# Message From The Managing Director

Dear Shareholders,

It gives me immense pleasure to share the recent developments at Tiger Logistics through this Annual Report for FY 22-23. The last Financial Year has showcased our resilience as a company and reaffirmed our confidence in our capabilities through the trust that our clients have placed in us. I express my heartfelt gratitude to our esteemed clients, valued partners, dedicated team members, and all other industry stakeholders who have been a pivotal role in our year-on-year success.

In the last FY, we were able to steer through the challenges of a dip in freight rates and tackle global market conditions by achieving strong growth in volumes. We have aligned ourselves with the expectations of the industry with a relentless focus on our operational efficiencies and breakthrough innovations within the company.

Aligned with the country's forward movement in logistics with National Logistics Policy & ULIP, we shifted gears to become a technology-driven/digital-first company. By closely monitoring and forecasting the trends and shifts in customer behaviour, we have developed our proprietary digital freight booking and management platform, FreightJar, which is focused on bridging gaps in the industry by providing better accessibility, transparency, and visibility in the supply chain.

More importantly in the last year, we cultivated a team that would continually build FreightJar into an offering that realizes and meets gaps in specific target markets, and allows us to penetrate deeper across industry verticals and niches. As we look ahead, FreightJar will continue making strategic collaborations with NBFCs and private banks to enable cargo value finance, which help us gain wider market access to the SME exporters.

An interesting highlight has been India's budding air cargo market which has generated 2.2 million tonnes of traffic - a positive for our horizontal expansion. In this regard, I am also pleased to share that we have spread our wings with the IATA certification to bolster our International Air Cargo solutions. This will help us maximize our potential in global logistics by opening significant opportunities in the air freight market and adding value for clients across industry verticals from auto parts to pharma and electricals.

**" While there are ongoing global and geopolitical headwinds, we are cautiously optimistic that the Indian Export markets will continue to be attractive "**

While there are ongoing global and geopolitical headwinds, we are cautiously optimistic that the Indian Export markets will continue to be attractive with the potential to outpace the averages of growing nations in the coming years, with the automobile segment as the bellwether for India's manufacturing and exports.

With the pandemic coming to an end as a Global Health Emergency, we realised the paramount importance of feeling connected. The Tiger family across all our branches came together in January 2023 to celebrate 'Tiger Vision Fest 2023' which reemphasized our collective dreams and goals as an organization. As we head towards our 24th Year in 2024-25, we are prepping to define a Roadmap which will determine our strategic course and fortify our long-term success. We hope to continue our legacy of transparency, reliability and accountability forward, and position ourselves as global leaders in operational excellence.

On behalf of the Board, I wish to express my appreciation to our customers, and partners, for their continued support, and our employees for delivering successful outcomes globally.

My special thanks to all our shareholders for entrusting us. We hope to be honoured with their continued support to take our voyage to many more shores of success and growth.

Warm Regards,

**Harpreet Singh Malhotra**

## **NOTES:**

- In view of the massive outbreak of the COVID-19 pandemic, social distancing is a norm to be followed and pursuant to the Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 issued by the Ministry of Corporate Affairs followed by Circular No. 20/2020 dated May 05, 2020, Circular No. 02/2021 dated January 13, 2021 and Circular No. 21/2021 dated December 14, 2021, 02/2022 dated 5th May 2022 and latest being 10/2022 dated December 28, 2022 (“MCA Circulars”) and Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021, Circular No. SEBI/HO/DDHS/P/CIR/2022/0063 dated 13th May, 2022 and SEBI/HO/CRD/PoD-2/P/CIR/2023/4 dated 5th January, 2023 issued by the Securities Exchange Board of India (“SEBI Circular”) and all other relevant circulars issued from time to time, physical attendance of the Members to the AGM venue is not required and general meeting be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
- Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed

- with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.
  4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
  5. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL.
  6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at [www.tigerlogistics.in](http://www.tigerlogistics.in). The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com) and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
  7. AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 08, 2020 and MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020, MCA Circular No. 2/2021 dated January 13, 2021 and Circular No. 21/2021 dated December 14, 2021, 02/2022 dated 5th May 2022 and latest being 10/2022 dated December 28, 2022.

### **THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:**

**The remote e-voting period begins on Sunday, 24th September, 2023 at 09:00 A.M. and ends on Wednesday, 27th September, 2023 at 05:00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. 21st September, 2023 may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 21st September, 2023.**

## How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of “Two Steps” which are mentioned below:

### Step No. 1 - Access to NSDL e-Voting system

#### A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Login method for Individual shareholders holding securities in demat mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in demat mode with NSDL. Start-up Expenses to Fund	<ol style="list-style-type: none"> <li>Existing <b>IDeAS</b> user can visit the e-Services website of NSDL Viz. <a href="https://eservices.nsdl.com">https://eservices.nsdl.com</a> either on a Personal Computer or on a mobile. On the e-Services home page click on the “<b>Beneficial Owner</b>” icon under “<b>Login</b>” which is available under ‘<b>IDeAS</b>’ section, this will prompt you to enter your existing User ID and Password. After successful authentication, you will be able to see e-Voting services under Value added services. Click on “<b>Access to e-Voting</b>” under e-Voting services and you will be able to see e-Voting page. Click on company name or <b>e-Voting service provider i.e. NSDL</b> and you will be re-directed to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting &amp; voting during the meeting.</li> <li>If you are not registered for IDeAS e-Services, option to register is available at <a href="https://eservices.nsdl.com">https://eservices.nsdl.com</a>. Select “<b>Register Online for IDeAS Portal</b>” or click at <a href="https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp">https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp</a></li> </ol>

<p><b>Individual Shareholders holding securities in demat mode with NSDL.</b> Start-up Expenses to Fund</p>	<ol style="list-style-type: none"> <li>3. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <a href="https://www.evoting.nsdl.com/">https://www.evoting.nsdl.com/</a> either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/Member’ section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or <b>e-Voting service provider i.e. NSDL</b> and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting &amp; voting during the meeting.</li> <li>4. Shareholders/ Members can also download NSDL Mobile App “<b>NSDL Speede</b>” facility by scanning the QR code mentioned below for seamless voting experience.</li> </ol>
 <p>NSDL Mobile App is available on</p> <p>App Store Google Play</p>	<ol style="list-style-type: none"> <li>1. Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. The users to login Easi /Easiest are requested to visit CDSL website <a href="http://www.cdslindia.com">www.cdslindia.com</a> and click on login icon &amp; New System Myeasi Tab and then use your existing my easi username &amp; password.</li> <li>2. After successful login the Easi / Easiest user will be able to see the e-Voting option for eligible companies where the evoting is in progress as per the information provided by company. On clicking the evoting option, the user will be able to see e-Voting page of the e-Voting service provider for casting your vote during the remote e-Voting period or joining virtual meeting &amp; voting during the meeting. Additionally, there is also links provided to access the system of all e-Voting Service Providers, so that the user can visit the e-Voting service providers’ website directly.</li> <li>3. If the user is not registered for Easi/Easiest, option to register is available at CDSL website <a href="http://www.cdslindia.com">www.cdslindia.com</a> and click on login &amp; New System Myeasi Tab and then click on registration option.</li> <li>4. Alternatively, the user can directly access e-Voting page by providing Demat Account Number and PAN No. from a e-Voting link available on <a href="http://www.cdslindia.com">www.cdslindia.com</a> home page. The system will authenticate the user by sending OTP on registered Mobile &amp; Email as recorded in the Demat Account. After successful authentication, user will be able to see the e-Voting option where the evoting is in progress and also able to directly access the system of all e-Voting Service Providers.</li> </ol>
<p><b>Individual Shareholders holding securities in demat mode with CDSL</b></p>	

<b>Individual Shareholders (holding securities in demat mode) login through their depository participants</b>	<p>You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. upon logging in, you will be able to see e-Voting option. Click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting &amp; voting during the meeting.</p>
---	---

**Important note:** Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

### Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at <a href="mailto:evoting@nsdl.co.in">evoting@nsdl.co.in</a> or call at toll free no.: 1800 1020 990 and 1800 22 44 30
Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at <a href="mailto:helpdesk.evoting@cdslindia.com">helpdesk.evoting@cdslindia.com</a> or contact at 022- 23058738 or 022-23058542-43

### B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

#### How to log-in to NSDL E-voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen. Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

<b>Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical</b>		<b>Your User ID is:</b>
a.	For Members who hold shares in demat account with NSDL	8 Character DP ID followed by 8 Digit Client ID  <b>For example</b> if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b.	For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID  <b>For example</b> if your Beneficiary ID is 12***** then your user ID is 12*****
c.	For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company  <b>For example</b> if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:

- a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
- b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your '**initial password**', you need to enter the 'initial password' and the system will force you to change your password.
- c) How to retrieve your 'initial password'?
  - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
  - (ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**

6. If you are unable to retrieve or have not received the " Initial password" or have forgotten your password:

- a) Click on "**Forgot User Details/Password?**" (If you are holding shares in your demat account with NSDL or CDSL) option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com).

