NOTES:

1. In view of the ongoing Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its General Circulars April 8, 2020, April 13, 2020, May 5, 2020, January 13, 2021, December 14, 2021, May 5, 2022 and December 28, 2022 (collectively referred to as 'MCA Circulars') and Circular Nos. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021, SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022 and SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 5, 2023 issued by Securities Exchange Board of India (collectively referred to as "SEBI Circulars"), permitted the holding of the Annual General Meeting (AGM) through VC / OAVM, without the physical presence of the Members at a common venue. In compliance with the applicable provisions of the Companies Act, 2013 ("the Act"), the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), MCA Circulars and SEBI Circulars, the 29th AGM of the Company is being held through VC / OAVM on Friday, September 29, 2023 at 10:30 A.M. (IST). The deemed venue of the proceedings of the 29th AGM shall be the Registered Office of the Company at 3rd Floor, Serene Towers, 8-2-623/A, Road No. 10, Banjara Hills, Hyderabad TG 500034
2. PURSUANT TO THE PROVISIONS OF THE ACT, A MEMBER ENTITLED TO ATTEND AND VOTE AT THE AGM IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON HIS/HER BEHALF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. SINCE THIS AGM IS BEING HELD PURSUANT TO THE MCA CIRCULARS THROUGH VC/OAVM, PHYSICAL ATTENDANCE OF MEMBERS HAS BEEN DISPENSED WITH. ACCORDINGLY, THE FACILITY FOR APPOINTMENT OF PROXIES BY THE MEMBERS WILL NOT BE AVAILABLE FOR THIS AGM AND HENCE THE PROXY FORM, ATTENDANCE SLIP AND ROUTE MAP OF AGM ARE NOT ANNEXED TO THIS NOTICE. HOWEVER, THE BODY CORPORATES ARE ENTITLED TO APPOINT AUTHORISED REPRESENTATIVES TO ATTEND THE AGM THROUGH VC/OAVM AND PARTICIPATE THERE AT AND CAST THEIR VOTES THROUGH E-VOTING.
3. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020, May 5, 2022 and December 28, 2022 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the 29th AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the 29th AGM will be provided by NSDL.
4. The Members can join the e-AGM 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice.
5. Up to 1000 members will be able to join on a FIFO basis to the e-AGM.
6. No restrictions on account of FIFO entry into e-AGM in respect of large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee, and Stakeholders Relationship Committee, Auditors, etc.
7. The attendance of the Members (members logins) attending the e-AGM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
8. In terms of Section 152 of the Companies Act, 2013, Smt. Sabbella Devaki Reddy (DIN: 02930336), Director, retire by rotation at the meeting and being eligible, offers herself for re-appointment. The Board of Directors of the Company recommends her re-appointment. Brief profile of Director and relevant details pursuant to Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India, are given at the end of the notes.
9. M/s. Karvy & Co, Chartered Accountants were appointed as Statutory Auditors of the Company from 28th Annual General Meeting till the conclusion of this 33rd Annual General Meeting i.e., for a period of 5 (Five) years. The disclosure relating to auditor's remuneration for the year 2022-23 is given in the notes to the accounts.
10. Members holding shares in the dematerialized form are requested to intimate all changes pertaining to their bank details, National Electronic Clearing Service (NECS), Electronic Clearing Service (ECS), mandates, nominations (in Form No.SH.13), power of attorney, change of address, change of name, e-mail address, contact numbers, etc., to their Depository Participant (DP).

Changes intimated to the DP will then be automatically reflected in the Company's records which will help the Company and the Company's Registrar and Transfer Agent, M/s. KFin Technologies Limited (Formerly Known as KFin Technologies Private Limited) ("KTL") to provide efficient and better services. Members holding shares in physical form are requested to intimate such changes to M/s. KFin Technologies Limited (Formerly Known as KFin Technologies Private Limited).

The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company's Registrar and Transfer Agent.

Further, the members who hold shares in physical form are requested to consider converting their holding to dematerialized form to eliminate all risks associated with physical shares.

Members can contact the Company or M/s. KFin Technologies Limited (Formerly Known as KFin Technologies Private Limited) for assistance in this regard.

Non-Resident Indian Members are requested to inform M/s. KFin Technologies Limited (Formerly Known as KFin Technologies Private Limited) of the change in residential status immediately on return to India for permanent settlement.

The Registrar and Transfer Agent ("RTA"), KFin Technologies Limited (Formerly Known as KFin Technologies Private Limited), Selenium Tower B, Plot Nos. 31 & 32, Gachibowli, Financial District, Nanakramguda, Hyderabad - 500 032, Telangana, India are handling registry work in respect of shares held both in physical form and in electronic/demat form.

11. Members holding shares in physical form are requested to note the following:

As per Regulation 40 of the SEBI Listing Regulations, and other notifications issued by the SEBI, transfer of shares (except transmission and transposition of shares) will be in dematerialized form only. Although, the members can continue to hold shares in physical form, members holding shares in physical form may consider to dematerialize the share certificates held by them through the depository participant of their choice and complete the conversion of share certificates from physical form to dematerialized form to avoid any inconvenience in future for transferring those shares.

Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or RTA, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such Members after making requisite changes.

12. Members holding shares in physical mode desirous of making nomination are advised to submit Nomination Form (SH-13) to RTA or to the Company in respect of their shareholding in the Company and those Members holding shares in electronic mode may contact their respective DPs for availing the nomination facility as provided under Section 72 of the Act.

13. SEBI vide Circular dated 14 December 2021 read with SEBI Circular dated 16 March 2023, mandated furnishing of PAN, KYC details (i.e. postal address with Pin Code, e-mail address, mobile number, bank account details) and nomination details by the holders of physical securities. Any service requests or complaints received from the members will not be processed by RTA till the aforesaid details/ documents are provided to RTA.

On or after 1 October 2023, in case any of the above cited documents/ details are not available in the Folio(s), RTA shall be constrained to freeze such Folio(s).

Folios remaining frozen till 31 December 2025 will be referred by the RTA/ Company to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and/ or Prevention of Money Laundering Act, 2002.

14. SEBI/HO/MIRSD/POD-1/P/CIR/2023/70 dated 17 May 2023 provides for Standard Operating Procedures for dispute resolution under the Stock Exchange arbitration mechanism for disputes between the Company/ Registrars to an Issue and Share Transfer Agents and Company's Shareholder(s)/ Investor(s). The Shareholders may initiate Arbitration Mechanism, post exhausting all actions for resolution of complaints including

through SCORES Portal, by filing the Arbitration reference with the Stock Exchange where the initial complaint has been addressed. Further details are available on the website of the Company under 'Investors' Section. Further, in compliance of the SEBI Circular no. SEBI/HO/OIAE/2023/03391 dated 27 January 2023, intimation was sent to the shareholders holding shares in physical form regarding the afore-stated SEBI Circular about the Dispute Resolution Mechanism at Stock Exchanges.

15. Members desirous of seeking any information/clarifications on the annual accounts are requested to write to the Company at least 7 (seven) working days before the date of the Annual General Meeting so that the required information can be made available at the meeting.

16. Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to savitajyoti@yahoo.com.

17. In the case of Joint holders attending the meeting, only such Joint Holder who is higher in the order of names will be entitled to vote.

18. The Ministry of Corporate Affairs has notified provisions relating to unpaid/ unclaimed dividend under Sections 124 and 125 of the Companies Act, 2013 and Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016. As per these Rules, dividends that are not encashed/claimed by the Shareholder for a period of seven consecutive years shall be transferred to the Investor Education and Protection Fund (IEPF) Authority. The new IEPF Rules mandate the companies to transfer the shares of shareholders whose dividends remain unpaid / unclaimed for a period of seven consecutive years to the demat account of the IEPF Authority. Further, the shareholders whose dividend / shares transferred to the IEPF Authority can now claim the same by following the Refund Procedure as detailed on the website of the IEPF Authority <http://iepf.gov.in/IEPF/refund.html>

19. The Company's equity shares are listed on the Bombay Stock Exchange (BSE). The Company has promptly paid annual listing fees to the BSE for the year 2023-24.

20. To promote the green initiative, members holding shares in electronic form are requested to register/update their e-mail addresses through their Depository Participants for sending future communications by email. Members holding the shares in physical form may register/update their e-mail addresses through the RTA, giving reference to their Folio Number.

In compliance with the aforesaid MCA Circulars and SEBI Circulars, Notice of the AGM along with the Annual Report 2022-23 is being sent only through electronic mode to those Members whose email addresses are registered with the RTA/ Company/Depositories.

Process to be followed for registering Email Address: (i) Shareholders holding shares in physical form: send a request to the RTA of the Company, KFin Technologies Limited (Formerly Known as KFin Technologies Private Limited) at einward.ris@

kfintech.com providing Folio No., Name of member, scanned copy of the share certificate (front and back), PAN (self-attested scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhar card), and (ii) Shareholders holding shares in demat form: Please contact your DP and register your email address in your demat account, as per the process advised by your DP.

Members may also note that the Notice of the 29th AGM, Annual Report for the financial year 2022-23 will also be available on the Company's website www.sspdl.com, website of the Stock Exchange i.e. BSE Limited.

All documents referred to in this Notice and other statutory registers are open for inspection by the members at the registered office of the company during business hours on all working days up to the date of 29th AGM of the company and also during the AGM. The said documents would also be available online for inspection during the AGM. Members seeking to inspect such documents can send an email to investors@sspdl.com.

21. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, and the relevant documents referred to in the Notice will be available electronically for inspection by the members during the AGM.

Instructions for the Members for attending the e-AGM through Video Conference:

- I. The remote e-voting period commences on Monday, September 25, 2023 at 09:00 a.m. (IST) and ends on Thursday, September 28, 2023 at 05:00 p.m. (IST). The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e., September 22, 2023 may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cutoff date, being September 22, 2023.
- II. Savita Jyothi Associates, Practicing Company Secretary (Membership No. F 3738), has been appointed as the Scrutinizer to scrutinize the voting during the AGM and remote e-voting process in a fair and transparent manner.
- III. The scrutinizer shall, immediately after the conclusion of voting at the general meeting, first count the votes cast at the AGM, thereafter unlock the votes through e-voting in the presence of at least two witnesses, not in the employment of the Company and submit, not later than two days from the conclusion of the meeting, a consolidated report of the total votes cast in favour or against, if any, to the Chairman of the Company or to any other person authorized by him.

- IV. The Chairman of the Company or any person authorized by him will declare the result immediately along with the Scrutinizer's report and the same will be communicated to the Stock Exchanges on which the Company's shares are listed, NSDL, KTL and will also be displayed on the Company's website at www.sspdl.com.
- V. The members who have cast their vote by remote e-voting prior to the AGM may also participate in the AGM through VC / OAVM but shall not be entitled to cast their vote again.
- VI. The voting rights of members shall be in proportion to their shares in the paid-up equity share capital of the Company as on the cut-off date.
- VII. Any person holding shares in physical form and non-individual shareholders, who acquires shares of the Company and becomes member of the Company after the notice is sent through e-mail and holding shares as of the cut-off date i.e., September 22, 2023, may obtain the login ID and password by sending a request to evoting@nsdl.co.in or Company. However, if you are already registered with NSDL for remote e-voting, then you can use your existing user ID and password for casting your vote. If you forgot your password, you can reset your password by using "Forgot User Details/Password" or "Physical User Reset Password" option available on www.evoting.nsdl.com or call on No. 022 - 4886 7000 and 022 - 2499 7000. In case of Individual Shareholders holding securities in demat mode who acquires shares of the Company and becomes a member of the Company after sending of the notice and holding shares as of the cutoff date i.e., September 22, 2023, may follow steps mentioned in the notice of the AGM under "Access to NSDL e-Voting system".

- VIII. The process and manner for remote e-voting are explained herein below:

The way to vote electronically on NSDL e-Voting system consists of 'Two Steps' which are mentioned below:

Step 1: Access to NSDL e-Voting system

- A. **Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode**

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the ‘initial password’ which was communicated to you. Once you retrieve your ‘initial password’, you need to enter the ‘initial password’ and the system will force you to change your password.
 - c) How to retrieve your ‘initial password’?
 - (i) If your email ID is registered in your demat account or with the company, your ‘initial password’ is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your ‘User ID’ and your ‘initial password’.
 - (ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**
6. If you are unable to retrieve or have not received the “ Initial password” or have forgotten your password:
 - a) Click on “**Forgot User Details/Password?**”(If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) **Physical User Reset Password?**” (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to “Terms and Conditions” by selecting on the check box.
8. Now, you will have to click on “Login” button.
9. After you click on the “Login” button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join General Meeting".
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholder

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail id to: savitajyoti@yahoo.com with a copy marked to evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on No.: 022 - 4886 7000 and 022 - 2499 7000 or send a request to (Name of NSDL Official: Mr. Prajakta Pawle) at evoting@nsdl.co.in

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to : investors@sspdl.com.
2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) to : investors@sspdl.com. If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at **step 1 (A)** i.e. **Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.**
3. Alternatively shareholder/members may send a request to evoting@nsdl.co.in for procuring user id and password for e-voting by providing above mentioned documents.
4. In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.

THE INSTRUCTIONS FOR MEMBERS FOR e-VOTING ON THE DAY OF THE EGM/AGM ARE AS UNDER:-

1. The procedure for e-Voting on the day of the AGM is same as the instructions mentioned above for remote e-voting.
2. Only those Members/ shareholders, who will be present in the AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system in the AGM.
3. Members who have voted through Remote e-Voting will be eligible to attend the AGM. However, they will not be eligible to vote at the AGM.
4. The details of the person who may be contacted for any grievances connected with the facility for e-Voting on the day of the AGM shall be the same person mentioned for Remote e-voting.

INSTRUCTIONS FOR MEMBERS FOR ATTENDING THE EGM/AGM THROUGH VC/OAVM ARE AS UNDER:

1. Member will be provided with a facility to attend the EGM/AGM through VC/OAVM through the NSDL e-Voting system. Members may access by following the steps mentioned above for **Access to NSDL e-Voting system**. After successful login, you can see link of "VC/OAVM link" placed under "**Join meeting**" menu against company name. You are requested to click on VC/OAVM link placed under Join Meeting menu. The link for VC/OAVM will be available in Shareholder/Member login where the EVEN of Company will be displayed. Please note that the members who do not have the User ID and Password for e-Voting or have forgotten the User ID and Password may retrieve the same by following the remote e-Voting instructions mentioned in the notice to avoid last minute rush.
2. Members are encouraged to join the Meeting through Laptops for better experience.
3. Further Members will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
4. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
5. Shareholders who would like to express their views/have questions may send their questions in advance mentioning their name demat account number/folio number, email id, mobile number at : investors@sspdl.com. The same will be replied by the company suitably.
6. Members who would like to express their views or ask questions during the AGM may register themselves as a speaker by sending their request from their registered email address mentioning their name, DP ID and Client ID / folio number, PAN, mobile number at : investors@sspdl.com from September 23, 2023, (9:00 a.m. IST) to September 24, 2023, (5:00 p.m. IST). Those members who have registered themselves as a speaker will only be allowed to express their views/ask questions during the AGM. The Company reserves the right to restrict the number of speakers depending on the availability of time for the AGM.

STATE OF THE COMPANY'S AFFAIRS

The total revenue of your Company for the year under review is Rs. 5072.04 lakhs as compared to Rs. 2652.46 lakhs for the previous year ended 31st March, 2022. Profit/(Loss) after tax is ₹ (863.09) lakhs as against ₹ (213.85) lakhs in the previous year.

The projects undertaken by the Company are under different stages of execution, and the performance of the Company during the current year i.e., 2023-24 is expected to be in accordance with Company's plans.

PROPERTY DEVELOPMENT PROJECTS

CHENNAI

SSPDL Park Centre Project:

Deed of Lease executed with the sole trustee of Sir John Demote. The project proposal is to long lease the land of 5.72 grounds (13,728 sq. ft.) belonging to the Estate to SSPDL for 33 years. SSPDL has paid Rs.2 Crore interest free non-refundable deposit to Sir John Demote and registered the deed. SSPDL plans to build and operate commercial offices. The total Built-up area is approximately 28644 sq. ft.

We have applied for CMDA approval. The first level scrutiny is completed by CMDA and subsequently we have paid scrutiny fee for next level scrutiny of drawings and documents. The Site Inspection is completed by CMDA.

