Industry Performance Review (2015-16)

Vehicle Segment	Production YoY Growth# in %	Rane Group Sales Growth in % (India OEM)	Rane Group Revenue Split *
Passenger Cars (PC)	4%	15%	43%
Utility Vehicles (MUV)	14%	17%	17%
Vans (MPV)	6%	-5%	2%
Small Commercial Vehicles (SCV)	-10%	-1%	2%
Light Commercial Vehicles (LCV)	10%	15%	7%
Medium & Heavy Commercial Vehicles (M&HCV)	27%	22%	16%
3-Wheeler	-2%	-4%	0.1%
2-Wheeler	2%	-8%	3%
Farm Tractors (FT)	-7%	4%	7%
Overall	2.3%	13%	

* Negligible presence in 3-wheeler. Other segments such as Rail, Stationary Engines, Aerospace & Defence contribute 3%

- › Registered superior growth in passenger car segment as we commenced supplies to certain new customer programs
- › Good growth in commercial vehicle segment however faced headwinds in specific friction material and suspension products
- › Navigated challenging environment in Farm Tractors segment with new product applications and customer wins
- › Our limited presence in the Scooter segment is attributed to sales decline in 2-Wheeler segment

Net Sales (Rs cr.)

Op. EBITDA (Rs cr.)

PBT*

* PBT before exceptional items

› **Net Sales increased by 11.6% to Rs 3,260.6 Cr in 2015-16 from Rs 2,921.3 Cr in 2014-15**

- India sales grew 12% helped by robust demand in passenger vehicle and commercial vehicle segments
- International sales grew 10% due to higher sales in the US market

› **Op. EBITDA increased by 10.0% to Rs 316.4 Cr in 2015-16 from Rs 287.7 Cr in 2014-15**

- EBITDA Margin declined due to significant drop in REVL's profitability

› **PBT increased by 15.8% to Rs 133.3 Cr in 2015-16 from Rs 115.1 Cr in 2014-15**

- Lower finance cost resulted in improvement of PBT margin

Rane (Madras) Ltd.

(RML)

Market Environment

- › Farm Tractors market experienced second consecutive year of decline
- › Seeing strong demand from global Tier-1 suppliers

Operational Highlights

- › State-of-the-art R&D facility in Puducherry helped to design, develop and validate new products meeting global customer requirements
 - Developing a proto shop for product development for Rack and Pinion products
- › Enhanced our Mysuru plant to become a systems solution provider in Hydraulic systems
- › Successfully commissioned second die-casting plant in Hyderabad
 - Commenced operations by producing products for new programs to meet customer demands in the North American and Europe region and a ramp up of volumes is expected from this plant in 2016-17

Profile of Precision Die Casting (PDC)

- › Supplier of low porosity high-quality aluminium die castings for the North American automotive market
- › Products: Steering Housing, Compressor Housing.
- › Key Customers: Delphi, JTEKT, TRW, Nexteer.
- › Facility: 255,000 sq ft manufacturing facility in Kentucky
- › Employees: 175 people
- › PDC has an annual turnover of about \$29 million

Product Portfolio

Steering Components	EPS housing, Rack housing, Pinion housing, Assist cover, Controller cover, Outboard housing, Mounting brackets
Compressor Components	Cylinder housing, front and rear housing
Other Products	EGR valve housing, Fuel filter housing, Water pump housing

Transaction

- › Acquired PDC through WOS Rane (Madras) International Holdings B.V. (RMIH)
- › The enterprise valuation of PDC is \$8.9 million
- › Invested \$2 million as equity to improve operations and turnaround the business. Further investments planned over next few years

Background and Rationale

- › Growing demand for aluminium castings driven by light-weighting of cars and US customers indicating preference for local supplies on aluminium die casting for safety critical parts
- › First manufacturing footprint in North America
 - Customers have been suggesting a facility closer to them
- › A greenfield project of equivalent capacity of PDC would require a much higher investment and lead time
- › PDC's financial position has been declining owing to operational issues: high scrap and machine downtimes
 - Rane's experience and expertise will provide opportunity to turnaround the business

Outlook

- › Focus on building the operational efficiency and deliver on the healthy order book
 - PDC will be operated as independent entity
 - Rane Group will provide necessary support in terms of marketing/franchise building, technical support (engineering expertise)

RML (Consolidated) – Financial Performance Review

Net Sales (Rs cr.)

