background
- Standing in the profession;
- Personal and professional ethics, integrity and values;

Willingness to devote sufficient time and energy in carrying out their duties and responsibilities effectively.

3.1.3 The proposed appointee shall also fulfil the following requirements:

- shall possess a Director Identification Number;
- shall not be disqualified under the Companies Act, 2013;

Independent Auditors' Report

UDIN: 20217139AAAADR3295

To the Members of **JYOTHI INFRAVENTURES LIMITED**.

Report on the financial Statements

We have audited the accompanying standalone financial statements of **JYOTHI INFRAVENTURES LIMITED** ('the Company'), which comprise the balance sheet as at 31st March 2020, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Managements Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are Free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's

judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020 and its losses and its cash flows for the ended on that date.

ON THE FINANCIAL STATEMENTS OF
JYOTHI INFRAVENTURES LIMITED**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section
143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **JYOTHI INFRAVENTURES LIMITED** ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on my / our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on "the internal control over

financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

JYOTHI INFRAVENTURES LIMITED

Corporate Information:

JYOTHI INFRAVENTURES LIMITED ("the Company") was incorporated in India in the year 2004 having its Registered office at D-44, PHASE IV EXTN IDA JEEDIMETLA Hyderabad TG 500055 IN.

Disclosure of Significant Accounting Policies:

1. Basis for Preparation of Financial Statements:

a) Compliance with Indian Accounting Standards (Ind AS)

The Ind AS financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of the Companies Act, 2013.

The Ind AS financial statements have been prepared on the historical cost on Non-Going Concern basis except for certain instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Accordingly, the Company has prepared these Financial Statements which comprise the Balance Sheet as at 31 March, 2020, the Statement of Profit and Loss for the year ended 31 March 2020, the Statement of Cash Flows, Statement of Changes in Equity for the year ended 31 March 2020 and accounting policies and other explanatory information (together hereinafter referred to as 'Ind AS Financial Statements' or 'financial statements').

These financial statements are approved by the Board of Directors on 30.06.2020.

b) Basis of Preparation of financial statements

The separate financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) under historical cost convention on accrual basis as per the provisions of Companies Act 2013.

- Financial instruments – measured at fair value;
- Assets held for sale–measure daft air value less cost of sale;

- Plan assets under defined benefit plans—measure daft air value
- Employee share-based payments—measure daft air value
- Biological assets—measure daft air value
- In addition, the carrying values of recognized assets and liabilities, designated as hedged items in fair value hedges that would otherwise be carried at cost, are adjusted to record changes in the fair values attributable to the risks that are being hedged in effective hedge relationship.

Current and Non-Current Classification:

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. An asset is classified as current when it satisfies any of the following criteria: it is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle. it is held primarily for the purpose of being traded;

- It is expected to be realized within 12 months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- All other assets are classified as non-current.
- A liability is classified as current when it satisfies any of the following criteria:
 - It is expected to be settled in the Company's normal operating cycle;
 - It is held primarily for the purpose of being traded.
 - It is due to be settled within 12 months after the reporting date; or the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.
- All other liabilities are classified as non-current.

c) Use of estimates and judgment

The preparation of the financial statements in conformity with Ind AS, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, and expenses. Actual results may differ from these estimates.

This note provides an overview of the areas where there is a higher degree of judgment or complexity. Detailed information about each of these

estimates and judgments is included in relevant notes together with information about the basis of calculation

The areas involving critical estimates or judgments are:

S. no	Name of the estimate	Note No	Remarks
1	Goodwill impairment	Not applicable	No amount provided during the current Financial year
2	Useful life of intangible asset	Not Applicable	No intangible assets held by the company for the current financial year
3	Measurement of contingent liabilities and contingent purchase consideration in a business combination	Not applicable	Contingent transactions are recognized based on happening contingent event. No contingent liabilities for the report
4	Current tax expense and current tax payable	Note No.16	As per the Ind AS.12
5	Deferred tax assets for carried forward tax losses	Note No.5	As per the Ind AS.12
6	Impairment of financial assets	Note No.2	As per Ind AS 16

d. Standards issued but not effective (based on Exposure drafts available as on date)

The amendments are proposed to be effective for reporting periods beginning on or after 1 April 2020.

i). Issue of Ind AS117–Insurance Contracts:

Ind AS 117 supersedes Ind AS 104 Insurance contracts. It establishes the principles for the recognition, measurement, presentation and disclosure of insurance contracts within the scope of the standard. Under the Ind AS 117 model, insurance contract liabilities will be calculated as the present value of future insurance cash flows with a provision for risk.

Application of this standard is not expected to have any significant impact on the Company's financial statements.

Amendments to existing Standards

Ministry of Corporate Affairs has carried out amendments of the following accounting standards:

1. Ind AS 103 – Business Combination - nil
2. Ind AS 1, Presentation of Financial Statements and Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors
3. Ind AS 40 – Investment Property - nil

The Company is in the process of evaluating the impact of the new amendments issued but not yet effective.