We are happy to announce that we have already signed up a Letter of Intent with M/s. Work Easy Space Solutions Private Limited for leasing of 'A' grade Warm Shell for 15 years with initial lock-in period of 5 years. The monthly Lease Rental is Rs.70/- per sq. ft. for 36 months with 15% escalation in rent for every 3 years. M/s. Work Easy Space Solutions Private Limited is currently managing more than 1.5M sq. ft. of co-working space and 90% of it is in Chennai.

Alpha City Project

This Project has been completed in 2007 and currently we have to recover Rs. 13.25 Crores which is secured by built up space of 56000 sft. On account of Work from Home Policy, there was no offtake of space. Now the situation has changed and we are hopeful of realizing this during this financial year.

Godrej SSPDL Azure Project

Godrej SSPDL Azure Project is a Residential Apartments project situated at Padur, Kazhipattur Village in Old Mahabalipuram Road (IT Highway), Kancheepuram District.

The project is executed through M/s. Godrej SSPDL Green Acres LLP ("LLP"). M/s. SSPDL Limited, Landowners, and M/s. Godrej Properties Limited has entered into a partnership to develop 10.45 Lakhs sft in the above said residential project on the profit sharing model on 27.03.2014.

So far 475000 sft of the Project has been completed and completely sold out. Only now the markets revived and we intend taking up the execution of the balance 570000 sft in the next 3 years

SSPDL Lakewood Enclave

A Residential Villa (Lakewood) / Apartment (Mayfair) project on a 3.89 Acre plot of land situated at Thalambur Village of Old Mahabalipuram, (IT Express Highway), Chennai. The apartment project is completed and handed over.

Residential Villa project consists of 32 Villas. Layout sanction and planning permissions are received. Buildings have been pre-certified GOLD by Indian Green Building Council (IGBS).

We have already sold 13 Villas from our share of 18 villas in Lakewood. Construction of Villas is in progress and has an unsold

area of 11,982 sq. ft. Post pandemic now the markets are revived and we are hopeful of completing it by December 2024.

HYDERABAD

We are happy to announce that the largest residential project for the Company, The Retreat, Hyderabad (BHEL Employees Cyber Colony) has been completed and delivered 1251 homes of a value of Rs. 400 Crores to the Customers.

Apart from the individual homes, the LIG Apartments has been completed and delivered. EWS Apartments are in the final finishing stage. In this project we still have unsold units of value of Rs. 12 crores in the LIG & EWS Category which will be sold during the financial year.

This project has not progressed on expected lines because the delay of the recovery from the clients. Also due to uncertainty in the rate of GST for residential apartments, the sales of LIG & EWS got impacted. This was further aggravated on account of the Pandemic and delays in getting Completing Certificate.

Further number of frivolous legal cases were initiated which resulted in further delays in funding. Now that all the issues are sorted out, we hope to complete the balance sales and exit from the Project.

SSPDL Suri Nilayam

Company entered into a Joint Development Agreement (JDA) for constructing residential apartments in Domalguda, Hyderabad. Approximate built-up area is 25,800 sft. Share of Company and Owner is 45:55. Company is planning to submit application to the concerned authorities by the end of September, 2023 and proposed to complete the project within 24 months from obtaining all sanctions or within such extended time as per the terms of the JDA.

SSPDL Northwoods

SSPDL Ltd and Indiareit Fund Advisors Pvt. Ltd. through their SPVs had acquired 42 acres in Gundla Pochampally village, Hyderabad to develop a gated residential villa community "SSPDL Northwoods". The land conversion process is completed.

As the Micro market did not support Villa development, the Layout Project was completed and sold out.

KERALA

During the year under review your company, sought the consent of members for disinvesting its shares in four (4) wholly owned Subsidiaries i.e. (i) SSPDL Realty India Private Limited., (ii) SSPDL Infra Projects India Private Limited., and (iii) SSPDL Resorts Private Limited and (iv) SSPDL Real Estates India Private Limited through Postal Ballot notice dated 27th December, 2021 and the same was approved by the Members dated 28th January, 2022 by way of remote e-voting.

Transfer of shares completed in the board meeting held on 16.12.2022 and handed over all the documents/records to the concerned related parties.

Further, the above said subsidiary companies are no mores subsidiaries to your company from 16.12.2022 onwards.

DIVIDEND

Your Directors do not recommend any dividend for the Financial Year ended March 31, 2023.

THE AMOUNTS PROPOSED TO CARRY TO ANY RESERVES

The Company does not propose to transfer any amount to the general reserve for the financial year ended March 31, 2023.

EXTRACT OF ANNUAL RETURN

As provided under Section 92(3) & 134(3)(a) of the Act, Annual Return for FY 2022-23 is uploaded on the website of the Company and can be accessed at www.sspdl.com/investors.php.

DIRECTORS AND KEY MANAGERIAL PERSONNEL (KMP) APPOINTMENT OR RESIGNATION

Re-Appointments:

During the year under review, in the Annual General Meeting (AGM) held on 27.09.2022 (i) Sri E.Bhaskar Rao (DIN: 00003608) was reappointed as Director, and (ii) Smt. Sabbella Devaki Reddy (DIN: 02930336) was appointed as Non-executive Director.

Pursuant to the provisions of Section 152 of the Companies Act, 2013, Smt. Sabbella Devaki Reddy (DIN: 02930336), Director is liable to retire by rotation at the ensuing Annual General Meeting and being eligible offers herself for re-appointment. The Board of Directors based on the recommendation of Nomination and Remuneration Committee, has recommended the re-appointment of Smt. Sabbella Devaki Reddy, Director, retiring by rotation.

The brief profile of the director seeking appointment/reappointment at the ensuing Annual General Meeting is presented in the annexure to Notice of 29th Annual General Meeting.

None of the Independent directors will retire at the ensuing Annual General Meeting.

Changes in Key Managerial Personnel

During the year under review, Mr. Rahul Kumar Bhangadiya (Membership Number A 44666) has been appointed as Company Secretary and Compliance officer of the Company with effect from 2nd March, 2022. However, Mr. Rahul Kumar Bhangadiya, Company Secretary and Compliance officer of the Company resigned with effect from 24.05.2023.

Consequent to resignation of Mr. Rahul Kumar Bhangadiya, based on recommendation of the Nomination and Remuneration Committee, the Board appointed Sri. A.Shailendra Babu (Membership No. A 19761) holding the prescribed qualification under section 2(24) of the Companies Act, 2013, has been appointed as the Company Secretary and Compliance Officer of the Company with effect from 11th August, 2023.

Pursuant to provisions of sections 2(51) and 203 of the Companies Act, 2013 read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, as at the date of this report, the following have been designated as the Key Managerial Personnel of the Company:

- | | |
|-------------------------------|--------------------------------------------|
| a. Sri Prakash Challa | - Chairman and Managing Director |
| b. Sri U.S.S. Ramanjaneyulu N | - Chief Financial Officer |
| c. Sri. A.Shailendra Babu | - Company Secretary and Compliance officer |

Remuneration payable to Sri Prakash Challa, Chairman and Managing Director

In pursuance of applicable provisions of the Companies Act, 2013 and the Rules made thereunder, on recommendation of the Nomination and Remuneration Committee, the Board in its meeting held on 23.05.2023 the Remuneration of Sri Prakash Challa, Chairman and Managing Director is revised. Accordingly, w.e.f. 01.04.2023, the remuneration payable to of Sri Prakash Challa, Chairman and Managing Director is: a) Salary: Fixed Salary of Rs.5,00,000/- (Rupees Five Lakhs Only) per month including dearness and all other allowances, b) Perquisites: i) Contribution to the Provident Fund, Superannuation Fund or Annuity Fund to the extent these either singly or put together are not taxable under the Income Tax Act, 1961, ii) Gratuity payable at a rate not exceeding half a month's salary for each completed year of service, and, iii) Encashment of leave at the end of the tenure. c) Company cars with driver for official use, provision of telephone(s) at residence, Apart from the remuneration aforesaid, he shall be entitled to reimbursement of expenses incurred in connection with the business of the Company.

NUMBER OF MEETINGS OF THE BOARD

During the year 2022-23, Five (5) meetings of the Board of Directors were held on 26th May, 2022, 11th August, 2022, 14th November, 2022, 16th December, 2022 and 09th February 2023. The details of the meetings and attendance of directors are furnished in the Corporate Governance Report, which is enclosed to this report.

STATEMENT ON DECLARATION GIVEN BY INDEPENDENT DIRECTORS

As on March 31, 2023, Mr. B Lokanath, Mr. P Murali Krishna and Mr. K Shashi Chandra are Independent Directors on the Board.

The Board hereby confirms that, all the Independent Directors of your Company have given a declaration that they meet the criteria of Independence as provided in Section 149(6) of the Companies Act, 2013, and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). Further, the Independent Directors confirmed that the respective Independent Director is not aware of any circumstance or situation, which exist or may be reasonably anticipated, that could impair or impact their ability to discharge their duties with an objective independent judgment and without any external influence.

In pursuance of Regulation 25(9) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board of directors took on record of the declarations and confirmations submitted by the independent directors under Regulation 25(8) after undertaking due assessment of the veracity of the same.

As per the applicable provisions of the Companies Act, 2013 (“the Act”), the Independent Directors of the Company have registered with the Independent Directors Databank maintained by the Indian Institute of Corporate Affairs. In the opinion of the Board, the Independent Directors of the Company are persons of integrity and possess the relevant expertise and experience (including the proficiency, as per the applicable law) to qualify as Independent Directors of the Company and are Independent of the Management.

Further, declaration on Compliance with Rule 6(3) of the Companies (Appointment and Qualification of Directors) Rules, 2014, as amended by Ministry of Corporate Affairs (“MCA”) Notification dated October 22, 2019, regarding the requirement relating to enrollment in the Data Bank created by MCA for Independent Directors, had been received from all Independent Directors.

FAMILIARIZATION PROGRAMMES IMPARTED TO INDEPENDENT DIRECTORS

The Members of the Board of the Company have been provided opportunities to familiarize themselves with the Company, its Management, and its operations. The Directors are provided with relevant documents, information to enable them to have a better understanding of the Company, its operations, and the industry in which it operates through the Board proceedings.

All the Independent Directors of the Company are made aware of their roles and responsibilities at the time of their appointment through a formal letter of appointment, which also stipulates various terms and conditions of their engagement.

COMMITTEES OF THE BOARD

Pursuant to the requirement under the Companies Act, 2013 and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board of Directors has constituted Committees of the Board i.e., Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee, and Corporate Social Responsibility Committee.

Audit Committee: As on the date of this report, the Audit Committee comprises Sri B. Lokanath (Chairman), Sri P.Murali Krishna (Member), and Sri K.Shashi Chandra (Member).

Corporate Social Responsibility Committee: As on the date of this report, the Corporate Social Responsibility Committee comprises Sri Prakash Challa, (Chairman), Sri B.Lokanath (Member), and Sri K.Shashi Chandra (Member).

However, your company was not required to expend any amount towards CSR during the year review as it did not fall under the purview of the provisions of section 135(1) of the Act during the said year.

Kindly refer Corporate Governance Report for matters relating to the Board, Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee, and Corporate Social Responsibility Committee for constitution, meetings, etc.

THE DETAILS IN RESPECT OF ADEQUACY OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE FINANCIAL STATEMENTS.

The company has placed a system of internal financial controls with reference to the financial statements. In our view, these internal financial controls are adequate and are operating effectively.

AUDITORS

In pursuance of the provisions of sections 139, 142 and other applicable provisions, if any, of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, (including any statutory modification(s), amendment(s) or reenactment(s) thereof, for the time being in force), M/s. Karvy & Co., Chartered Accountants (ICAI Firm Registration No. 001757S), Hyderabad was appointed, at the 28th Annual General Meeting (AGM) of the Company held on 27.09.2022, as the Statutory Auditors of the Company to hold office for a term of 5 (five) years from the conclusion of 28th AGM until the conclusion of the 33rd Annual General Meeting of the Company to be held in the year 2027, at such remuneration plus applicable taxes, out of pocket expenses as may be incurred by them during the course of the Audit, as may be mutually agreed between the Board of Directors of the Company and the Auditors.

AUDITORS’ REPORT

The Auditors’ Report to the shareholders does not contain any qualification and issued an unmodified opinion. However, the auditors as ‘Emphasis of Matter’ mentioned with regard to Note 8(a) of the standalone financial statements pertaining to receivables balances including trade receivables which are due from related parties and others i.e., ‘As at 31st March, 2023, the trade receivables amounted to Rs. 1326.31 lakhs which include receivables from related parties amounting to Rs. 1324.72 lakhs, are outstanding for more than one year’. The response of the Board in this regard is provided below:

(i) the Management is of the firm view that the trade receivables will be recovered by the Company, (ii) the delay happened because of huge supply and less demand for the IT Space in Chennai, due to which the recovery from Alpha City Chennai IT Park Projects Pvt. Ltd., got delayed, (iii) Company taking necessary steps to receive the dues from time to time, and (iv) the balance receivable is secured.

As required by the SEBI (LODR) Regulations, 2015, the auditors’ certificate on corporate governance is enclosed to the Board’s Report. The Auditors’ certificate for the year ended 31.03.2023 does not contain any qualification, reservation, or adverse remark.

COST RECORDS AND COST AUDIT

For the financial year 2022-23: The provisions relating to maintenance of Cost Records as specified by the Central Government under Section 148 of the Companies Act, 2013 is not applicable to the Company for the financial year 2022-23. Also, as per rule 4 of the Companies (Cost Records and Audit) Rules, 2014, cost audit is not applicable to your company. Accordingly, the cost auditor is not appointed for the financial year 2022-23.

INTERNAL AUDITORS

The Board of Directors of the Company appointed M/s. Vemulapalli & Co., Chartered Accountants, Hyderabad as the Internal Auditors to conduct the Internal Audit of the Company for the Financial Year ended March 31, 2023.

SECRETARIAL AUDIT

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 the Company has appointed Smt. Banduvula Krishnaveni, Practicing Company Secretary, Hyderabad to undertake the Secretarial Audit of the Company for the financial year 2022-23. A Secretarial Audit Report given by the Secretarial Auditors in Form No. MR-3 is annexed with this Report as **ANNEXURE – 1A**.

SECRETARIAL AUDIT OF MATERIAL UNLISTED INDIAN SUBSIDIARIES

The Secretarial Audit of M/s. SSPDL Infratech Private Limited (material unlisted subsidiary of the Company) was carried out as per Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Secretarial Audit Report issued by Smt. Banduvula Krishnaveni, Practicing Company Secretary, Hyderabad is annexed to the annual report of the Company as **ANNEXURE – 1B**.

THE DISCLOSURE OF REMUNERATION DETAILS AND PARTICULARS OF EMPLOYEES

The disclosure pertaining to remuneration and other details as required under Section 197(12) of the Companies Act, 2013 read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, and a statement showing the names, remuneration received, and other particulars of top ten employees as prescribed in Rules 5(2) and 5(3) of the aforesaid Rules, are provided in **ANNEXURE – 2**.

During the year under review, no employee of your company drawn the remuneration in excess of the prescribed limits as laid down in rule 5(2) i.e., Employees who (i) was employed throughout the financial year and received remuneration in the aggregate, not less than rupees one crore and two lakh, (ii) employed for a part of the financial year and received remuneration, in the aggregate, not less than rupees eight lakh and fifty thousand per month. Also, during the year under review, no employee of your company was employed throughout the financial year under review or part thereof and received remuneration which, in the aggregate, or as the case may be, at a rate which, in the aggregate, is in excess of that drawn by the managing director and holds by himself or along with his spouse and dependent children, not less than two percent of the equity shares of the company.

EXPLANATION OR COMMENTS TO QUALIFICATION, RESERVATION, ADVERSE REMARK OR DISCLAIMER MADE, IF ANY, IN THE STATUTORY AUDITORS' REPORT AND THE SECRETARIAL AUDIT REPORT.

The Statutory Auditors' Report, and the Secretarial Audit Report to the members, for the year ended March 31, 2023, does not contain any qualification, reservation, adverse remark or disclaimer which require explanations or comments by the Board. However, the reply of the Board to the 'emphasis of matter' reported in the Statutory Auditors' Reports is given in the 'Auditors Report' clause above.

