This statement, which is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with the recognition & measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with relevant rules and the circular issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial statements based on our review.

2. Scope of Review

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of *Interim Financial Information Performed by the Independent Auditors of the Entity*" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free from material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. Conclusion

Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results, prepared in accordance with the applicable Indian Accounting Standards (IndAS) specified under section 133 of the Companies Act, 2013 read with relevant rules issued there under and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of

Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

4. Emphasis of Matter

We draw attention to the following matter:

Refer Note 3 to the statement which states that Provision for gratuity & Leave with Wages liability to employees have been made on an estimated basis for the quarter ending on 31th December,2020, Accordingly short/excess if any on the basis of actuarial valuation would be adjusted in annual audited accounts for Financial Year 2020-21.
