Management Commentary

Commenting on the results

Mr. Pankaj Bajaj, Chairman & Managing Director said,

Building Supply...

During the second quarter of the fiscal year 2024, our company maintained a steady performance, largely attributed to a reduced number of product launches and a transitional phase in our supply chain. We've received positive feedback on our recent launch, "Latitude 27," and are gearing up for the introduction of "Imperia Phase 2." Furthermore, we are currently in the process of seeking RERA registration for our high-rise luxury project, "Eldeco Trinity," which will add an impressive 5 lakh square feet to our portfolio.

In the period between July 2023 and September 2023, we successfully acquired 18.1 acres of new land and plan to continue our land aggregation efforts in the upcoming months. With these impending launches and other projects in our pipeline, we anticipate that our booking value will more than double in the current fiscal year. In the previous quarter, our bookings saw a 6% increase, reaching Rs. 24.7 crores compared to Rs. 23.2 crores in Q2FY23. Notably, we also delivered 96,546 sq.ft during the first half of the fiscal year 2024.

In the Q2FY24, we secured a substantial capital infusion of Rs. 160 Crores from two separate lenders, with Rs. 80 Crores having already been allocated and effectively employed to support our expansion and development initiatives. We are fully prepared to meet the heightened demand expected during the festive season, thanks to the aforementioned launches. The market's demand for high-quality real estate remains robust, and we are well-positioned to capitalize on this promising

opportunity.
