SUB: Investors update

Dear Sir,

We would like to aware you about the internal expansion carried out in your company. Your Company push it self to keep the momentum of growth and to grab the many opportunities in the agro sector.

To full file the excess demand for our fertilizers we revamped our existing resources and enhanced our production capacity by 30% of our Single Supper Phosphate plant at Jalgaon, Maharashtra and Neemuch, Madhya Pradesh. The Company has obtained the necessaries permission for same from pollution control Board.

With the use of innovative technology our cold storage provide effective and efficient services to the customers and result of which the demand for our cold storage has increased and to grab the opportunity of this demand we are moving aggressively towards the expansion of our cold storage unit. We sharing some pictures of expansion activities carried out in our cold storage unit.

With the looking up demand of pipe industry and its importance in agriculture industry we put positive step into manufacture of PVC irrigation pipe to grab the demand of it in the agriculture sector. It's our forward integration. We are looking into all positive steps to expand in this project.

Our recent product of LABSA is very well accepted by the customer as quality of the product is excellent. We positively approaching the new customers and we are very much sure that this product will contribute major in the turnover of the company in coming years.

Kindly take it for information and record.

Thanking you

Yours faithfully,

For BASANT AGRO TECH (INDIA)LTD.