During the year, there were no instances of frauds reported by the auditors under section 143(12) of the Companies Act, 2013 to the Audit Committee.

SECRETARIAL AUDIT REPORT
 FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2023
 [Pursuant to section 204(1) of the Companies Act, 2013
 and rule No.9 of the Companies (Appointment
 and Remuneration Personnel) Rules, 2014]

To,
 The Members,
SSPDL Limited
CIN: L70100TG1994PLC018540
 Hyderabad

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s SSPDL Limited** (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March 2023 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2023 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') are not applicable to the Company during the year as there no relevant transactions during the audit period:

- (a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- (b) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (d) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
- (e) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; and
- (f) Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;

I further report that the Company has complied with the following laws specifically applicable to the Company as declared by the Management of the Company:

- (i) Building and Other Construction Workers' (Regulation of Employment and Conditions of Services) Act, 1996

As regards Real Estate (Regulations and Development) Act, 2016 (Central Act 16 of 2016), The Government of Telangana notified Telangana Real Estate (Regulations and Development) Rules, 2017 vide Order dated August 4th, 2017 according to which the said Rules shall come in to force from the date of their publication in the Telangana Gazette. As per the provisions of the Rules Projects for which building permissions were approved prior to 01.01.2017 by the Competent Authorities are excluded from the applicability of the Rules.

As per the information given and explanations provided by the Company, the Company has one Ongoing Project in the state of Telangana for which permission been obtained prior to 01.01.2017 and hence Telangana Real Estate (Regulations and Development)

Rules, 2017, which is applicable for Projects for which permissions are approved on or after 01-01-2017, are not applicable to the Company for year under review.

According to the information given and explanations provided by the Company its Project in Chennai viz, 'Prithvi Avenue' which does not fall under Tamil Nadu Real Estate (Regulations and Development) Rules, 2017 (TNRERA) as the number of apartments is below the threshold guideline of RERA, was completed during the year under review.

I have also examined compliance with the Listing Agreements entered into by the Company with BSE Limited.

I report that, during the period under review, the Company has complied with the provisions of the (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Company has complied with Secretarial Standards Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) as issued by The Institute of Company Secretaries of India during the year under review.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act except for the delay in appointment of directors as stated above.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance. System exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the Board of Directors or Committee of the Board, as the case may be.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

 Hyderabad

My Secretarial Audit Report of even date is to be read along with this letter.

- 1 The maintenance of Secretarial records is the responsibility of the Management of the Company. Further, the Company is also responsible for devising proper systems and process to ensure the compliance of the various statutory requirements and Governance systems.
- 2 It is the responsibility of the Management of the Company to ensure that the systems and process devised for operating effectively and efficiently.
- 3 My responsibility is to express an opinion on these secretarial records based on my audit.
- 4 I have followed the audit practices and process as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in Secretarial records. I believe that the process and practices followed provide a reasonable basis for my opinion.
- 5 The Compliance of the provisions of other applicable laws, rules and regulations is the responsibility of the management. My examination was limited to the verification of procedure on test basis.
- 6 The secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the Management has conducted the affairs of the Company.

 BANJARA HILLS,
 HYDERABAD-500034

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s SSPDL INFRATECH PRIVATE LIMITED** (hereinafter called the company), being a Material Subsidiary of SSPDL Limited. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March 2023 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2023 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder; Not Applicable to the Company during the Audit Period;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder; Not Applicable to the Company during the Audit Period;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; Not Applicable to the Company during the Audit Period;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; **Not Applicable to the Company during the Audit Period;**
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.*

* The Company being a material subsidiary of SSPDL Limited, directors and certain employees of the Company have been categorised as Designated Persons and are covered by the Code of Conduct, under The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, of SSPDL Limited.

The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') are not applicable to the Company during the year as there no relevant transactions during the audit period:

- (a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- (b) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (d) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
- (e) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; and
- (f) Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;

I further report that the Company has complied with the following laws specifically applicable to the Company as declared by the Management of the Company:

- (i) Building and Other Construction Workers' (Regulation of Employment and Conditions of Services) Act, 1996

As per the information given and explanations provided by the Company, the Company has not carried on any business during the year and accordingly the aforesaid Act is not applicable during the year under review.

I have also examined compliance with the applicable clauses of the following:

- i) Secretarial Standards issued by The Institute of Company Secretaries of India;
- ii) The Listing Agreements entered into by the Company with Stock Exchange(s) - Not Applicable to the Company during the Audit Period;
- iii) The SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, if applicable – Not Applicable to the Company during the Audit Period;

The Company has complied with Secretarial Standards as issued by The Institute of Company Secretaries of India during the year under review.

I further report that

The Board of Directors of the Company is duly constituted as required under the Act. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings are carried out unanimously as recorded in the minutes of the Board of Directors or Committee of the Board, as the case may be.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

PRACTISING COMPANY SECRETARY

To,

The Members,

SSPDL INFRA TECH PRIVATE LIMITED

CIN: U45209TG2010PTC068608

Hyderabad

My Secretarial Audit Report of even date is to be read along with this letter.

- 1 The maintenance of Secretarial records is the responsibility of the Management of the Company. Further, the Company is also responsible for devising proper systems and process to ensure the compliance of the various statutory requirements and Governance systems.
- 2 It is the responsibility of the Management of the Company to ensure that the systems and process devised for operating effectively and efficiently.
- 3 My responsibility is to express an opinion on these secretarial records based on my audit.
- 4 I have followed the audit practices and process as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in Secretarial records. I believe that the process and practices followed provide a reasonable basis for my opinion.
- 5 The Compliance of the provisions of other applicable laws, rules and regulations is the responsibility of the management. My examination was limited to the verification of procedure on test basis.
- 6 The secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the Management has conducted the affairs of the Company.

Also, during the year under review, no employee of your company was employed throughout the financial year or part thereof and received remuneration which, in the aggregate, or as the case may be, at a rate which, in the aggregate, is in excess of that drawn by the managing director and holds by himself or along with his spouse and dependent children, not less than two percent of the equity shares of the company.

ANNEXURE – 3

MANAGEMENT DISCUSSION AND ANALYSIS REPORT 2022-23**1. Economic Overview****Global Economy:**

The global recovery from the COVID-19 pandemic and Russia's invasion of Ukraine is slowing amid widening divergences among economic sectors and regions. Supply chains have largely recovered, and shipping costs and suppliers' delivery times are back to pre-pandemic levels. But forces that hindered growth in 2022 persist.

Globally, inflation has been moderating on the back of easing commodity prices. Yet core inflation remains stubborn due to still strong momentum in prices of services that are usually sticky, with output being relatively labour-intensive and susceptible to wage pressures. As per IMF, global headline inflation is expected to fall from 8.7 percent in 2022 to 6.8 percent in 2023 and 5.2 percent in 2024. Policy tightening by central banks in response to inflation has raised the cost of borrowing, constraining economic activity. The banks in advanced economies have significantly tightened lending standards, curtailing the supply of credit. The impact of higher interest rates extends to public finances. The economists worry that the tightening of financial conditions could set off a rapid repricing of assets and a sharp rise in credit spreads leading up to significant financial stresses.

The global growth remains supported by the rebound in services, but sluggish manufacturing and trade activity are operating as drags. Despite the headwinds, global economic activity was resilient in the first quarter of 2023, with that resilience driven mainly by the services sector. The post-pandemic rotation of consumption back toward services is approaching completion in advanced economies, and it accelerated in a number of emerging market and developing economies.

Indian Economic Overview

The Indian economy powered through 2022 despite a shaky geopolitical environment and the threat of a looming recession in large, developed economies. India emerged as the fastest-growing large economy in the world and was one of the few bright spots in an otherwise bleak global economic environment during the year. The World Investment Report 2023 of the United Nations Conference on Trade and Development (UNCTAD) expects India to remain a bright spot in a challenging global environment.

The RBI has hiked the repo rate by 250 bps since May 2022 and the last 25 bps hike in Q1 2023 pushed home loan rates within striking distance of those existing in pre-pandemic 2019. India's external debt remained broadly stable at US\$ 625 billion at the end of March 2023, declining to 18.9 per cent of GDP from 20.0 per cent a year ago, as per the data released by the RBI at the end of June 2023.

India's robust macroeconomic fundamentals, including a large domestic market and a young, expanding workforce, contribute to its economic strength. The government's sustained focus on policies promoting manufacturing and innovation further enhances its growth potential. As macroeconomic prospects steadily improve, India is dynamically seeking fuller expression of its full potential and a transformative change in its global position.

2. Indian Real Estate Industry Overview

The Indian real estate market is currently undergoing a period of rapid growth. This is due to a number of factors, including strong economic growth, rising incomes and a growing population. As a result, there is a high demand for real estate in India, and this demand is expected to continue to grow in the coming years. It is also the second highest employment generator in the country. In addition to the growth of traditional segments like residential, commercial and retail, and newer segments such as warehousing, logistics, industrial parks, data centers, etc.

3. OPPORTUNITIES, THREATS / RISKS AND CONCERNS:**Opportunities**

We believe that long term structural potential for the sector to grow is immense. Indian real estate industry has strong structural growth drivers which will keep the longer-term demand trends robust even as the industry undergoes the sectoral cyclicity. These are as under:

- Rapid urbanization boosting urban population
- Nuclearization of families
- Improving education levels
- Rising household incomes

As the bank rate start moving down modestly in-line with inflation, demand will further get a boost as consumers will want to benefit from low home loan rate scenario.

The offices segment exhibiting gradual recovery, resulting in improvement in occupancy levels mainly due to the back-to-office policies, although certain occupiers continue to operate on a flexible and hybrid approach.

Threats/Risks/Concerns:

Real estate being a cyclical industry and projects have a long gestation period, gets impacted more by the changes in macroeconomic variables like global and country's economy, changes in the market dynamics, availability of capital, interest rate, GDP Growth, employment, purchasing power, inflation, availability of skilled labour, etc., and the same directly impacts the project sales and profitability of the Company.

Execution delay may result in cost overruns and it can cost dearly in the form of higher than expected input cost and higher than anticipated interest burden. Further, such delays also negatively impact the Company's reputation and returns.

Also, intrinsic challenges that hinder growth of the sector and performance of your Company, factors such as high borrowing costs, lack of funding, liquidity issues and slow (and uneven) development of urban infrastructure.

As the growth of your Company's portfolio is linked to the overall economic growth, primary risk to the business is adverse changes to the economy.

4. SEGMENT WISE PERFORMANCE:

The Company is engaged in construction and development of Commercial, residential properties in metropolitan and Tier II cities.

The projects under taken by the Company on its own and through other partners are under various stages of execution and the details of the status of these projects are mentioned in the Directors Report.

5. OUTLOOK

The prospects for the residential real estate sector are improving and housing demand is increasing. Your company is currently executing housing projects in Hyderabad and Chennai. Considering the past experiences, your Company primarily focusing on the development of property, mid-size houses, etc. and reduced the construction contracts work. However, on finding better opportunities it will take up and execute the construction contracts.

Based on the opportunities available in real estate sector, the management being optimistic about the growth in real estate sector, your company will undertake projects suiting the market requirement.

6. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

Your Company has reasonably sound system of controls in the operational areas. Internal controls are in line with the size of the operations and organizational requirements. Which are adequate to protect the Company's resources. The Audit Committee reviews the adequacy of internal financial control and risk management systems from time to time.

The Company focuses on quality control in its operations and projects. Adhering to quality norms and standards will help minimizing risks and improve the efficiency of operations.

7. DISCUSSION ON FINANCIAL PERFORMANCE (CONSOLIDATED) WITH RESPECT TO OPERATIONAL PERFORMANCE:

Total Revenue: During the year under review is Rs. 5129.17 lakhs, against Rs. 2490.30 lakhs in 2021-22.

Total Expenses: During the year under review is Rs. 5992.26 lakhs, as against Rs. 3008.68 lakhs for 2021-22.

Profit/(Loss) Before Tax: During the year under review is Rs. (863.08) lakhs, as against Rs. (518.38) lakhs in 2021-22.

Profit/(Loss) After Tax: During the year under review is Rs. (863.08) lakhs, as against Rs. (518.38) lakhs in 2021-22.

8. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT:

The Company continues to maintain cordial relations with its employees, vendors and other agencies. The Company strives to provide congenial atmosphere to the employees to enable them to offer their best in terms of performance. As on 31st March, 2023 your company has 28 employees on its payroll.

9. DETAILS OF SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS AND CHANGE IN RETURN ON NET WORTH:

As per the amendment made under Schedule V to the Listing Regulations read with Regulation 34(3) of the Listing Regulations, details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year ("FY")) in Key Financial Ratios, with explanations therefor are given below along with details of any change in Return on Net worth (based on the standalone financial statements of the Company):

Sl. No.	Key Financial Ratios & Return on Net worth	FY ended 31.03.2023	FY ended 31.03.2022	Changes in key ratios	% Change in ratios	Explanation
(i)	Debtors Turnover Ratio	3.22	1.68	1.54	92%	Increase in Revenue due to completion of Project in current year as compared to Previous Year
(ii)	Inventory Turnover Ratio	0.87	0.32	0.55	169%	Increase in Project close out along with hand over of Project in current year as compared to previous year
(iii)	Interest Coverage Ratio	-1.28	0.66	-1.93	-295%	Movement in ratio due to Decrease in EBIT and higher repayments of borrowings
(iv)	Current Ratio	0.84	0.95	-0.12	-12%	Not Applicable
(v)	Debt Equity Ratio	-	-	-	-0%	Not Applicable
(vi)	Operating Profit Margin (%)	-0.11	0.17	-0.29	-165%	Reduction in Operating Profit Ratio is due to Increase in Loss as compare to last year.
(vii)	Net Profit Margin (%) or sector-specific equivalent ratios, as applicable.	-0.20	-0.09	-0.11	120%	Reduction in Net Profit Ratio is due to increase in loss as compare to last year.

Return on Net worth: During the year under review, net worth is reduced due to increase in net loss.

CAUTIONARY STATEMENT:

Statements in the Management Discussions and Analysis, the Directors Report, describing the Company's objectives, projections, estimates, expectations are "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors/developments that could affect the company's operations include a downward trend in the real estate sector, includes political and economic conditions of the country, in which the Company operates, and the changes in the Government regulations, tax laws, corporate and other laws, interest and other costs and other incidental factors.

ANNEXURE - 4

REPORT ON CORPORATE GOVERNANCE - 2022-23

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

The Company continues to adhere to the good corporate practices established by it, in all its business activities. The Company aims at achieving transparency, accountability and equity, in its operations, interactions with stakeholders, including shareholders, lenders and the Government through good governance and best business practices. The Company will continue to focus on maximizing its stakeholders' wealth, adopt best business practices and ensure fairness, transparency and ethical governance in its affairs. All the members are financially literate and possess the requisite financial/business acumen to specifically look into the internal controls and audit procedures. The Managing Director, Auditors, and Chief Financial Officer are invitees to the meetings of the Audit Committee. The terms of reference of the Audit Committee are wide enough to cover all the aspects in accordance with the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 and Section 177 and other applicable provisions of the Companies Act, 2013 and the rules made there under.

The Committee periodically interacts with the Auditors, reviews the Company's financial and risk management policies and adequacy of internal controls with the management and is responsible for effective supervision of the financial reporting process and compliance with financial policies etc.

During the year under review, the Audit Committee met 5 (Five) times, i.e., on 26th May, 2022, 11th August, 2022, 14th November, 2022, 16th December, 2022, and 09th February, 2023. The attendance records of the members at these meetings are given below:

Name	Designation	Meetings held during the year	Meetings attended during the Year
Sri B.Lokanath	Chairman	5	5
Sri K. Shashi Chandra	Member	5	5
Sri P.Murali Krishna	Member	5	5

As per the Listing Agreement, the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements), Regulations, 2015 and section 177 of the Companies Act, 2013, the Audit Committee has been entrusted with the following responsibilities.

Powers of Audit Committee

The Audit Committee shall have the following powers:

1.	To investigate any activity within its terms of reference.
2.	To seek information from any employee.
3.	To obtain outside legal or other professional advice.
4.	To secure attendance of outsiders with relevant expertise, if it considers necessary.