Op. EBITDA (Rs cr.)

ROCE

› **Net Sales increased by 13.4% to Rs 856.8 Cr in 2015-16 from Rs 755.3 Cr in 2014-15**

- 11% growth in India sales and 21% growth in International business
- Steering and linkages business grew with strong demand from new customer programs in passenger vehicle segment
- Die-casting business saw headwinds in specific product portfolio catering to US customer

› **Op. EBITDA increased by 14.4% to Rs 78.4 Cr in 2015-16 from Rs 68.6 Cr in 2014-15**

- Faced inflationary pressure on labour and power cost
- Initiated various cost reduction projects to mitigate cost pressure and to improve the profitability

› **ROCE declined due to Capex investments on the new die-casting plant at Hyderabad**

RML (Standalone) – Financial Performance Review

Net Sales (Rs cr.)

Op. EBITDA (Rs cr.)

ROCE

- › Net Sales increased by 9.8% to Rs 829.4 Cr in 2015-16 from Rs 755.3 Cr in 2014-15
- › Op. EBITDA increased by 13.9% to Rs 78.1 Cr in 2015-16 from Rs 68.6 Cr in 2014-15
- › ROCE marginally declined from 10.6% in 2014-15 to 9.9% in 2015-16

Priorities

- › **Domestic-OEM:** Achieve growth through the new business in passenger car segment and hydraulics products
- › **Domestic-Aftermarket:** Continue to introduce new products and expand the product range
- › **International:**
 - Pursue new customers for steering gears and achieve breakthrough in ball joints
 - Expand the die-casting portfolio to Europe

The Company plans Capex of Rs. 275 Cr, achieve CAGR of 40% in Sales and ROCE of 20% by 2018-19

Rane Engine Valve Ltd.

(REVL)

Market Environment

- › Modest growth in Two-wheeler segment
- › Structural decline in the Aftermarket demand for Engine parts
- › Large Valve business was affected by slowdown in Oil & Gas sector

Operational Highlights

- › Rationalization of facilities: Consolidated the Peenya Plant with Tumkur Plant
- › Voluntary Retirement scheme (VRS) rolled out in Peenya and Medchal plants
- › Took various measures with focus on long term improvements in productivity and reduction of raw material /in-house quality costs
- › Significant ramp up of supplies to BMW, Europe during the year
- › New business won from M&M, Renault (Exports), Volvo
- › Developed Valves for Euro 6 and CNG applications for European and Indian customers

REVL – Financial Performance Review

Net Sales (Rs cr.)

Op. EBITDA (Rs cr.)

ROCE

› **Net Sales decreased by 11.6% to Rs 342.4 Cr in 2015-16 from Rs 387.6 Cr in 2014-15**

- International sales declined by 19% due to end of major program of a European customer in 2014-15 which is partially offset by supplies to new export business in the current year
- Lower demand for large valves from Oil & Gas segment also impacted the export sales in Large valve business
- India sales declined by 8% due to lower offtake in served models in passenger cars and limited presence in Scooter segment, which grew faster than motorcycles in Two-wheeler

› **Op. EBITDA decreased by 87.7% to Rs 3.7 Cr in 2015-16 from Rs 29.7 Cr in 2014-15**

- Higher employee cost and lower capacity utilization
- Higher internal rejections on NPD parts and plant rationalization cost

› **ROCE declined steeply due to drop in profitability**

Priorities

- › Restructuring the organisation – reducing rejections, improving productivity and capacity utilisation
- › Enhancing presence with key European customer with new business and capacity ramp up
- › Focus on 2-wheeler segment, successfully launch new programs
- › Developing high performance materials and special surface coating to provide superior products meeting newer emission norms and engines requirements in various served markets
- › Launch of new product technologies for automotive segment and building extra-large valve capability for non-automotive applications

The Company plans to achieve growth of 14% in Sales and Capex of Rs 23 Cr for 2016 -17

Rane Brake Lining Ltd.

