- b. The Shareholder Broker would be required to place an order/bid on behalf of the Shareholders who wish to tender Equity Shares in the Buyback using the acquisition window of the BSE. Before placing the orderibid, the eligible Shareholder would require to transfer the number of Equity Shares tendered to the special account of Indian Clearing Corporation Limited ("Clearing Corporation" / "ICCL") specifically created for the purpose of Buyback offer, by using the early pay in mechanism as prescribed by BSE or ICCL prior to placing the bid by the Shareholder Broker. The final number of Equity Shares that the Company will purchase from each Eligible. Shareholder will be based on the number of Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by an Eligible Shareholder.

In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding Physical Shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/sub-accounts and have a different demat
