MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. GENERAL OUTLOOK:

Global real GDP is forecasted to grow by 2.7 percent in 2023, down from 3.3 percent in 2022. We expect further slowing to 2.4 percent in 2024. Economic growth is moderating under the weight of still high inflation and monetary policy tightening. Rather than a global recession, we expect a relatively subdued economic outlook. Growth is generally strongest in emerging Asian economies, and weakest in Europe and the US.

Rapid monetary policy tightening over the last year or so led to weakening in global housing, bank lending, and the industrial sector. However, this weakness has been more than offset by strength in other sectors, most notably service-sector activities, which is visible in labor markets. Strong consumer spending and the fading impact of shocks of recent years have been difficult to assess, leading to ongoing forecast revisions. Nonetheless, recent data point to moderation of these positive trends, leading to slower global growth in the second half of 2023 and early 2024.

Global Economy

Global growth is projected to fall from an estimated 3.5 percent in 2022 to 3.0 percent in both 2023 and 2024. While the forecast for 2023 is modestly higher than predicted in the April 2023 World Economic Outlook (WEO), it remains weak by historical standards. The rise in central bank policy rates to fight inflation continues to weigh on economic activity. Global headline inflation is expected to fall from 8.7 percent in 2022 to 6.8 percent in 2023 and 5.2 percent in 2024. Underlying (core) inflation is projected to decline more gradually, and forecasts for inflation in 2024 have been revised upward.

The recent resolution of the US debt ceiling standoff and, earlier this year, strong action by authorities to contain turbulence in US and Swiss banking reduced the immediate risks of financial sector turmoil. This moderated adverse risks to the outlook. However, the balance of risks to global growth remains tilted to the downside. Inflation could remain high and even rise if further shocks occur, including those from an intensification of the war in Ukraine and extreme weather-related events, triggering more restrictive monetary policy. Financial sector turbulence could resume as markets adjust to further policy tightening by central banks. China's recovery could slow, in part as a result of unresolved real estate problems, with negative cross-border spillovers. Sovereign debt distress could spread to a wider group of economies. On the upside, inflation could fall faster than expected, reducing the need for tight monetary policy, and domestic demand could again prove more resilient.

In most economies, the priority remains achieving sustained disinflation while ensuring financial stability. Therefore, central banks should remain focused on restoring price stability and strengthen financial supervision and risk monitoring. Should market strains materialize, countries should provide liquidity promptly while mitigating the possibility of moral hazard. They should also build fiscal buffers, with the composition of fiscal adjustment ensuring targeted support for the most vulnerable. Improvements to the supply side of the economy would facilitate fiscal consolidation and a smoother decline of inflation toward target levels.

Indian Economy

This year began with the anticipation that runaway inflation, aggressive policy rate hikes, and high commodity prices might topple a few major economies into recession in 2023. We are halfway past 2023 and, while the world is still in the woods, the probability of a recession this year has trimmed. Labor markets in several advanced countries remain tight, while the largest economy, the United States, is seeing a rebound in consumer confidence and spending. Risk spreads are declining on both sides of the Atlantic after the recent banking crisis in the United States.

India, meanwhile, enjoys a Goldilocks moment as it sees its economic activity gaining momentum amid continuing global uncertainties. The last quarter's GDP data was pleasantly surprising but not completely unexpected. The GDP growth in the fourth quarter has pushed up the full-year GDP growth of FY2022-23 to 7.2%, 200 basis points (bps) higher than the earlier estimate. The recently released Annual Economic Review for the month of May 2023 highlighted that the postpandemic quarterly trajectories of consumption and investment have crossed prepandemic levels.¹

Evidently, economists and analysts are bullish about the Indian economy. Our growth forecasts for FY2023-24 remain similar to our April forecast, although higher-than-expected growth in FY2022-23 has raised our base for comparison. That said, we have raised our lower limit of the range given the buoyancy of the economy. We expect India to grow between 6% and 6.3% in FY2023-24 and have a stronger outlook thereafter. In fact, if global uncertainties recede, we expect growth to surpass 7% over the next two years.

