The thil annual financial results are availabole on the websites of the Stock Exchange(s) and the isted entity. <br> b) The above results have been approved at the meeting of the Board of Directors held on 12 th November, 2020, the Statuory Auditors have carried out a limited review of the Standalone Financial Results. <br> c) As electricity generation is regarded as an essential service by the Government, the Company continued its operations amidst outbreak of COVID-19. The Company's power generation capacities are tied up under medium to long term power purchase agreements with consumers and state grid. Based on the present assessment, the Management does not expect any significant impact on the businesses of the Company. The Company has evaluated the possible effects on the carrying amounts of property, plant and equipment, inventory, loans and receivables on basis of the intemal and external sources of <br>  information and deterrmined, exercisisng reasonabie estimates and juggements , that the crarrying amounts of these assets are reocverable. Considering above, and the companys liquidity position, there is no uncertainty in meeting financial obligations in the foreseeabie future. The impact of COVID-19 may differ from that estimated as at the date of approval of these finandia results. <br> d) The Company raised Rs. 20,000 lakhs during June 2020 through non-convertible debentures (NCDs) issue with a three years' term and coupon rate of $9.85 \%$ p.a. NCD's proceeds was used to repay the FY21 and FY22 (up to March 2022) principal term loans obligations. This will substantially release the cash flow obligations on account of loan repayment obligations and provide greater fiex <br> e) The figures for the corresponding periods have been regrouped and reclassified wherever necessary, to make them comparable with the figures for the current periods. <br> f) The Company is primarily engaged in only one segment viz. "Generation and Sale of power". <br> g) Formulae for computation of ratios are as follows: <br> Debt Equity Ratio = (Secured Loans + Unsecured Loans) / (Equity Share Capital + Reserves \& Surplus) <br> Debt Sevice Coverage Ratio $=$ Profit before Interest on Term Loans and Exceptional Items / (Interest on Term Loans + Principal payments made during the period for Long Term L. and Exceptional Items / Interest on Temm Loans. |  |  |  |  |
