RateGain®

Ms. Megha Chopra and Ms. Usha Chopra, part of Promoter and Promoter Group of RateGain Travel Technologies limited, have sold shares equivalent to 3% out of the total holding of 51.25% through the stock exchange mechanism on March 28, 2024.

This sale is not indicative of any shift in Bhanu Chopra's commitment to RateGain to achieve its vision of becoming the leading global travel technology company, and do not see any reason for further divestment in the shareholding in the foreseeable future.

Below is a brief statement from him to affirm the same:

"From the humble beginnings of RateGain two decades ago, we have built a strong foundation to grow into one of the biggest players in the travel tech and hospitality industry, thanks to our relentless pursuit of excellence, innovation, and the dedication of our incredible team. Throughout these years, my commitment to RateGain has been unwavering and I have been fully invested in our journey, with all my professional efforts dedicated to realizing our shared vision.

I remain fully committed to our shared goals and to leading RateGain towards even greater success, as my belief in our company's potential and delivering on our shared goals is stronger than ever.

Looking ahead, I am filled with excitement for what the future holds for RateGain. With stronger relationships with our existing clients, focus on operational excellence and the continuous innovation of our team, I am confident that we will achieve new heights and create even more value for all our stakeholders, customers, and investors."
