#### Forward-looking and cautionary statements

Certain statements in this Presentation concerning our future growth prospects are forward-looking statements, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, our revenues highly dependent on customers located in the United States, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, concentration of major operations of the Company in one city, withdrawal of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property and general economic conditions affecting our industry. The Company may, from time to time, make additional written and oral forward-looking statements, including statements contained in the Company's filings with the Stock Exchanges and our reports to shareholders. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company.

### **Creating significant shareholder value**

# **Performance Highlights**

Growth and grit defined this year for Persistent Systems. Amidst global uncertainty, we've remained focused and flexible in driving client success as a leader in Digital Engineering and Enterprise Modernization.

Persistent's sustained growth underscores the values and commitment of our entire team to confidently transform new ideas into tangible business results.

#### **Anand Deshpande**

Founder, Chairman and Managing Director

FY22 was a banner year for Persistent with 35.2% year-over-year growth. Our ability to identify emerging industry and technology trends and deliver value to clients through our expertise has given us a significant competitive advantage in the market. We are grateful to our clients, partners, employees, and other stakeholders for their continued trust in our team and ongoing collaboration.

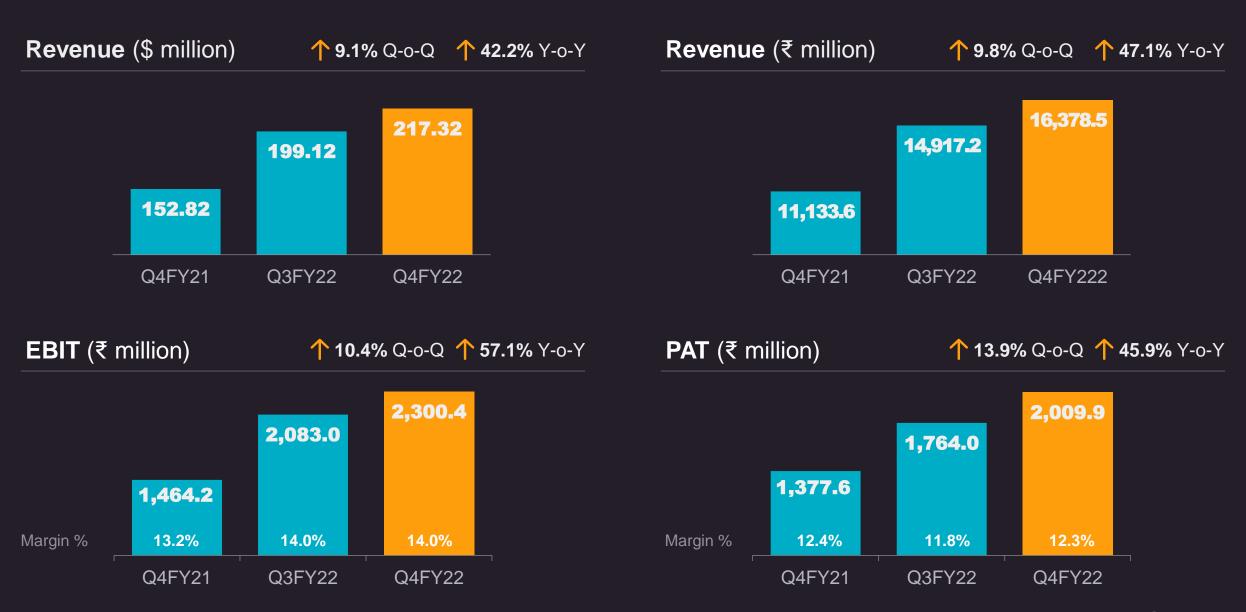

In addition to delivering industry leading growth, we've future-proofed our business to fuel the next phase of our growth through strategic investments, acquisitions and leadership hiring. These moves have bolstered our Digital Engineering skills, enhanced our partnerships across the hyperscaler ecosystem, and deepened our expertise in our core industries. With this foundation, we remain focused on expanding the business outcomes we deliver to our clients and look forward to building the next phase of Persistent.