There are multiple downside risks to our forecasts, but we find the uncertainties around the actions of the central banks of major economies and the oil price movements this past quarter particularly interesting. In this edition, we highlight the significance of these developments and their future implications for India.

India grew by 6.1% in the last quarter, which is approximately ~100 bps higher than what the market had anticipated.² While the overall growth was broad-based, many sectors such as construction and agriculture experienced more-than-expected growth. In fact, strong growth in manufacturing proved to be a reassuring development as modest growth in the sector in previous quarters had been a concern for policymakers.

On the expenditure side, exports performed well despite global headwinds, while imports recorded their slowest growth since December 2020, primarily because of easing crude oil prices bringing down India's import bills. Private consumption, the largest component of India's final demand, with a modest growth of 7.5% in FY2022-23,³ emerged as the weakest link in overall growth. The share of private consumption in GDP fell in the last quarter and was the lowest in the past seven quarters, dragged down by weak rural demand. However, things might be changing on that front as well.

Urban demand conditions have remained resilient, as evidenced by the sales of mid- to high-end segments of automobiles, the number of UPI transactions, and domestic air passenger traffic data.⁴ Rural demand, which was lagging, has also been rising lately, as seen in the sales of tractors, IIP nondurable goods, and Mahatma Gandhi National Rural Employment Guarantee Act data.⁵

Overall, the first-quarter data of FY2024 instils confidence in the improving health of the economy. Inflation in the first quarter was 4.5%, the lowest since the quarter of September 2019. Goods and Services Tax collections remain strong, suggesting that revenue buoyancy will aid in improving the budgeted fiscal deficit ratio to GDP. At the same time, India's external account has been improving, thanks to the falling import bills as oil prices ease.

Interestingly, the credit-deposit ratio has continued to improve strongly from the lows of the pandemic despite the rising interest rates (figure 1). A deeper dive reveals that most of the lending is happening in the industry and services sector.⁶ This points to improving investment, which means that the supply side is gearing up to meet the rising demand.

2. **REAL ESTATE MARKET:**

The real estate industry is moving beyond what it perceives as cyclical headwinds — i.e., rising interest rates, declining gross domestic product (GDP), sinking deal flows — and taking a long-term approach to real estate assets. The mood among the real estate professionals we interviewed for this

year's Emerging Trends is cautious optimism. Their plan: Ride out the current slump and reposition their firms for another period of sustained growth and strong returns.

We find it striking that so many people in the industry are willing to look beyond cyclical headwinds. As one real estate professional told us, "We'll look back in 10 years, and the prices that seem astronomical today will seem like a bargain."

This year's Emerging Trends also reconfirms two sometimes contradictory property market trends: Aspects of the industry are "normalizing" (reverting to pre-COVID patterns), while others appear to have permanently changed as the pandemic has altered how and where we use different types of properties. These patterns are playing out in how real estate professionals view prospects in the 80 markets we tracked. No matter the trends, we believe companies must be flexible and adapt quickly to market changes.

3. **OPPORTUNITY AND CHALLENGES**

(a) Opportunities

As India awaits policy reforms to pick up speed, your Company firmly believes that the demand for Real Estate in a country like India should remain strong in the medium to long term. Your Company's well accepted brand, contemporary architecture, well designed projects in strategic locations, strong balance sheet and stable financial performance even in testing times make it a preferred choice for customers and shareholders. Your Company is ideally placed to further strengthen its development potential by acquiring new land parcels.

(b) Challenges

While the management of your Company is confident of creating and exploiting the opportunities, it also finds the following challenges:

- Unanticipated delays in project approvals;
- Availability of accomplished and trained labour force;
- Concerns due to ongoing pandemic situation;
- Increased cost of manpower;
- Rising cost of construction lead by increase in commodity prices;
- Growth in auxiliary infrastructure facilities; and
- Over regulated environment.

4. **BUSINESS OVERVIEW:**

Our Company's business activities may be classified as follows:

Trading in real estate by way of acquiring interests in various real estate projects such as flats, land and commercial offices.

