Limited Review Report

To,
The Board of Directors
Procal Electronics INDIA Limited

Introduction

"We have reviewed the accompanying statement of unaudited financial results of Procal Electronics INDIA Limited ('The Company') for the quarter ended 31st December, 2023 being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015. This statement is the responsibility of the Company's management and has been approved by the Board of Directors at their meeting held on 13th February, 2024. This statement has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards 34 ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the financial results based on our review.

Scope of Review

We conducted review of the statement in accordance with the standard of Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by Independent Auditor of the Entity" issued by The Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free from material misstatement. A review is limited primarily to inquiries of company personnel and an analytical procedure applied to financial data thus provide less assurance than as audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

1. **Matters Related to Going Concern:** The Company's net worth is eroded completely due continued operational losses incurred by the company and there are no business activities in the company. Further, borrowings from banks have been classified as nonperforming assets as per IRAC norms.

We were communicated by the management, that the company is in process of settling the pending dues with bank and/or identifying the other alternative plans.

The above factors cast significant uncertainty on the Company's ability to continue as a going concern in our opinion. Pending the resolution of the above uncertainties, the company has prepared this financial statement on a going concern basis.

2. **Inventory of Raw Material & Finished goods:** Inventory consists of Raw Material & Finished goods which are lying at Silvassa Manufacturing unit of the company. The said unit is in the possession of Canara Bank (the lender) and hence the management express its inability to physically verify and ascertain the fair value of the inventory. In View of the above, the inventory carried at cost in the financial statements in our opinion is not reasonable since there must have been depletion in its value as it is in a lock out position for a prolonged period.
3. **Fixed Assets:** Since most of the fixed assets are under the control of Banks/ Financial Institutions the physical verification of the assets could not be done by the management during the year. The plant and machinery and factory building are in a lockout state for a prolonged period as a result of which it is expected that the realizable value of such assets shall be negligible.

4. **Bank Account:** During the year, the bank accounts of the company were inoperative pending KYC Compliances. All the payments on behalf of the company have been made from director bank accounts

Qualified Conclusion

Based on our review conducted as above, except for the effects of the matters described in Basis for Qualified Conclusion paragraphs, nothing has come to our attention that causes us to believe that the accompanying Statement of Unaudited Financial Results for the quarter ended 31st December 2023, prepared in accordance with applicable Indian Accounting Standard ("Ind AS") prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there under and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Retaliation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement
