Limited Review Report

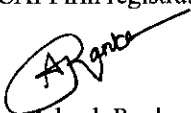

Review Report to
The Board of Directors
Sobha Limited

1. We have reviewed the accompanying statement of unaudited consolidated financial results of Sobha Group comprising Sobha Limited [formerly known as Sobha Developers Limited] ('the Company') and its subsidiaries and jointly controlled entity (together, 'the Group'), for the quarter and six months ended September 30, 2016 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.
2. This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. In respect of unaudited consolidated financial results, we did not review the standalone financial results and other financial information of eleven subsidiaries whose audited financial results reflect total revenue of ₹ 309 million for the quarter ended September 30, 2016 and ₹ 442 million for the six months ended September 30, 2016 and total assets of ₹ 5,810 million as at September 30, 2016. The financial information for these subsidiaries have been audited by the other auditors whose reports have been furnished to us, and our conclusion on the unaudited consolidated financial results is based solely on the reports of the other auditors.
5. Based on our review conducted as above and on consideration of reports of other auditors on the separate financial results and on the other financial information of the components, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the applicable Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Other matters:

6. We have not audited or reviewed the Statement and other financial information for the year ended March 31, 2016 and for the quarter and six months ended September 30, 2015 which have been presented solely based on the information compiled by the Company's management.

PASSION. AT WORK

Speaking on the occasion, Mr. J.C. Sharma, Vice Chairman and Managing Director, Sobha Limited, said, "During the quarter ended September, 2016, the Company earned revenues of Rs. 5.52 billion. The PBT stood at Rs. 612 million and PAT at Rs. 386 million. The Company has seen consistent improvement in cash flow and generated net positive operational cash flow for the past five consecutive quarters. In Q2'17, the Company launched 'Sobha Palm Court' in Yelahanka, North Bangalore with a total saleable area of 0.51 million square feet. Additionally, first phase of 'Marina One' project has been soft launched in Cochin, Kerala, comprising of 0.60 million square feet."

Mr. Sharma further stated, "The year 2016-17, is witnessing significant structural reforms in the Indian economy. These reforms are evident from the passage of the Goods and Services Tax (GST) Act, the Real Estate (Regulation and Development) Act, 2016 (RERA) and the recent demonetization of high value currency notes of Rs. 500 and Rs. 1000. The demonetization step has taken everyone by surprise. Never before such significant reforms, impacting everyone and every sector, has been witnessed in a meaningful manner. Sobha welcomes and supports these reforms as it will help bring transparency, ease of doing business and substantial benefits to consumers as well as organized developers like us. However, the immediate impact on the economy in transition will take a couple of quarters to stabilize. We are of the firm opinion that barring some short term challenges, the Company will play an important role in this new liberalized post reform era."

The RERA will realign real estate sector with the global standards of doing business. This will result in more fund flow from institutional investors, banks and make it easy for foreign entities to invest in India. In the long run this will lead to an economy that is more attuned to global compliance standards, is transparent and emerging as an industry with high levels of corporate governance.

Furthermore, he added, "As India is one of the fastest growing large economies we believe that the recent structural changes will spur demand revival in real estate sector as products will become more affordable for the end users."