(RBL)

Market Environment

- › Strong growth in passenger vehicle and two wheeler driven by specific customer programs
- › Renewed competition in Aftermarket segment

Operational Highlights

- › Trichy, Chennai and Hyderabad plants continued to maintain global bench marks in quality standards
- › Special drive on cost reduction initiatives and continued efforts on Energy saving initiatives helped to mitigate overall costs
- › To strengthen best practices and continue our excellence journey, 'Business Excellence Model' put in place
- › Customer focus and adoption of best practices across all locations helped RBL win several awards
 - Two gold awards – National level convention at Pune by ACMA – Quality and Innovation categories
 - Gold certificate from India Manufacturing Excellence Award conducted by The Economic Times
 - Award for Energy Excellence from CII for best energy efficient unit

Sales to Domestic OEM: Rs 237.1 Cr.

Sales to Domestic OEM: Rs 212.6 Cr.

RBL – Financial Performance Review

Net Sales (Rs cr.)

Op. EBITDA (Rs cr.)

ROCE

- › **Net Sales increased by 7.7% to Rs 447.9 Cr in 2015-16 from Rs 415.9 Cr in 2014-15**
 - Good growth in the OE segment on the back of new business in passenger car and two wheeler segment
 - Navigated challenging time in Aftermarket segment with introduction of new products
 - New products generated 12% (Rs. 52.04 crores) of the revenues
- › **Op. EBITDA increased by 19.7% to Rs 54.4 Cr in 2015-16 from Rs 45.5 Cr in 2014-15**
 - Favourable material cost trend due to weakening yen and softening commodity / crude prices
 - Sustained cost savings initiatives and manufacturing process improvements in the shop floor
- › **ROCE increased from 13.8% in 2014-15 to 21.8% in 2015-16, driven by improved profitability and lower borrowings**

Priorities

- › Cost effective product development consisting of both NAO and Low Steel
- › Continued focus on Cost reduction initiatives – Materials and Energy
- › Focus on Export business through enhanced technology collaboration with Nisshinbo and TMD

The Company plans Capex of Rs.100 Cr, achieve CAGR of 16% in Sales and ROCE of 25% by 2018-19

Rane TRW Steering Systems Pvt. Ltd.

(RTSS)

Market Environment

- › Strong demand from Commercial Vehicle segment particularly M&HCV
- › Mixed bag from Passenger vehicle market
 - Faster adoption of Airbag is positive
 - Structural shift from HPS to EPS restricts available market

Operational Highlights

- › Entered Tractor and Small Commercial Market Segment with supply of Miniature RCB Steering system
- › Inaugurated Airbag Plant in August 2015
- › Upgraded Airbags test lab and commissioned new line for seat belt (Next Gen SPR 4.1)
- › Won new business from European OEMs in Seat Belt and Air Bag Business in UV and PC segments

Net Sales (Rs cr.)

Op. EBITDA (Rs cr.)

ROCE

› **Net Sales increased by 12.9% to Rs 706.8 Cr in 2015-16 from Rs 625.9 Cr in 2014-15**

- Growth driven by strong performance of M&HCV segment, higher adoption of airbags
- Preference of EPS over HPS in Passenger Vehicle segment dented growth

› **Op. EBITDA increased by 22.9% to Rs 81.3 Cr in 2015-16 from Rs 66.2 Cr in 2014-15**

- Implementation of cost saving initiatives to reduce material cost and stringent fixed cost management helped margin improvement

› **ROCE increased from 17.3% in 2014-15 to 20.8% in 2015-16, driven by improved profitability**

Priorities

- › Expanding the business in tractor and small commercial vehicle segment
- › Exploring new export business opportunity with M&M & ISUZU for supply of Variable displacement pump
- › Exploring new business opportunity with ZF TRW for EV Pumps
- › Targeting new business from European OEMs in Seat Belt and Air Bag business in UV and PC segments

The Company plans Capex of Rs. 130 Cr, achieve CAGR of 17% in Sales and ROCE of 25% by 2018-19

Rane NSK Steering Systems Pvt. Ltd.