Role of the Audit Committee

1. Oversight of the company's financial reporting process and the disclosure of its financial information to ensure that the financial statement is correct, sufficient and credible;
2. Recommendation for appointment, remuneration and terms of appointment of auditors of the company;
3. Approval of payment to statutory auditors for any other services rendered by the statutory auditors;
4. Reviewing, with the management, the annual financial statements and auditor's report thereon before submission to the board for approval, with particular reference to:
 - a. Matters required to be included in the Director's Responsibility Statement to be included in the Board's report in terms of clause (c) of sub-section 3 of section 134 of the Companies Act, 2013
 - b. Changes, if any, in accounting policies and practices and reasons for the same
 - c. Major accounting entries involving estimates based on the exercise of judgment by management
 - d. Significant adjustments made in the financial statements arising out of audit findings
 - e. Compliance with listing and other legal requirements relating to financial statements
 - f. Disclosure of any related party transactions
 - g. Modified opinion(s) in the draft audit report
5. Reviewing, with the management, the quarterly financial statements before submission to the board for approval;
6. Reviewing, with the management, the statement of uses / application of funds raised through an issue (public issue, rights issue, preferential issue, etc.), the statement of funds utilized for purposes other than those stated in the offer document / prospectus / notice and the report submitted by the monitoring agency monitoring the utilization of proceeds of a public or rights issue, and making appropriate recommendations to the Board to take up steps in this matter;
7. Review and monitor the auditor's independence and performance, and effectiveness of audit process;
8. Approval or any subsequent modification of transactions of the company with related parties;
9. Scrutiny of inter-corporate loans and investments;
10. Valuation of undertakings or assets of the company, wherever it is necessary;
11. Evaluation of internal financial controls and risk management systems;
12. Reviewing, with the management, performance of statutory and internal auditors, adequacy of the internal control systems;
13. Reviewing the adequacy of internal audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit;
14. Discussion with internal auditors of any significant findings and follow up there on;
15. Reviewing the findings of any internal investigations by the internal auditors into matters where there is suspected fraud or irregularity or a failure of internal control systems of a material nature and reporting the matter to the board;

16. Discussion with statutory auditors before the audit commences, about the nature and scope of audit as well as post-audit discussion to ascertain any area of concern;
17. To look into the reasons for substantial defaults in the payment to the depositors, debenture holders, shareholders (in case of non-payment of declared dividends) and creditors;
18. To review the functioning of the Whistle Blower mechanism;
19. Approval of appointment of Chief financial officer (i.e., the whole-time Finance Director or any other person heading the finance function or discharging that function) after assessing the qualifications, experience and background, etc. of the candidate;

S. Devaki Reddy: Management, administration, etc., and ability to read and understand basic financial statements.

Confirmation from the Board:

In the opinion of the Board, the independent directors of the Company fulfil the conditions of independence as specified in the Companies Act, 2013, and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and are independent of the management.

NOMINATION AND REMUNERATION POLICIES OF THE COMPANY:

(A) NOMINATION POLICY

1. CRITERIA FOR DETERMINING QUALIFICATIONS, POSITIVE ATTRIBUTES & INDEPENDENCE OF A DIRECTOR:

i. Qualifications of a Director:-

- For the positions of Director – He/she is not disqualified as stated in section 164 of the Companies Act, 2013,
- For the position of an Independent Director, in addition to above, he/she should meet the criteria of an Independent Director as stated in section 149(6) of the Companies Act, 2013 and the Listing Agreement, the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015,
- For the position of Managing director or whole time director, the person is not disqualified as stated in section 196. And, he/she should satisfy all conditions stated in Part I of Schedule V to the Companies Act, 2013,
- Satisfies the above said qualifications from time to time, also as per the applicable law for the time being in force,
- Background, adequate educational qualifications,
- Preference should be given to persons who possess appropriate skills, experience and knowledge in field of the business in which company is engaged, one or more fields of finance, law, management, sales, marketing, administration, research, corporate governance, operations, etc.
- Any other qualification as may be specified in the Companies Act, 2013 or Listing Agreement or other applicable law, if any.

ii. Positive attributes of Directors:-

- High standards of ethical behaviour (Personal and professional), integrity, and values,
- Strong interpersonal and communication skills and soundness of judgement,
- Willing to devote sufficient time and attention for performing duties of a director, and
- Ability to read and understand basic financial statements i.e., balance sheet, profit and loss account and statement of cash flows, etc.

iii. Independence of Directors:-

- Director meets with the criteria prescribed for 'Independent Director' in the Companies Act, 2013 and SEBI Listing Regulations, 2015.

2. CRITERIA FOR SELECTION OF SENIOR MANAGEMENT

- He/she possess appropriate skills, experience and knowledge in the functional area,
- Preferably possess relevant academic qualification,
- For the position of Company Secretary and Chief Financial Officer, individual shall possess the academic qualification as prescribed in the Companies Act, 2013 or the Listing Agreement, if any,
- Ensure that an individual proposed to be appointed in senior management shall not be disqualified as per the provisions of the Companies Act, 2013, rules made there under and the listing agreement.

The Nomination and Remuneration Committee at its discretion decides about whether a person has sufficient qualification, experience, and expertise for the position for which such person has been considered. Further, in addition to above mentioned criteria, the Nomination and Remuneration Committee may consider such other points in identifying a suitable person.

The Committee will ensure that, in selecting directors, the Board will have the composition that meets the legal requirements of the Companies Act, 2013 and the Listing Agreement, etc. from time to time.

The term of office of Directors (including, Alternate Director, Additional Director, Independent Directors, Managing Director, Rotational Directors, etc.) shall be governed by the provisions of the Companies Act, 2013 and the Listing Agreement. However, the term of office of senior management shall be decided based on the requirements of the Company and standard practices in the industry.

B) REMUNERATION POLICY

Guiding principles

The guiding principle is that the remuneration and the other terms of employment shall be competitive in order to ensure that the Company can attract, motivate, reward and retain competent Directors and Senior Management.

While designing the remuneration policy, the Committee shall consider (i) the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully, (ii) relationship of remuneration to performance is clear and meets appropriate performance benchmarks, and (iii) remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

Remuneration to Non-Executive Directors:

The components of remuneration of Non-Executive Directors of the Company are sitting fees, commission and such other remuneration as permissible under and in compliance with, the provisions of Companies Act, 2013 (as amended from time to time). They shall be covered under the Directors and Officers Policy taken by the Company, if any.

Considering the important role to be played and duties to be performed by the Non-Executive Directors of the Company, they will be paid the remuneration as recommended by the Nomination and Remuneration Committee and approved by the Board of Directors/shareholders of the company, as may be applicable. However, the remuneration payable to the Non-Executive Directors of the Company shall be subject to the overall limit as prescribed in the Companies Act, 2013 and the rules made there under.

Remuneration to Key Managerial Personnel and other employees:

i. Remuneration to Managing Director, Executive Director, Whole-time Director:

Considering the role of the Managing Director, Executive Director, Whole-time Director in developing the business, executing the plans of the Company, etc., he/she shall be paid the remuneration. Subject to the provisions of the Companies Act, 2013 and the rules made there under (including the amendments made from time to time), the Nomination and Remuneration Committee shall recommend the remuneration payable to the Managing Director, Executive Director, Whole-time Director, including the components of such remuneration i.e., remuneration per month/per annum, commission, compensation, etc., Such recommended remuneration is paid as approved by the Board of Directors, shareholders of the Company, the Central Government, as may be applicable. Also, the Managing Directors, Executive Director, Whole-time Director are covered under the Directors and Officers Policy.

In case, Company is having no profit or inadequate profit under the Companies Act, 2013, the Nomination and Remuneration Committee while approving the remuneration of Managing Director, subject to compliance with other applicable provisions of the Companies Act, 2013, shall —

- (a) take into account, financial position of the company, trend in the industry, appointee's qualification, experience, past performance, past remuneration, etc.;
- (b) be in a position to bring about objectivity in determining the remuneration package while striking a balance between the interest of the company and the shareholders.

ii. Remuneration to other Key Managerial Personnel (i.e., other than Managing Director, Whole Time Director, Chief Executive Officer, if any), Senior Management and other employees:

The key components of remuneration package of the other Key Managerial Personnel and other employees (linked to their grade) of the Company shall comprise of basic salary, dearness allowance, house rent allowance, transport allowance, ex-gratia, bonus, contribution to provident fund and superannuation fund, gratuity, leave travel allowance, leave encashment, etc.

(a) Remuneration payable, revision in remuneration/increments, etc. to other Key Managerial Personnel and Senior Management:

Subject to complying with the other applicable provisions of the Companies Act, 2013, other applicable laws and Nomination and Remuneration Policy of the Company, the Managing Director of the Company shall decide the eligibility, do the performance evaluation (annual or as and when needed) of other Key Managerial Personnel and Senior Management and consider the standard market practice and prevailing HR policies of the Company.

The Managing Director of the Company shall submit the proposal(s) of appointment / revision in remuneration/increments, etc. (in whatever form) payable to other Key Managerial Personnel and Senior Management to the Nomination and Remuneration Committee. Considering the proposals submitted by the Managing Director, the Nomination and Remuneration Committee shall recommend to the Board, all remuneration, in whatever form, payable to other key managerial personnel and senior management,

b) Remuneration payable, revision in remuneration/increments, etc. to other employees:

Subject to complying with the applicable, Policies of the Company, the Managing Director of the Company is authorised to decide, fix/revise (annual or as and when needed) the remuneration of other employees, considering the standard market practice and prevailing policies of the Company.

Subject to compliance with the applicable law, deviations on elements of this policy may be made when deemed necessary in the interests of the Company and if there are specific reasons in an individual case.

C) CRITERIA FOR EVALUATION OF THE BOARD, ITS COMMITTEES AND INDIVIDUAL DIRECTORS, ETC.

Criteria for evaluation of the Board as a whole:

- The frequency of meetings,
- The length of meetings,
- The administration of meetings,
- Appropriate mix of knowledge and skills in the composition of the Board and its Committees,
- Access to appropriate, quality and timely information,
- Disclosure of information to the stakeholders,

- According and obtaining the approval as may be required under the Companies Act, 2013, the rules made there under, and the Listing Agreement,
- Statutory Compliances and Corporate Governance, etc.

Criteria for evaluation of the Individual Directors (Executive and Non-Executive Directors):

(a) All Directors:

- Knowledge of business of the Company, updating with changes in business environment and the regulatory environment,
- Attendance at meetings of the Board, Committees and Shareholders,
- Having knowledge and commitment to fulfil fiduciary duties of directors,
- Making statutory disclosures, declarations and conflict of interest, if any,
- Level of preparedness for the meetings of the Board and Committees,
- Contributing their knowledge and experience in developing strategy at the meetings of the Board and Committees, including expressing dissent, if any, on any item,
- Relationship with fellow board members, etc.

(b) Executive Directors: In addition to criteria mentioned above in (a) –

- Initiatives taken for bringing new business and developing new business ideas,
- Executing the Business Plan of the Company and strategy set by the Board,
- Knowledge of the industry in which company operating and understanding changes/developments in the industry and market conditions,
- Contribution in identifying and mitigating the risks associated with the business of the Company,
- Providing appropriate, quality information in time, explanation to the members of the Board and Committees,
- Implementation of the Policies of the Company, developing the necessary systems,
- Guiding the Senior Management in performing their duties,
- Handling customers, employees and other stakeholder's matters, etc.

(c) Independent Directors: In addition to criteria mentioned above in (a) -

- Meeting the criteria of Independent Director as per the Companies Act, 2013 and the Listing Agreement,
- Attendance at meetings of the Board, Committees and Shareholders,
- Participate constructively and actively in the committees of the Board in which they are chairpersons or members,
- Exercise independent judgment,
- Participating in separate meeting of the Independent Directors,

- help in bringing an independent judgment to bear on the Board's deliberations especially on issues of strategy, performance, risk management, resources, key appointments and standards of conduct, and
- undertake appropriate induction and regularly update and refresh their skills, knowledge and familiarity with the company, etc.

In addition to above, the Board may consider such other criteria as it may deem fit to evaluate the Directors, Committees, and the Board.

Considering the amendments to the SEBI (LODR) Regulations, 2015, the Nomination and Remuneration Policy of the Company is amended with regard to remuneration payable to other key managerial personnel and senior management. As per the amendments made, the remuneration of other key managerial personnel and senior management shall be submitted to the Nomination and Remuneration Committee for it to consider and recommend to Board.

(D) CORPORATE SOCIAL RESPONSIBILITY COMMITTEE

INDEPENDENT AUDITOR'S REPORT

To the Members of SSPDL Limited

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **SSPDL Limited** ("the Company") which comprise the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, its loss including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw your attention to Note 8(a) of the standalone financial statements pertaining to receivables balances including trade receivables which are due from related parties and others.

As at 31st March, 2023, the trade receivables amounted to Rs.1,32,630.76 Thousands which include receivables from related parties amounting to Rs. 1,32,471.68 Thousands are outstanding for more than one year.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No	Key Audit Matters	Auditor's Response
1.	<p>Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 "Revenue from Contracts with Customers".</p> <p>The application of the revenue accounting standard involves certain key judgements relating to identification of the contract with a customer, identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized when a performance obligation is satisfied. Additionally, new revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p> <p><u>Construction Revenue and Profit/Loss Recognition</u></p> <p>The Company performs various building, engineering and services construction contract works (projects) for a wide range of customers. The Company contracts in a variety of ways. Each project has a different risk profile based on its individual contractual and delivery characteristics. We focused on construction revenue and profit recognition as a key audit matter due to the judgment</p>	<p><u>Our procedures pertaining to Construction revenue included:</u></p> <ul style="list-style-type: none"> • Evaluation and testing of management's review and approval of revenue and cost forecasting. • Selection of a sample of contracts for testing using: <ul style="list-style-type: none"> o Data Analytic routines based on a number of quantitative and qualitative factors, related to size and risk of projects. • For the sample selected, we: <ul style="list-style-type: none"> o Conducted visits to a selection of project sites to understand project schedule, forecast revenue/cost and risks and opportunities. o Read relevant contract terms and conditions to evaluate the inclusion of individual characteristics and project risks in the Company's estimates. o Tested forecast costs for labour, subcontractors, equipment, materials, and project overheads by comparing to actual incurred spend and committed future contract. o Tested the variations and claims included within revenue against the criteria for recognition in the accounting standards via assessment of: <ul style="list-style-type: none"> ➤ correspondence between the Company and the customer; and

