Investor Presentation

AUGUST, 2016

This presentation and the accompanying slides (the “Presentation”), which have been prepared by Apcotex Industries Limited (the “Company”), have been prepared solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment whatsoever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

This presentation contains certain forward looking statements concerning the Company’s future business prospects and business profitability, which are subject to a number of risks and uncertainties and the actual results could materially differ from those in such forward looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, competition (both domestic and international), economic growth in India and abroad, ability to attract and retain highly skilled professionals, time and cost over runs on contracts, our ability to manage our international operations, government policies and actions regulations, interest and other fiscal costs generally prevailing in the economy. The Company does not undertake to make any announcement in case any of these forward looking statements become materially incorrect in future or update any forward looking statements made from time to time by or on behalf of the Company.

Consolidated Highlights – Q1 FY17

Revenue (In Crs)

EBIDTA (In Crs)

EBIDTA Margin

PAT (In Crs)

Standalone Performance

- Shut down of High Styrene Rubber Plant at Taloja
 - Shut down for few months for major repair works
 - Manufacture & Sale of High Styrene Rubber was met from Company's wholly owned subsidiary's (Apcotex Solutions India Private Limited) plant at Valia, Gujarat

Consolidated Performance

- Key initiatives taken in recently acquired company Apcotex Solution (Erstwhile Omnova Solutions)
 - Improving quality of NBR to strengthen market share
 - Better Working Capital Management
 - Strict Credit Policy
 - Efficient Raw Material Management to tackle volatility
 - Management of Distribution Network - Increased Sales & Better Working Capital
 - Conversion of Consignment Agents to Distributors
 - Appointment New distributors
 - Product Mix Rationalization – to focus on High Yield Products
 - Reduction in Fixed Overheads

Accretive Acquisition – Operating Benefits will significantly improve Margins*

01

ENTRY BARRIERS

02

BUSINESS OUTLOOK

Handling of Raw Materials

- Ability to handle raw material which are explosive, toxic and inflammable
- Butadiene, Acrylic Acid Acrylonitrile, Styrene and 2 VP Monomer needs special handling

