**Subject: Disclosure of material impact of COVID 19 pandemic of the Company under Regulation 30 of SEBI (LODR) Regulations, 2015**

Dear Sir/ Madam,

With reference to the SEBI circular SEBI/HO/CFD/CMD1/CIR/P/2020/84 dated May 20, 2020, read with regulation 30 of SEBI (LODR) Regulations, 2015 an update relating to the impact of the COVID-19 pandemic and the resultant lockdown, on the operations of the Company is as below:

Sr. No	Details	Description
1	Impact of the CoVID-19 pandemic on the business	The Company is engaged in the manufacturing, import and export of Dyes and Intermediates, Plastic and Specialty Chemicals. The lockdown announced on the 24th March 2020 and the various announcement by the Government around the time resulted in shut down resulting into adverse effect on the business during the quarter.
2	Ability to maintain operations including the factories/units/office spaces functioning and closed down	Our business activity has been shut down during the lockdown period as the Company was not part of Government denominated indispensable services and the Company has decide on the partial work from home policy for limited manpower during the entire period of the lockdown.
3	Schedule, if any, for restarting the operations	The Company has resumed partial business activity with 33% of manpower from May 18, 2020 with guidelines of Government of India and local state authority.
4	Steps taken to ensure smooth functioning of operations	The Company is adhering to complete safety measures at all in factories and offices to safeguard its employees from COVID – 19 disease. The Company has taken a variety of safety steps such as thermal screening of all employees and visitors, sanitizing the premises on regular basis, maintain social distancing at all work places enforcing wearing of masks and regular cleaning of hands.

5	Estimation of the future impact of CoVID-19 on its operations	The company is trying to fulfil most of orders and requirements of the customers because of underutilized production capacity. This has cause tremendous production shortages and supply chain issues leading to revenue losses to business. Thus, resulting in huge losses to the company during the current quarter which may continue for the next few quarters also.
6	Details of impact of CoVID-19 on listed entity's	The procurement of raw material has been heavily interrupted due to lockdown. In view of this disrupted economic conditions, it is difficult to ascertain the profitability accurately. The company is also facing the liquidity issue at the moment due to non-receipt of funds from its customers. The company is facing heavy difficulties paying off its debt and other financial obligations well in time.
7	Existing contracts/agreements where non-fulfilment of the obligations by any party will have significant impact on the listed entity's business	The Company is not facing that much difficulties in procuring raw materials from the suppliers, the Company is able to fulfil its commitments related to timely delivery of goods to the customers.
8	Other relevant material updates about the listed entity's business	NIL

Kindly take the same on your record.

Thanking you,  
For **CAMEX LIMITED**
