Annexure-1

> IMPACT OF THE COVID-19 PANDEMIC ON THE BUSINESS:-

The outbreak of pandemic Coronavirus COVID-19 had shaken every part of the global society. It has seriously impacted on the businesses not only in India but also worldwide. Indian Government had placed several strict measures in the form of lockdown and curfews to contain the spread of the Coronavirus COVID-19, and due to which all the business activities of the Company was stopped and after the opening of lockdown it seems that the pandemic will adversely affect the operations, growth and future planning which cannot ascertained at present.

ABILITY TO MAINTAIN OPERATIONS:-

The Company has followed all the instructions of the Central/State Governments and other statutory bodies to contain the spread of the Coronavirus COVID-19 due to such instruction the Company had suspended his works which has already been updated to the shareholders/stake holders of the Company as well as filed COVID-19 return with Ministry of Corporate Affairs (MCA). Currently after reopening of the office Company has been trying hard to maintain its operations and trying to keep everything on track as future operations and working of Company depends on the Market condition of the sector.

SCHEDULE FOR RESTARTING OPERATIONS:-

The basic office work has already been started, which has already been intimated, but for a time being full functioning of the main operations does not seems to be started in the current scenario.

ESTIMATION OF FUTURE IMPACT OF COVID-19 ON OPERATIONS:-

The Company is following all the SOPs as issued by the Central/State Government and other statutory bodies. In this regards Company is following the measures of social distancing, sanitizing the place of work, and making such adjustment by which all the works could be done digitally. It seems that there might be so much stress in future business due to this pandemic and while working all have to follow the SOPs for the precaution measures.