- b) Physical User Reset Password?" (If you are holding shares in physical mode) option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
  - c) If you are still unable to get the password by aforesaid two options, you can send a request at [evoting@nsdl.co.in](mailto:evoting@nsdl.co.in) mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
  - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
  8. Now, you will have to click on "Login" button.
  9. After you click on the "Login" button, Home page of e-Voting will open.

## **Step No. 2 - Cast your vote electronically and join General Meeting on NSDL e-Voting system**

### **How to cast your vote electronically and join General Meeting on NSDL e-Voting system?**

1. After successful login at Step 1, you will be able to see all the companies "**EVEN**" in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select "**EVEN**" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "**VC/OAVM**" link placed under "Join Meeting".
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "**Submit**" and also "**Confirm**" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

### **General Guidelines for shareholders**

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to [manojfcs@gmail.com](mailto:manojfcs@gmail.com) with a copy marked to [evoting@nsdl.co.in](mailto:evoting@nsdl.co.in). Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "**Upload Board Resolution / Authority Letter**" displayed under "**e-Voting**" tab in their login.

2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the “Forgot User Details/Password?” or “Physical User Reset Password?” option available on **[www.evoting.nsdl.com](http://www.evoting.nsdl.com)** to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of **[www.evoting.nsdl.com](http://www.evoting.nsdl.com)** or call on toll free no.: 1800 1020 990 and 1800 22 44 30 or send a request to Mr. Narendra Dev at **[evoting@nsdl.co.in](mailto:evoting@nsdl.co.in)**

**Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:**

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to **[csvishal@tigerlogistics.in](mailto:csvishal@tigerlogistics.in)**.
2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) to **[csvishal@tigerlogistics.in](mailto:csvishal@tigerlogistics.in)**. If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at step 1 (A) i.e. [Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.](#)
3. Alternatively shareholder/members may send a request to **[evoting@nsdl.co.in](mailto:evoting@nsdl.co.in)** for procuring user id and password for e-voting by providing above mentioned documents.
4. [In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.](#)

**THE INSTRUCTIONS FOR MEMBERS FOR E-VOTING ON THE DAY OF THE EGM/AGM ARE AS UNDER:**

1. The procedure for e-Voting on the day of the AGM is same as the instructions mentioned above for remote e-voting.
2. Only those Members/ shareholders, who will be present in the AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system in the AGM.
3. Members who have voted through Remote e-Voting will be eligible to attend the AGM. However, they will not be eligible to vote at the AGM.
4. The details of the person who may be contacted for any grievances connected with the facility for e-Voting on the day of the AGM shall be the same person mentioned for Remote e-voting.

**INSTRUCTIONS FOR MEMBERS FOR ATTENDING THE AGM THROUGH VC/OAVM ARE AS UNDER:**

1. Member will be provided with a facility to attend the AGM through VC/OAVM through the **NSDL e-Voting system**. Members may access by following the steps mentioned above for Access to NSDL e-Voting system. After successful login, you can see link of “**VC/OAVM link**” placed under “**Join meeting**” menu against company name. ## Change in nature of business, if any

During the Financial Year under review, there was no change in the business of the Company or in business carried by the Company.

## Fixed Deposits

The Company has not accepted any Fixed Deposits during the year under review.

## Key Developments

During the year under review, the Company has made following key developments:

### Tiger Logistics Launched its Digital Freight Platform "FreightJar"

Tiger Logistics (India) Ltd., a leading third-party logistics company with expertise in international cargo and project logistics, has launched its digital product "FreightJar".

FreightJar is a digital logistics platform which aims to streamline freight booking and management in international logistics. The platform's intuitive interface and comprehensive features have been designed to enhance operational efficiency, enabling exporters and importers to manage their shipping requirements more efficiently.

FreightJar enables users to access real-time freight rates, book freight instantly, automate documentation, and track shipments for improved accessibility, visibility, and transparency in their supply chains. Furthermore, FreightJar offers Cargo Value Financing solutions to exporters, providing them with the ability to manage cash flow and apply for collateral-free financing options.

FreightJar represents a significant leap forward in the digitization of logistics operations, enabling businesses to streamline their freight booking and management processes, and providing access to supply chain financing options to support business growth.

## ANNEXURE - IV TO THE DIRECTORS' REPORT

### CERTIFICATION BY CEO/ MD & CFO (UNDER REGULATION 17 (8) OF LISTING REGULATIONS)

The Board of Directors  
Tiger Logistics (India) Ltd.

Dear members of the board,

We have reviewed the financial statements and the cash flow statement of **Tiger Logistics (India) Ltd.** for the year ended **March 31<sup>st</sup>, 2023** and to the best of our knowledge and belief:

- (a) (i) these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading.  
(ii) these statements together present a true and fair view of the Company's affairs and are in compliance with existing Accounting Standards, applicable laws and regulations.
- (b) There are, to the best of our knowledge and belief, no transactions entered into by the Company during the year which are fraudulent, illegal or violative of the Company's Code of Conduct.
- (c) We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of the internal control systems of the Company pertaining to financial reporting and have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take for rectifying these deficiencies.
- (d) We have indicated to the Auditors and the Audit Committee:
  - (i) significant changes in internal control over financial reporting during the year;
  - (ii) significant changes in accounting policies made during the year and the same have been disclosed in the notes to the financial statements; and
  - (iii) instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over financial Reporting.

## ANNEXURE - V TO THE DIRECTORS' REPORT

### SECRETARIAL AUDIT REPORT

#### Form No. MR-3 - For the Financial Year ended 31st March, 2022

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appoint and Remuneration of Managerial Personnel) Rules, 2014]

To,  
The Members  
**Tiger Logistics (India) Ltd.**  
D-174, GF, Okhla Industrial Area,  
Phase-1 New Delhi-110020

We have conducted the secretarial audit of the compliance of applicable statutory provision and adherence to good corporate practice by **TIGER LOGISTICS (INDIA) LIMITED** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the **TIGER LOGISTICS (INDIA) LIMITED** books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representative during the conduct of secretarial audit, we hereby report that in our opinion, the Company has during the audit period covering the financial year ended on **31st March 2023** complied with the statutory provision listed hereunder and also that the company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the **TIGER LOGISTICS (INDIA) LIMITED** ("the Company") for the financial year ended on **31st March 2023** according to the provisions of:

- (i) The Companies Act 2013 (The Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
  - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;

- d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity Share) Regulations, 2021;
- e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulation, 2021;
- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations 2018.

**We have also examined compliance with the applicable clauses of the following:**

- (a) Secretarial Standard issued by The Institute of Company Secretaries of India on Meetings of the Board of Directors and General Meeting.
- (b) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We further report that, having regard to the compliance system prevailing in the company and on examination of the relevant documents and records in pursuance thereof, on the test check basis, Company has complied with the following laws applicable specifically to the Company:

**- Multimodal Transportation of Goods Act, 1993**

During the period under review, the listed entity has complied with the provisions of the above Regulations and circulars/ guidelines issued thereunder.

We further report that The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in composition of the Board of Directors that took place during the period under review were carried out in compliance with provisions of the Act.

Adequate notice is given to all the directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda item before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting Members' views are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Note: This report is to be read with our letter of even date which is annexed as '**Annexure A**' and form an integral part of this report.

## ANNEXURE - VI TO THE DIRECTORS' REPORT

### CERTIFICATE ON COMPLIANCE WITH THE CONDITIONS OF CORPORATE GOVERNANCE

To  
The Members  
**Tiger Logistics (India) Ltd.**  
D-174, GF, Okhla Industrial Area,  
Phase-1, New Delhi-110020,

We have reviewed the implementation of the Corporate Governance procedures by **Tiger Logistics (India) Limited** (the Company) during the year ended **March 31st 2023**, as per the relevant provisions of Securities Exchange Board of India (Listing Obligations and Disclosure Requirements), Regulations, 2015 ('Listing Regulations') as referred to in Regulation 15 (2) of the Listing Regulations for the period from **April 01, 2022 to March 31, 2023**, with the relevant records and documents maintained by the Company and furnished to us for our review, explanations given to us and report on Corporate Governance, as approved by the Board of Directors.

The Compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to review of procedures and implementation thereof, as adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of the opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the Directors and the Management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India warranted due to the spread of the COVID-19 pandemic, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2023.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

# Management Discussion And Analysis

## OVERVIEW AND INDUSTRY STRUCTURE AND DEVELOPMENTS:

India is positioned as the world's third-largest economy based on Purchasing Power Parity (PPP) metrics and the fifth-largest considering market exchange rates, has steadfastly reaffirmed its confidence in its economic robustness. The growth in real GDP during 2022-23 is estimated at 7.2 percent as compared to 9.1 percent in 2021-22.

Despite the triple impact of the COVID-19 pandemic, the Russian-Ukraine conflict, and coordinated policy rate hikes by central banks, primarily led by the Federal Reserve, to combat inflation, resulting in the strengthening of the US Dollar and the expansion of Current Account Deficits (CAD) in economies that rely on imports, global agencies are consistently forecasting India to sustain its position as the fastest-growing major economy. Projections have indicated a growth rate of 6.5-7.0 percent for the fiscal year 2023.

