Dear Sir/Madam,

DroneAacharya Aerial Innovations Limited, a pioneering entity in India's burgeoning drone industry, has inked a landmark agreement with CBAI Technologies Private Limited. The agreement entails the procurement of 200 Type Certified training drones over a span of three years, marking a significant stride in DroneAacharya's mission to revolutionize drone education and skill development in the country.

Headquartered in Pune, Maharashtra, DroneAacharya has emerged as a beacon of excellence in the realm of DGCA certified drone pilot training. Boasting state-of-the-art training facilities, DroneAacharya has established its main DGCA certified drone pilot training centers in Pune, Maharashtra. Additionally, it has forged strategic partnerships to set up associated centers in Punjab in collaboration with IIT Ropar, Gujarat in partnership with Rashtriya Raksha University, and Rajasthan in partnership with Subhkhayati Aerospace Pvt. Ltd.

Since commencing drone centric training in 2022, DroneAacharya has shattered records, garnering acclaim as India's highest-rated DGCA certified drone pilot training center. The organization has also set a precedent by completing the highest number of training sessions among private entities.

"We envision immense potential within the burgeoning drone industry, driven by the surging demand for skilled talent," remarked Prateek Srivastava, Founder and Managing Director of DroneAacharya. "As highlighted by Shri Jyotiraditya Scindia, India is poised to require one lakh drone pilots, triggering a cascade of job opportunities in ancillary fields such as drone engineering, data analytics, and technical support. In light of this burgeoning demand, DroneAacharya is proud to announce its strategic collaboration with CBAI Technologies Private Limited to procure 200 Type Certified Training drones over the next three years."