2. Significant accounting policies:

A summary of the significant accounting policies applied in the preparation of the financial statements is as given below. These accounting policies have been applied consistently to all the periods presented in the financial statements.

2.1 Ind AS 105: Non-Current Assets held for Sale or Discontinued Operations:

S. No	Particulars of Disclosures	As at 31 st March 2020 (Rs.)	As at 31 st March 2019 (Rs.)
1	A Description of Non-Current Asset (Disposal group)	-	-
2	a description of the facts and circumstances of the sale, or leading to the expected disposal, and the expected manner and timing of that disposal	-	-
3	the gain or loss recognized in accordance with paragraphs 20–22 and, if not separately presented in the statement of profit and loss, the caption in the statement of profit and loss that includes that gain or loss	-	-

2.2 Ind AS 106: Exploration for Evolution of Mineral resources: This Ind AS 106 not applicable, the company is in the business of Infrastructure. Hence

this Ind AS does not have any financial impact on the financial statements of the company.

2.3 Ind AS-16: Property, Plant and Equipment:

Items of Property, Plant and Equipment are stated at cost less accumulated depreciation.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labor, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

Depreciation on the fixed assets has been provided based on useful lives as prescribed under part C of the schedule II of the Companies act, 2013.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed of).

2.4 Impairment Assets (Ind AS 36)

The Company's non-financial assets, other than deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognized if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

The books of accounts of the company doesn't carry any impairment of assets during the reporting period, hence this accounting standard does not have financial impact on the financial statements of the company.

2.5 Intangible assets (Ind AS 38):

Intangible assets are amortized over the estimated useful lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method are reviewed at least at each financial year end. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortization period or method, as appropriate, and are treated as change in accounting estimates. The amortization expense on intangible assets with finite useful lives is recognized in profit or loss.

2.6 Cash Flow Statement (Ind AS 7):

Cash flows are reported using the indirect method under Ind AS 7, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

a). Non-cash items: Nil

b). Changes in Liability Arising from Financing Activity

Particulars	01-Apr-19	Cash Flow	
		(Net)	
			31-Mar-20
Current Borrowings	-	-	-
Non-current Borrowings	1,78,99,181	16,15,000	1,95,14,181
Total	1,78,99,181	16,15,000	1,95,14,181

2.7 Operating Cycle:

The Company has adopted its normal operating cycle as twelve months based on the nature of products and the time between the acquisition of assets for processing and their realization, for the purpose of current / non-current classification of assets and liabilities.

2.8 Capital Work in Progress

Capital Work in Progress (CWIP) includes Civil Works in Progress, Plant & Equipment under erection and Preoperative Expenditure pending allocation on the assets to be acquired/commissioned, capitalized. It also includes payments made towards technical know-how fee and for other General Administrative Expenses incurred for bringing the asset into existence.

2.9 Investments:

Investments are classified as Non-Current and Current investments.

Investments, which are readily realisable and are intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non-current investments.

Current investments are carried at lower of cost and fair value. Non-Current Investments are carried at cost less provision for other than temporary diminution, if any, in value of such investments.

2.10 Effects of changes in foreign Rates (Ind AS 21):

Foreign currency transactions are recorded at the exchange rates prevailing on the dates when the relevant transactions took place. Exchange difference arising on settled foreign currency transactions during the year and translation of assets and liabilities at the yearend are recognized in the statement of profit and loss.

In respect of Forward contracts entered into to hedge risks associated with foreign currency fluctuation on its assets and liabilities, the premium or discount at the inception of the contract is amortized as income or expense over the period of contract. Any profit or loss arising on the cancellation or

renewal of forward contracts is recognized as income or expense in the period in which such cancellation or renewal is made.

The company has not entered any foreign exchange transactions during the reporting period, hence this accounting standard does not have financial impact on the financial statements.

2.11 Borrowing Costs (Ind AS 23):

Borrowing costs that are attributable to the acquisition or construction of qualifying assets up to the date of capitalization of such asset are capitalized as part of the cost of such assets. All other borrowing costs are charged to the Statement of Profit and Loss.

2.12 Revenue Recognition (Ind AS 18-Revenues):

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

- a) Sales Revenue is recognized on dispatch to customers as per the terms of the order. Gross sales are net of returns and applicable trade discounts and excluding GST billed to the customers.
- b) Subsidy from Government is recognized when such subsidy has been earned by the company and it is reasonably certain that the ultimate collection will be made.
- c) Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.
- d) All other incomes are recognized based on the communications held with the parties and based on the certainty of the incomes.

2.13 Accounting for Government Grants and Disclosure of Government Assistance (Ind AS 20):

Government grants:

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attached to them and that the grants will be received.

Government grants are recognised in the Statement of Profit and Loss on a systematic basis over the years in which the Company recognizes as expenses the related costs for which the grants are intended to compensate or when performance obligations are met.

Government grants, whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets and nonmonetary grants are recognised and disclosed as 'deferred income' under non-current liability in the Balance Sheet and transferred to the Statement of Profit and Loss on a systematic and rational basis over the useful lives of the related assets.