### India's Growth as a Global Manufacturing Hub

Economic growth in India is expected to be substantial with the expansion of public digital platforms and groundbreaking initiatives like PM GatiShakti, the National Logistics Policy, and Production-Linked Incentive schemes which are aimed at amplifying manufacturing output.

With foreign nations looking at India as a partner for manufacturing and a tailwind after the "China+1" business sentiment, global companies have started to direct towards India to address supply chain disruption risks, thus putting Indian commodities on the global map.

The country's total merchandise exports in FY2022-2023 are estimated to be USD447 billion—the highest ever achieved—as compared to USD422 billion in the previous fiscal. This 6 percent y-o-y growth is in tandem with other global manufacturing hubs, such as Hong Kong (SAR) China, Vietnam, and Taiwan.

### Despite Global Headwinds, India continues to be resilient

The Reserve Bank of India has taken steps to counter inflation by raising the policy interest rate, thereby withdrawing accommodative measures. Additionally, the Indian financial sector continues to exhibit resilience, supported by enhancements in asset quality and a robust expansion of credit within the private sector.

While general increase in export demand (though presently appears subdued in face of heading global recession), rebound in consumption, and public capex have contributed to a recovery in the investment/manufacturing activities of the corporate.

The GST paid by MSMEs after declining in FY21 has been rising since and now has crossed the pre-pandemic level of FY20, reflecting the financial resilience of India's small businesses.

### U.S. continues to be India's biggest trading partner at \$128.55 billion; China at second position

On account of increasing economic ties between the two countries, Exports to the U.S. rose by 2.81% to \$78.31 billion in 2022-23 as against \$76.18 billion in 2021-22, while imports grew by about 16% to \$50.24 billion.

Conversely, between 2022 and 2023, India witnessed a decrease in its bilateral trade with China, with a decline of approximately 1.5%, amounting to \$113.83 billion compared to the previous year's \$115.42 billion in 2021-22.

Exports to China experienced a significant drop of around 28%, reaching \$15.32 billion during the fiscal year 2022-23. In contrast, imports from China saw a moderate increase of 4.16%, totaling \$98.51 billion in the same period. This shift in

trade dynamics resulted in a widened trade deficit, reaching \$83.2 billion for the fiscal year, as opposed to the previous \$72.91 billion recorded in 2021-22.

### India's Climb in Logistics Performance Index (LPI 2023)

In the 7th edition of the Logistics Performance Index (LPI 2023) by the World Bank, India has made substantial advancements, propelling its rank by 6 places to secure the 38th position among 139 nations. The World Bank has acknowledged India's dedicated measures to enhance logistics efficiency, with remarkable improvements evident in 4 out of the 6 LPI indicators. These improvements can be attributed to the strategic initiatives implemented over the past few years.

## GLOBAL LOGISTICS INDUSTRY

**The global logistics market size was valued at \$9,833.8 billion in 2022 and is projected to reach \$16,794.7 billion by 2032, growing at a CAGR of 5.6% from 2023 to 2032.**

The global logistics market in 2022-2023 experienced a profound transformation due to evolving trade dynamics and geopolitical shifts. Changes in trade agreements, tariffs, and regulations prompted companies to adapt their logistics strategies, leading to increased demand for services. The emergence of new trade corridors further impacted logistics patterns, creating both challenges and opportunities for companies operating in the sector. As the world continues to navigate these changing dynamics, the logistics industry will remain dynamic, evolving, and crucial to facilitating global trade in the years to come.

The flourishing e-commerce industry and the expanding reach of high-speed network connectivity stand out as pivotal drivers positively impacting the market. As the e-commerce sector continues to burgeon, the need for efficient logistics services is on the rise. This growth is further propelled by a pronounced

shift in consumer preferences favoring online purchases.

The convenience of doorstep deliveries facilitated by online retail networks contributes significantly to the expansion of market horizons. Furthermore, manufacturers are proactively pursuing eco-friendly logistics solutions to mitigate environmental impact and enhance their eco-credentials. Notably, they are implementing logistics monitoring systems that leverage cutting-edge technologies such as blockchain, artificial intelligence (AI), the Internet of Things (IoT), and Augmented Reality (AR).

Emerging Market Trends:

### 1. Escalating Digitization and Automation:

Logistics, a crucial element of the supply chain, encompasses the efficient movement of goods, services, and pertinent information from origin to consumption. At present, the logistics industry is undergoing a substantial transformation toward digitization and automation. Logistic enterprises are progressively integrating advanced technologies like IoT, AI, machine learning, and robotics to streamline operations, fostering heightened efficiency and cost reduction. This encompasses innovations such as warehouse automation, autonomous vehicles, predictive analysis, and more.

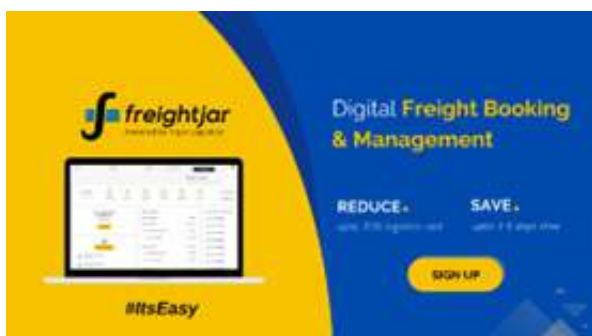

### 2. Surging Demand for Waterways Transportation:

Waterways transportation, also known as inland waterways transportation, entails the seamless transfer of goods and passengers through rivers, canals, lakes, and coastal waters. This mode of transport offers a cost-effective avenue for conveying substantial quantities of merchandise over extended distances, boasting remarkable cargo capacity. Consequently, the demand for water transportation is witnessing a notable uptick. Such factors collectively propel the growth of the global logistics market during the projected period.

In essence, the global logistics landscape is

being shaped by the synergistic forces of an expanding e-commerce sector, technological innovations, and evolving consumer preferences. These trends not only underscore the industry's adaptability but also underscore its vital role in facilitating seamless global trade and commerce.

## Launch of FreightJar: Digital Freight Booking & Management Platform

Your Company launched its proprietary product FreightJar – a Digital Freight Booking & Management Platform on 15th April 2023. Aligned with the country's forward movement through Make In India & PM Gati Shakti, FreightJar will support India's trade competitiveness in the global market and enable the reduction of logistics costs. FreightJar aims to revolutionize the way exporters and importers manage their shipping requirements and improve their operational efficiency. It solves and addresses existing challenges in the global supply chains by **providing access to better freight rates and introducing seamlessness** to the overall supply chain operations. The platform will bring in transparency to the overall logistics cost by bringing in all stakeholders involved in the logistics chain under one platform.

The platform can save a total of up to 3-5 working days in booking their freight and avoid the hassle of writing around 30-40 emails per shipment. This not only reduces logistics costs and saves time, but also allows them to go sustainable in their global supply chain operations by reducing their carbon footprint.

FreightJar will provide access to **better freight rates** from freight forwarders and credible shipping lines **and provide Cargo Invoice**

**Financing from its partner Banks & NBFCs** to more than 63 million SMEs and MSMEs; exporters and importers will be able to track their shipment and delivery schedules for taking informed decisions on their shipment. Through this platform SMEs & MSMEs will be able to:

- **Get Instant Pricing** at Better Rates from Shipping Lines & Freight Forwarders
- **Track Shipments** in real-time & have visibility of Delivery Schedules
- **Automate the Complex Documentation** Process
- **Save upto 3 Working Days time** in Booking their Shipment
- Avail **Cargo Finance** Benefits
- Get **Full transparency** on Billing & Transactions
- Make **E-payment** for their order

## INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company has a proper adequate internal control system and code of conduct to ensure that all the assets are safe guarded and protected against the loss from unauthorized use or disposition and that transactions are authorized, recorded and reported correctly.

The internal control is supplemented by an extensive internal audit, periodical review by the management and documented policies, guidelines and procedures. The internal control is designed to ensure that the financial and other records are reliable for preparing financial statements and other data and for maintaining accountability of assets.

## OPPORTUNITIES AND THREATS

In the ever-evolving global economy, the global logistics industry plays a pivotal role in facilitating the movement of goods across borders. The landscape is shaped by a multitude of factors, presenting both opportunities and threats to businesses operating within it. Understanding these dynamics is essential to strategize

effectively and ensure long-term success.

### Opportunities:

#### Global Trade Expansion:

Despite occasional trade tensions, the increasing interconnectedness of global markets presents immense opportunities in international logistics. The growth in cross-border trade fuels demand for logistics services, creating a steady flow of business.

#### E-commerce Growth:

The rapid rise of e-commerce has led to an upsurge in parcel shipments, particularly in the last-mile delivery segment. Freight forwarders can tap into this trend by offering tailored solutions for e-commerce logistics, including warehousing, order fulfillment, and efficient last-mile delivery.

