Dear Sir,

Sub: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sir,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we would like to inform you that as the threat from the COVID-19 pandemic continues to accelerate, the Company is taking appropriate measures to ensure the safety and well-being of all its employees and ensuring full compliance with the directives issued by Central & State Governments as well local administration in this regard.

The Company has already adopted Work from Home for all its office-based employees from 17th March 2020 to minimize the spread of COVID-19. For the safety of people employed in on-ground operations, we have put in place various measures on social distancing and precautionary hygienic practices.

The Indian government has announced a nationwide lockdown for 21 days from the 25th of March 2020, to stem the proliferation of COVID-19. Due to this the operations in many of our manufacturing, distribution centers, warehouses and extended supply chain partner locations have been disrupted. We have had to scale down and suspend operations in most of our operating locations.

HUL manufactures and supplies essential day-to-day products such as soaps, hand sanitizers, laundry detergents, floor cleaners, disinfectants, foods, etc. While our priority continues to be the safety of our people in these extremely challenging conditions, it is also important that we meet the demand from our consumers for products which are extremely critical under the current circumstances such as handwash, sanitizers, floor cleaners and hygiene products. We are therefore working with the government authorities to enable continuity of operations at our manufacturing and distribution locations.

Hindustan Unilever Limited

We are closely monitoring the situation and will ensure compliance with all the directives of Central Government, State Governments and local administration to contain the spread of COVID-19. The impact on the business operations is difficult to assess at this point as the situation continues to evolve at a rapid pace.

You are requested to take the above information on record.

Thanking You.

Yours faithfully,
For Hindustan Unilever Limited