The benefit of a government loan at a below-market rate of interest and effect of this favorable interest is treated as a government grant. The loan or assistance is initially recognised at fair value and the government grant is measured as the difference between proceeds received and the fair value of the loan based on prevailing market interest rates and recognised to the income statement immediately on fulfillment of the performance obligations. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

2.14 Inventories (Ind AS 2):

Inventories at the yearend are valued as under:

Raw Materials, Packing Material, Components, Consumables and Stores & Spares	At Cost as per First in First Out Method (FIFO)
Work in Progress and Finished goods	At lower of net realizable value and Cost of Materials plus Cost of Conversion and other costs incurred in bringing them to the present location and condition

- Cost of Material excludes duties and taxes which are subsequently recoverable.
- Stocks at Depots are inclusive of duty, wherever applicable, paid at the time of dispatch from Factories.

2.15 Trade Receivables – Doubtful debts:

Provision is made in the Accounts for Debts/Advances which is in the opinion of Management are Considered doubtful of Recovery.

2.16 Retirement and other Employee Benefits:

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders related service.

Gratuity liability is a defined benefit obligation and the cost of providing the benefits under this plan is determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out for this plan using the projected unit credit method. Actuarial gains and losses for defined benefits plan is recognized in full in the period in which they occur in the statement of profit and loss.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred. The Company presents the leave as a current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement for 12 months after the reporting date.

2.17 Ind AS 17- Leases

Finance charges in respect of finance lease obligations are recognized as finance costs in the statement of profit and loss. In respect of operating leases for premises, which are cancellable / renewable by mutual consent on agreed terms, the aggregate lease rents payable are charged as rent in the Statement of Profit and Loss.

2.18 Insurance Claims:

Insurance Claims are accounted for on the basis of claims admitted/excepted to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

2.19 Earnings per Share (Ind AS 33):

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.20 Provisions, Contingent Liabilities and Contingent Assets (Ind AS 37):

The Company recognized provisions when there is present obligation as a result of past event and it is probable that there will be an outflow of resources required to settle the obligation in respect of which a reliable estimate can be made. A disclosure for Contingent liabilities is made when there is a possible obligation or present obligations that may, but probably will not, require an outflow of resources. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent assets are neither recognized nor disclosed in the financial statements.

2.21 Prior Period and Extraordinary and Exceptional Items:

- (i) All Identifiable items of Income and Expenditure pertaining to prior period are accounted through "Prior Period Items".
- (ii) Extraordinary items are income or expenses that arise from events or transactions that are clearly distinct from the ordinary activities of the enterprise and, therefore, are not expected to recur frequently or regularly. The nature and the amount of each extraordinary item be separately disclosed in the statement of profit and loss in a manner that its impact on current profit or loss can be perceived.
- (iii) Exceptional items are generally non-recurring items of income and expenses within profit or loss from ordinary activities, which are of such, nature or incidence.

2.22 Financial Instruments (Ind AS 107 Financial Instruments: (Disclosures))

I. Financial assets:

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

a) Financial assets carried at amortized cost (AC)

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through profit or loss (FVTPL)

A Financial asset which is not classified as AC or FVOCI are measured at FVTPL e.g. investments in mutual funds. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the Statement of Profit and Loss within other gains/(losses) in the period in which it arises.

c) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose Objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

B. Investments in subsidiaries

The Company has accounted for its investments in subsidiaries at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments.

II. Financial Liabilities

A. Initial recognition

All financial liabilities are recognized at fair value.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments

1. Operating Segments (Ind AS 108)

The company is in the business Infrastructure. Hence IND AS 108 is not applicable.

2. Events Reporting Period (Ind AS-10)

An entity shall adjust the amounts recognized in its financial statements to reflect adjusting events after the reporting period.

3. Construction Contracts (Ind AS -11): The company does not have any construction contracts for the year ended.

4. Income Taxes (Ind AS 12)

Tax Expense comprises of current and deferred tax.

- **Current Tax:**

Current Tax on Income is determined and provided on the basis of taxable income computed in accordance with the provisions of the Income Tax Act, 1961.

In the year in which 'Minimum Alternative Tax (MAT) on book profits is applicable and paid, eligible MAT credit equal to the excess of MAT paid over and above the normally computed tax, is recognized as an asset to be carried forward for set off against regular tax liability when it is probable that future economic benefit will flow to the Company within the MAT credit Entitlement period as specified under the provisions of Income Tax Act, 1961.

- **Deferred Taxes:**

Deferred tax liabilities are recognized for all timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

5. Retirement and other Employee Benefits:

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders related service.

Gratuity liability is a defined benefit obligation and the cost of providing the benefits under this plan is determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out for this plan using the projected unit credit method. Actuarial gains and losses for defined benefits plan is recognized in full in the period in which they occur in the statement of profit and loss.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short term employee benefit. The Company measures

the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred. The Company presents the leave as a current liability in the balance sheet, to the extent it does not have an unconditional right to defer its settlement for 12 months after the reporting date.