#### Technological Advancements:

Technological innovations are revolutionizing the freight forwarding industry. Automation, data analytics, and artificial intelligence can enhance efficiency, accuracy, and real-time visibility. Investing in these technologies can optimize operations and provide better customer experiences.

#### Green Logistics:

Sustainability concerns are driving companies to adopt eco-friendly practices. Freight forwarders that offer carbon-neutral or low-impact transportation options can attract environmentally conscious clients and contribute to reducing the industry's carbon footprint.

### Threats:

#### Trade Regulations and Geopolitical Uncertainties:

Changes in trade regulations, tariffs, and sanctions can create uncertainties for international trade. Your company is navigating complex compliance requirements and potential disruptions caused by geopolitical tensions.

#### Competition and Price Pressure:

The freight forwarding industry is highly competitive, with many players vying for market share. This can lead to price pressure and margin erosion. To stand out, your company is differentiating through value-added services and superior customer experiences.

#### Technological Disruption:

While technological advancements offer opportunities, they also pose threats. Companies that fail to embrace digitization and automation might struggle to remain competitive as customers increasingly demand streamlined processes and real-time visibility.

#### Infrastructure and Capacity Constraints:

Insufficient infrastructure, port congestion, and limited transportation capacities can lead to delays and increased costs. Addressing these challenges is crucial for maintaining efficient operations.

#### Macroeconomic Volatility:

Economic fluctuations and currency devaluation can impact international trade volumes especially in Latin America and African markets.

#### Security and Cyber Risks:

The digital nature of modern logistics exposes the industry to cybersecurity threats. Breaches in data security or disruptions in digital systems could lead to supply chain disruptions and loss of sensitive information.

### SEGMENT-WISE PERFORMANCE

It has been explained in the notes to account of the financial statement.

### DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE.

It has been explained in the director's report.

## DEVELOPMENT IN HR

Your company has laid emphasis on improving the skills of its human resources towards achieving better performance & improving quality. Your Company has always emphasized on the principle that Human Resources are the best Assets for Organization. Thus, we keep on investing in them through modern trainings and seminars and various performance appraisal programs.

# Report on Corporate Governance for 2022-23

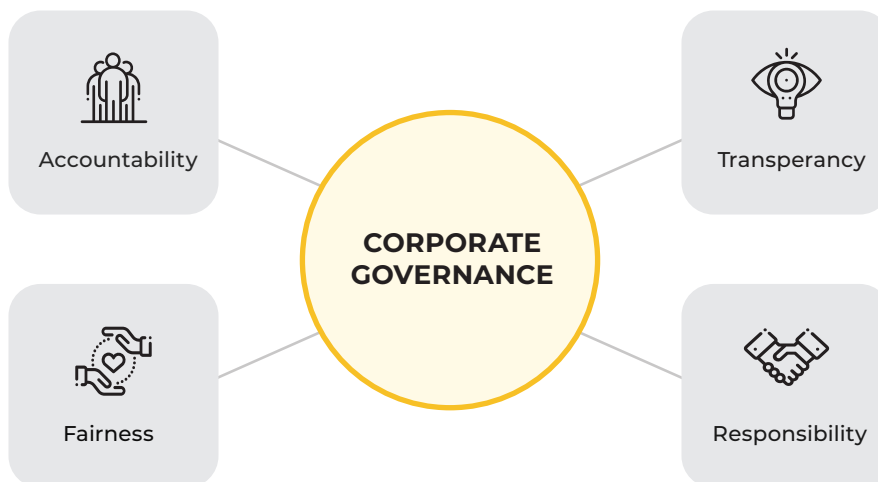

## REPORT ON CORPORATE GOVERNANCE FOR 2022-23

### PURSUANT TO SCHEDULE V OF THE SEBI (LISTING OBLIGATION AND DISCLOSURE REQUIREMENT) REGULATION, 2015

#### 1. Company's philosophy on code of governance:

The Company believes in the practice of good Corporate Governance and acting as a good corporate citizen. We are committed to define, following and practicing the highest level of corporate governance across all our business functions.

The spirit of Corporate Governance has been prevailing in the Company. The Company believes in the values of transparency, professionalism, and accountability. The Company recognizes the accountability of the Board and importance of its decisions on its customers, dealers, employees, shareholders and with every individual, who comes in contact with the Company. For the company the adherence to the corporate governance is not only from the letter of law but to do the business in a right and legal way. Corporate Governance has indeed been an integral part of the way Tiger Logistics have done business.

#### FUNDAMENTAL PILLARS OF CORPORATE GOVERNANCE

The Company is in compliance, in letter and spirit, with the requirements stipulated under provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") as applicable, with regards to corporate governance.

## 2. Board of Directors:

### (A) The composition of the board of directors as on March 31, 2023:

The Board of directors consists of 7 directors viz. Mr. Harpreet Singh Malhotra (Chairman- cum- Managing Director), Mrs Benu Malhotra (Director & CFO), Mrs Surjeet Kaur Malhotra (Non- executive director) and the other four directors are independent Non- Executive Directors. The composition of the Board is in conformity with the Regulation 17 of SEBI Listing Regulations read with section 149 of the Companies Act, 2013 entered into with the stock exchange.

Category of Directors	Board Structure	Actual Strength as on March 31, 2023
Executive Directors (including one women Director)	2	2
Non-Executive Directors (other than Independent Directors)	1	1
Independent Non-Executive Directors	4	4
<b>Total</b>	<b>7</b>	<b>7</b>

None of the directors on the Board holds directorships in more than ten public companies. Further, none of them is a member of more than ten committees or chairman of more than five committees across all the public companies in which he is a director.

The appointment of the Independent Directors is in compliance of the Listing Regulations and section 149 of the Act. The terms and conditions of appointment of the independent directors are disclosed on the website of the Company. None of the Independent Directors have any pecuniary relationship or transactions with the company, promoters, and management, which may affect independence or judgment of the directors in any manner. All the independent directors have confirmed that they meet the criteria as mentioned under the Listing Regulations and section 149 of the Act. During the year a separate meeting of the independent directors was held inter-alia to review the performance of non-independent directors and the Board as a whole. None of the Independent Directors of the Company serve as an Independent Director in more than 7 (seven) listed companies. The maximum tenure of the Independent Directors is in compliance with the provisions of the Act.

### (B) Number of board meetings held:

During the year seven Board Meetings were held and the gap between two meetings did not exceed one hundred twenty days. The dates on which the said meetings were held are 01.04.2022, 11.05.2022, 14.07.2022, 10.08.2022, 19.10.2022, 05.12.2022 and 17.01.2023. The necessary quorum was present for all the meetings.

The names and categories of the directors on the Board, their attendance at board meetings held during the year and the number of directorships and committee chairmanships/memberships held by them in other public companies as on **31st March, 2023** are given herein below.

# **Independent Auditors' Report**

**To,  
THE MEMBERS OF  
TIGER LOGISTICS (INDIA) LTD.**

**REPORT ON THE IND AS FINANCIAL STATEMENTS**

We, **M/S Garg Agrawal & Agrawal, Chartered Accountants**, have audited the accompanying Ind AS financial statements of Tiger Logistics India Limited (the "Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013

and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key audit matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have nothing to report in this regard.

**Management's Responsibility for Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) (Amendment) Rules, 2017. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate

accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Information other than the Financial Statements and Auditors' Report thereon**

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to

the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement,

whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or

conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those

charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (1) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (2) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (3) The Balance Sheet, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
  - (4) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
  - (5) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- (6) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (7) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - (a) The Company has disclosed details regarding pending litigations in note 3(i) of financial statements, which would impact its financial position.
  - (b) The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - (c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - (d) (i) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in

any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(ii) The management has represented, that, to the best of it’s knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(iii) Based on audit procedures which we

considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.

(iv) The Company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013

(8) With respect to the matter to be included in the Auditors’ Report under Section 197(16) of the Act, in our opinion and according to the information and explanations given to us, the managerial remuneration has been paid / provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.

## ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

Report as required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013 (Refer to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date) With reference to the Annexure A referred to in the Independent Auditors' Report to the members of the Company on the financial statements for the year ended March 31, 2023, we report the following:

(i) (a) (A) The Company has proper records related to full particulars including quantitative details and situation of Property, Plant and Equipment.

(B) The company is maintaining proper records showing full particulars of intangible assets.

(b) In our opinion Property, Plant and Equipment have been physically verified by the management at reasonable intervals. No material discrepancies were noticed on such verification during the year. The same have been properly dealt with in the books of account.

(c) the title deeds of immovable properties are held in the name of the Company.

(d) The company has not revalued its Property, Plant and Equipment during the year. Therefore, the provisions of Clause (i)(d) of paragraph 3 of the order are not applicable to the company.

(e) No proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Therefore, the provisions of Clause (i)(e) of paragraph 3 of the order are not applicable to the company.

(ii) (a) Since the company is in the service industry hence disclosure related to inventory is not applicable.

(b) During the year, the company has been

sanctioned working capital limits, from banks or financial institutions on the basis of security of current assets.

(iii) During the year, the company has made investments in mutual funds and has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties.

(iv) According to the information and explanations given to us and on the basis of our examination of records the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees, and security.