5. **PRESENCE IN CERTAIN AREAS OF MUMBAI SUBURBS:**

A substantial amount of our business activities are concentrated in certain areas of Mumbai suburbs such as Mira Road and Naigaon. We believe that we have good knowledge of the environment in these areas which assist us in identifying opportunities. Our Company believes that these areas are having tremendous growth potential since the said areas are still to be developed and are an attractive real estate market in terms of returns on investment and depth of demand for real estate developments.

6. **CONTINUED FOCUS IN REAL ESTATE ACTIVITIES:**

We intend to continue our focus in the real estate activities. We believe that the areas where we have focused our real estate activities are an attractive market in terms of return of investment and depth of demand for real estate developments.

7. FOCUS IN NEW AREAS:

Although, we have historically focused our business activities in Mumbai suburbs such as Mira Road and Naigaon. We are in process of establishing our presence in other areas of Mumbai suburbs.

8. TO CONTINUE EXPANDING OUR BUSINESS BY INCLUDING NEW SERVICES:

We intend to explore opportunities to expand our operations by developing new verticals within our existing lines of business. Further expanding our offerings will help us to build on existing diversification of our business.

INDEPENDENT AUDITOR'S REPORT

To,

The Members of DIGGI MULTITRADE LIMITED,

Report on the Financial Statements**Opinion**

We have audited the financial statements of DIGGI MULTITRADE LIMITED ("the Company"), which comprise the balance sheet as at 31st March 2023, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and profit/loss, and its cash flows for the year ended on that date.

Basis for Opinion

- *We draw your attention to "Note 14" to the standalone financial statements, wherein GST credit of Rs. 0.75 lakhs outstanding as an other current assets however, as per GST records the GSTN Registration of the company has been cancelled on application of tax payer effective from 15.11.2022. Since, the registration is cancelled the credit is not utilizable hence, the amount should be charged to profit and loss account. The net income and shareholder's equity is overstated to the tune of Rs. 0.75 lakhs.*

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters. We have not observed any matters that classifies as the key audit matter to be communicated in our audit report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Paragraph 40(b) of this SA explains that the shaded material below can be located in an Appendix to the auditor's report. Paragraph 40(c) explains that when law, regulation or the applicable auditing standards expressly permit, reference can be made to a website of an appropriate authority that contains the description of the auditor's responsibilities, rather than including this material in the auditor's report, provided that the description on the website addresses, and is not inconsistent with, the description of the auditor's responsibilities below. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are

also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure 1** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those.
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the Internal Financial Control with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure - 2**".
- g) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company does not have any pending litigations which would have impact on its financial positions in its financial statements.
- ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii) There were no amounts which are required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv)
- a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregated) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- c. Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v) The company has not declared or paid any divided during the year.

Referred to in Paragraph 2 (F) Of the Section on “Report On Other Legal And Regulatory Requirements” Of Our Report Of Even Date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

**To the Members of
Diggi Multitrade Limited**

We have audited the internal financial controls over financial reporting of Diggi Multitrade Limited (“the Company”) as of March 31, 2023 which is based on criteria established in Internal Control – Integrated Framework issued by the Committee of Sponsoring Organizations of the Tread way Commission (2013 framework) (the COSO 2013 criteria) in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established under the COSO 2013 criteria, which considers the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting

principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting in COSO 2013 criteria, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. SIGNIFICANT ACCOUNTING POLICIES

a. Company Overview

Diggi Multitrade Limited (L65900MH2010PLC210471) (the Company) was incorporated under the provisions of the Companies Act, 1956 on 01 December, 2010 as a Private Limited Company namely "Diggi Securities Private Limited" with Registrar of Companies - Mumbai (ROC).

The Company vide resolutions dated 24 April 2014, resolved to change the name and the status of the Company from private limited to public limited company. The said resolutions were duly filed with ROC. Pursuant to the said approvals, the name of the Company was changed from "Diggi Securities private Limited" to "Diggi Multitrade Limited" with effect from 05 June 2014.

The Company is engaged in the business of trading in fabrics, real estate viz. Flats, Land, Construction material and acquiring interest in various real estate projects.

b. Basis of Preparation of Financial Statements:

The financial statements of the Company have been prepared on accrual basis and under historical cost convention method and in accordance with Generally Accepted Accounting Principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified).