S. No	Key Audit Matters	Auditor's Response
	<p>required by us in assessing the range of factors that impact the Company's estimate of costs and revenue, and the potential impact on profit. Estimating total costs to complete during project life is complex and requires judgment. Typical cost estimates include labour, subcontractors, equipment, materials, and project overheads. Changes to these cost estimates could give rise to variances in the amount of revenue and profit/loss recognized. Judgment is also involved by us in assessing the amount of revenue to be recognized specifically in relation to contractual variations and claims revenue, which has not been formally agreed with the customer at the reporting date.</p> <p><u>Development Revenue and Profit/Loss Recognition</u></p> <p>The Company develops for sale both built form product (for example residential apartments, Villas and commercial/retail buildings) and residential land communities. As development revenue is recognized based on an assessment of when the Control is transferred to the purchaser, an assessment of the contractual terms of sale and of the status of completion of performance obligations is required. This was a key audit matter due to the number of judgments required by us in assessing development revenue and profit recognition, in particular for commercial/retail building sales and residential apartments/villas. The assessment of profit recognition requires judgment as cost allocation is typically a function of total forecast project profit based on either revenue or area estimation.</p> <p>Refer Notes 2.2h and 15 to the standalone financial statements.</p>	<p>➤ the Company's legal and external experts' reports received on contentious matters.</p> <p><u>Our procedures pertaining to Development revenue included:</u></p> <ul style="list-style-type: none"> • Evaluation and testing of management's review and approval of development revenue and cost forecasting. • Selection of a sample of developments based on quantitative and qualitative information such as transaction size, potential settlement risk and the complexity of the contractual terms of sale. • For the sample selected we: <ul style="list-style-type: none"> o compared revenue recognized to contractual terms of sale and cash settlements. o assessed the Company's determination of the transfer of control by a detailed analysis of the contractual terms of sale against the criteria in the accounting standards. o assessed the customers' credit risk including evaluating public information as to the financial position of the purchaser in the context of the level of instalments received by the Company. o tested the completion of performance obligations by comparing the work done to the fulfill the obligations with the contractual terms of sale. o assessed the Company's cost allocation methodology by comparing costs allocated to sales recognized in the year relative to the total project, against the Company's accounting policy and the requirements of the accounting standards.
2.	<p><u>Recoverability of Development Property Inventory</u></p> <p>The Company capitalizes development costs into inventory over the life of its projects. Development costs include the purchase of land, site infrastructure costs, construction costs for built form product and borrowing costs. Inventory is carried at the lower of cost and net realizable value and the recoverability of these costs is a significant judgment as that assessment is based on forecasts of:</p> <ul style="list-style-type: none"> o Sales prices o Forecast construction and infrastructure costs to complete the development <p>Where a development is forecast to be loss making and the inventory is no longer considered to be recoverable, it is considered to be impaired and an expense is recognized. This is a key audit matter due to many developments being long term which increases the level of forecasting judgment and audit complexity in estimating sales prices and future costs to complete the development.</p> <p>Refer Note 7 to the standalone financial statements.</p>	<p><u>Our procedures included:</u></p> <p>Selection of a sample of projects for testing using:</p> <ul style="list-style-type: none"> • Data Analytic routines based on a number of quantitative and qualitative factors, related to size, duration and risk of projects. • The Company's project reporting. <p>For the sample selected we:</p> <ul style="list-style-type: none"> o compared expected sales prices to published industry forecasts and comparable sales prices achieved in the year. o tested forecast construction and infrastructure costs to underlying supplier contracts, historical experience of similar costs and our industry expectation of cost contingency levels and cost escalation assumptions.
3.	<p><u>Valuation of Deferred tax assets</u></p> <p>The Company has a significant amount of deferred tax assets, mainly resulting from net operating losses. The valuation of deferred tax assets is significant to our audit because the assessment process is complex and is based on estimates of future taxable income. The risk exists that future (fiscal) profits will not be sufficient to recover all or part of these deferred tax assets. Management has supported the recoverability of the deferred tax assets mainly with taxable income projections which contain estimates of and tax strategies for future taxable income.</p> <p>Changes in, for example, the industrial footprint, the business and its markets and changes in regulations may impact these projections.</p> <p>Refer Note 6 to the standalone Ind AS financial statements.</p>	<p><u>Principal Audit Procedures</u></p> <p>In this area, our audit procedures included, amongst others:</p> <ul style="list-style-type: none"> • Using our own tax specialists to assist us in assessing the appropriateness of the level of deferred taxes recognized in the balance sheet. • We paid attention to the long-term forecasts and critically assessed the assumptions and judgments underlying these forecasts by considering the historical accuracy of forecasts and the sensitivities of the profit forecasts. • We assessed the adequacy of the income tax disclosures to the financial statements, setting out the basis of the deferred tax balance and the level of estimation involved.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether these standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quanti-

tative materiality and qualitative factors (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure-A**", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by section 143 (3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The balance Sheet, the statement of profit and loss including other comprehensive income, the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2023, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure-B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements- Refer Note 24(b) to the standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv.
 - a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, whether, directly or indirectly lend or invest in other person or entity identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other person or entity identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- c) Based on the audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. No dividend has been declared or paid during the year by the Company.

“Annexure – A” to the Auditors’ Report

The Annexure referred to in Independent Auditors’ Report to the members of the Company on the standalone financial statements for the year ended 31st March, 2023, we report that:

Re: SSPDL Limited (‘the Company’)

- i. In respect of the Company’s Property, Plant and Equipment (including right-of-use assets) and Intangible Assets:
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) As explained to us, the management has physically verified a substantial portion of the Property, Plant and Equipment during the year and in our opinion frequency of verification is reasonable having regard to the size of the Company and the nature of its assets. The discrepancies noticed on physical verification of Property, Plant and Equipment as compared to the books of account were not material and have been properly dealt with in the books of accounts.
 - (c) In our opinion and according to the information and explanations given to us, all the title deeds of immovable properties are held in the name of the Company. In respect of immovable properties of land and buildings that have been taken on lease and disclosed as asset in the financial statements, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.
 - (d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii.
 - (a) According to the information and explanations given to us, the inventories have been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable and the coverage and procedure of such verification by the management is appropriate. The discrepancies identified during such verification were not more than 10% in the aggregate for each class of inventory as compared to the books of account.
 - (b) The Company has not been sanctioned working capital limits in excess of Rs. 500.00 lacs, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- iii. The Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, reporting under clause 3(iii)(a) to 3(iii)(f) are not applicable.
- iv. There are loans, guarantees and security in respect of which provisions of sections 185 of the Act are applicable. Investments in respect of which provisions of section 186 of the Act are applicable, have been complied with by the Company.
- v. According to the information and explanations given to us, the Company has neither accepted any deposits from the public nor accepted any amount which are deemed to be deposits within the meaning of Section 73 and 76 or any other relevant provisions of the Act and the rules framed there under. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. The maintenance of cost records has not been specified by the Central Government under subsection (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable.
- vii. In respect of Statutory dues:
 - a. The Company is regular in depositing with appropriate authorities, undisputed statutory dues including provident fund, employees state insurance, income-tax, goods and service tax, duty of customs, cess and other material statutory dues applicable to it. According to the information and explanations given to us, no undisputed amounts payable in respect of such statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
 - b. According to the information and explanations given to us, there are no dues of provident fund, employees state insurance, goods and service tax, cess and other statutory dues which have not been deposited on account of any dispute. The details of dues of Income Tax that have not been deposited on account of any dispute, are as follows:

Name of the Statute	Nature of the Dues	Amount 'Rs' In Thousands	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	12415.14	AY 2007-08	Hon'ble High Court of Madras
Income Tax Act, 1961	Income Tax	42785.54	AY 2008-09	Hon'ble High Court of Madras
Income Tax Act, 1961	Income Tax	2669.23	AY 2018-19	Commissioner Appeals, Income Tax, Hyderabad

- viii. According to information and explanation given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. (a) Based on our audit procedures and as per the information and explanations given by the management, we are of the opinion that the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to banks. There are no dues to financial institutions or government.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) Term loans were applied for the purpose for which the loans were obtained.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries or associates and hence reporting under clause 3(ix)(f) of the Order is not applicable.
- x. (a) According to the information and explanations given to us, the Company has not raised any money during the year by way of public offer (including debt instruments) and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given by the management, we report that, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) Since there is no fraud by the Company or on the Company that has been noticed or reported during the year, no report under sub-section (12) of section 143 of the Companies Act is required to be filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment Company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has incurred a cash loss amounting to Rs. 8,596.17 Thousands during the financial year covered by our audit and a cash loss amounting to Rs. 2,102.16 Thousands in the immediately preceding financial year.

- xviii. There has been no resignation of the statutory auditors of the Company during the year. Hence, reporting under clause 3(xviii) of the Order is not applicable.
- xix. On the basis of the financial ratios disclosed in note 30 to the standalone Ind AS financial statement, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. Since the Company has incurred losses in the past three financial years, there is no requirement for spending any amount towards Corporate Social Responsibility (CSR) as per the Act. Hence, reporting under clause 3(xx)(a) and (b) of the Order is not applicable for the year.
- xxi. There have been no qualifications or adverse remarks by the respective auditors in the Companies (Auditor's Report) Order (CARO) reports of the companies included in the consolidated financial statements. Accordingly, reporting under clause 3(xxi) of the Order is not applicable for the year.

“Annexure – B” to the Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **SSPDL Limited** (“the Company”) as of 31st March, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements

1 Corporate Information

SSPDL Limited (“the Company”) was incorporated on October 17, 1994. The Company is a leading real estate developer engaged primarily in the business of real estate, property development, construction and other related activities. The company is domiciled in India and listed on BSE Limited (BSE)

2 Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1) Basis of preparation

The standalone financial statements (‘financial statements’) of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the standalone financial statements.

The standalone financial statements have been prepared on a going concern basis in accordance with accounting principles generally accepted in India. Further, the standalone financial statements have been prepared on historical cost basis except for certain financial assets, financial liabilities, derivative financial instruments and share based payments which are measured at fair values as explained in relevant accounting policies.

The financial statements are presented in Rupees, except when otherwise indicated.\

2.2) Summary of Significant Accounting Policies

a) Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification as mentioned below:

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading.
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle.
- It is held primarily for the purpose of trading.
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

b) Property, plant and equipment

Recognition and Initial Measurement :

Property, plant and equipment are stated at their cost of acquisition on transition to Ind AS, the Company had elected to measure all of its property, plant and equipment at the previous GAAP carrying value (deemed cost).

The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset’s carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefit ts associated with the item will fl ow to the Company. When significant parts of plant and

Notes to the Financial Statements

equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Subsequent measurement (depreciation and useful lives):

Property, plant and equipment are subsequently measured at cost net of accumulated depreciation and accumulated impairment losses, if any. Depreciation on property, plant and equipment is provided on a straight-line basis over the estimated useful lives of the assets as follows:

(a) Computers	- 3 Years
(b) Office Equipments	- 5 Years
(c) Furniture and Fixtures	- 10 Years
(d) Vehicles	- 8 to 10 Years
(e) Construction Equipment	- 15 Years

Depreciation methods, estimated useful lives and residual value:

Depreciation on tangible assets is provided on pro-rata basis on the straight line method in accordance with useful life estimated by the management which is the same as those prescribed under Schedule II to the Companies Act, 2013. The useful life, residual value and the depreciation method are reviewed at least at each financial year end. If the expectations differ from previous estimates, the changes are accounted for prospectively as a change in accounting estimate.

Assets costing Rs. 5,000 or less are depreciated in full in the year of acquisition. In respect of additions/deletions, depreciation charge is restricted to the period of use.

De-Recognition:

An item of property, plant and equipment and any significant part initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is de-recognised.

c) Intangible assets

(i) Goodwill

Goodwill on acquisitions of subsidiary is included in intangible assets. Goodwill is not amortised but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses. Gains and losses on the disposal of an entity include the carrying amount of goodwill relating to the entity sold. Goodwill is allocated to cash-generating units for the purpose of impairment testing. The allocation is made to those cash-generating units or groups of cash-generating units that are expected to benefit from the business combination in which the goodwill arose. The units or groups of units are identified at the lowest level at which goodwill is monitored for internal management purposes.

(ii) Computer software

Computer software are stated at cost, less accumulated amortisation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

(iii) Amortisation methods and periods

The Group amortises intangible assets with a finite useful life using the straight-line method over the following periods:

Computer software - 5 years

d) Capital Work in Progress and Intangible Assets under Development

Capital work-in-progress and intangible assets under development represents expenditure incurred in respect of capital projects/intangible assets under development and are carried at cost less accumulated impairment loss, if any. Cost includes land, related acquisition expenses, development/ construction costs, borrowing costs and other direct expenditure.

Notes to the Financial Statements

e) Investment Properties

Recognition and Initial Measurement:

Investment properties are properties held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition, including transaction costs. On transition to Ind AS, the Company had elected to measure all of its investment properties at the previous GAAP carrying value (deemed cost).

The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. When significant parts of the investment property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Subsequent measurement (depreciation and useful lives):

Investment properties are subsequently measured at cost less accumulated depreciation and accumulated impairment losses, if any. Depreciation on investment properties is provided on the straight-line method over the useful lives of the assets.

De-recognition:

Investment properties are de-recognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the statement of profit or loss in the period of de-recognition.

f) Investments in Equity Instruments of Subsidiaries, Joint ventures and Associates

Investment in equity instruments of subsidiaries, joint ventures and associates are stated at cost as per Ind AS 27 'Separate Financial Statements'. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is assessed for recoverability and in case of permanent diminution provision for impairment is recorded in statement of Profit and Loss. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of Profit and Loss.

g) Inventories

Land and plots other than area transferred to constructed properties at the commencement of construction are valued at lower of cost/ as re-valued on conversion to stock and net realisable value. Cost includes land (including development rights and land under agreement to purchase) acquisition cost, borrowing cost if inventorisation criteria are met, estimated internal development costs and external development charges and other directly attributable costs.

Construction work-in-progress of constructed properties includes the cost of land (including development rights and land under agreements to purchase), internal development costs, external development charges, construction costs, overheads, borrowing cost if inventorisation criteria are met, development /construction materials, is valued at lower of cost/ estimated cost and net realisable value.

Development rights represent amount paid under agreement to purchase land/ development rights and borrowing cost incurred by the Company to acquire irrevocable and exclusive licenses/ development rights in the identified land and constructed properties, the acquisition of which is either completed or is at an advanced stage. These are valued at lower of cost and net realisable value.

Construction/ development material is valued at lower of cost and net realisable value. Cost comprises of purchase price and other costs incurred in bringing the inventories to their present location and condition.

Cost is determined on weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs of necessary to make the sale.

h) Revenue from Contract or Services with Customers and other Streams of Revenue

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods and services before transferring them to the customers.

Notes to the Financial Statements

i. Revenue from Contracts with Customers:

Pursuant to the application of Ind AS 115 - 'Revenue from Contracts with Customers' effective from 1 April 2018, the Company has applied following accounting policy for revenue recognition:

Revenue is measured at the fair value of the consideration received/ receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government and is net of rebates and discounts. The Company assesses its revenue arrangements against specific criteria to determine if it is acting as principal or agent. The Company has concluded that it is acting as a principal in all of its revenue arrangements.

Revenue is recognised in the income statement to the extent that it is probable that the economic benefits will flow to the Company and the revenue and costs, if applicable, can be measured reliably.

The Company has applied five step model as per Ind AS 115 'Revenue from contracts with customers' to recognise revenue in the standalone financial statements. The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- a) The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs; or
- b) The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- c) The Company's performance does not create an asset with an alternative use to the Company and the entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue is recognised either at point of time and over a period of time based on various conditions as included in the contracts with customers.

Point of Time:

Revenue from real-estate projects:

Revenue is recognised at a Point in Time w.r.t. sale of real estate units, including land, plots, apartments, commercial units, development rights as and when the control passes on to the customer which coincides with handing over of the possession to the customer.

Over a period of time:

Revenue is recognised over period of time for following stream of revenues:

Revenue from Construction projects:

Construction projects where the Company is acting as trunk contractor, revenue is recognised in accordance with the terms of the Construction agreements. Under such contracts, assets created does not have an alternative use for the company and the Company has an enforceable right to payment. The estimated project cost includes construction cost, development and construction material, internal development cost, external development charges, borrowing cost and overheads of such project.

The estimated costs are reviewed periodically and effect of any changes in such estimates is recognized in the period such changes are determined. However, when the total project cost is estimated to exceed total revenues from the project, the loss is recognized immediately.

Maintenance income:

Revenue in respect of maintenance services is recognised on an accrual basis, in accordance with the terms of the respective contract as and when the Company satisfies performance obligations by delivering the services as per contractual agreed terms.

Other operating income:

Income from forfeiture of properties and delayed interest from customers under agreements to sell is accounted for on an accrual basis except in cases where ultimate collection is not reasonably ascertained.

ii. Volume rebates and early Payment rebates :

The Company provides early payment rebates/ down payment rebates to the customers. Rebates are offset against amounts payable by the customer and revenue to be recognised. To estimate the variable consideration for the expected future rebates, the Company estimates the expected value of rebates that are likely to be incurred in future and recognises the revenue net of rebates and recognises the refund liability for expected future rebates.

Notes to the Financial Statements

iii. Contract Balances

Contract assets:

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Contract liabilities:

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

iv. Interest Income;

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

v. Dividend Income;

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

i) Cost of Revenue

Cost of real estate projects:

Cost of constructed properties includes cost of land (including cost of development rights/ land under agreements to purchase), estimated internal development costs, external development charges, borrowing costs, overheads, construction costs and development/ construction materials, which is charged to the statement of profit and loss based on the revenue recognized as explained in accounting policy for revenue from real estate projects above, in consonance with the concept of matching costs and revenue. Final adjustment is made on completion of the specific project.

Cost of land and plots:

Cost of land and plots includes land (including development rights), acquisition cost, estimated internal development costs and external development charges, which is charged to the statement of profit and loss based on the percentage of land/ plotted area in respect of which revenue is recognised as explained in accounting policy for revenue from 'Sale of land and plots', in consonance with the concept of matching cost and revenue. Final adjustment is made on completion of the specific project.

