Investor Presentation

Q3' FY19

Disclaimer

This presentation may contain certain forward looking statements concerning Timex's future business prospects and business profitability, which are subject to a number of risks and uncertainties and the actual results could materially differ from those in such forward looking statements.

The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to implement strategy and manage growth, competition (both domestic and international), market demand for products, successful operation of our sales channels, price of our raw materials, economic growth in India and the target countries for exports, ability to attract and retain highly skilled professionals, time and cost over runs, our ability to manage our operations, government policies and actions with respect to investments, fiscal deficits, regulations, etc., inflation, foreign exchange rates, interest and other fiscal costs generally prevailing in the economy.

Past performance may not be indicative of future performance. We do not undertake to publicly update our forward-looking statements to reflect subsequent events or circumstances. Timex will not be responsible in any way for any action taken based on such statements.

This presentation is not intended, and does not, constitute or form part of any offer, invitation or the solicitation of an offer to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of, any securities in Timex or any of it's group companies or any other invitation or inducement to engage in investment activities, neither shall this presentation nor the fact of it's distribution form the basis of, or be relied on in connection with, any contract or investment decision. The numbers & the contents in this presentation are purely indicative and subject to change.

Founded in 1854 as the Waterbury Clock Company, Timex has 165 years of experience in watchmaking. With a rich and varied history, Timex has established a tradition of producing quality, innovative pieces.

Timex played an influential role in moving the watch from the pocket to the wrist and to this day, continues the tradition of value and invention that has long been part of this iconic brand.

About Us

Timex Group India Limited is a group company of Timex Group B.V. Netherlands.

Having entered India in 1988, Timex Group India today has one of the most powerful portfolios of brands in the watch industry.

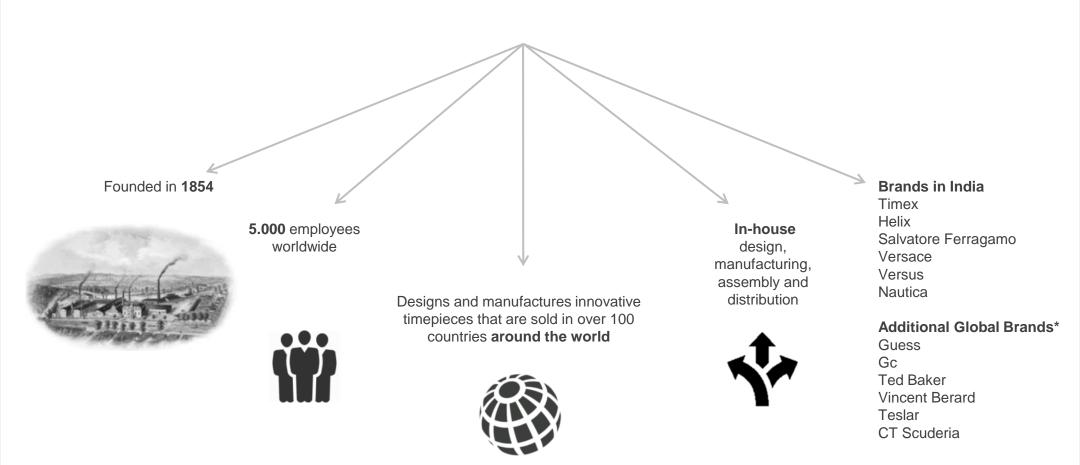

With technological innovation and cutting-edge design, we recognize the tremendous opportunity to leverage the reach and appeal of each brand's individual identity, personality and customer base.

Since 1988

Established 1854

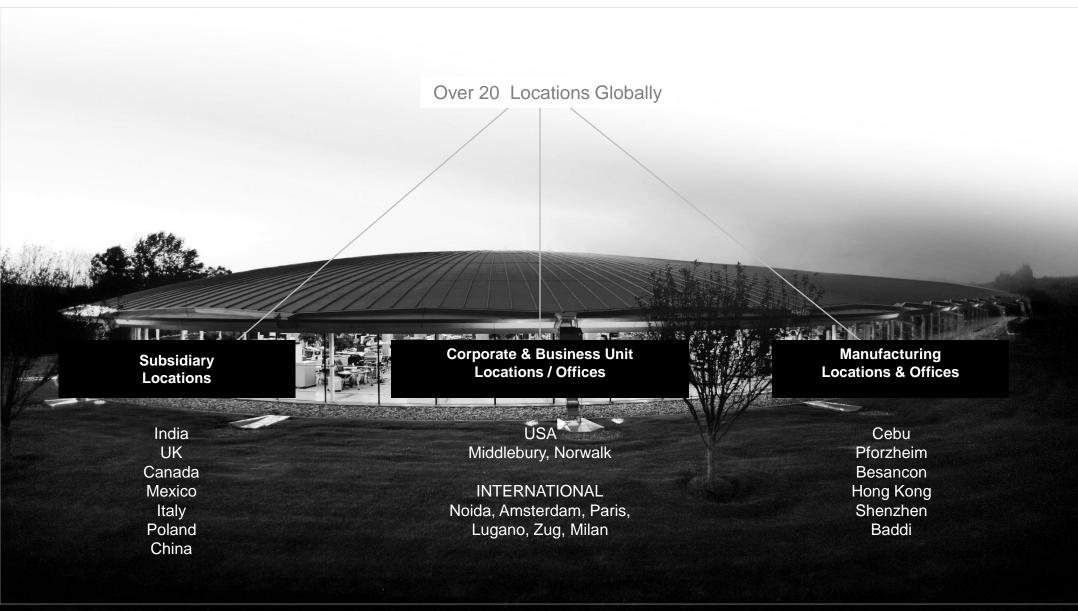

Our global resources give Timex Group India a true advantage in a highly competitive marketplace. By thinking and acting both locally and globally, we are constantly challenging ourselves to look at the future.

TIMEXGROUP

Our Values

A History Of Firsts

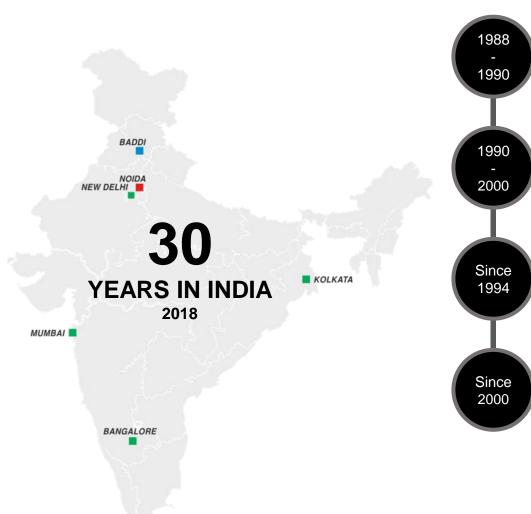

The 1970s saw our first digital watches, and we pioneered the first connected watch in the 90s. In 1992, we changed the way the world told time in the dark with our patented INDIGLO backlight.

International Design Credentials

Creative Director – Giorgio Galli

At the creative epicentre of the Timex family in Milan, the Giorgio Galli Design Lab's team originates more than 500 watches each year for brands across the Timex Group including Timex, Helix, Nautica, Versace, Versus and Salvatore Ferragamo.

Apart from Milan, Timex Group also has design studios in India and Hong Kong.

Under the directorship of Giorgio Galli, the design teams worldwide ensure that Timex is enduringly at the forefront of watch making.

Good design is the starting point of everything we do.