As per MCA notification dated 16th February 2015, the companies whose shares are listed on BSE SME Platform as referred to in Chapter XB of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations 2009 are exempted from the compulsory requirements of adoption of IND-AS. As the Company is covered under exempted category from the compulsory adoption of IND AS, it has not adopted IND AS for preparation of financial statements.

c. Use of Estimate:

The preparation of financial statements require management to make estimates and assumptions that affects the reported amount of assets and liabilities, the disclosure of contingent assets and liabilities on the date of the financial statements and reported amount of revenue and expenses during the year. Actual results could differ from those estimates. Any revision in the accounting estimate are recognized prospectively in the current and future periods.

d. Property, Plant and Equipment:

Property, Plant and Equipment are recorded and stated at cost less accumulated depreciation and impairment losses, if any. The cost comprises of the purchase price and other costs directly attributable to bringing the assets to its working condition for its intended use.

e. Depreciation:

Depreciation on Property Plant and Equipments is provided by complying the provisions contained in Schedule - II of the Companies Act, 2013.

Depreciation is provided using Written down Value Method, after retaining residual value at the rate of 5% of the cost, over the useful lives of the assets prescribed in Schedule - II of the Act.

In case of assets purchased during the year, Depreciation is provided on prorata basis on the basis of use full lives prescribed in Schedule - II.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

f. Impairment of Property, Plant and Equipment:

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to the present value at interest rate specific to the asset and in case where the specific rate is not available at the weighted average cost of capital which is adjusted for country risk/currency risk.

g. Investments:

Investments have been classified as long-term investments in accordance with the Accounting Standard13, as notified by the Companies (Accounting Standards) Rules, 2006 (as amended). Long term investments are carried at cost. Provision for diminution in value is made to recognize a decline other than temporary in the value of the investments. On disposal of the investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss.

Dividends are accounted for when the right to receive the payment is established.

h. Inventories:

Inventories are carried at cost or net realizable value whichever is lower. Cost of inventories is generally ascertained on FIFO (First-In-First-Out) basis. The cost comprises of cost of purchase and other costs incurred in bringing the inventory to its present location and condition.

Inventories of residential flats are valued at actual cost based on the information provided.

i. Revenue Recognition:

As per AS - 9 "Revenue Recognition" Revenue from the sale of goods or services are recognized when ownership or control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. In other cases revenue is recognized when right to receive income is established.

j. Subsequent Events

Subsequent Events are those events which occur after the Balance Sheet date and before the date on which Books of Accounts are approved by Board of Directors. All the subsequent events which provide further evidence of conditions that existed at the Balance Sheet date have been duly incorporated by the Management in the Financial Statements.

k. Prior Period, Extra Ordinary and Exceptional Items

- Items of Incomes or Expenses which aroused in the current year but the conditions, events or evidences for those transactions relates to one or more prior periods are separately disclosed in the Financial Statements.
- The Items of Incomes or Expenditure which does not relates to ordinary business activities are classified as Extra ordinary items in the Financial Statements.
- Incomes or Expenditures which relates to ordinary business activities but are exceptionally high or low as compared to one or more comparatives are classified as Exceptional Items.

l. Taxes on Income:

Tax expense comprises Current and Deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with Income-tax Act, 1961.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences only to the extent that there is reasonable certainty exists that sufficient future taxable income will be available against which these can be realised.

m. Earnings Per Share:

The Company reports basic and diluted earnings per equity share in accordance with Accounting Standard 20, 'Earnings Per Share'. Basic earnings per equity share is computed by dividing net profit/(loss) after tax by the weighted average number of equity shares outstanding during the year.

Diluted earnings per equity share is computed by adjusting net profit or loss and using the weighted average number of equity shares outstanding during the year for dilution.

n. Employee Benefits:

The amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized during the period when the employee renders the service. Post-employment benefits such as gratuity have not been provided for as the Company employs less than 10 employees during the year.

o. Segment Reporting

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities for the segment.