Cost of development rights:

Cost of development rights includes proportionate development rights cost, borrowing costs and other related cost, which is charged to statement of profit and loss as explained in accounting policy for revenue, in consonance with the concept of matching cost and revenue.

j) Borrowing Costs

Borrowing costs directly attributable to the acquisition and/ or construction/ production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are charged to the statement of profit and loss as incurred. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization.

k) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities.

Notes to the Financial Statements

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

I) Leases

Effective from 1 April 2019, the Company has applied Ind AS 116, which replaces the existing lease standard, Ind AS 17-Leases and other interpretations. The Company has applied Ind AS 116 using the modified retrospective approach and has accordingly not restated the comparative information. The Company at the inception of a contract, assesses whether the contract, is or contains a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Ind AS 116 introduces a single balance sheet lease accounting model for lessees. A lessee recognises a right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The Company has elected not to recognise right-of-use of assets and lease liabilities for short term leases that have a lease term of 12 months or less and leases of low value assets. The Company recognises the lease payments associated with these leases as an expense on a straight line basis over the lease term. Lessor accounting remains similar to the accounting under the previous standard i.e. lessor continues to classify leases as finance or operating lease. This policy is applied to contracts entered into, or changed, on or after 1 April 2019. For contracts entered into before 1 April 2019, the determination of whether an arrangement is, or contains a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

As a lessee :

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct cost incurred and an estimate of cost to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight line method from the commencement date to the earlier of the end of the useful life or the end of the lease term. The estimated useful life of the right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability. The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payment of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or the Statement of the Profit and Loss if the right-of-use asset is already reduced to zero. On the Balance Sheet, right-of-use assets have been included in property, plant and equipment and lease liabilities have been included in borrowings & other financial liabilities.

"In the comparative period, leases of property, plant and equipment where the Company, as lessee, had substantially all the risks and rewards of ownership was classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, was included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost was charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period. In comparative period, leases in which a significant portion of the risks and rewards of ownership was not transferred to the Company as lessee was classified as operating

Notes to the Financial Statements

leases. Payments made under operating leases (net of any incentives received from the lessor) was charged to profit or loss on a straight-line basis over the period of the lease unless the payment was structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

As a lessor :

In respect of assets given on operating lease, lease rentals are accounted on accrual basis in accordance with the respective lease agreements.

m) Business combinations

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are acquired. The consideration transferred for the acquisition of a business comprises the:

- fair values of the assets transferred;
- liabilities incurred to the former owners of the acquired business;
- equity interests issued by the Group; and
- fair value of any asset or liability resulting from a contingent consideration arrangement.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date. The Group recognises any non-controlling interest in the acquired entity on an acquisition-by-acquisition basis either at fair value or at the non-controlling interest's proportionate share of the acquired entity's net identifiable assets.

Acquisition-related costs are expensed as incurred.

The excess of the

- consideration transferred;
- amount of any non-controlling interest in the acquired entity, and
- acquisition-date fair value of any previous equity interest in the acquired entity

over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

Where settlement of any part of cash consideration is deferred, the amounts payable in the future are discounted to their present value as at the date of exchange. The discount rate used by the entity's incremental borrowing rate, being the rate at which a similar borrowing could be obtained from an independent financier under comparable terms and conditions.

Contingent consideration is classified either as equity or a financial liability. Amounts classified as a financial liability are subsequently remeasured to fair value with changes in fairvalue recognised in profit or loss.

If the business combination is achieved in stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date. Any gains or losses arising from such remeasurement are recognised in profit or loss or other comprehensive income, as appropriate.

n) Impairment of assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from assets or group of assets (cash generating units). Non financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

o) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call, bank deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Notes to the Financial Statements

p) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

q) Investments and other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The company reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.
- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method.
- **Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/(losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Investments equity instruments of subsidiaries, associates or joint ventures.

Investments in equity instruments of subsidiaries, joint ventures and associates are accounted for at cost in accordance with Ind AS 27 Separate Financial Statements

Notes to the Financial Statements

(iii) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 18 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected life time losses to be recognised from initial recognition of the receivables.

(iv) Derecognition of financial assets

A financial asset is derecognised only when

- the Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

r) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

s) Borrowings

Borrowings are initially recognized at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in profit or loss as other gains/ (losses).

Where the terms of a financial liability are renegotiated and the entity issues equity instruments to a creditor to extinguish all or part of the liability (debt for equity swap), a gain or loss is recognized in profit or loss, which is measured as the difference between the carrying amount of the financial liability and the fair value of the equity instrument issued.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of financial statements for issue, not to demand payment as consequence of the breach.

t) Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company;
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Notes to the Financial Statements

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

u) Provisions, Contingent Liabilities and Contingent Assets

Provisions for legal claims are recognised when the entity has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liability is disclosed for Possible obligations which will be confirmed only by future events not wholly within the control of the Company, or Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

v) Changes in accounting policies and disclosures

Effective from 1 April 2019, the Company has applied Ind AS 116, which replaces the existing lease standard, Ind AS 17-Leases and other interpretations. The Company has applied Ind AS 116 using the modified retrospective approach and has accordingly not restated the comparative information. The Company at the inception of a contract, assesses whether the contract, is or contains a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Ind AS 116 introduces a single balance sheet lease accounting model for lessees. A lessee recognises a right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The Company has elected not to recognise right-of-use of assets and lease liabilities for short term leases that have a lease term of 12 months or less and leases of low value assets. The Company recognises the lease payments associated with these leases as an expense on a straight line basis over the lease term. Lessor accounting remains similar to the accounting under the previous standard i.e. lessor continues to classify leases as finance or operating lease. This policy is applied to contracts entered into, or changed, on or after 1 April 2019. For contracts entered into before 1 April 2019, the determination of whether an arrangement is, or contains a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

As a lessee :

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct cost incurred and an estimate of cost to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight line method from the commencement date to the earlier of the end of the useful life or the end of the lease term. The estimated useful life of the right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability. The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payment of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or the Statement of the Profit and Loss if the right-of-use asset is already reduced to zero. On the Balance Sheet, right-of-use assets have been included in property, plant and equipment and lease liabilities have been included in borrowings & other financial liabilities.

Notes to the Financial Statements

“In the comparative period, leases of property, plant and equipment where the Company, as lessee, had substantially all the risks and rewards of ownership was classified as finance leases. Finance leases are capitalised at the lease’s inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, was included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost was charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period. In comparative period, leases in which a significant portion of the risks and rewards of ownership was not transferred to the Company as lessee was classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) was charged to profit or loss on a straight-line basis over the period of the lease unless the payment was structured to increase in line with expected general inflation to compensate for the lessor’s expected inflationary cost increases.

As a lessor :

In respect of assets given on operating lease, lease rentals are accounted on accrual basis in accordance with the respective lease agreements.

w) Significant management judgment in applying accounting policies and estimation uncertainty

The preparation of the Company’s financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the related disclosures.

Significant management judgments :

Recognition of deferred tax assets - The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

Evaluation of indicators for impairment of assets - The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Classification of leases - The Company enters into leasing arrangements for various assets. The classification of the leasing arrangement as a finance lease or operating lease is based on an assessment of several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee’s option to purchase and estimated certainty of exercise of such option, proportion of lease term to the asset’s economic life, proportion of present value of minimum lease payments to fair value of leased asset and extent of specialized nature of the leased asset.

Impairment of financial assets - At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding financial assets.

Provisions - At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However the actual future outcome may be different from this judgment.

Significant estimates:

Net realizable value of inventory - The determination of net realisable value of inventory involves estimates based on prevailing market conditions, current prices and expected date of commencement and completion of the project, the estimated future selling price, cost to complete projects and selling cost. The Company also involves specialist to perform valuations of inventories, wherever required.

Useful lives of depreciable/ amortisable assets - Management reviews its estimate of the useful lives of depreciable/ amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

Fair value measurements - Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

Valuation of investment in subsidiaries, joint ventures and associates - Investments in joint ventures and associates are carried at cost. At each balance sheet date, the management assesses the indicators of impairment of such investments. This requires assessment of several external and internal factor including capitalisation rate, key assumption used in discounted cash flow models (such as revenue growth, unit price and discount rates) or sales comparison method which may affect the carrying value of investments in subsidiaries, joint ventures and associates.

Notes to the Financial Statements (contd...)

(All amounts are in Indian Rupees in thousands unless otherwise specified)

Financial instruments and risk management

Note : Fair value measurements

	Hierarchy	31 March 2023 Carrying value			Fair Value	31 March 2022 Carrying value			Fair Value
		FVPL	FVOCI	Amortised Cost		FVPL	FVOCI	Amortised Cost	
Financial Assets									
Trade Receivables	3	-	-	1,32,630.76	-	-	1,33,799.57		
Cash and cash equivalents	3	-	-	6,104.97	-	-	21,627.23		
Loans and advances				0.00			2,46,050.70		
Other financial assets				17,530.38			17,514.62		
Total Financial Assets		-	-	1,56,266.12		-	4,18,992.12		
Financial Liabilities				-			-		
Borrowings	3	-	-	-	-	-	5,667.28		
Trade Payables	3	-	-	1,93,539.34	-	-	2,32,752.20		
Other Financial Liabilities	3	-	-	49,810.59			57,461.97		
Total Financial Liabilities		-	-	2,43,349.92		-	2,95,881.45		

(i) Fair value hierarchy

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. There are no transfers between levels 1 and 2 during the year. The company's policy is to recognise transfers in and transfers out of fair value hierarchy levels as at the end of the reporting period.

The carrying amounts of trade receivables, loans, trade payables and cash and bank balances are considered to be the same as their fair values, due to their short term nature.

The fair values of non-current borrowings are based on discounted cash flows using current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

Notes to the Financial Statements (contd...)

(All amounts are in Indian Rupees in thousands unless otherwise specified)

Note : Financial Risk management

The Company's activities expose it to market risk, liquidity risk and credit risk. In order to minimise any adverse effects on the financial performance of the Company, derivative financial instruments, such as foreign exchange forward contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, derivative financial instruments, financial assets measured at amortised cost	Aging analysis Credit rating	Diversification of bank deposits, credit limits and letter of credit
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk - Interest rate	Long-term borrowings at variable rates	Sensitivity analysis	Interest rate swaps

The Company's risk management is carried out by the treasury department under policies approved by the Board of Directors. The board provides written principles for overall risk management as well as policies covering specific areas such as interest rate risk, credit risk and investment of excess liquidity.

(A) Credit Risk:

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from operating activities (primarily trade receivables) and from financing activities, including deposits with banks and other financial instruments.

(i) Credit risk management

Credit risk is managed at the company level. The Company has only one customer i.e., MN Science and technology park private limited which is the subsidiary of the Company. Hence the credit risk is considered at low credit risk category.

(ii) Provision for expected credit losses

The company provides for expected credit loss based on the following:

Category	Description of category	Basis for recognition of expected credit loss provision	
		Loans and deposits	Trade receivables
High quality assets, low credit risk	Assets where there is low risk of default and where the counter party has sufficient capacity to meet the obligations and where there has been low frequency of defaults in the past.	12-month expected credit losses	Life time expected credit losses
Doubtful assets, credit impaired	Assets are written off when there is no reasonable expectation of recovery, such as a debt or declaring bankruptcy or failing to engage in a payment plan with the Company. The company categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than 180 days past due. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.	Asset is written off	

Notes to the Financial Statements (contd...)

(All amounts are in Indian Rupees in thousands unless otherwise specified)

Year ended March 31, 2023:

(a) Expected credit loss for loans, security deposits and investments

Particulars	Asset Group	Estimated gross carrying amount at default	Expected probability of default	Expected credit losses	Carrying amount net of impairment provision
Loss allowance measured at 12 month expected credit losses - Financial assets for which credit risk has not increased significantly since initial recognition	Trade Recievables	1,32,630.76		-	1,32,630.76
	Loans	0	0%	-	0

(b) Expected credit loss for trade receivables under simplified approach

Ageing	0-90 days	90-365 days	More than 365 days	Total
Gross carrying amount	1,32,630.76		-	1,32,630.76
Expected loss rate	0%		-	-
Expected credit loss (loss allowance provision)	-		-	-
Carrying amount of trade receivables (net of impairment)	1,32,630.76		-	1,32,630.76

Year ended March 31, 2022:

(a) Expected credit loss for loans, security deposits and investments

Particulars	Asset Group	Estimated gross carrying amount at default	Expected probability of default	Expected credit losses	Carrying amount net of impairment provision
Loss allowance measured at 12 month expected credit losses - Financial assets for which credit risk has not increased significantly since initial recognition	Trade Recievables	1,33,799.57	0%	-	1,33,799.57
	Loans	2,46,050.70	0%	-	2,46,050.70

(b) Expected credit loss for trade receivables under simplified approach

Ageing	0-90 days	90-365 days	More than 365 days	Total
Gross carrying amount	1,33,799.57		-	13,37,99,569.80
Expected loss rate	0%		-	-
Expected credit loss (loss allowance provision)	-		-	-
Carrying amount of trade receivables (net of impairment)	1,33,799.57		-	1,33,799.57

During the period, the company made no write offs of trade receivables, it does not expect to receive future cash flows or recoveries from collection of cash flows previously written off.

(B) Liquidity Risk:

Liquidity risk is the risk that the company will encounter difficulty in meeting its obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stresses conditions without incurring unacceptable losses or risking damage to the Company's reputation.

Notes to the Financial Statements (contd...)

(All amounts are in Indian Rupees in thousands unless otherwise specified)

The Company has lines of credit from group company and also from banks. The company believes that these facilities are sufficient to meet its funds requirements. Accordingly, no liquidity risk is perceived.

(i) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

	31 March, 2023	31 March, 2022
Floating Rate		
- Expiring within one year	-	-
- Expiring beyond one year	-	-

(ii) Maturities of financial liabilities

The tables below analyse the company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

- all non derivative financial liabilities, and
- net and gross settled derivative financial instruments for which the contractual maturities are essential for an understanding of the timing of the cash flows

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Contractual maturities of financial liabilities 31 March 2023	Less than 6 months	6 months to 1 year	Between 1 and 2 years	More than 2 years	Total
Non derivatives					
Borrowings	-	-	-	-	-
Trade payables	1,93,539.34			-	1,93,539.34
Total non derivative liabilities	1,93,539.34	-	-	-	1,93,539.34
Contractual maturities of financial liabilities 31 March 2022	Less than 6 months	6 months to 1 year	Between 1 and 2 years	More than 2 years	Total
Non derivatives					
Borrowings	-	-			-
Trade payables	2,32,752.20	-	-	-	2,32,752.20
Total non derivative liabilities	2,32,752.20	-	-	-	2,32,752.20

Notes to financial statements

(All amounts are in Indian Rupees unless otherwise specified)

Note 20: Capital Management

(a) Risk management

The Company's objective when managing capital are to:

1. Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
2. Maintain an optimal capital structure to reduce the cost of capital

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debts.

Consistent with others in the industry, the group monitors capital on the basis of the following gearing ratio:

	31 March, 2023	31 March, 2022
Net Debt	-6,104.97	-21,627.23
Total Equity	23,063.39	109,372.80
Net debt to equity ratio	-26%	-20%

3 Property, Plant and Equipment

SSPDL LIMITED

CONSOLIDATED FINANCIAL STATEMENTS AS ON 31ST MARCH, 2022-23

INDEPENDENT AUDITOR`S REPORT

To the Members of SSPDL Limited

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **SSPDL Limited** ('the Company') and its subsidiaries (collectively referred to as "the Group"), and its associate, which comprise the Consolidated Balance Sheet as at 31st March, 2023, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31stMarch, 2023, the **consolidated loss**, consolidated total comprehensive income, consolidated statement of changes in equity and the consolidated statement of cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

We draw your attention to Note8(a) of the consolidated financial statements pertaining to receivables balances including trade receivables which are due from related parties and others.