(v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from public. Therefore, the provisions of Clause (v) of paragraph 3 of the order are not applicable to the Company.

(vi) As explained to us, the Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company. Therefore, the provisions of Clause (vi) of paragraph 3 of the order are not applicable to the Company.

(vii) (a) The Company is generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income tax, Sales Tax, Wealth tax, Service tax, Duty of Customs, duty of Excise, Value Added Tax, GST, Cess and other statutory dues with the appropriate authorities to the extent applicable to it. There are no undisputed amounts payable in respect of income tax, wealth tax, service tax, sales tax, value added tax, duty of customs, duty of excise or cess which have remained outstanding as at March 31, 2023 for a period of

more than 6 months from the date they became payable.

(b) According to the information and explanations given to us, there are not any statutory dues referred in sub- clause (a) which have not been deposited on account of any dispute. Therefore, the provisions of Clause (vii)(b) of paragraph 3 of the order are not applicable to the Company.

(c) According to the records of the Company, the dues outstanding of income-tax, Service tax, and others which are under dispute, are as follows:

S.No.	Particulars	Current Year	Previous Year
1.	Show cause / demand / notices by Income Tax authorities being disputed by the Company net of payments	NIL	9,32,080
2.	Show cause / demand / notices by Central Excise and Service Tax authorities being disputed by the Company	5,65,06,536	5,65,06,536
3.	Outstanding Bank Guarantees	15,99,116	17,72,839
4.	Claims against the Company not acknowledged as debts	3,90,65,841	3,80,86,042

(viii) In our opinion and according to the information and explanations given to us, there is no any transaction not recorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(ix) (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of any loan or other borrowings or any interest due thereon to any lender.

(b) In our opinion and according to the information and explanations given to us, the company has not been a declared wilful defaulter by any bank or financial institution or other lender.

(c) In our opinion and according to the information and explanations given to us, no term loans have been applied during the year.

(d) In our opinion and according to the information and explanations given to us, there are no funds raised on short term basis which have been utilised for long term purposes.

(e) In our opinion and according to the information and explanations given to us, the company has not taken any funds from any entity or person on account of or

to meet the obligations of its subsidiaries, associates or joint ventures.

(f) In our opinion and according to the information and explanations given to us, the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.

(x) (a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments). Therefore, the provisions of Clause (x)(a) of paragraph 3 of the order are not applicable to the Company.

(b) In our opinion and according to the information and explanations given to us, the company has made preferential allotment or private placement of shares

during the year and the requirements of section 42 and section 62 of the Companies Act, 2013 have been complied with and the funds raised have been used for the purposes for which the funds were raised.

(xi) (a) We have not noticed any case of fraud by the company or any fraud on the Company by its officers or employees during the year. The management has also not reported any case of fraud during the year.

(b) During the year no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) As auditor, we did not receive any whistle-blower complaint during the year.

(xii) The company is not a Nidhi Company. Therefore, the provisions of Clause (xii) of paragraph 3 of the order are not applicable to the Company.

(xiii) As per the information and explanations received to us all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act where applicable, and the details have been disclosed in the financial statements, etc., as required by the applicable accounting standards. Identification of related parties were made and provided by the management of the company.

(xiv) The company is covered by section 138 of the Companies Act, 2013, related to appointment of internal auditor of the company. Therefore, the company is required to appoint an internal auditor. Therefore, the provisions of Clause (xv) of paragraph 3 of the order are applicable to the Company.

(a) The company has an internal audit system commensurate with the size and nature of its business

(b) The reports of the Internal Auditors for the period under audit were considered by us.

(xv) The Company has not entered into any non-cash transactions with directors or persons connected with him for the year under review. Therefore, the provisions of Clause (xv) of paragraph 3 of the order are not applicable to the Company.

(xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

(b) The company has not conducted any Non-Banking Financial or Housing Finance activities during the year.

(c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.

(d) As per the information and explanations received, the group does not have any CIC as part of the group.

(xvii) The company has not incurred cash loss in the current year as well as immediately preceding financial year.

(xviii) The term of M/S V.K Sehgal & Associates, Chartered Accountants who were the statutory auditor of the company has been expired in the current financial year. Accordingly, M/S Garg Agrawal & Agrawal were appointed as statutory auditors of the company in its last AGM held on 21-09-2022.

(xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the

balance sheet date.

(xx) The company falls under the provisions of section 135 of the Companies Act, relating to Corporate Social Responsibility. Therefore, the provisions of Clause (xx) of paragraph 3 of the order is applicable to the Company.

(xxi) The company has not made investments in subsidiary company. Therefore, the

company does not require to prepare consolidated financial statement. Therefore, the provisions of Clause (xxi) of paragraph 3 of the order are not applicable to the Company.

Our opinion is not modified in respect of these matters.

## ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in Paragraph 2 under the heading “Report on other legal and regulatory requirements” of our report to the Members of Tiger Logistics India Limited of even date)

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Tiger Logistics India Limited (“the Company”) as of March 31, 2023 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

#### Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance note”) and the Standards on Auditing as specified under section 143(10) the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those

Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements

for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and directors of the Company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Ind AS financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

For Garg Agrawal & Agrawal

#### **Chartered Accountants**

Firm's Registration No.016137N

CA Ashok Agrawal

**(Partner)**

Membership No. 500883

UDIN: 23500883BGVLBP7030

**Place:** New Delhi, India

**Date-** 11/05/2023

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

### **Note 1: Corporate Information:**

Tiger Logistics India Ltd. incorporated in 2000, is a public limited Company domiciled in India. It is a third-party logistics services provider. Its business covers international freight forwarding, supply chain management, project logistics defense logistics and cold chain logistics. Company is also customs house agent. It has got listed at BSE SME Platform in the year 2013 and then migrated at the main board of BSE. The registered office of the Company is located at D-174, Okhla Industrial Area, Phase-1, New Delhi-110020

### **Note 2: Basis Of Preparation Of Financial Statements:**

These financial statements are prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Effective April 1, 2017, the Company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101 First time adoption of Indian Accounting Standards, with April 1, 2016 as the transition date. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

### **Note 3: Significant Accounting Policies:**

#### **a) Use of estimates and judgments:**

- i) The preparation of the financial statements, in conformity with the generally accepted accounting principal, require estimates and assumptions to be made that affect the

reported amount of assets and liabilities as at the date of the financial statements and the reported amount of revenues and expenses during the reported period. Difference between the actual results and estimates are recognized in the period in which results materialize.

- ii) The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

#### **b) Revenue Recognition:**

- i) **Sales:** Sales comprise sale of services. Revenue from sale of services (freight & forwarding) is recognized on accrual basis on completion of job
- ii) **Dividend & Other Income:** Dividend income from investments is recognized when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

### c) Property, Plant and Equipment

On transition to Ind AS, the company has adopted optional exemption under Ind AS 101 to measure Property, Plant and Equipment at previous GAAP carrying value. Consequently, the previous GAAP carrying value has been assumed to be deemed cost of Property, Plant and Equipment on the date of transition. Subsequently, Property, Plant and equipment are stated at cost less accumulated depreciation/amortization and impairment, if any. Cost comprises of purchase price and directly attributable cost of acquisition/bringing the asset to its working condition for its intended use (net of credit availed, if any)

When significant parts of the plant and equipment are required to be replaced at intervals the company depreciates them separately based on their specific useful lives. Capital work in progress is carried at cost and directly attributable expenditure during construction period which is allocated to the property, plant and equipment on the completion of project.

Borrowing costs directly attributable to the acquisition/construction of a qualifying asset are capitalized as part of the cost of such asset till such time the asset is ready for its intended use. Other borrowing costs are recognized as an expense in the period in which they are incurred.

Depreciation is provided on written down value method over the estimated useful lives of the assets. Estimated useful lives of the assets are as follows:

Nature of assets	Estimated useful life
Furniture & Fixtures	10 Years
Office Equipment	5 Years
Vehicle	8 Years
Tralla	6 Years
Computers	3 Years
Intangible Assets	6 Years

Gains or Losses arising from de-recognition of assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of Profit and loss when the asset is derecognized.

The residual Values, useful lives and method of depreciation of property, plant and equipment are reviewed at each financial year end adjusted prospectively, if appropriate.

### d) Intangible Fixed Assets

On transition to Ind AS, the company has adopted optional exemption under Ind AS 101 to measure Intangible Assets at previous GAAP carrying value. Consequently, the previous GAAP carrying value has been assumed to be deemed cost of Intangible Assets on the date of transition. Subsequently, Intangible assets are stated at cost less accumulated amortization and impairment, if any. Cost comprises of purchase price and directly attributable cost of acquisition/bringing the asset to its working condition for its intended use (net of credit availed, if any).

Amortization is provided on a written down value method over estimated useful lives. The residual values, useful lives and method of depreciation of intangible assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

### e) Impairment of Non-Financials Assets

The carrying amounts of assets are reviewed at each reporting date if there is any indication of impairment based on internal and external factors.