Customer Approvals

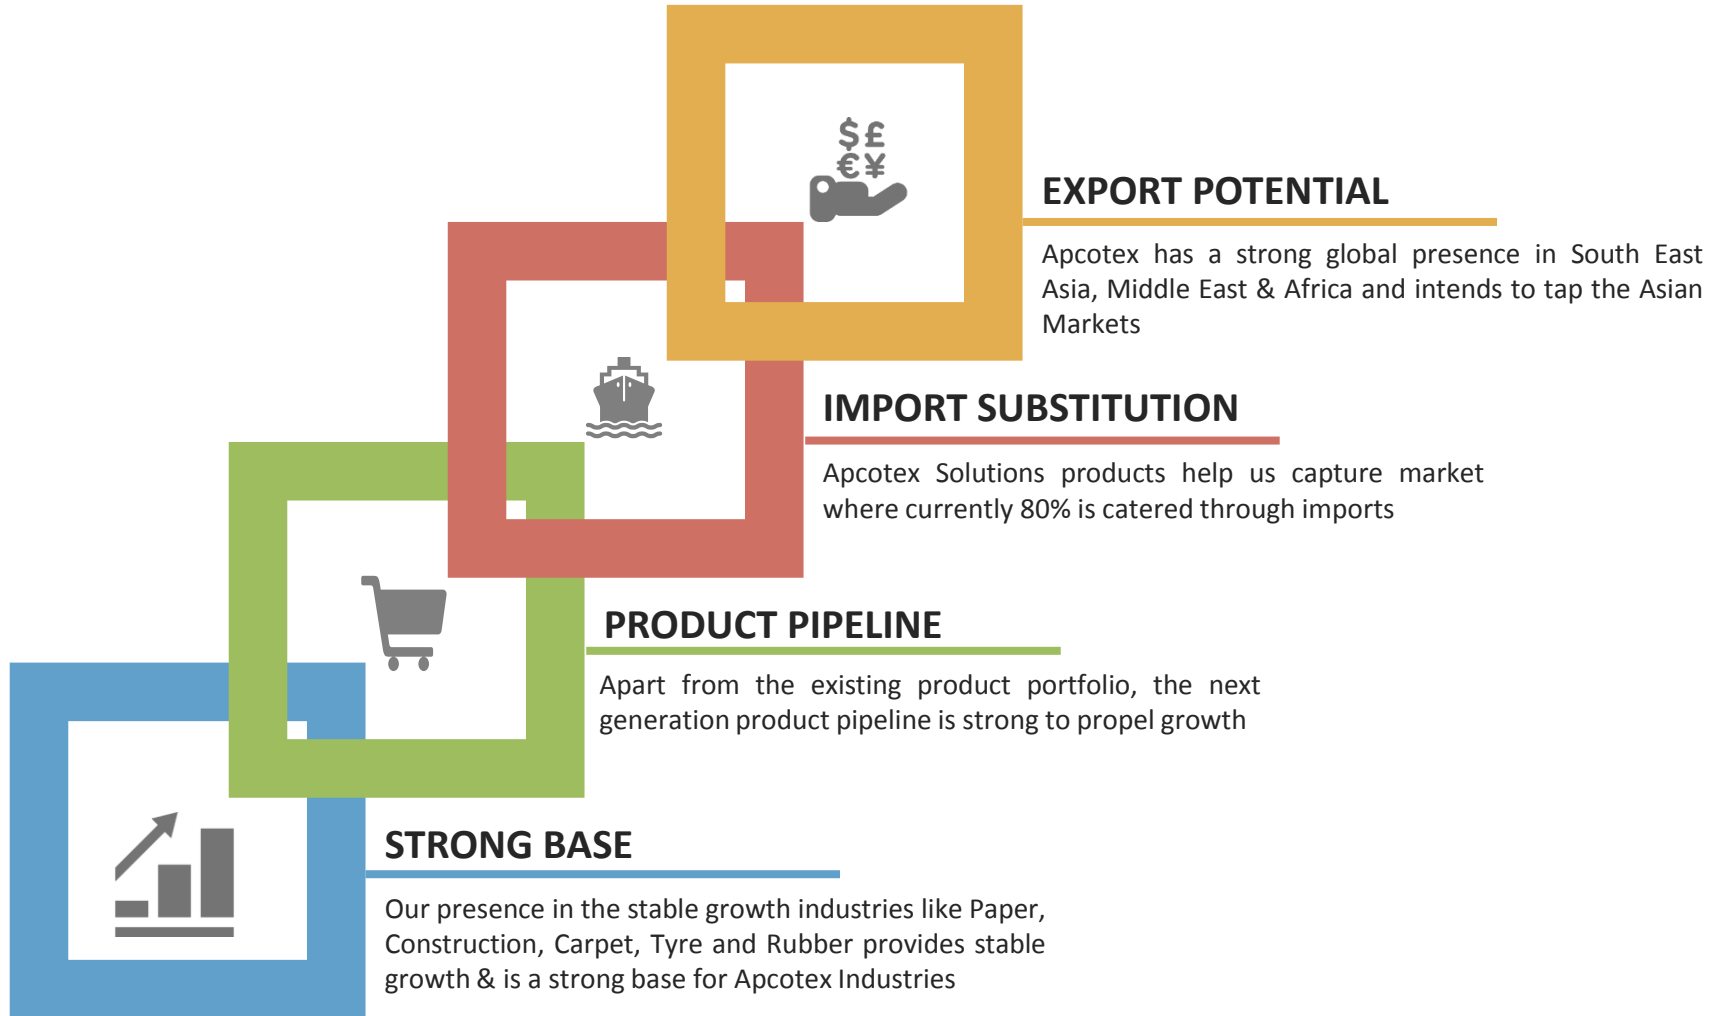

- Average customer approval cycle is from 6m to 3yrs
- The Approval Process ensures the stickiness of the Customer

Technology

- Technology is available with handful players only
- Technical service & product customization to customers

Plant Automation

- The new entrants in the industry will not be able to replicate automated plant setup
- Automation – Only way to scale operations