As at 31st March, 2023, the trade receivables amounted to Rs. 1,39,348.6 Thousands which include receivables from related parties amounting to Rs. 1,32,471.68 Thousands are outstanding for more than one year.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No	Key Audit Matters	Auditor's Response
1.	<p>Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 "Revenue from Contracts with Customers"</p> <p>The application of the revenue accounting standard involves certain key judgements relating to identification of the contract with a customer, identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized when a performance obligation is satisfied. Additionally, new revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p> <p><u>Construction Revenue and Profit/Loss Recognition</u> The Group performs various building, engineering and services construction contract works (projects) for a wide range of</p>	<p><u>Our procedures pertaining to Construction revenue included:</u></p> <ul style="list-style-type: none"> • Evaluation and testing of management's review and approval of revenue and cost forecasting. • Selection of a sample of contracts for testing using: <ul style="list-style-type: none"> o Data Analytic routines based on a number of quantitative and qualitative factors, related to size and risk of projects. • For the sample selected, we: <ul style="list-style-type: none"> o Conducted visits to a selection of project sites to understand project schedule, forecast revenue/cost and risks and opportunities. o Read relevant contract terms and conditions to evaluate the inclusion of individual characteristics and project risks in the Group's estimates. o Tested forecast costs for labour, subcontractors, equipment, materials, and project overheads by comparing to actual incurred spend and committed future contract.

S. No	Key Audit Matters	Auditor's Response
	<p>customers. The Group contracts in a variety of ways. Each project has a different risk profile based on its individual contractual and delivery characteristics. We focused on construction revenue and profit recognition as a key audit matter due to the judgment required by us in assessing the range of factors that impact the Group's estimate of costs and revenue, and the potential impact on profit. Estimating total costs to complete during project life is complex and requires judgment. Typical cost estimates include labour, subcontractors, equipment, materials, and project overheads. Changes to these cost estimates could give rise to variances in the amount of revenue and profit/loss recognized. Judgment is also involved by us in assessing the amount of revenue to be recognized specifically in relation to contractual variations and claims revenue, which has not been formally agreed with the customer at the reporting date.</p> <p><u>Development Revenue and Profit/Loss Recognition</u></p> <p>The Group develops for sale both built form product (for example residential apartments, Villas and commercial/retail buildings) and residential land communities. As development revenue is recognized based on an assessment of when the Control is transferred to the purchaser, an assessment of the contractual terms of sale and of the status of completion of performance obligations is required. This was a key audit matter due to the number of judgments required by us in assessing development revenue and profit recognition, in particular for commercial/retail building sales and residential apartments/villas. The assessment of profit recognition requires judgment as cost allocation is typically a function of total forecast project profit based on either revenue or area estimation.</p> <p>Refer Notes 2.2h and 16 to the consolidated financial statements.</p>	<ul style="list-style-type: none"> o Tested the variations and claims included within revenue against the criteria for recognition in the accounting standards via assessment of: <ul style="list-style-type: none"> ➤ correspondence between the Group and the customer; and ➤ the Group's legal and external experts' reports received on contentious matters. <p><u>Our procedures pertaining to Development revenue included:</u></p> <ul style="list-style-type: none"> • Evaluation and testing of management's review and approval of development revenue and cost forecasting. • Selection of a sample of developments based on quantitative and qualitative information such as transaction size, potential settlement risk and the complexity of the contractual terms of sale. • For the sample selected we: <ul style="list-style-type: none"> o compared revenue recognized to contractual terms of sale and cash settlements. o assessed the Group's determination of the transfer of control by a detailed analysis of the contractual terms of sale against the criteria in the accounting standards. o assessed the customers' credit risk including evaluating public information as to the financial position of the purchaser in the context of the level of instalments received by the Group. o tested the completion of performance obligations by comparing the work done to the fulfill the obligations with the contractual terms of sale. o assessed the Group's cost allocation methodology by comparing costs allocated to sales recognized in the year relative to the total project, against the Group's accounting policy and the requirements of the accounting standards.
2.	<p><u>Recoverability of Development Property Inventory</u></p> <p>The Group capitalizes development costs into inventory over the life of its projects. Development costs include the purchase of land, site infrastructure costs, construction costs for built form product and borrowing costs. Inventory is carried at the lower of cost and net realizable value and the recoverability of these costs is a significant judgment as that assessment is based on forecasts of:</p> <ul style="list-style-type: none"> • sales prices • forecast construction and infrastructure costs to complete the development <p>Where a development is forecast to be loss making and the inventory is no longer considered to be recoverable, it is considered to be impaired and an expense is recognized. This is a key audit matter due to many developments being long term which increases the level of forecasting judgment and audit complexity in estimating sales prices and future costs to complete the development.</p> <p>Refer Note 7 to the consolidated financial statements.</p>	<p><u>Our procedures included:</u></p> <p>Selection of a sample of projects for testing using:</p> <ul style="list-style-type: none"> • Data Analytic routines based on a number of quantitative and qualitative factors, related to size, duration and risk of projects • The Group's project reporting. <p>For the sample selected we:</p> <ul style="list-style-type: none"> o compared expected sales prices to published industry forecasts and comparable sales prices achieved in the year. o tested forecast construction and infrastructure costs to underlying supplier contracts, historical experience of similar costs and our industry expectation of cost contingency levels and cost escalation assumptions.

S. No	Key Audit Matters	Auditor's Response
3.	<p><u>Valuation of Deferred tax assets</u> The Group has a significant amount of deferred tax assets, mainly resulting from net operating losses. The valuation of deferred tax assets is significant to our audit because the assessment process is complex and is based on estimates of future taxable income. The risk exists that future (fiscal) profits will not be sufficient to recover all or part of these deferred tax assets. Management has supported the recoverability of the deferred tax assets mainly with taxable income projections which contain estimates of and tax strategies for future taxable income. Changes in, for example, the industrial footprint, the business and its markets and changes in regulations may impact these projections. Refer Note 5 to the consolidated financial statements.</p>	<p><u>Principal Audit Procedures</u> In this area, our audit procedures included, amongst others:</p> <ul style="list-style-type: none"> • Using our own tax specialists to assist us in assessing the appropriateness of the level of deferred taxes recognized in the balance sheet. • We paid attention to the long-term forecasts and critically assessed the assumptions and judgments underlying these forecasts by considering the historical accuracy of forecasts and the sensitivities of the profit forecasts. • We assessed the adequacy of the income tax disclosures to the financial statements, setting out the basis of the deferred tax balance and the level of estimation involved.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its associate in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the Group and of its associate.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether these consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company, its subsidiary companies and associate Company which are companies incorporated in India, have adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by section 143 (3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial Statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash flows dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors of the Company as on 31st March, 2023 taken on record by the Board of Directors of the Company and the reports of the statutory auditors of its subsidiary companies and associate Company incorporated in India, none of the Directors of the Group companies and associate Company incorporated in India is disqualified as on 31st March, 2023 from being appointed as a Director of that Company in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "**Annexure-A**" which is based on the auditor's reports of the Company, its subsidiary

companies and associate Company incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company, its subsidiary companies and associate Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Consolidated Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group and its associates. Refer Note 25 (b) to the Consolidated Financial Statements;
 - ii. The Group and its associates did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group and its associates incorporated in India.
 - iv.
 - a) The respective managements of the Group and its associates which are companies incorporated in India, have represented to us that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested either from borrowed funds or share premium or any other sources or kind of funds by the Group or its associates to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the respective Group companies or its associates ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The respective managements of the Group and its associates, which are companies incorporated in India, have represented to us that, to the best of its knowledge and belief, no funds which are material either individually or in the aggregate have been received by the respective Parent Company or its subsidiaries from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Group companies or its associates shall, whether, directly or indirectly, lend or invest in other person or entity identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - v. No dividend has been declared or paid during the year by the Company.

“Annexure –A” to the Independent Auditors’ Report of even date on the Consolidated Financial Statements of SSPDL Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of **SSPDL Limited** as of and for the year ended 31st March, 2023, we have audited the internal financial controls over financial reporting of **SSPDL Limited** (hereinafter referred to as the “Company”) its subsidiary companies and associate Company which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company, its subsidiary companies and associate Company, which are companies incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company, its subsidiary companies and associate Company, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the on the internal financial controls system over financial reporting of the Company, its subsidiary companies and associate Company, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company, its subsidiary companies and associate Company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees in thousands unless otherwise specified)

1 Corporate Information

SSPDL Limited ("The Holding Company") was incorporated on October 17, 1994. The company together with its subsidiaries and associates ("The Group") is a leading real estate developer engaged primarily in the business of real estate, property development, construction and other related activities. The group is domiciled in India. SSPDL limited is listed on BSE Limited (BSE)

2 Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1) Basis of preparation

(i) Compliance with Ind AS

The Consolidated financial statements ('financial statements') of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the standalone financial statements..

The Consolidated financial statements have been prepared on a going concern basis in accordance with accounting principles generally accepted in India. Further, the consolidated financial statements have been prepared on historical cost basis except for certain financial assets, financial liabilities, derivative financial instruments and share based payments which are measured at fair values as explained in relevant accounting policies.

The financial statements are presented in Rupees, except when otherwise indicated.

(ii) Basis for consolidation

Subsidiaries are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. The Group can have power over the investee even if it owns less than majority voting rights i.e. rights arising from other contractual arrangements. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases. Statement of profit and loss (including other comprehensive income ('OCI')) of subsidiaries acquired or disposed of during the period are recognized from the effective date of acquisition, or up to the effective date of disposal, as applicable.

The Group combines the financial statements of the Holding Company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses.

Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

All the subsidiaries of the company are wholly owned subsidiaries and hence there are no non-controlling interests.

Investment in entities in which there exists significant influence but not a controlling interest are accounted for under the equity method i.e. the investment is initially recorded at cost, identifying any goodwill arising at the time of acquisition, as the case may be, which will be inherent in investment. The carrying amount of the investment is adjusted thereafter for the post acquisition changes in the share of net assets of the investee, adjusted where necessary to ensure consistency with the accounting policies of the Group. The consolidated statement of profit and loss (including the other comprehensive income) includes the Group's share of the results of the operations of the investee. Dividends received or receivable from associate ventures are recognized as a reduction in the carrying amount of the investment. The Group discontinues the use of equity method from the date when investment ceases to be an associate.

The company has not entered into any joint ventures as on reporting date.

2.2) Summary of Significant Accounting Policies

a) Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification as mentioned below:.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle.

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees in thousands unless otherwise specified)

- Held primarily for the purpose of trading.
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle.
- It is held primarily for the purpose of trading.
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cashequivalents.

b) Property, plant and equipment

Recognition and Initial Measurement :

Property, plant and equipment are stated at their cost of acquisition on transition to Ind AS, the Company had elected to measure all of its property, plant and equipment at the previous GAAP carrying value (deemed cost).

The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefit ts associated with the item will fl ow to the Company. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Subsequent measurement (depreciation and useful lives): Property, plant and equipment are subsequently measured at cost net of accumulated depreciation and accumulated impairment losses, if any. Depreciation on property, plant and equipments provided on a straight-line basis over the estimated useful lives of the assets as follows:

- | | |
|----------------------------|-----------------|
| (a) Computers | - 3 Years |
| (b) Office Equipments | - 5 Years |
| (c) Furniture and Fixtures | - 10 Years |
| (d) Vehicles | - 8 to 10 Years |
| (e) Construction Equipment | - 15 Years |

Depreciation methods, estimated useful lives and residual value:

Depreciation on tangible assets is provided on pro-rata basis on the straight line method in accordance with useful life estimated by the management which is the same as those prescribed under Schedule II to the Companies Act, 2013. The useful life, residual value and the depreciation method are reviewed at least at each financial year end. If the expectations differ from previous estimates, the changes are accounted for prospectively as a change in accounting estimate.

Assets costing Rs. 5,000 or less are depreciated in full in the year of acquisition. In respect of additions/deletions, depreciation charge is restricted to the period of use.

De-Recognition: An item of property, plant and equipment and any significant part initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is de-recognised.

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees in thousands unless otherwise specified)

c) Intangible assets

(i) Goodwill

Goodwill on acquisitions of subsidiary is included in intangible assets. Goodwill is not amortised but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses. Gains and losses on the disposal of an entity include the carrying amount of goodwill relating to the entity sold. Goodwill is allocated to cash-generating units for the purpose of impairment testing. The allocation is made to those cash-generating units or groups of cash-generating units that are expected to benefit from the business combination in which the goodwill arose. The units or groups of units are identified at the lowest level at which goodwill is monitored for internal management purposes.

(ii) Computer software

Computer software are stated at cost, less accumulated amortisation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

(iii) Amortisation methods and periods

The Group amortises intangible assets with a finite useful life using the straight-line method over the following periods:
Computer software - 5 years

d) Capital Work in Progress and Intangible Assets under Development

Capital work-in-progress and intangible assets under development represents expenditure incurred in respect of capital projects/ intangible assets under development and are carried at cost less accumulated impairment loss, if any. Cost includes land, related acquisition expenses, development/ construction costs, borrowing costs and other direct expenditure.

e) Investment Properties

Recognition and Initial Measurement:

Investment properties are properties held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition, including transaction costs. On transition to Ind AS, the Company had elected to measure all of its investment properties at the previous GAAP carrying value (deemed cost).

The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. When significant parts of the investment property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Subsequent measurement (depreciation and useful lives):

Investment properties are subsequently measured at cost less accumulated depreciation and accumulated impairment losses, if any. Depreciation on investment properties is provided on the straight-line method over the useful lives of the assets.

De-recognition:

Investment properties are de-recognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the statement of profit or loss in the period of de-recognition.

f) Investments in Equity Instruments of Subsidiaries, Joint ventures and Associates

Investment in equity instruments of subsidiaries, joint ventures and associates are stated at cost as per Ind AS 27 'Separate Financial Statements'. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is assessed for recoverability and in case of permanent diminution provision for impairment is recorded in statement of Profit and Loss. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of Profit and Loss.

g) Inventories

Land and plots other than area transferred to constructed properties at the commencement of construction are valued at lower of cost/ as re-valued on conversion to stock and net realisable value. Cost includes land (including development rights

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees in thousands unless otherwise specified)

and land under agreement to purchase) acquisition cost, borrowing cost if inventorisation criteria are met, estimated internal development costs and external development charges and other directly attributable costs.

Construction work-in-progress of constructed properties includes the cost of land (including development rights and land under agreements to purchase), internal development costs, external development charges, construction costs, overheads, borrowing cost if inventorisation criteria are met, development /construction materials, is valued at lower of cost/ estimated cost and net realisable value.

Development rights represent amount paid under agreement to purchase land/ development rights and borrowing cost incurred by the Company to acquire irrevocable and exclusive licenses/ development rights in the identified land and constructed properties, the acquisition of which is either completed or is at an advanced stage. These are valued at lower of cost and net realisable value.

Construction/ development material is valued at lower of cost and net realisable value. Cost comprises of purchase price and other costs incurred in bringing the inventories to their present location and condition.

Cost is determined on weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs of necessary to make the sale.

h) Revenue from Contract or Services with Customers and other Streams of Revenue

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods and services before transferring them to the customers.

i. Revenue from Contracts with Customers:

Pursuant to the application of Ind AS 115 - 'Revenue from Contracts with Customers' effective from 1 April 2018, the Company has applied following accounting policy for revenue recognition:

Revenue is measured at the fair value of the consideration received/ receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government and is net of rebates and discounts. The Company assesses its revenue arrangements against specific criteria to determine if it is acting as principal or agent. The Company has concluded that it is acting as a principal in all of its revenue arrangements.

Revenue is recognised in the income statement to the extent that it is probable that the economic benefits will flow to the Company and the revenue and costs, if applicable, can be measured reliably.

The Company has applied five step model as per Ind AS 115 'Revenue from contracts with customers' to recognise revenue in the standalone financial statements. The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- a) The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs; or
- b) The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- c) The Company's performance does not create an asset with an alternative use to the Company and the entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue is recognised either at point of time and over a period of time based on various conditions as included in the contracts with customers.

Point of Time:

Revenue from real-estate projects:

Revenue is recognised at a Point in Time w.r.t. sale of real estate units, including land, plots, apartments, commercial units, development rights as and when the control passes on to the customer which coincides with handing over of the possession to the customer.

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees in thousands unless otherwise specified)

Over a period of time:

Revenue is recognised over period of time for following stream of revenues:

Revenue from Construction projects:

Construction projects where the Company is acting as trunk contractor, revenue is recognised in accordance with the terms of the Construction agreements. Under such contracts, assets created does not have an alternative use for the company and the Company has an enforceable right to payment. The estimated project cost includes construction cost, development and construction material, internal development cost, external development charges, borrowing cost and overheads of such project.