An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. An asset's recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted

to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

In determining fair value less cost of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

A previously recognized impairment loss is further provided or reversed depending on changes in circumstances.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset in prior years. A reversal of an impairment loss is recognized as income immediately.

#### **f) Cash and Cash Equivalents**

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and demand deposits with an original maturity of three months or less and highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

#### **g) Foreign Currency Transactions and Foreign Operations**

- i) The functional currency of the Company and its subsidiaries is determined on the basis of the primary economic environment in which it operates. The functional currency of the Company is Indian National Rupee (INR).
- ii) In preparing the financial statements the Company, transactions in currencies other

than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions.

- iii) At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined.
- iv) Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.
- v) Exchange differences on monetary items are recognized in Statement of Profit and Loss in the period in which they arise except for:
  - Exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings; and
  - Exchange differences on transactions entered into in order to hedge certain foreign currency risks.

#### **h) Employee Benefits**

**The Company has following post- employment plans:**

##### **i) Defined Benefit Plans - Gratuity**

1. The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plan is the present value of defined benefit obligations at the end of the reporting period less fair value of plan assets. The defined benefit obligation is calculated annually by actuaries through actuarial valuation using the projected unit credit method.

2. The Company recognizes the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:
    - Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements
    - Net interest expense or income
  3. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expenses in the statement of the profit & loss.
  4. Re-measurement comprising of actuarial gains and losses arising from
    - Re-measurement of Actuarial (gains) / losses
    - Return on plan assets, excluding amount recognized in effect of asset ceiling
    - Re-measurement arising because of change in effect of asset ceiling are recognized in the period in which they occur directly in other comprehensive income.
    - Re-measurements are not reclassified to Statement of Profit and Loss in subsequent periods.
  5. Ind AS 19 requires the exercise of judgment in relation to various assumptions including future pay rises, inflation and discount rates and employee and pensioner demographics. The Company determines the assumptions in conjunction with its actuaries, and believes these assumptions to be in line with best practice, but the application of different assumptions could have a significant effect on the amounts reflected in the income statement, other comprehensive income and balance sheet. There may be also interdependency between some of the assumptions.
- 1) Under defined contribution plans, provident fund, the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums.
 

Defined Contribution plan comprise of contributions to the employees' provident fund set up as trust and certain state plans like Employees' State Insurance. The Company's payments to the defined contribution plans are recognized as expenses during the period in which the employees perform the services that the payment covers.
  - 2) A liability for a termination benefit is recognized at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognizes any related restructuring costs.

### iii) Short-term and other long-term employee benefits

- 1) A liability is recognized for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.
- 2) Liabilities recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.
- 3) Liabilities recognized in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.
- 4) Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee

### ii) Defined Contribution Plans - Provident fund

renders the related services are recognized as a liability at the present value of the obligation as at the Balance sheet date determined based on an actuarial valuation.

#### iv) Taxation

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

##### 1) Current Tax

Current tax is the amount of tax payable based on the taxable profit for the Year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

##### 2) Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary

difference arises from the initial recognition of goodwill.

Deferred tax liabilities are recognized for taxable temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognized to the extent that it is probable that there will be sufficient taxable profits against which to utilize the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets relate to the same taxable entity and same taxation authority.

##### 3) Earnings Per Share

Basic earnings per share is computed by dividing the profit/ (loss) for the year by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for treasury shares, bonus issue, bonus

element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

Diluted earnings per share is computed by dividing the profit/ (loss) for the year as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date..

#### **i) Provisions, contingencies and commitments**

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, and it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

- 1) The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).
- 2) When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as asset if it is virtually certain that reimbursement will be received and the

amount of the receivable can be measured reliably.

- 3) A disclosure for contingent liabilities is made where there is-

A possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or

A present obligation that arises from past events but is not recognized because:

- i) It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- ii) The amount of the obligation cannot be measured with sufficient reliability.

- 4) A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

- 5) Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

- 6) Provisions, contingent liabilities, contingent assets and commitments are reviewed at each reporting period.

- 7) Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract.

Contingent Liabilities (not provided for) in respect of: (as certified by Management)

S.No.	Particulars	Current Year	Previous Year
1.	Show cause / demand / notices by Income Tax authorities being disputed by the Company net of payments	NIL	9.32
2.	Show cause / demand / notices by Central Excise and	565.06	565.06
3.	Service Tax authorities being disputed by the Company	15.99	17.73
4.	Outstanding Bank Guarantees Claims against the Company not acknowledged as debts	390.66	380.86

### j) Financial Instruments

Financial assets and financial liabilities are recognized when Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in Statement of Profit and Loss.

### i) Financial Assets

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instruments. Financial assets other than trade receivables are initially recognized at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or losses are initially recognized at fair value, and transaction costs are expensed in the Statement of Profit and Loss.

### ii) Subsequent measurement

Financial assets, other than equity instruments, are subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both:

The entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

### iii) Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortized cost (except for debt instruments that are designated at fair value through profit or loss on initial recognition):

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income (except for debt instruments that are designated as fair value through profit or loss on initial recognition)

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Interest income is recognized in Statement of Profit and Loss for FVTOCI debt instruments. For the purposes of recognizing foreign exchange gains and losses, FVTOCI debt instruments are treated as financial assets measured at amortized cost. Thus, the exchange differences on the amortized cost are recognized in Statement of Profit and Loss and other changes in the fair value of FVTOCI financial assets are recognized in other comprehensive income and accumulated under the heading of 'Reserve for debt instruments through other comprehensive income'. When the investment is disposed of, the cumulative gain or loss previously accumulated in this reserve is reclassified to Statement of Profit and Loss.

All other financial assets are subsequently measured at fair value.

#### **iv) Effective interest method**

The effective interest method is a method of calculating the amortized cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognized on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognized in Statement of Profit and Loss

and is included in the "Other income" line item.

#### **v) Investments in equity instruments at FVTOCI**

On initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognized in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to Statement of Profit and Loss on disposal of the investments.

A financial asset is held for trading if:

- It has been acquired principally for the purpose of selling it in the near term; or
- On initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- It is a derivative that is not designated and effective as a hedging instrument or a financial guarantee.

Dividends on these investments in equity instruments are recognized in Statement of Profit and Loss when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably. Dividends recognized in Statement of Profit and Loss are included in the 'Other income' line item.

#### **vi) Financial assets at fair value through profit or loss (FVTPL)**

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

Debt instruments that do not meet the amortized cost criteria or FVTOCI criteria (see above) are measured at FVTPL. In addition, debt instruments that meet the amortized cost criteria or the FVTOCI criteria but are designated as at FVTPL are measured at FVTPL.

A financial asset that meets the amortized cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognizing the gains and losses on them on different bases. The Company has not designated any debt instrument as at FVTPL.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognized in Statement of Profit and Loss. The net gain or loss recognized in Statement of Profit and Loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognized when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

#### **vii) Derecognition of financial assets**

The Company derecognizes a financial asset when the contractual rights to the cash flows

from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in Statement of Profit and Loss if such gain or loss would have otherwise been recognized in Statement of Profit and Loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognize under continuing involvement, and the part it no longer recognizes on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognized and the sum of the consideration received for the part no longer recognized and any cumulative gain or loss allocated to it that had been recognized in other comprehensive income is recognized in Statement of Profit and Loss if such gain or loss would have otherwise been recognized in Statement of Profit and Loss on disposal of that financial asset. A cumulative gain or loss that had been recognized in other comprehensive income is allocated between the part that continues

to be recognized and the part that is no longer recognized on the basis of the relative fair values of those parts.

## **k) Financial liabilities and equity instruments**

### **i) Classification as debt or equity**

Debt and equity instruments issued by a Company entity are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

### **ii) Equity instruments**

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company entity are recognized at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognized and deducted directly in equity. No gain or loss is recognized in Statement of Profit and Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

### **iii) Financial liabilities**

All Financial liabilities are measured at amortized cost using effective interest method or fair value through profit and loss. However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

### **iv) Financial liabilities at FVTPL**

Financial liabilities are classified as at FVTPL

when the financial liability is either contingent consideration recognized by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

### **A financial liability is classified as held for trading if:**

- It has been incurred principally for the purpose of repurchasing it in the near term; or
- On initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- It is a derivative that is not designated and effective as a hedging instrument

A financial liability other than a financial liability held for trading or contingent consideration recognized by the Company as an acquirer in a business combination to which Ind AS 103 applies, may be designated as at FVTPL upon initial recognition if:

- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise;
- the financial liability forms part of a Company of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Company's documented risk management or investment strategy, and information about the Company is provided internally on that basis; or
- it forms part of a contract containing one or more embedded derivatives, and Ind AS 109 permits the entire combined contract to be designated as at FVTPL in accordance with Ind AS 109

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognized in Statement of

Profit and Loss. The net gain or loss recognized in Statement of Profit and Loss incorporates any interest paid on the financial liability and is included in the 'Other income' line item.