(RNSS)

Market Environment

- › Strong demand from Passenger Vehicle customers for EPS
- › Growth in Commercial Vehicle segment supported MSC volumes
 - New product introductions supports growth

Operational Highlights

- › Secured new businesses worth Rs 508.7Cr (at peak potential volume) during the year
- › Successfully developed several new technology features through co-development with customers for application in future businesses
- › Successfully put into operations additional processes and increased localisation in the EPS business
- › Key initiatives on MSC business helped achieving positive results

Profile

- › The Company manufactures engine valves, valve guides and tappets for automotive and non-automotive applications.
- › Products supplied by the company find application in passenger cars, commercial vehicles, farm tractors. Off Highway vehicles, Railways, Defence vehicles, Stationery Engines and Two/Three wheelers.
- › Reputed supplier of large & extra large valves with applications in power generation equipment, marine engines etc..
- › Major exporter of engine valves. Customers spread across Europe, North America, and the Far East markets
- › Is a preferred solution provider for customers. Backed up by a strong Product Engineering, Testing & validation capability.
- › Market leader in Domestic OEM business.
- › Well accepted brand “EVL” for the independent aftermarket in India.

Production Plants :

Has five manufacturing facilities in the following locations

Location	Products	Customer Segments
Ponneri (Chennai)	Engine Valves, Guides & Tappets	PC, M&HCV
Medchal (Hyderabad)	Engine Valves	SCV/LCV/M&HCV/Tractor
Aziz Nagar (Hyderabad)	Engine Valves	2W/PC
Trichy	Engine Valves	2W/PC/LCV/M&HCV
Tumkur	Engine Valves	M&HCV, Power Generation & Marine Engines

Large and Extra Large Engine Valves

Branded Products for Domestic Aftermarket -Piston Kits, Stem seals, Seat Inserts

Rane Brake Lining Ltd.

(RBL)

Profile

- Manufacturing and marketing of safety critical friction material products such as brake linings, disc pads, clutch facings, clutch buttons, brake shoes and railway brake blocks for passenger cars, utility vehicles, commercial vehicles, two wheelers and railways
- Technical collaboration with Nisshinbo Brakes Inc., Japan since 1985 and TMD since 2014
- Application in every segment of automobile industry such as PCV, MPV, MUV, UV, LCV and M&HCV, 2W/3W with a vision to be a global supplier
- Domestic Market Leadership with about 38% market share in OE, about 20% in Aftermarket and 13% in Railways
 - ▶ Leader in Passenger Car / Commercial Vehicle / Utility vehicles / Multi Purpose Vehicles
 - ▶ Leading supplier of composite brake blocks to Indian Railways, with presence in Passenger, Electrical Multiple Unit (EMU), Freight, Locomotive and Metro Rail
- Exports
 - ▶ Products supplied to various countries in Europe, SAARC, Middle East, Far East and Africa
 - ▶ Expanded to Congo and Morocco for CV

Rane TRW Steering Systems Pvt. Ltd.

(RTSS)

Profile

- › The Company manufactures Hydraulic Steering Systems, Seat Belts and Air bags
- › RTSS has two divisions, Steering Gear Division (SGD) manufactures fully integrated hydraulic steering gears, hydraulic pumps, power-rack and pinion gear and power steering fluid. Occupant safety Division (OSD) manufactures safety seat belts, air bags and plastic reservoir.
- › Both divisions have joint venture partnership with TRW Automotive JV LLC, USA
- › Independent and comprehensive units to design, test, and manufacture complete range of power steering solutions and occupant safety systems
- › Established dominant share of business in Commercial Vehicle steering, Passenger Car steering, and Utility Vehicle segment
- › Preferred partner to Indian OE majors in Passenger Car, Multi Utility Vehicle, Light Commercial Vehicle, Medium and Heavy Commercial Vehicle categories
- › Occupant Safety Division serves Passenger Car, Commercial Vehicle and Utility segments

Market Share for the Year 2015-16	Mkt Share (%)
