Sustainable Performance to continue...

“In line with our plans for expansion in LPG Business, we are pleased to announce the Brownfield expansion of 10,200 MT at our LPG Terminal in Pipavav. Post the ongoing expansions, the total throughput capacity of LPG Division will increase to ~5 million MT.

We have seen an increase in Logistics volumes in LPG division by 64% in the current quarter led by capacity expansion and increased business from existing and new customers. Our Liquid Division has also shown a positive trend on a sequential basis and we are positive on the Long Term Sustainability of this business.

The Board has declared second interim dividend of 35% which shows the Boards confidence in the Sustainable Growth of the Company.”