However, for non-held-for-trading financial liabilities that are designated as at FVTPL, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is recognized in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss, in which case these effects of changes in credit risk are recognized in Statement of Profit and Loss. The remaining amount of change in the fair value of liability is always recognized in Statement of Profit and Loss. Changes in fair value attributable to a financial liability's credit risk that are recognized in other comprehensive income are reflected immediately in retained earnings and are not subsequently reclassified to Statement of Profit and Loss.

Gains or losses on financial guarantee contracts and loan commitments issued by the Company that are designated by the Company as at fair value through profit or loss are recognized in Statement of Profit and Loss.

#### **v) Financial liabilities subsequently measured at amortized cost**

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over

the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

#### **vi) Derecognition of financial liabilities**

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in Statement of Profit and Loss.

#### **l) Derivative Financial Instruments**

The Company uses derivative financial instruments, such as forward foreign exchange contracts, to hedge its foreign currency risks. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value, with changes in fair value recognized in Statement of Profit and Loss.

Derivatives are initially recognized at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognized in

Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in profit or loss depends on the nature of the hedging relationship and the nature of the hedged item.

### **i) Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

### **ii) Fair value measurement**

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i) In the principal market for the asset or liability, or
- ii) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are

appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest

Level input that is significant to the fair value measurement as a whole:

**Level 1** - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

**Level 2** - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

**Level 3** - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

### **m) Reclassification of financial assets and liabilities**

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities.

For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets.

Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations.

If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in the business model. The Company

does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

## n) Leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease rentals are recognized as an expense in the Statement of Profit and Loss.

## o) Recent accounting pronouncements

### i) Ind AS 116 Leases

- Ministry of Corporate affairs has notified Ind AS 116 - Leases, which is effective from 1 April, 2019, which will replace the existing lease standard, Ind AS 17 Leases and related interpretations. The new standard sets out the principles for the recognition, measurement, presentation and disclosure of lease for both parties to a contract i.e. the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the Statement of Profit and Loss. The standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward lessor accounting requirements. Our Company is evaluating the impact of Ind AS 116 and its effect on the financial statements.

### ii) Amendments to Ind AS 12 - Income taxes

- On 30 March, 2019, Ministry of Corporate Affairs ("MCA") has notified Appendix C to Ind AS 12, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments

under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates. The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after 1 April, 2019. Our Company is evaluating the requirements and its effect on the financial statements.

### Amendments to Ind AS 12 - Income taxes

- On 30 March, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes. The amendment clarifies that an entity shall recognize the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognized those past transactions or events. Effective date for application of this amendment is annual period beginning on or after 1 April, 2019. Our Company is currently evaluating the effect of this amendment on the financial statements.

### iii) Amendment to Ind AS 19 – plan amendment, curtailment or settlement-

- on 30 March, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements. The amendments require an entity:
  - to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan

- amendment, curtailment or settlement; and
- to recognize in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognized because of the impact of the asset ceiling. Effective date for application of this amendment is annual period beginning on or after 1 April, 2019.

Our Company is currently evaluating the effect of this amendment on the financial statements.

# The Way Forward

## Future Growth Engines

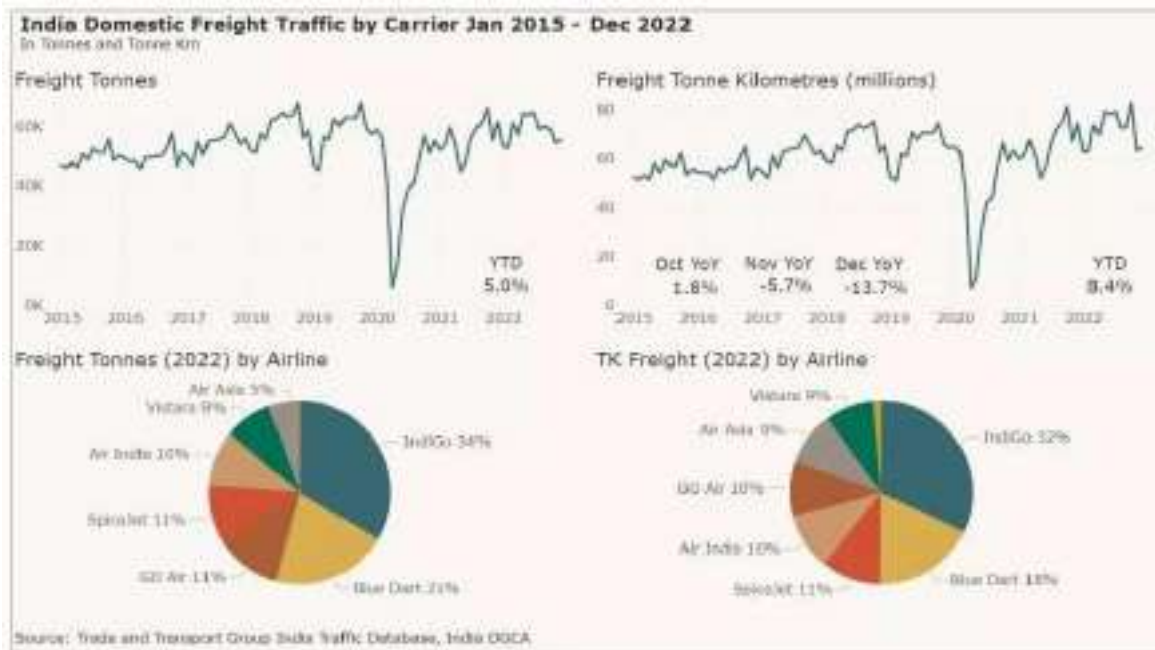

# Air Cargo

## Flying Higher in the Air Cargo Market

By end of 2022, India saw an increase in international traffic volumes of about 10% and 8% growth in the domestic market.

- The air cargo market in India is projected to grow in the coming years.
- India's relatively small share of the (global) freight market, comprising only 1%, there is ample room for growth.
- The Indian air cargo market generated 2.2 million tonnes of traffic - 1/5th the size of China's and about 1/10th the size of the U.S. air cargo market - with about 70% of traffic generated on the international sectors

The government of India's air cargo policy seeks to make India among the top five air freight markets by 2025 and to create air transport shipment hubs at all major airports over the next few years to support future industry growthifications.

Considering the market scope & dynamics, Tiger Logistics received the prestigious IATA Certificate to penetrate deeper into the logistics of pharmaceuticals, high-end fashion readymade garments, e-commerce, chemicals, aviation parts, and components, amongst others. The certification will also enhance Tiger Logistics' eligibility to participate in major government tenders by helping meet technical qualifications.

# Digital Logistics

## Launched our Digital Product

The onset of the COVID 19 pandemic opened doors to an exciting opportunity and frontier for Tiger Logistics to explore and create an engine that can propell future growth for the company. With digital adoption taking a quantum leap at both industry and organizational levels, we realized the strategic importance of technology and our vision to position ourselves in the digital logistics domain.

This was also backed by market reports that suggest exponential growth for digital freight forwarding. According to a report by Allied Insights, the global digital freight forwarding market was valued at \$2.92 billion in 2020, and is projected to reach \$22.92 billion in 2030, registering a CAGR of 23.1%, against the 4% growth recorded in the freight forwarding market.

**The global digital freight forwarding market was valued at \$2.92 billion in 2020, and is projected to reach \$22.92 billion in 2030.**

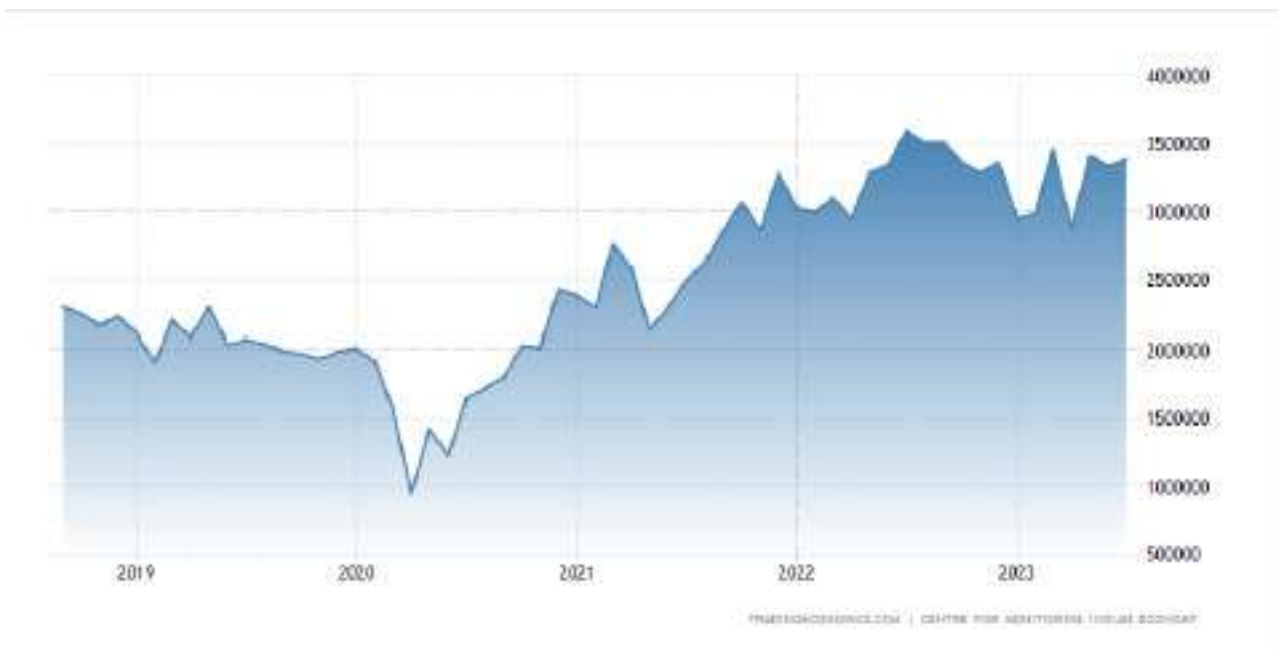

Tapping into the market potential, Tiger Logistics launched its propriety digital freight booking and management platform FreightJar in April 2023, which is aimed at helping exporters and importers book & manage their international logistics. The intuitive platform provides SMEs and MSMEs access to better freight rates from multiple shipping lines, avail cargo value financing along with features such as automated documentation, end-to end shipment tracking to ensure seamlessness, and enhanced visibility.