The estimated costs are reviewed periodically and effect of any changes in such estimates is recognized in the period such changes are determined. However, when the total project cost is estimated to exceed total revenues from the project, the loss is recognized immediately.

Maintenance income:

Revenue in respect of maintenance services is recognised on an accrual basis, in accordance with the terms of the respective contract as and when the Company satisfies performance obligations by delivering the services as per contractual agreed terms.

Other operating income:

Income from forfeiture of properties and delayed interest from customers under agreements to sell is accounted for on an accrual basis except in cases where ultimate collection is not reasonably ascertained.

ii. Volume rebates and early Payment rebates :

The Company provides early payment rebates/ down payment rebates to the customers. Rebates are offset against amounts payable by the customer and revenue to be recognised. To estimate the variable consideration for the expected future rebates, the Company estimates the expected value of rebates that are likely to be incurred in future and recognises the revenue net of rebates and recognises the refund liability for expected future rebates.

iii. Contract Balances

Contract assets:

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Contract liabilities:

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

iv. Interest Income;

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate.. Interest income is included under the head "other income" in the statement of profit and loss.

v. Dividend Income;

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

i) Cost of Revenue

Cost of real estate projects:

Cost of constructed properties includes cost of land (including cost of development rights/ land under agreements to purchase), estimated internal development costs, external development charges, borrowing costs, overheads, construction costs and development/ construction materials, which is charged to the statement of profit and loss based on the revenue recognized as explained in accounting policy for revenue from real estate projects above, in consonance with the concept of matching costs and revenue. Final adjustment is made on completion of the specific project.

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees in thousands unless otherwise specified)

Cost of land and plots:

Cost of land and plots includes land (including development rights), acquisition cost, estimated internal development costs and external development charges, which is charged to the statement of profit and loss based on the percentage of land/ plotted area in respect of which revenue is recognised as explained in accounting policy for revenue from 'Sale of land and plots', in consonance with the concept of matching cost and revenue. Final adjustment is made on completion of the specific project.

Cost of development rights:

Cost of development rights includes proportionate development rights cost, borrowing costs and other related cost, which is charged to statement of profit and loss as explained in accounting policy for revenue, in consonance with the concept of matching cost and revenue.

j) Borrowing Costs

Borrowing costs directly attributable to the acquisition and/ or construction/ production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are charged to the statement of profit and loss as incurred. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalization.

k) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

l) Leases

Effective from 1 April 2019, the Company has applied Ind AS 116, which replaces the existing lease standard, Ind AS 17-Leases and other interpretations. The Company has applied Ind AS 116 using the modified retrospective approach and has accordingly not restated the comparative information. The Company at the inception of a contract, assesses whether the contract, is or contains a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Ind AS 116 introduces a single balance sheet lease accounting model for lessees. A lessee recognises a right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The Company has elected not to recognise right-of-use of assets and lease liabilities for short term leases that have a lease term of 12 months or less and leases of low value assets. The Company recognises the lease payments associated with these leases as an expense on a straight line basis over the lease term. Lessor accounting remains similar to the accounting under the previous standard i.e. lessor continues to classify

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees in thousands unless otherwise specified)

leases as finance or operating lease. This policy is applied to contracts entered into, or changed, on or after 1 April 2019. For contracts entered into before 1 April 2019, the determination of whether an arrangement is, or contains a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

As a lessee :

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct cost incurred and an estimate of cost to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight line method from the commencement date to the earlier of the end of the useful life or the end of the lease term. The estimated useful life of the right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability. The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payment of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or the Statement of the Profit and Loss if the right-of-use asset is already reduced to zero. On the Balance Sheet, right-of-use assets have been included in property, plant and equipment and lease liabilities have been included in borrowings & other financial liabilities.

"In the comparative period, leases of property, plant and equipment where the Company, as lessee, had substantially all the risks and rewards of ownership was classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, was included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost was charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period. In comparative period, leases in which a significant portion of the risks and rewards of ownership was not transferred to the Company as lessee was classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) was charged to profit or loss on a straight-line basis over the period of the lease unless the payment was structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

As a lessor :

In respect of assets given on operating lease, lease rentals are accounted on accrual basis in accordance with the respective lease agreements.

m) Business combinations

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are acquired. The consideration transferred for the acquisition of a business comprises the:

- fair values of the assets transferred;
- liabilities incurred to the former owners of the acquired business;
- equity interests issued by the Group; and
- fair value of any asset or liability resulting from a contingent consideration arrangement.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date. The Group recognises any non-controlling interest in the acquired entity on an acquisition-by-acquisition basis either at fair value or at the non-controlling interest's proportionate share of the acquired entity's net identifiable assets.

Acquisition-related costs are expensed as incurred.

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees in thousands unless otherwise specified)

The excess of the

- consideration transferred;
- amount of any non-controlling interest in the acquired entity, and - acquisition-date fair value of any previous equity interest in the acquired entity

over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

Where settlement of any part of cash consideration is deferred, the amounts payable in the future are discounted to their present value as at the date of exchange. The discount rate used by the entity's incremental borrowing rate, being the rate at which a similar borrowing could be obtained from an independent financier under comparable terms and conditions.

Contingent consideration is classified either as equity or a financial liability. Amounts classified as a financial liability are subsequently remeasured to fair value with changes in fairvalue recognised in profit or loss.

If the business combination is achieved in stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date. Any gains or losses arising from such remeasurement are recognised in profit or loss or other comprehensive income, as appropriate.

n) Impairment of assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from assets or group of assets (cash generating units). Non financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

o) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call, bank deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

p) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

q) Investments and other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The company reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees in thousands unless otherwise specified)

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method.

- **Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/(losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Investments equity instruments of subsidiaries, associates or joint ventures.

Investments in equity instruments of subsidiaries, joint ventures and associates are accounted for at cost in accordance with Ind AS 27 Separate Financial Statements

(iii) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 18 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected life time losses to be recognised from initial recognition of the receivables.

(iv) Derecognition of financial assets

A financial asset is derecognised only when

- the Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised. Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees in thousands unless otherwise specified)

the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

r) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

s) Borrowings

Borrowings are initially recognized at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in profit or loss as other gains/ (losses).

Where the terms of a financial liability are renegotiated and the entity issues equity instruments to a creditor to extinguish all or part of the liability (debt for equity swap), a gain or loss is recognized in profit or loss, which is measured as the difference between the carrying amount of the financial liability and the fair value of the equity instrument issued.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of financial statements for issue, not to demand payment as consequence of the breach.

t) Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company;
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

u) Provisions, Contingent Liabilities and Contingent Assets

Provisions for legal claims are recognised when the entity has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees in thousands unless otherwise specified)

Contingent liability is disclosed for Possible obligations which will be confirmed only by future events not wholly within the control of the Company, or Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

v) Changes in accounting policies and disclosures

Effective from 1 April 2019, the Company has applied Ind AS 116, which replaces the existing lease standard, Ind AS 17-Leases and other interpretations. The Company has applied Ind AS 116 using the modified retrospective approach and has accordingly not restated the comparative information. The Company at the inception of a contract, assesses whether the contract, is or contains a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Ind AS 116 introduces a single balance sheet lease accounting model for lessees. A lessee recognises a right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The Company has elected not to recognise right-of-use of assets and lease liabilities for short term leases that have a lease term of 12 months or less and leases of low value assets. The Company recognises the lease payments associated with these leases as an expense on a straight line basis over the lease term. Lessor accounting remains similar to the accounting under the previous standard i.e. lessor continues to classify leases as finance or operating lease. This policy is applied to contracts entered into, or changed, on or after 1 April 2019. For contracts entered into before 1 April 2019, the determination of whether an arrangement is, or contains a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

As a lessee :

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct cost incurred and an estimate of cost to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight line method from the commencement date to the earlier of the end of the useful life or the end of the lease term. The estimated useful life of the right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability. The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payment of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or the Statement of the Profit and Loss if the right-of-use asset is already reduced to zero. On the Balance Sheet, right-of-use assets have been included in property, plant and equipment and lease liabilities have been included in borrowings & other financial liabilities.

"In the comparative period, leases of property, plant and equipment where the Company, as lessee, had substantially all the risks and rewards of ownership was classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, was included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost was charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period. In comparative period, leases in which a significant portion of the risks and rewards of ownership was not transferred to the Company as lessee was classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) was charged to profit or loss on a straight-line basis over the period of the lease unless the payment was structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

As a lessor :

In respect of assets given on operating lease, lease rentals are accounted on accrual basis in accordance with the respective lease agreements.

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees in thousands unless otherwise specified)

w) Significant management judgment in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the related disclosures.

Significant management judgments :

Recognition of deferred tax assets - The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

Evaluation of indicators for impairment of assets - The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Classification of leases - The Company enters into leasing arrangements for various assets. The classification of the leasing arrangement as a finance lease or operating lease is based on an assessment of several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to purchase and estimated certainty of exercise of such option, proportion of lease term to the asset's economic life, proportion of present value of minimum lease payments to fair value of leased asset and extent of specialized nature of the leased asset.

Impairment of financial assets - At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding financial assets.

Provisions - At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However the actual future outcome may be different from this judgment.

Significant estimates:

Net realizable value of inventory - The determination of net realisable value of inventory involves estimates based on prevailing market conditions, current prices and expected date of commencement and completion of the project, the estimated future selling price, cost to complete projects and selling cost. The Company also involves specialist to perform valuations of inventories, wherever required.

Useful lives of depreciable/ amortisable assets - Management reviews its estimate of the useful lives of depreciable/ amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

Fair value measurements - Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

Valuation of investment in subsidiaries, joint ventures and associates - Investments in joint ventures and associates are carried at cost. At each balance sheet date, the management assesses the indicators of impairment of such investments. This requires assessment of several external and internal factor including capitalisation rate, key assumption used in discounted cash flow models (such as revenue growth, unit price and discount rates) or sales comparison method which may affect the carrying value of investments in subsidiaries, joint ventures and associates.

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees in thousands unless otherwise specified)

Financial instruments and risk management

Note : Fair value measurements

	Hierarchy	31 March 2023 Carrying value			Fair Value	31 March 2022 Carrying value			Fair Value
		FVPL	FVOCI	Amortised Cost		FVPL	FVOCI	Amortised Cost	
Financial Assets									
Trade Receivables	3	-	-	1,39,348.60	-	-	1,40,534.81		
Cash and cash equivalents				7,324.73			66,820.14		
Other Financial assets				56,093.99			57,899.29		
Total Financial Assets		-	-	2,02,767.32	-	-	2,65,254.24		
Financial Liabilities				-			-		
Borrowings	3	-	-	4,83,697.45	-	-	7,44,249.02		
Trade Payables	3	-	-	1,36,180.86	-	-	1,76,058.67		
Deposits from Customer	3	-	-	49,833.09	-	-	57,649.27		
Total Financial Liabilities		-	-	6,69,711.40	-	-	9,77,956.96		

(i) Fair value hierarchy

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between levels 1 and 2 during the year. The company's policy is to recognise transfers in and transfers out of fair value hierarchy levels as at the end of the reporting period.

The carrying amounts of trade receivables, loans, trade payables and cash and bank balances are considered to be the same as their fair values, due to their short term nature.

The fair values of non-current borrowings are based on discounted cash flows using current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

1 Note : Financial Risk management

The Company's activities expose it to market risk, liquidity risk and credit risk. In order to minimise any adverse effects on the financial performance of the Company, derivative financial instruments, such as foreign exchange forward contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements.

Notes to the Consolidated Financial Statements

((All amounts are in Indian Rupees in thousands unless otherwise specified))

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, derivative financial instruments, financial assets measured at amortised cost	Aging analysis Credit rating	Diversification of bank deposits, credit limits and letter of credit
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk - Interest rate	Long-term borrowings at variable rates	Sensitivity analysis	Interest rate swaps

The Company's risk management is carried out by the treasury department under policies approved by the Board of Directors. The board provides written principles for overall risk management as well as policies covering specific areas such as interest rate risk, credit risk and investment of excess liquidity.

(A) Credit Risk:

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from operating activities (primarily trade receivables) and from financing activities, including deposits with banks and other financial instruments.

(i) Credit risk management

Credit risk is managed at the company level. The Company has only one customer i.e., MN Science and technology park private limited which is the subsidiary of the Company. Hence the credit risk is considered at low credit risk category.

(ii) Provision for expected credit losses

The company provides for expected credit loss based on the following:

Category	Description of category	Basis for recognition of expected credit loss provision	
		Loans and deposits	Trade receivables
High quality assets, low credit risk	Assets where there is low risk of default and where the counter party has sufficient capacity to meet the obligations and where there has been low frequency of defaults in the past.	12-month expected credit losses	Life time expected credit losses
Doubtful assets, credit impaired	Assets are written off when there is no reasonable expectation of recovery, such as a debt or declaring bankruptcy or failing to engage in a payment plan with the Company. The company categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than 180 days past due. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.	Asset is written off	

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees in thousands unless otherwise specified)

Year ended March 31, 2023:

(a) Expected credit loss for loans, security deposits and investments

Particulars	Asset Group	Estimated gross carrying amount at default	Expected probability of default	Expected credit losses	Carrying amount net of impairment provision
Loss allowance measured at 12 month expected credit losses - Financial assets for which credit risk has not increased significantly since initial recognition	Trade Receivables	1,39,348.60	0%	-	1,39,348.60
	Loans	-	0%	-	-

(b) Expected credit loss for trade receivables under simplified approach

Ageing	0-90 days	90-365 days	More than 365 days	Total
Gross carrying amount	1,39,348.60		-	1,39,348.60
Expected loss rate	0%		-	-
Expected credit loss (loss allowance provision)	-		-	-
Carrying amount of trade receivables (net of impairment)	1,39,348.60		-	1,39,348.60

Year ended March 31, 2022:

(a) Expected credit loss for loans, security deposits and investments

Particulars	Asset Group	Estimated gross carrying amount at default	Expected probability of default	Expected credit losses	Carrying amount net of impairment provision
Loss allowance measured at 12 month expected credit losses - Financial assets for which credit risk has not increased significantly since initial recognition	Trade Receivables	1,40,534.81	0%	-	1,40,534.81
	Loans	-	0%	-	-

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees in thousands unless otherwise specified)

(b) Expected credit loss for trade receivables under simplified approach

Ageing	0-90 days	90-365 days	More than 365 days	Total
Gross carrying amount	1,40,534.81		-	1,40,534.81
Expected loss rate	0%		-	-
Expected credit loss (loss allowance provision)	-		-	-
Carrying amount of trade receivables (net of impairment)	1,40,534.81		-	1,40,534.81

During the period, the company made no write offs of trade receivables, it does not expect to receive future cash flows or recoveries from collection of cash flows previously written off.

(B) Liquidity Risk:

Liquidity risk is the risk that the company will encounter difficulty in meeting its obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stresses conditions without incurring unacceptable losses or risking damage to the Company's reputation.

The Company has lines of credit from group company and also from banks. The company believes that these facilities are sufficient to meet its funds requirements. Accordingly, no liquidity risk is perceived.

(i) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

Floating Rate	31 March, 2023	31 March, 2022
- Expiring within one year	-	-
- Expiring beyond one year	-	1,048.90

(ii) Maturities of financial liabilities

The tables below analyse the company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

- all non derivative financial liabilities, and
- net and gross settled derivative financial instruments for which the contractual maturities are essential for an understanding of the timing of the cash flows

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Notes to the Consolidated Financial Statements

(All amounts are in Indian Rupees in thousands unless otherwise specified)

Contractual maturities of financial liabilities 31 March 2023	Less than 6 months	6 months to 1 year	Between 1 and 2 years	More than 2 years	Total
Non derivatives					
Borrowings	-	-	-	-	-
Trade payables	1,36,180.86			-	1,36,180.86

2 Note 20: Capital Management

(a) Risk management

The Company's objective when managing capital are to:

1. Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
2. Maintain an optimal capital structure to reduce the cost of capital

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debts.

Consistent with others in the industry, the group monitors capital on the basis of the following gearing ratio:

	31 March, 2023	31 March, 2022
Net Debt	4,83,697.45	7,44,249.02
Total Equity	68,062.79	-45,523.73
Net debt to equity ratio	711%	-1635%

Notes to the Consolidated Financial Statements