#### Forward-looking and cautionary statements

Certain statements in this Presentation concerning our future growth prospects are forward-looking statements, which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, our revenues highly dependent on customers located in the United States, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, industry segment concentration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks or system failures, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, concentration of major operations of the Company in one city, withdrawal of governmental fiscal incentives, political instability and regional conflicts, legal restrictions on raising capital or acquiring companies outside India, and unauthorized use of our intellectual property and general economic conditions affecting our industry. The Company may, from time to time, make additional written and oral forward-looking statements, including statements contained in the Company's filings with the Stock Exchanges and our reports to shareholders. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company.

# **Performance Highlights**

Growth and grit defined this year for Persistent Systems. Amidst global uncertainty, we've remained focused and flexible in driving client success as a leader in Digital Engineering and Enterprise Modernization.

Persistent's sustained growth underscores the values and commitment of our entire team to confidently transform new ideas into tangible business results.

#### **Anand Deshpande**

Founder, Chairman and Managing Director

FY22 was a banner year for Persistent with 35.2% year-over-year growth. Our ability to identify emerging industry and technology trends and deliver value to clients through our expertise has given us a significant competitive advantage in the market. We are grateful to our clients, partners, employees, and other stakeholders for their continued trust in our team and ongoing collaboration.

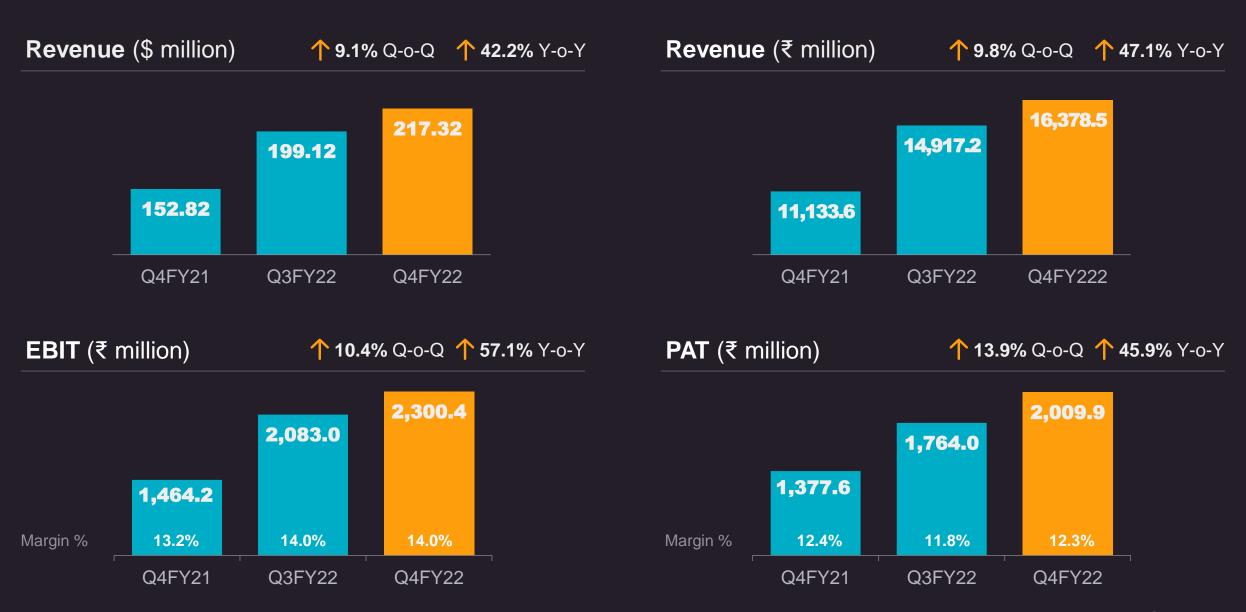

In addition to delivering industry leading growth, we've future-proofed our business to fuel the next phase of our growth through strategic investments, acquisitions and leadership hiring. These moves have bolstered our Digital Engineering skills, enhanced our partnerships across the hyperscaler ecosystem, and deepened our expertise in our core industries. With this foundation, we remain focused on expanding the business outcomes we deliver to our clients and look forward to building the next phase of Persistent.