The demand for digital logistics in the global freight market is also expected to be propelled by the increase in trading activities and India’s rise as a manufacturing hub. With 63 million SMEs & MSMEs in the country, and 40% of India’s exports handled by SMEs and MSMEs, FreightJar will create value by gaining stronger foothold as a new engine of profitable growth.

# Imports

## The Incoming Growth Engine

With Tiger Logistics establishing itself as a leader in global logistics, specifically in trade lanes in LAC countries and growing volumes in Africa and South Asian countries, we have been able to drive positive business growth in imports from several markets including US, China, Germany, South Korea, Japan amongst others.

India Imports of Non Pol Items from 2019-2023

INR Million

**To facilitate and strengthen our import business, we are laying a strong foundation to scale imports by:**

- Forging and exploring strategic collaborations with agents and partners.
- Strengthening our imports division at Tiger Logistics by recruiting skilled talent and leadership.
- Exploring deeper into global markets of commodities and machinery to meet customer needs.

# Government Contracts

## The B2G Move

Tiger Logistics aims to strengthen its position to handle logistics for the government with a target to handle a sizeable market share. With Tiger Logistics' proven expertise and experience in bagging and handling project shipments for government contracts, for Bharat Heavy Electricals Limited (BHEL), Bank Note Paper Mill (BNPL), Hindustan Insecticides Limited (HIL), Airports Authority of India (AAI), Hindustan Aeronautics Limited (HAL), Bharat Earth Movers Limited (BEML), National Automotive Testing and R&D Infrastructure Project (NATRiP), Indian Oil Corporation Limited (IOCL), Chittaranjan Locomotive Works (CLW), IRCON International Limited, National Institute of Solar Energy (NISE) etc., underscoring the company's expertise and dedication in effectively handling diverse government projects.

We are bullish on adding more Government Projects to our clientele and enable a predictable growth, branding and assured payment cycle as a future growth engine.

## CSR Initiative

Tiger Logistics (India) Ltd. has joined hands with Parvaah, an NGO whose core objectives are to strengthen the underprivileged and economically backward rural people. As an important part of it, the role of corporate with their Corporate Social Responsibility (CSR) in India is crucial in improving the educational conditions in India. Tiger Logistics India Limited is looking forward to innovative CSR ideas in education to reach remote areas.

### Parvaah NGO's Project Sahaayata

Parvaah, has launched "Project Sahaayata" – an initiative aimed at making a meaningful impact on the lives of underprivileged students. By installing water coolers and purifiers, providing computer systems, and distributing stationery to local schools, this project is fostering a brighter and more inclusive educational environment.

#### The Essence of Project Sahaayata

"Project Sahaayata" is driven by the recognition that access to basic resources can significantly influence a child's learning experience and overall development. By addressing crucial needs like clean water, computer literacy, and essential stationery, Parvaah strives to level the playing field and empower underprivileged students to realize their potential.

#### Key Objectives

-  **Clean and Safe Drinking Water:** One of the core objectives of the project is to ensure that students have access to clean and safe drinking water. The installation of water coolers and purifiers not only promotes good health and hygiene but also creates a conducive environment for learning.
-  **Digital Literacy:** By providing computer systems, Parvaah is bridging the digital divide that often hampers underprivileged students' access to modern education. The project aims to equip students with essential digital skills that are increasingly relevant in today's world.
-  **Empowerment Through Education:** Distributing stationery to these schools is more than just providing materials – it signifies an investment in the educational journey of these students. The availability of stationery can inspire a sense of ownership and commitment to learning.
-  **Holistic Development:** Project Sahaayata recognizes that education goes beyond academics. By addressing these foundational needs, the project contributes to the holistic development of students, fostering their physical, intellectual, and emotional well-being.

#### Implementation and Impact

The execution of Project Sahaayata involves collaborative efforts with schools, local authorities, and community members. Parvaah organizes installation events, where the water coolers and purifiers are set up, computer systems are handed over, and stationery kits are distributed. These events often include interactive sessions and workshops, further enhancing the students' engagement and enthusiasm.

#### Future Vision

Project Sahaayata's success goes beyond immediate material provision. It sets a precedent for collaborative efforts to uplift disadvantaged communities in education. As the project continues to make a difference, it has the potential to inspire other organizations and stakeholders to contribute to similar initiatives, amplifying the impact across a wider spectrum.

## Parvaah's Plant Distribution Drive

In a world where environmental concerns have become increasingly urgent, NGOs play a crucial role in driving positive change. Parvaah, a dedicated nonprofit organization, has embarked on a mission to promote environmental sustainability through its innovative CSR initiative known as the "Plant Distribution Drive." This campaign centers around the distribution of tulsi plants, with the aim of fostering awareness about environmental preservation and contributing to a greener future.

### The Significance of Tulsi

Tulsi, also known as holy basil, holds a special place in Indian culture for its spiritual and medicinal properties. It's considered a sacred plant and is revered for its numerous health benefits. By choosing tulsi for their initiative, Parvaah demonstrates a deep understanding of the cultural significance of this plant while also capitalizing on its ecological advantages.

### Objectives of the Plant Distribution Drive

**Environmental Awareness:** The primary objective of the Plant Distribution Drive is to raise awareness about the importance of environmental sustainability. Tulsi, being a plant with multiple benefits for both humans and the environment, serves as an ideal symbol for this cause.

-  **Air Quality Improvement:** Tulsi is known for its air-purifying properties, as it can absorb pollutants and release oxygen. Parvaah's initiative aligns with the need to combat air pollution, making urban and rural areas healthier places to live.
-  **Biodiversity Enhancement:** Distributing tulsi plants contributes to the promotion of biodiversity by attracting pollinators and providing a habitat for small insects. This helps maintain a balanced ecosystem, which is essential for long-term environmental stability.
-  **Community Engagement:** The initiative fosters a sense of community involvement and responsibility towards the environment. By participating in the drive, individuals become active contributors to a sustainable future.
-  **Sustainability Advocacy:** Parvaah's Plant Distribution Drive aims to start conversations about the importance of sustainability in daily life. It encourages people to adopt eco-friendly practices and be more conscious of their impact on the environment.

### Execution and Impact

The Plant Distribution Drive is executed through well-organized events and workshops conducted by Parvaah across various communities. These events involve informative sessions on the benefits of tulsi plants, interactive demonstrations on planting and nurturing, and discussions about broader environmental issues. The impact is measured not only in terms of the number of tulsi plants distributed but also by assessing the level of awareness generated among participants.

### Future Prospects

As the Plant Distribution Drive gains momentum, it is likely to have a cascading effect, inspiring more NGOs, communities, and individuals to take up similar initiatives. The positive impact on air quality, biodiversity, and community engagement can set the stage for broader environmental conservation efforts.

## Parvaah Extends Helping Hand to Flood-Affected Delhi Residents

In response to the recent devastating floods that have caused havoc in Delhi, Parvaah, a prominent NGO, has taken a compassionate step forward to alleviate the suffering of the affected population. With a firm commitment to humanitarian aid, Parvaah has launched an impactful relief drive aimed at providing essential support to the aggrieved families.

Parvaah has organized the distribution of vital relief materials to the flood-affected individuals and families. The NGO's efforts encompass a comprehensive range of necessities, including food items, clothing, sanitary pads, mosquito nets etc. These provisions are not only aimed at addressing immediate needs but also at restoring normalcy in the lives of those who have lost their homes and belongings.

The initiative goes beyond the conventional understanding of relief work by addressing the multi-faceted challenges posed by the floods. By supplying food, clothing, and hygiene essentials, Parvaah is actively contributing to the physical well-being and dignity of the affected individuals. Furthermore, the distribution of mosquito nets acknowledges the potential health hazards that often follow such natural calamities, displaying the NGO's foresight and holistic approach.
